POPULATION OF VICTORIA.

QUARTERLY Abstract, showing the Estimated Population of Victoria on the 30th September 1883:—

	Males.	Females.	Males.	Females.	Total.
Births in the third quarter of 1883	3,784	3,509			
Arrivals by sea	9,431	3,891			
Deaths	1,691	1,165	13,215	7,400	20,615
Departures by sea	8,031	3,448			
			9,722	4,613	14,335
Increase during the quarter			3,493	2,787	6,280
Population on the 30th June 1883			482,932	433,016	915,948
Population on the 30th September 1883			486,425	435,803	922,228

NOTE.—The increase during the quarter by excess of registered births over registered deaths was 4,437, viz., 2,093 males and 2,344 females; that by excess of recorded arrivals by sea over recorded departures by sea was 1,843, viz., 1,400 males and 443 females. The total increase of population from those sources was thus 6,280, viz., 3,493 males and 2,787 females, as shown in the table. The increase by excess of births over deaths was greater than in the corresponding quarter of the previous year by 335; but as the increase by excess of arrivals over departures was less by 245, the net increase of population was larger by only 90. It should be stated that whilst it is probable nearly all the deaths and arrivals by sea are noted, there is reason to believe that some births and departures by sea are not recorded; it should moreover be borne in mind that no account is or can be taken of persons who come and go overland.

WHEREAS by *The Licensing Act 1876* (No. 566, section 44) it was amongst other things enacted that, notwithstanding the provisions thereinbefore contained, it should be lawful for the Governor in Council from time to time to proclaim any place or district a place or district where, owing to a sudden increase of population or otherwise, the necessity for the immediate grant of publicans' licenses exists, to be a place or district wherein publicans' licenses might be specially granted, and from time to time to revoke any such proclamation: Now therefore I, the Governor of Victoria, with the advice of the Executive Council, do hereby proclaim the Township of Kiata to be a District where publicans' licenses may be specially granted under the provisions of the 44th section of the said Act.

‡ Including the Melbourne Hospital, which is in Gipps Ward; the Homœopathic Hospital, which is in La Trobe Ward; the Alfred Hospital, which is in Albert Ward; the Immigrants' Home, which is partly in Albert Ward, partly in Smith Ward, and partly in South Melbourne City; the Lying-in Hospital, and the Children's Hospital, which are in Smith Ward; the Metropolitan Lunatic Asylum, which is in Kew Borough; the Yarra Bend Lunatic Asylum and the Austin Hospital, which are in "Remainder of District;" and the Benevolent Asylum, which is on the boundary between Hotham Town and Melbourne City.

The deaths, the mean temperature in the shade, and the mean atmospheric pressure, during the month of October, of the ten years 1873-1882, also the births during the same month of the nine years 1874-82, in Melbourne and suburbs, were as follow:—

	Number of Births.	Number of Deaths.	Mean Temperature.	Mean Height of Barometer.
October 1873	354	59.9°	29.887 inches.

" 1882 ...	759	397	57.6°	29.865 "
Mean ...	698	372	56.7°	29.885 "

The births of 912 children, viz., 462 boys and 450 girls, were registered in Melbourne and suburbs during the month of October. In the month of September 831 births were registered, or 81 less than in the month under review. The births were 214 above the average of the previous nine years, but 136 above that average, if allowance be made for the increase of population.

The deaths registered in October numbered 434, viz., 229 of males, and 205 of females; the births thus exceeded the deaths by 478. The deaths outnumbered those in September by 39, and exceeded the average of October during the previous ten years by 62. If, however, allowance be made for the increase of population, they will be found to have exceeded the average of those ten years by 16.

To every 1,000 of the population of the district the proportion of births registered was 3.13, and of deaths registered 1.49.

The highest temperature in the shade recorded at Melbourne Observatory during the month was 86.2° on the 20th, and the lowest was 41.7° on the 6th. The mean temperature of the month (56.3°) was four-tenths of a degree below the average. The greatest range of the thermometer in any one day (34.9°) took place on the 19th, viz., from a maximum of 78.0° to a minimum of 43.1°. The least range (7.2°) was on the 17th, viz., from a maximum of 57.4° to a minimum of 50.2°. The mean daily range was 18.5°. The mean atmospheric pressure (29.900 inches) was slightly above the average.

