**PART OF THE SHIRE OF ALBERTON ADDED TO
THE SHIRE OF NARRACAN.**

At the Executive Council Chamber, Melbourne, the twenty-fifth day of April 1881.

PRESENT:

The Honorable Graham Berry presiding
Mr. Vale | Mr. Reid
Mr. Patterson | Mr. Pearson.
Mr. Williams

WHEREAS by The Local Government Act 1874 (38 Vict. No. 506) § 19, 38, and 49, it was amongst other things enacted that, subject to the provisions of the said Act, the Governor in Council might, from time to time, make Orders, amongst other things, to sever any portion of Victoria forming part of a municipal district from such municipal district, and annex the same to any other municipal district with which the portion so severed forms one continuous area, and from time to time make any apportionment of property rights and liabilities, and give any directions as to any matters and things that might be necessary to do justice as between the municipalities concerned; and every such Order should be published in the *Government Gazette*, and should take effect as from the day of such publication: And whereas the powers conferred upon the Governor in the sections of the Act above recited are now exercised upon a petition of a majority of the ratepayers of a part of the Shire of Alberton, therein described, and notices of such petition have been published in the manner prescribed in the forty-sixth section of the same Act: Now therefore His Excellency the Governor, with the advice of the Executive Council, and in compliance with the prayer of the petition hereinbefore mentioned, doth by this present Order sever from the Shire of Alberton the portion of the shire described in such petition and doth direct that the portion so severed from such shire shall be attached to the Shire of Narracan; and, with the advice aforesaid, doth hereby re-define the boundaries of the said Shire of Alberton as hereby diminished, and of the said Shire of Narracan now added to, in manner following, that is to say:—

SHIRE OF NARRACAN ENLARGED.

Commencing at the intersection of the Moe River with the northern boundary of the Gippsland Railway reserve; thence south-westerly up the Moe River and Bear Creek to the south-west angle of allotment 100, parish of Warragul; thence east by a road to the north-west angle of allotment 99; thence south by a road to the south-west angle of same allotment; thence west by a road to the north-west angle of allotment 129; thence south, east, and south again by a road forming the west and part of the southern boundary of the last-named allotment to its south-west angle; thence west by same road to the north-west boundary of allotment 130; thence south by same road, being the western boundary of that allotment, to its south-west angle and its junction with McDonald's track; thence south-westerly by that track to its junction with the boundary between the counties of Mornington and Buln Buln; thence southerly by that boundary to a point on same bearing magnetic west from the south-west angle of J. Cook's selection on the Tarwin River, parish of Mardan; thence magnetic east by a direct line to the angle before mentioned (the said line being the approximate southern boundaries of the parishes of Koramburra, Koorooma, and Mardan); thence north-easterly by the Tarwin River to Liddiard's track; thence northerly by that track to its intersection with a road forming the south boundary of the selection of Henry North, parish of Mirboo; thence east by that road to the south-east angle of Lucy Manton's selection; thence north by same road to the south-west angle of J. Collyer's selection; thence east again by same road to the centre of the east branch of the Morwell River; thence northerly by that river to its junction with the River La Trobe and the boundary of the Shire of Rosedale; thence westerly, northerly, and north-easterly by the boundary of that shire to the Tyers River; thence by that river to its source; thence by a direct line to the summit of Mt. Baw Baw and the southern boundary of the county of Evelyn; thence westerly by the said county boundary to a point on same true north of the commencing point; and thence by a line true south to the commencing point aforesaid.

SHIRE OF ALBERTON AS REDUCED.

Commencing at the mouth of Merriman's Creek, in the county of Buln Buln; thence by that creek to its source, being the south-west angle of the Shire of Rosedale; thence westerly by a line to the junction of the tracks from Morwell and Rosedale to Stockyard Creek, *via* Mt. Fatigue; thence southerly by that track to Mt. Fatigue; thence by a line magnetic west from Mt. Fatigue to the Tarwin River; thence north-easterly by the Tarwin River to the south-west angle of J. Cook's selection, parish of Mardan; thence by a line magnetic west from the angle last named to the boundary between the counties of Mornington and Buln Buln; thence southerly by that boundary to the sea-coast; and thence by the sea-coast to the commencing point.

Wherever a river, creek, or road forms the boundary, the centre of such river, creek, or road is the boundary.

And the Honorable George David Langridge, Her Majesty's Commissioner of Public Works for Victoria, shall give the necessary directions herein accordingly.

ROB. WADSWORTH,
Clerk of the Executive Council.

SHIRE OF NARRACAN.

PETITION FOR SEVERANCE REFUSED.

A PETITION under the provisions of *The Local Government Act 1874* (38 Vict. No. 506), from certain ratepayers of the Shire of Narracan, praying for severance from that shire and annexation to the Shire of Traralgon, having been taken into consideration: The Governor in Council, in exercise of the discretionary power given by the 38th section of the said Act, has made an Order refusing the prayer of the said petition.

