SHIRES OF EUROA AND SHEPPARTON.

PROPOSED SEVERANCE OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz. :—

The petitioners purport to constitute a majority of the ratepayers in the portion of Euroa Shire, which is described in their petition, and they desire that the area so described may be severed from that shire and annexed to the Shire of Shepparton.

Area described in the petition:—

Commencing at the north-east corner of the parish of Caniambo; thence southerly to the south-east corner thereof; thence westerly along the southern boundary of that parish and the parish of Kialla to the River Goulburn; thence northerly along the course of the said river to the junction of the Broken River; thence easterly along the course of the said river, forming the southern boundaries of the parishes of Shepparton and Pine Lodge, to the commencing point.

Petitioners state that, from their geographical position, the said parishes should be annexed to Shepparton, being only a few miles therefrom; that all their business is transacted with that town and their interests are identified therewith; moreover, that the distance from Euroa, the present seat of local government, has caused partial failure and neglect in the distribution of the shire funds, the parishes included in the area above described not having received a fair share; and also that petitioners expected said area to be included in Shepparton when first constituted.

They therefore pray, "That an Order may be made, severing the area above described from Euroa Shire and annexing same to Shepparton."

Notices for petitioners may be served on Mr. Joseph Knight, Post Office, Shepparton.

TENDERS FOR GRAZING LANDS.

NOTE.—The fee for four months must accompany the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Thursday, 31st August 1882, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council, and published in the *Government Gazette* of 11th February 1876, as under, and also the subjoined special conditions.

Every license granted under subdivision VII. of section 47 of *The Land Act 1869* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act 1869*, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act 1869*, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon or to cultivate, or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

Special Conditions.

1. The period of occupation will be from 1st September 1882 to 31st December 1882.

2. The license fee must be paid in advance. The fee for four months—for which the license will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per block per annum separately.
