POPULATION OF VICTORIA.

QUARTERLY Abstract, showing the Estimated Population of Victoria on the 30th June 1883:

Year 1883.	Males.	Females.	Males.	Females.	Total.
Births in the second quarter of 1883	3,588	3,607			
Arrivals by sea ...	10,508	4,617	14,096	8,224	22,320
Deaths ...	1,843	1,405			
Departures by sea ...	9,209	4,290	11,052	5,695	16,747
Increase during the quarter	3,044	2,529	5,573		
Population on the 31st March 1883 ...	479,888	430,487	910,375		
Population on the 30th June 1883 ...	482,932	433,016	915,948		

NOTE.—The increase during the quarter by excess of registered births over registered deaths was 3,947, viz., 1,745 males and 2,202 females; that by excess of recorded arrivals by sea over recorded departures by sea was 1,626, viz., 1,299 males and 327 females. The total increase of population from these sources was thus 5,573, viz., 3,044 males and 2,529 females, as shown in the table. The total increase in the corresponding quarter of the previous year was somewhat greater than this, viz., 5,739. It should be stated that whilst it is probable nearly all the deaths and arrivals by sea are noted, there is reason to believe that some births and departures by sea are not recorded; it should moreover be borne in mind that no account is or can be taken of persons who come and go overland.

SHIRES OF GOULBURN AND WARANGA.

PROPOSED SEPARATION OF AREA.

IN pursuance of the provisions of *The Local Government Act* 1874 (No. 506, § 46), the substance and prayer of a Petition, in accordance with the 4th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of Goulburn Shire which is described in their petition, and they desire that the area so described may be severed from that shire and annexed to the Eastern Riding of the Shire of Waranga.

Area described in the petition:—

The whole of the Dargalong Riding.

Petitioners state that they are not satisfied with the way in which the business of the municipality is conducted by the Council, that the funds are mismanaged and squandered, and for various reasons the business of the Council is neglected.

That in support of the petition being granted they further urge that the Murchison Railway station, which is within the area, is only one mile distant from Murchison, a township within Waranga Shire, and much used by the ratepayers of both shires as a market town; that the road leading from Murchison to the railway station, although important, has not yet been completed, although the Shire of Waranga and the Government have both contributed towards its construction.

Petitioners therefore pray "That an Order be made severing the area above described from the Shire of Goulburn and annexing it to the Eastern Riding of the Shire of Waranga."

Notices for petitioners may be served on David Ewart, Esq., J.P., Pranjip Park, Dargalong.

CALIFORNIAN SALMON AND SEA TROUT.

NOTICE TO FISHERMEN.

SEVERAL cases having lately occurred in which Californian Salmon and Sea Trout have been captured in nets, the attention of fishermen is drawn to the advisability, in similar cases, of at once returning the fish to the water. If this course be not followed it is feared that the experiment of introducing these fine varieties of fish will fail.

It is hoped that all fishermen will assist the Government in this important matter.

On the front compartment of the wrapper is the representation of a shield bearing the words "Our little beauties," and below this are the words "Pressed," "Virginia," "Cigarettes," "Amber Tipped." Within one of the narrow oblong spaces at the edge are the words "Will not stick to the lips," and within the other are the figures and word "10 Cigarettes." In the event of the department not being able to supply sheep trucks, it does not undertake to provide goods trucks.

Sheep consigned to Sunbury, also sheep from stations on the Deniliquin and Moama Railway consigned to Woodend, to be charged Melbourne rate.

For every sheep or lamb (not exceeding 84 lbs. each) up to 3, carried any distance not exceeding 24 miles, by goods trains only, 2s.

And for each mile beyond that distance, 1d.

Over 84 lbs. and not exceeding 126 lbs. each, rate and a-half; over 126 lbs., double rate; the half sheep truck rate not, however, to be exceeded.

For every sheep or lamb (not exceeding 84 lbs. each) any distance not exceeding 24 miles, in van of passenger or mixed trains, 4s.

And for each mile beyond that distance, 2d.

Over 84 lbs. and not exceeding 126 lbs. each, rate and a-half; over 126 lbs., double rate.