Males contributed 53 per cent., and females 47 per cent. to the mortality during the month. Children under 5 years of age contributed 30 per cent. to that mortality as against 31 per cent. in October 1882; 33 per cent. in October 1881; 37 per cent. in October 1880 and October 1879; 27 per cent. in October 1878; 39 per cent. in October 1877; 29 per cent. in October 1876; 39 per cent. in October 1875; 35 per cent. in October 1874; and 37 per cent. in October 1873.

The deaths of 20 persons who had attained or exceeded the age of 75 years were recorded during the month. Of these, a female, aged 75, a broker, aged 78, and a female, aged 81, died of apoplexy; a female, aged 75, of peritonitis; a gentleman, aged 75, and a female, aged 83, of typhoid fever; a gentleman, aged 76, of kidney disease; a gardener, aged 76, of rheumatism; a gentleman, aged 77, of aneurism of the aorta; a farmer, aged 78, and a carpenter, aged 80, of heart disease; a laborer, aged 79, of bronchitis; a female, aged 81, of cancer; a female, aged 83, of fractured ribs; a female, aged 85, of paralysis; a female, aged 79, a female, aged 77, a shoemaker, aged 77, a female, aged 78, and a female, aged 81, of old age.

Only 14 deaths were ascribed to external causes during the month, of which 10 were set down to accident, 1 to homicide and 3 to suicide. The following are the particulars of the accidental deaths:—A female child, aged 3, died of fracture of the leg, cause not stated; a laborer, aged 17, of injury to the bowels, the result of a kick from a horse; a sailor, aged 49, was killed through falling from the yard of a ship lying at Williamstown; a dealer, aged 54, by falling from a cart; a carpenter, aged 56, by falling from a ladder; a tailor, aged 52, died of injury to the spine, and a female, aged 83, of fractured ribs, both the result of falls down stairs;

and a hunter, aged 45, was crushed between the buffers of trucks. A female child, aged 2, died of scalds; and a male infant, aged 1 month, of overlying in bed. The homicidal death was that of a groom, aged 47, who died of blood-poisoning, occasioned by a wound (verdict, wilful murder). The suicidal deaths were those of a female servant, aged 20, who stabbed herself; and of a female, aged 25, and a gentleman, aged 58, who drowned themselves. The first two were set down as being of unsound mind at the time they committed self-destruction.

REGULATIONS OF THE MELBOURNE HARBOR TRUST COMMISSIONERS.

HIS Excellency the Governor in Council has approved of the subjoined Regulations of the Melbourne Harbor Trust Commissioners, made under and by virtue of *The Melbourne Harbor Trust Act 1876* and *The Melbourne Harbor Trust Further Amendment Act 1883*.

G. D. LANGRIDGE,
Commissioner of Trade and Customs.

Department of Trade and Customs,
Melbourne, 5th December 1883.

REGULATIONS OF THE MELBOURNE HARBOR TRUST COMMISSIONERS, MADE UNDER AND BY VIRTUE OF "THE MELBOURNE HARBOR TRUST ACT 1876" AND OF "THE MELBOURNE HARBOR TRUST FURTHER AMENDMENT ACT 1883."

In pursuance of the said Acts, the Melbourne Harbor Trust Commissioners made the following regulations:—

1. *Interpretation clause.*—The words "the port," "shore," "Commissioners," "vessel," "ship," "buoys and beacons," "creek," "river," "person," "ballast," "harbor-master," "owner of a ship," "registered owner," when used in relation to goods, "goods," and "master," shall in these regulations and in the regulations heretofore made have the same meanings that are respectively assigned to them in the third section of *The Melbourne Harbor Trust Act 1876* as amended by the second section of *The Melbourne Harbor Trust Further Amendment Act 1883*. "The secretary" shall mean the secretary appointed by the Commissioners. "The Act," or "this Act," shall mean *The Melbourne Harbor Trust Act 1876* and *The Melbourne Harbor Trust Further Amendment Act 1883*, as the case may be.

The compilation of the rolls of persons entitled to vote as rate-payers of the respective municipalities of South Melbourne, Sandridge, Williamstown, and Footscray, and the revision of such rolls.

2. *Rolls to be made out.*—*First Schedule.*—The secretary to the Commissioners shall between the first and sixth days of December in each year make out, according to the forms in the First Schedule hereto, rolls of the names of persons entitled to vote for the ensuing year in the election of Commissioners for the municipalities of South Melbourne, Sandridge, Williamstown, and Footscray respectively, and shall arrange such rolls respectively according to the alphabetical order of surnames contained therein, and shall state in such rolls against the name of each person the several particulars indicated in the several columns of the said schedule.

