AGRICULTURAL STATISTICS OF THE COLONY OF VICTORIA FOR THE YEAR ENDED 31st MARCH 1881.
(Collected by the Sub-enumerators appointed under the Census Act 1881. The "Extent of Land in Occupation" does not include squatting stations to which no purchased land is attached, nor allotments which do not exceed one acre in extent, nor holdings which are occupied for other purposes than agriculture or the keeping of live stock.)

** The following figures have been finally checked. As regards the extent of land under and yield of wheat, the figures now given exceed by 48,327 acres, and by 585,119 bushels, those published in the Government Gazette of the 20th ultimo. The differences have arisen—(1) from the fact that estimates, made in this office by the aid of the enumerators, for returns known to be absent, have generally been much too low; and (2) from numerous returns having since come in from districts which were supposed to have been completed. The increases are chiefly in the shires of Loran, Marong, St. Arnaud, and Wimmera; whilst a transposition of figures causes an apparent falling off in the shires of Dummunkle and Belfast. Tables of shires, boroughs, counties, &c., will be published immediately.

PRESENT:

His Excellency the Governor

Mr. Vale	Mr. Williams
Major Smith	Mr. Langridge
Mr. Richardson	Mr. Pearson.

WHEREAS by *The Local Government Act 1874* it was amongst other things enacted that where any street or road in any municipal district exceeds one chain in width such street or road might, for any length thereof, be reduced in width to any width not less than one chain, and that the council of the municipality and the Board of Land and Works, and every owner of any land having a frontage to such street or road in any place where the same is so reduced in width, or in any place not more than three chains from any such place, might agree in writing, under the common seals of the municipality and the Board of Land and Works, and under the hand and seal of every such owner, upon a scheme for the reduction in width of such street or road for the length mentioned in such scheme, and for the disposal of the surplus land taken from such street or road, and as to the purchase-money to be paid by any such owners who might be allowed to purchase any of the surplus land, and as to the compensation, if any, not exceeding in the whole the amount of the purchase-money to be paid in respect of any land injuriously affected by such scheme, and the Governor in Council might by Order published in the *Government Gazette* confirm such scheme, and thereupon any land mentioned in such scheme in that behalf should cease to be a street or road, and all rights-of-way over the same should cease and determine; and it should be lawful for the Governor, on payment of the purchase-money for any surplus land to the Treasurer of Victoria, in the name and on behalf of Her Majesty, to grant such land in accordance with the provisions of any such scheme in the manner prescribed by the said Act, and by warrant under his hand to direct payment of any such compensation out of the consolidated revenue, which is by the said Act appropriated for that purpose accordingly: And whereas a scheme has this day been submitted to the Governor in Council for reducing the width of a portion of the main road in the shire of Rosedale, in the county of Buln Buln, leading from Rosedale to Traralgon, as hereinafter set forth: Now therefore His Excellency the Governor, with the advice of the Executive Council, in pursuance of the 367th section of the said in part recited Act, doth by this present Order confirm the said scheme for reducing a portion of the main road leading from Rosedale to Traralgon, in the shire of Rosedale, in the county of Buln Buln, and parish of Rosedale, in the colony of Victoria, from three chains to two chains, as shown on tracing annexed to said scheme, and deposited at the Office of Crown Lands and Survey, Melbourne, and in accordance with such scheme, under the seals of the shire of Rosedale, the Board of Land and Works, and under the hands and seals of the respective owners of land having a frontage to the portion of the main road aforesaid, and dated the twenty-seventh day of April, One thousand eight hundred and eighty-one.

And the Honorable Richard Richardson, Her Majesty's Commissioner of Crown Lands and Survey for Victoria, shall give the necessary directions herein accordingly.

NOTE.—The fee for six months must accompany the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Monday, 27th June 1881, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council, and published in the *Government Gazette* of 11th February 1876, as under, and also the subjoined special conditions.

Every license granted under subdivision vii. of section 47 of *The Land Act 1869* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts i., ii., or iii. of *The Land Act 1869*, except subdivision vii. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act 1869*, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate, or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

Special Conditions.

1. The period of occupation will be from 1st July 1881 to 31st December 1881.