Sheep or lambs sent in vans of passenger or mixed trains must be in skeleton cases, and weight of skeleton cases to be included in the weight of the animals. All skeleton cases must be of a reasonable size, so as not to occupy too much room in the vans, and the department may refuse any case deemed too bulky, when the sender must supply one of the required dimensions.

Over 3 and up to 10 animals, half sheep truck rate, whether sent in sheep or goods trucks; over 10 animals, full sheep or goods truck rate, according to order. In calculating distances between stations either side of Geelong, the full mileage *via* Geelong is taken.

The minimum charge for a sheep truck is 40s., and for a goods truck, or half a truck, 20s., exclusive of a terminal charge of 2s. per truck for sheep trucks, and 1s. per truck for goods trucks, to be added to the above rate in all cases.

The department undertakes no responsibility as to number, but a free pass will be issued at the station from which the sheep or cattle are sent to a drover to accompany the sheep. For every order of 3 trucks up to 14, only one single second-class pass will be issued, whether the trucks are forwarded by one train or by several trains. If only one drover is present for a train of 23 trucks, then one pass only will be issued, but a second pass will be given at the station where the train is divided should a second drover present himself. Under no circumstances are passes to be issued to drovers unless they are actually present, and travel in the same train with the sheep or cattle. These passes are issued for the single journey only. Orders for the conveyance of sheep or cattle will only be accepted on the forms provided by the department for the purpose.

CATTLE.

Cattle or pigs (in goods trucks) 1 to 101 miles, 9d. per truck per mile.

Over 101 miles and up to 150 miles, 3d. per truck per mile added to the 101 mile rate.

Over 150 miles, 7d. per truck per mile for the whole journey. Single cattle the same rate as horses. Single bulls the same rate as a truck load of cattle, or as entire horses if sent in horse-boxes.

The minimum charge for a cattle truck is 20s., exclusive of a terminal charge of 2s. per truck to be added to the above rate in all cases.

For each goat, pig, or yearling calf (not exceeding 100 lbs. each), up to 3, carried any distance not exceeding 24 miles, by goods trains only, 2s.

And for each mile beyond that distance, 1d.

Over 100 lbs. and not exceeding 150 lbs., rate and a-half; over 150 lbs and not exceeding 200 lbs., double rate.

Any animal over 200 lbs., 6d. per mile each, or else full truck rate; minimum, 20s., exclusive of terminal.

For each goat, pig, or yearling calf (not exceeding 100 lbs. each), up to 3, any distance not exceeding 24 miles, in van of passenger or mixed trains, 4s.

And for each mile beyond that distance, 2d.

Over 100 lbs. each and not exceeding 150 lbs., rate and a-half; over 150 lbs and not exceeding 200 lbs., double rate.

Any animal over 200 lbs. will not be taken in van of passenger or mixed trains, but must be sent in ordinary truck by goods train, when the charge will be 6d. per mile each, or else full truck rate; minimum, 20s., exclusive of terminal. Goats, pigs, or calves sent in vans of passenger or mixed trains must be in skeleton cases, and weight of skeleton cases to be included in the weight of the animals. All such skeleton cases must be of a reasonable size, so as not to occupy too much room in the vans, and the department may refuse any case which may be deemed too bulky, when the sender must supply one of the required dimensions.

Over three goats or pigs and up to ten, not exceeding 100 lbs. each, half-truck, and over ten, or over 100 lbs. each, full truck rate. Goats and calves at cattle rate. In calculating distances between stations either side of Geelong the full mileage *via* Geelong is taken.

Store Sheep and Cattle.

Store sheep in lots of not less than 500 to be carried from Newmarket to country stations at two-thirds the published rates, and store cattle in lots of not less than five truck loads at one-half the published rates, provided always that the trucks are required to load on the up journey again from the line to which such store sheep and cattle are consigned.

September 14, 1883.

HORSES.

For each mare, gelding, or filly, or entire under 3 years, carried any distance not exceeding 40 miles, 20s.

And for each mile beyond 40 miles, Gd.

For each entire horse 3 years and over, carried any distance not exceeding 20 miles, 20s.