3. *Inspection of rolls to be invited.*—The secretary shall forthwith after making out the said rolls notify by public advertisement in some newspaper generally circulating in the municipality to which the said roll refers the fact that copies of such rolls are in his custody and ready for inspection at his office, and shall keep such rolls to be inspected by any ratepayer, and permit such inspection at all reasonable hours between the sixth and tenth days of December in each year.

4. *Claims and objections may be lodged.*—Any person whose name has been omitted from any such rolls, and who claims to have his name inserted therein, shall on or before the said tenth day of December give or send by post to the secretary notice thereof in writing, setting forth the particulars of the grounds upon which he claims to be so enrolled, and shall sign the same with his name; and every person whose name has been inserted in any such rolls may object to any other person as not being entitled to have his name retained in such rolls or as not entitled to have the number of votes set against his name therein, and every person so objecting shall on or before the said tenth day of December give or send by post to the secretary, and also send by post to the last known address within the colony of Victoria of the person objected to, notice in writing of such objection, stating the particulars of the grounds of such objection, and shall sign the same with his name, and the secretary shall cause lists to be prepared of all such claims and objections respectively.

5. *Revision of rolls.*—The said rolls, together with the said lists of claims and objections, shall be submitted for revision by the secretary to a police magistrate sitting in a court of petty sessions at South Melbourne, Sandridge, Williamstown, and Footscray, as the case may be, at such time as the police magistrate shall appoint between the 10th and the 20th days of December in every year; and the police magistrate shall, at the expense of the Commissioners, give three days' notice of the holding of a court for such revision, and of the time and place thereof, by advertisement in some newspaper generally circulating in the municipality to which the said roll refers.

6. *Instructions for revision of rolls.*—The police magistrate shall insert in the said rolls under revision the name of every person who has claimed as aforesaid and is proved to his satisfaction to be entitled to be inserted in the said rolls, together with the number of votes to which such person is entitled, and shall retain on the said rolls the names of every person who has been objected to by any person and the number of votes set against the same unaltered, unless the person so objecting appears by himself or by some one on his behalf in support of such objection, and proves the service of the requisite notices; and when the name of any person inserted in any such rolls or the number of votes set against the same has been duly objected to, and the person objecting appears by himself or by some one on his behalf in support of such objection, the police magistrate shall require proof of so much of the qualification so objected to as is embraced in the grounds of objection so to be stated as aforesaid and no more; and in case such qualification of such person is not proved to the satisfaction of the police magistrate, he shall expunge the name of every such person from such rolls, or shall alter and

correct the number of votes set against the same (as the case may require), and shall expunge therefrom the name of every person who is proved to be dead, and shall correct any mistake or supply any omission which may appear to such police magistrate to have been made in any of the said rolls.

7. *Rolls to be signed and certified, &c.*—The police magistrate shall initial all alterations made in the said rolls respectively, and shall sign and certify the same as provided by *The Melbourne Harbor Trust Act 1876* and *The Melbourne Harbor Trust Further Amendment Act 1883*, and shall forthwith deliver the same to the secretary, who shall cause to be printed as many copies thereof as the Commissioners may direct; and any person whose name appears on either of such rolls shall be entitled to receive a copy thereof upon payment of one shilling for each copy.

The management and conduct of all elections of Commissioners by the ratepayers of the municipal districts of South Melbourne, Sandridge, Williamstown, and Footscray.

8. *Returning officer.*—In all cases of ordinary vacancy in the office held by any Commissioner heretofore elected by the respective councils of the municipal districts of Emerald Hill, Sandridge, Williamstown, and Footscray, and in all cases of ordinary vacancy in the office of any Commissioner elected by the ratepayers of the municipal districts of South Melbourne, Sandridge, Williamstown, and Footscray, the Commissioners shall, not less than seven days prior to the time at which such vacancy would occur, appoint from among their own number (other than the person holding the office about to become vacant) a returning officer to conduct an election to supply such vacancy, and shall at the same time fix the time at which such election shall be held, in the event of there being a greater number of persons nominated, as hereinafter provided, than the number of vacancies to be filled up.

9. *Deputies.*—The returning officer may appoint one or more deputies, as the case may require, to assist him or to act in his room at any such election, and such deputy or deputies may do all or any of the acts or things which the returning officer is hereby authorized or required to do.