G. D. LANGRIDGE,
Commissioner of Public Works.

Public Works Office,
Melbourne, 25th April 1881.

SHIRES OF BAIRNSDALE AND OMEO.

PROPOSED TRANSFER OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46), the substance and prayer of a petition, in accordance with the 39th and 44th sections of the said Act, which has been presented to His Excellency the Governor, are published, viz. :-

The petitioners purport to constitute a majority of the persons liable to be rated in the portion of the Shire of Bairnsdale which is described in their petition, and they desire that the area so described may be severed from the Shire of Bairnsdale, and attached to that of Omeo.

Area described in the petition :-

Commencing at a peak unnamed in the Great Dividing Range, west of "Cobberas," at the northern source of the Buchan River; thence by the range forming the eastern watershed of the Timbarra River to the surveyed line of road from Bruthen and Omeo; thence by that road to Deadhorse Creek; thence by that creek and the Tambo River to Ramrod Creek; thence up that creek to its source; thence by a range forming the watershed of the Nicholson River and Shady Creek to the Trigonometrical station at Mount Baldhead; thence by the common boundaries of the shires of Bairnsdale and Omeo to the commencing point.

Petitioners have property in the vicinity of the road from Bruthen to Omeo, which is principally used by the residents of the Omeo district and settlers residing between the two places; that the road has not been maintained in a fair state of repair, and the Bairnsdale people are indifferent as to same, while it is of vital importance to the petitioners.

And petitioners pray as follows :-That Your Excellency will be pleased to exercise the powers conferred on you by *The Local Government Act 1874*, and sever the area above described from the Shire of Bairnsdale, and annex same to the Shire of Omeo.

Notices for the petitioners may be served on Mr. Frederick Lowe, Doctor's Flat, Swift's Creek Junction.

G. D. LANGRIDGE,
Commissioner of Public Works.

Public Works Office
(Roads and Bridges Branch),
Melbourne, 27th April 1881.

SHIRES OF ROSEDALE AND TRARALGON.

PROPOSED TRANSFER OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46), the substance and prayer of a petition, in accordance with the 39th and 44th sections of the said Act, which has been presented to His Excellency the Governor, are published, viz. :-

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Rosedale which is described in their petition, and they desire that the area so described may be severed from the Shire of Rosedale, and attached to that of Traralgon.

Area described in the petition :-

Commencing at the centre of the Scarne bridge, across the River La Trobe, at the south-east corner of the Scarne pre-emptive right; thence north by the One-chain road to the north-east corner of the Scarne pre-emptive right; thence westerly along the One-chain road to the north-west corner of the Scarne pre-emptive right; thence across the Three-chain road to the south-west corner of David Archibald's selection; thence north by the One-chain road on the western boundary of David Archibald's selection to the southern boundary of B. Russell's selection; thence west by the One-chain road to the south-west corner of the Timber reserve; thence north in a direct line to the northern boundary of the Toongabbie riding; thence west by the northern boundary to the western boundary of the Toongabbie riding; thence south along the western boundary to the La Trobe River; thence east by the La Trobe River to the commencing point.

Petitioners say that their interests will be greatly advanced if they are connected with Traralgon, which is only distant about four miles, while Rosedale is twenty miles, and with which they have no interests in common, Traralgon railway station being the means of connection with the metropolis for the produce of the Tyers District; and that they have not been properly represented in the Council, the interests of the eastern portion of the Toongabbie riding being diametrically opposed to the petitioners.

Petitioners therefore pray that Your Excellency may be pleased to exercise the powers conferred on you by sub-section v. of section 19 of *The Local Government Act 1874*, by severing the above area from the Shire of Rosedale, and attaching same to the Shire of Traralgon.

Notices may be served on Mr. A. L. Galbraith, Tyers, Post Office, Traralgon.

G. D. LANGRIDGE,
Commissioner of Public Works.

Public Works Office
(Roads and Bridges Branch),
Melbourne, 26th April 1881.

SHIRE OF BULN BULN.

PROPOSED SEVERANCE OF AREA AND CONSTITUTION OF NEW SHIRE.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz. :-

The petitioners—two hundred and twelve and upwards in number—purport to constitute a majority of the ratepayers in the portion of the Shire of Buln Buln which is described in their petition, and they desire that the area so described may be severed from the Shire of Buln Buln, and constituted a new shire, under the name or title of "The Shire of Warragul."

Area described in the petition :-

North-eastern riding.—Commencing at the intersection of the north boundary of the Gippsland Railway reserve with the eastern boundary of the shire; thence north-westerly by the northern boundary of the said railway reserve to its intersection with Lardner's Track; thence northerly by Lardner's Track to the north boundary of J. Roger's selection; thence by a line true north to the shire boundary; thence easterly and southerly by the shire boundary to the commencing point.

