Mr. Graves  
Mr. Young  
Mr. BoltonMr. Madden  
Mr. L. L. Smith.

WHEREAS by The Legislative Council Act 1881, No. 702, it was amongst other things enacted, that where any accidental or unavoidable impediment, misfeasance, or omission should have happened in the preparation or transmission or printing of any roll of ratepaying electors, the Governor in Council might, by Order in Council, take all such measures as might be necessary for removing such impediment or rectifying such misfeasance or omission, or might declare any such roll valid as to and notwithstanding such impediment, misfeasance, or omission, and every such Order in Council should state specifically the nature of the impediment, misfeasance, or omission, and should be forthwith published in the *Government Gazette*: And whereas in the preparation, in August last, of the Roll of Ratepaying Electors for the Ballan division of the Southern Province the Electoral Registrar for the said division did incorrectly include therein the names of certain electors which should have been inserted in the Roll of Ratepaying Electors for the Buninyong Shire division of the South-Western Province, and the Electoral Registrar for the last-named division did accidentally omit therefrom the said names and certain others, and did also mis-state the names of certain other electors in the Roll of Ratepaying Electors for the Buninyong Shire division of the South-Western Province aforesaid, and it is expedient to rectify the said Rolls of Ratepaying Electors: Now therefore the Governor, with the advice of the Executive Council, under and by virtue of the power in him vested by the 31st section of the said Act, doth by this present Order direct that the Rolls of Ratepaying Electors for the said divisions be rectified by expunging from the Roll of Ratepaying Electors for the Ballan division of the Southern Province the names of the electors set forth in the subjoined Schedule marked A, and inserting in the Roll of Ratepaying Electors for the Buninyong Shire division of the South-Western Province the names of the electors specified in the Schedule marked B hereto, and by further correcting the mis-stated names in the last-named roll in accordance with the Schedule hereunder marked C: And the Governor, with the advice aforesaid, doth hereby declare valid the Rolls of Ratepaying Electors for the said electoral divisions so rectified, notwithstanding such accidental omission and misfeasance as aforesaid.

The petitioners purport to constitute a majority of the ratepayers in the portion of Echuca Shire, which is described in their petition, and they desire that the area so described may be severed from that shire and annexed to the Eastern Riding of the Shire of Waranga.

## Area described in the petition:—

All that portion of the parishes of Undera and Coomboona now within the Shire of Echuca as shown on plan attached to the petition.

That the Echuca Shire will not make or clear the roads in their territory required by them.

Petitioners therefore pray that the necessary steps may be taken to sever the parishes named from the Shire of Echuca and attach same to the Eastern Riding of the Shire of Waranga.

Notices for petitioners may be served on John McKenzie, Esq., J.P., John's Wood, St. Germans.

## SHIRE OF PYALONG.

## REGULATIONS FOR MANAGEMENT OF THE PYALONG AND GLENAROUA COMMON.

In pursuance of the Regulations relating to Commons made by the Governor in Council on the 1st April 1879, the Council of the Shire of Pyalong having drafted the following Regulations for management of the Pyalong and Glenaroua Common submit the same for revision by the Board of Land and Works and approval by the Governor in Council.

## Regulations.

1. In the construction, and for the purposes of these regulations, the words "large cattle" shall mean cows, heifers, oxen, steers, mares, geldings, colts, fillies, asses, and mules; the words "small cattle" shall mean sheep and goats.

2. Ratepayers, holders of miners' rights, business licenses, or carriers' licenses, and farmers residing within a distance of five (5) miles from the common, may respectively depasture thereon four (4) head of large cattle or the equivalent of the whole or any portion thereof in small cattle, on the basis that one (1) head of large cattle shall be deemed equivalent to three (3) head of small cattle. A farmer having under cultivation not less than one-tenth portion of the land occupied by him may depasture on such common one additional head of large cattle or the equivalent in small cattle for every ten acres of such land cultivated by him.

3. The fees for depasturing stock on the common shall be as follow, and shall be payable half-yearly in advance, on the first day of November and on the first day of May in each year:—

For every horse ... 5s. per annum.  
For every head of other large cattle ... 3s. per annum.  
For every head of small cattle ... 1s. per annum.

4. All cattle intended to be depastured on the common shall, in the first instance, be produced to the herdsman by the owner, either at the common yards or the premises of the owner, for the purpose of being branded and registered, and the owner shall also furnish him, in writing, with the particulars of their private brands, and general description; and at each periodic branding the owner shall afford the herdsman all reasonable aid in mustering his cattle.

5. No person shall be allowed to depasture more than twelve goats on the common.

6. Bulls and entire horses shall not be allowed on the common.

7. No animal infected with any contagious disease shall be allowed on the common.

8. No person depasturing cattle will be permitted to herd his own cattle nor shall he remove them from the common without the knowledge of the herdsman. If, however, in the interim of the periods which may from time to time be fixed for branding, any owner of cattle intends to remove his stock, or any portion of them, from the common, he may do so by delivering a written notice to the herdsman of such intention, and shall specify in such notice the cattle proposed to be removed, and the day of removal, prior to which he shall give a receipt for the same to the herdsman, and the cattle so removed may be replaced without extra fee by an equal number of others, or their equivalent, upon such being produced to the herdsman for branding and registration. Any breach of this regulation shall exonerate the herdsman from further responsibility in respect of any cattle belonging to such owner.

9. The common register shall be open at the office of the Shire Secretary, Pyalong, and may be inspected at all reasonable times, without fee, by any person who shall have stock running on the common.

Every person offending against any of the foregoing Regulations shall, on conviction before any justice, forfeit and pay a penalty not exceeding Twenty pounds (£20) for each offence.