10. *Notice of election.*—*Second Schedule.*—Ten days before any such election the returning officer shall give public notice thereof by advertisement inserted in some newspaper generally circulating in the municipal district in which the election is to take place, and by such notice shall require all candidates at such election to be nominated at some place to be named in such notice, and between the hours of ten o'clock in the forenoon and four o'clock in the afternoon on some day before a day (hereinafter called the day of nomination) not less than three nor more than five days after the time of giving such notice and named therein; and any person desirous of nominating a candidate shall before four o'clock in the afternoon of the day next preceding the nomination day cause to be delivered at the place aforesaid to the returning officer or his deputy a nomination paper in the form in the Second Schedule hereto, or to the like effect, and such nomination paper shall be signed by not less than four persons duly qualified to vote at such election, and also signed by the person named therein as a candidate in token of his assent to his being so named.

11. *Declaration of election where uncontested.*—If at the expiration of the time limited as hereinbefore provided for the nomination of candidates the number of persons who have become candidates as aforesaid does not exceed the number of Commissioners then to be elected, the returning officer shall then declare such candidates to be duly elected.

12. *Appointment of polling-places.*—The returning officer may from time to time appoint and abolish such and so many polling-places for taking the poll as he may see fit, and may also provide all necessary materials and appoint poll clerks for any election.

13. *Contested election.*—*Third Schedule.*—*Notice and time and place of poll.*—If at the expiration of the time limited for the nomination of candidates the number of candidates exceed the number of candidates to be elected, the returning officer shall forthwith cause ballot-papers to be printed with the Christian names and surnames of all the candidates in full in the form in the Third Schedule hereto; and shall forthwith give public notice by advertisement inserted in some newspaper generally circulating in the municipal district in which the election is to take place stating the names of the persons so nominated, and that a poll will be taken (at the place or places to be named therein) for the election of such Commissioners on the day appointed for holding the election of such Commissioners on the day appointed for holding the election and named in such notice, and such poll shall take place accordingly, and shall commence at eight in the forenoon and close at five o'clock in the afternoon.

14. *Candidates may retire within certain time.*—*Fourth Schedule.*—If after any poll shall stand appointed as aforesaid at any election any candidate for such election and two of the persons having signed the paper nominating him are desirous that he should retire from such candidature, such candidate and the persons aforesaid, not later than two days before the day of polling, may sign and deliver to the returning officer at any time before four o'clock in the afternoon a notice in the form in the Fourth Schedule stating that such candidate so retires, and may publish in some newspaper generally circulating in the municipal district in which the election is to take place a copy of such notice; and the returning officer, on the receipt of such notice and on sufficient proof of such publication as aforesaid (if the number of candidates is by such retirement reduced to the number of persons to be elected at such election) shall, on the day appointed for the election, declare the remaining candidates to be duly elected, and if the said number is not so reduced, shall omit the name of such person so retiring from the ballot-papers to be used at the said election, and if such ballot-papers shall have been already printed, shall erase such name therefrom, and such person shall not be capable of being elected at such election.

15. *Scrutineers.—Who may be present in booth.*—Each candidate shall be entitled to appoint in writing one scrutineer to be present in each polling-booth, and such scrutineers and the returning officer, or deputy or other person, and the poll clerks and any voters not exceeding six in number actually engaged in voting, and to be named if necessary by such returning officer, or deputy or other person so appointed, shall alone be permitted at any one time to enter or remain in the polling-booth.

16. *Pencils and ballot-box.*—Each returning officer, or his deputy or other person so appointed, shall provide pencils in every polling-booth for the use of the voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot-papers, and such box shall be opened and exhibited to the poll clerks and scrutineers before the polling begins, and shall stand on a table opposite the returning officer, or deputy or other person so appointed, who shall keep the key of such box.

17. *Ballot-papers, how delivered and dealt with.—Voter unable to read or write.*—Each returning officer, or his deputy or other person so appointed, shall deliver to every voter who shall require the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one, then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form aforesaid and initialled by the returning officer; and every such voter shall, without leaving the booth, strike out from such paper or papers the names of every candidate for whom he shall not desire to vote, and in case any voter shall be unable to read or write, the returning officer, or his deputy or other person so appointed, if required, shall, in view of such one of the scrutineers as such voter may desire, strike out the names of such candidates as such voter may designate, and after such names shall be so struck out the ballot-paper or papers shall be forthwith deposited in the said box.

18. *Ballot-paper to be numbered.*—Before delivering any ballot-paper to a voter, the returning officer, or his deputy or other person so appointed, shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number corresponding to the number set opposite to the voter's name in the rolls of ratepayers, and shall thereupon, upon a copy of such roll, check off such voter's name as having voted, and shall number such name and the ballot-paper with a corresponding number.