And for each mile beyond 20 miles, 1s.

Horse-box, 1s. 3d. per mile. Minimum, 40s. A horse-box carries 3 horses.

In goods trucks and by goods trains on either up or down journey, 1s. per truck per mile. By passenger trains, 1s. 6d. per truck per mile.

Unshod horses to be carried at cattle rates by goods trains only, and 4 shod horses to be allowed to each mob of not less than four truck loads, or one to each truck load.

Not more than eight horses or heavy bullocks to be put in each truck. For each mare with foal at foot and each cow with calf at foot, rate and a half.

The minimum charge for a truck with horses is 20s., exclusive of a terminal charge of 2s. per truck to be added to the above rate in all cases.

RACE HORSES.

Race horses kept solely for racing, and not used for any other purpose whatsoever, will be charged full fare to race meetings, but returned free to the station from which they were sent, on compliance with the following conditions, viz.:—

1. A consignment on the proper form (No. 89) must be made out and signed by owner on consigning to the meeting, the name and age of horse being duly given.

2. This same consignment note must be presented and given up when booking for the return journey, and must be accompanied by a certificate from the secretary of the racing club that the horse was entered for one or more races during the meeting.

3. Should any doubt arise as to what constitutes a race meeting, the point will be decided by the committee of the Victoria Racing Club.

4. Horses must be at the station one hour before train starting time.

5. The journey cannot be broken by horses claiming this concession, and they must be booked back direct to their starting station within seven days after the meeting at which they ran or were entered for; has closed.

6. No refund will be made in the event of the foregoing conditions not being complied with.

By the 121st section of *The Public Works Statute* 1855 the liability of the Board is limited as follows, viz.—For any horse, £50; for any neat cattle, per head, £20; for any sheep, pig, or other small animal, per head, £1. Any person forwarding animals of a higher value than as above mentioned and declaring

their value at the time of booking, will, according to bye-law XXXIX., be charged Five pounds per centum upon the value so declared above the respective sums so limited as aforesaid, and which percentage shall be paid in addition to the ordinary rate of charge.

No horses, cattle, or other animals are to be brought to the railway stations of the Board of Land and Works except on the terms that the owner takes upon himself all risk of injury on its premises not arising from gross negligence on the part of the Board or its servants. And the Board is to be held free from all risk and responsibility in respect of any loss or damage arising on the loading or unloading, or from suffocation, or from being trampled on, bruised, or otherwise injured in transit, or from fire, or from any other cause whatsoever not arising from such gross negligence as aforesaid, or where the loss or injury arises wholly or partially from fear or restlessness; and all fastening in either horse-boxes or trucks must be done by the consignor, who will take the whole responsibility.

Horses, cattle, or other animals to be carried must be at the stations one hour before the departure of the train by which they are intended to be forwarded. And the Board does not undertake to forward horses, cattle, or other animals at or by any particular time or train. Not less than twenty-four hours notice must be given when a horse-box is required, and 50 per cent. of the fare must be deposited when making the requisition. Such deposit to be forfeited if the horse or other animal does not arrive in time to be forwarded by the train appointed.

Rugs, bridles, saddles, or other trappings forwarded with horses or other animals are carried entirely at the risk of the owner, unless previously booked and paid for as parcels; and in any case the Board accepts no responsibility for damage done to these articles. Men travelling in horse-boxes or trucks, in charge of horses or cattle, to pay 2nd class fare.

Dogs.

Dogs will be charged for at the rate of One halfpenny per mile, and must be provided with chains or other sufficient means to secure them, otherwise the Board will not be responsible for their safety. Minimum charge for each dog, Sixpence. They must in all cases be prepaid.

Note.—In calculating the above rates part of a mile will be charged for as a whole mile. In calculating all the above rates for truck loads odd pence are to be added on to make the even Sixpence.

In testimony whereof the Common Seal of the Board of Land and Works was hereunto affixed, in the presence of the undersigned, two of the Members of the Board, on the thirtieth day of August, in the year of our Lord One thousand eight hundred and eighty-three.

ALFRED DEAKIN,

Vice-President.