South-eastern riding.—Commencing at the intersection of the south boundary of the Gippsland Railway reserve with the eastern boundary of the shire; thence north-westerly by the south boundary of the said railway reserve to its intersection with Lardner's Track; thence southerly by Lardner's Track to the south boundary of the shire; thence following the boundary of the shire easterly and northerly to the commencing point.

Petitioners state that the councillors of the western ridings have prevented business being transacted by leaving the council in a body, and preventing the formation of the quorum necessary for the transaction of business; that the operations of the council of the said shire having been thus paralysed, and the interest of the petitioners most prejudicially affected thereby, they are of opinion that it is essential to their well-doing that the "North-Eastern riding" and "South-Eastern riding" of the said shire should be separated from the other ridings, and the former constituted a separate shire; and they pray, therefore, that the area may be severed as asked for, and constituted a shire, under the name or title of "The Shire of Warragul," including therein, if it shall seem fit, the whole of the parish of Neerim instead of part thereof as at present included in the North-Eastern riding.

Notices may be served on Mr. W. D. Garside, J.P., Warragul.

G. D. LANGRIDGE,
Commissioner of Public Works.

CONDITIONS OF CONTRACT.

1. The Postmaster-General will not be bound to issue orders upon the contractors for all the articles enumerated in the schedules, but only for such articles, and such quantities of those articles, as the Postmaster-General may order from time to time; neither will the Postmaster-General be bound to take from the contractors any larger supply of any of the articles than may be shown upon the orders which have been issued during the year, nor will he be bound to take any of the articles enumerated in the schedules for which orders have not been issued. Should the Postmaster-General require a larger supply of any article than the quantity stated in the schedules, the contractor will be bound to supply the same at the contract rate.

2. The supplies are to be according to sample, and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. In other cases the supplies are to be the best quality of their several kinds or manufacture. A preference will, however, be given to goods of Victorian manufacture, provided the quality be equal to the particular manufacture indicated in the schedule.

3. All orders must accompany the goods on delivery, otherwise the goods will not be received. Delivery as a rule is to be of the full quantity ordered.

4. Supplies ordered for delivery in Melbourne and Williamstown districts are to be delivered free of all charges (whether cartage, freight, &c.), and for the purposes of these contracts, Melbourne district will include a radius of six miles from the General Post Office; and Williamstown district will include the town of Williamstown, Hobson's Bay, and the River Yarra.

5. Arrangements as to time of delivery and inspection of goods will be made by the Controller of Stores, General Post Office.

6. Orders must receive prompt execution; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the officer named in condition 5, or the head of the department, on giving the contractor twenty-four hours' notice, to purchase the supplies at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account.

7. The contractor will be required to furnish his account in the prescribed form simultaneously with delivery of the full quantities of goods ordered, the account being rendered with order to which it relates. The prices quoted in the orders cannot be increased.

8. The acceptance of the supplies shall be subject to the approval of the officer named in condition 5. The contractor may, however, claim a survey on any goods objected to; but in that case he must within twenty-four hours after objection is made give notice thereof in writing to the officer rejecting the goods.

9. Delivery will not be deemed to have been made until the goods have been approved of. All articles rejected must be immediately replaced by the contractor, otherwise purchases will be effected at the contractor's risk and the extra expense deducted as in condition 6.

10. The members of boards of survey will be appointed by the Government, and the decision of the board is to be considered as final. If the board shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the survey fees and extra expense (if any) will be charged as in condition 6.

11. A repetition of irregularity in the quantity or quality of the supplies, or of delay in delivering or replacing them when required, will subject the contractor, upon report, to such mulct, not exceeding Fifty Pounds, as the Postmaster-General may direct, and the amount may be deducted as in condition 6, or from the contractor's security. It will also be in the power of the Postmaster-General, upon such repetition, to terminate the contract forthwith.

12. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognized.

13. It will be competent either for the contractor on his own behalf, or for the Postmaster-General, to terminate the contract by giving notice in writing of three full calendar months to the opposite party; it being understood that such notice can only be given from the first day of a month, and within the period for which the contract is made.

14. In the event of any alteration in the Tariff affecting any of the items included in these contracts, the Postmaster-General or the contractor, as the case may be, will make a proportionate allowance by way of deduction from, or increase to, the price of the item so affected.

15. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Electric Telegraph Service, or by any contracts made by the Imperial Commissariat or the Agent-General for Victoria, or by any contracts or agreements made for any works or supplies by the Department of Public Works, or the Tender Board, or on account of other Governments; or by any article being made at and supplied for the use of any Government establishment; or by the consumption of the surplus stock of any Government establishment.