19. *Certain indefinite votes to be void.*—If any voter shall suffer to remain upon any of his said ballot-papers a greater number of names not struck out than the number of members to be elected, the vote given on and by such paper shall be void and of no effect.

20. *Questions to be put to voter at elections.*—At each election the returning officer, or his deputy or other person so appointed as aforesaid, may, if he see fit, or if required so to do by any candidate or scrutineer, shall put to any person tendering his vote either or both of the following questions:—

(i.) Are you the person whose name appears as [A.B.] on the ratepayers' roll now in force for [the city of South Melbourne or municipal district of Sandridge, Williamstown, or Footscray, as the case may be]?

(ii.) Have you already voted at the present election?

And no person who shall refuse to answer any of such questions, or who shall not answer the first of such questions absolutely in the affirmative, and the second of such questions absolutely in the negative, shall be permitted to vote.

21. *Ascertaining result of polling.—Declaration.—Casting vote.*—Immediately upon the close of the poll, each returning officer, or his deputy or other person so appointed at each polling-booth, shall proceed, in the presence and subject to the inspection of the poll clerks and of so many of the scrutineers of the candidates as shall please to be present, to ascertain the number of votes for each candidate, and such returning officer and deputy, or other person respectively, shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided, and the deputy, or such other person, shall immediately forward the ballot-papers, sealed up, together with a list made up under the inspection of the said scrutineers of the total number of votes for each candidate, to the returning officer, and the returning officer shall in like manner seal up the ballot-papers deposited in the booth in which he shall have presided; and such returning officer shall, as soon as conveniently may be on or after the day of the poll, give public notice of the number of votes given to each candidate, and shall declare the candidates, not exceeding the number of vacancies to be filled up, who have received at all the polling-booths taken together the greatest number of votes to be duly elected as Commissioners, and shall forthwith publish in some newspaper generally circulating in the municipal district in which the election has taken place the names of the members so elected, and if two or more candidates shall have received an equal number of votes, the returning officer shall in each case have the casting vote.

22. *Disposal of ballot-papers.*—Each returning officer shall forthwith, after the declaration of the poll, cause all the sealed parcels of ballot-papers to be sealed up in a packet, endorsed with a description of the contents thereof, signed by him, and forward them to the Commissioners, who shall cause them to be safely and secretly kept for six months, and after the expiration of such period of six months cause such ballot-papers to be destroyed.

23. *If vacancies unfilled, Commissioners to be notified.*—If at any election no members, or a less number of members than is necessary to fill the vacancies to fill which such election was held, shall be elected, the returning officer shall notify the same forthwith to the Commissioners.

24. *Extraordinary vacancies.*—When any extraordinary vacancy occurs in the office held by any Commissioner elected by the ratepayers of the respective municipal district of South Melbourne, Sandridge, Williamstown, and Footscray, the same course of procedure shall be adopted in and about the election of a person to supply such vacancy as is hereinbefore prescribed for an election to fill an ordinary vacancy, save that the appointment of the returning officer shall be made within fourteen days after such extraordinary vacancy has occurred.

FOURTH VICTORIA PERMANENT PROPERTY BUILDING AND INVESTMENT SOCIETY.

SIXTEENTH ANNUAL REPORT OF THE COMMITTEE FOR THE YEAR ENDING 31ST OCTOBER 1883.

YOUR Committee have the honour herewith to submit the audited accounts of the society for the financial year ending 31st October 1883.

The gross profits amount to £8613 7s. 4d. After paying working expenses and crediting investing shareholders with 7 per cent. interest, there remains a sum of £977 8s. 8d. to be carried to the credit of reserve fund.

Your committee have had a strong desire to remove from the books of the society all the securities which fell into their hands a few years ago, and during the past year they have succeeded in considerably reducing them. In doing so losses to the extent of £1012 18s. 5d. have been sustained. The reserve fund now stands with a credit balance of £1203 18s. 1d.

Your committee entertain the hope of disposing of the remainder of the old securities before the next annual balance.

There has been a better demand for money during the past year, so that advances have been made to the extent of £50,414 4s. 6d.

Applications are still coming in freely, and shareholders would do well to induce their friends to leave money on deposit, for which current rates of interest are allowed.

Messrs. Fergusson and Hodgson are the members of committee who retire at this time, in accordance with the rules of the society; but they are eligible for re-election, and have been nominated accordingly. Mr. G. Napier Turner has again been nominated for the position of president, and Messrs. Cole and Tulloch for auditors.
