**LIBRARY OF WORKS ON SANITATION.**

**T**HE subjoined Despatch from the Right Honorable the Secretary of State, transmitting copy of a letter from His Grace the Duke of Buckingham and Chandos, Chairman of the Executive Council of the International Health Exhibition, respecting the formation of a Library of Works on Sanitation and kindred topics, is published by the request of the Right Honorable the Secretary of State for the Colonies.

**JAMES SERVICE,**  
Premier.

Premier's Office,  
Melbourne, 19th May 1884.

(Circular.)  
Downing street,  
22nd March 1884.

Sir,

With reference to my Circular Despatch of the 17th of January, 18th March 1884. I have the honor to transmit to you, for publication in the colony under your government, a copy of a further letter from the Duke of Buckingham and Chandos, Chairman of the Executive Council of the International Health Exhibition, stating that it is proposed to organize, in connection with the Exhibition, a Library and Reading Room, and expressing the hope that it may not be impossible to obtain from the Colonial Governments, for use in the proposed Library, a collection of works affecting the administration of general sanitary laws throughout the colonies.

I have, &c.,  
**DERBY.**

The Officer Administering  
the Government of Victoria.

(Copy.)

**THE EXECUTIVE COUNCIL TO THE INTERNATIONAL HEALTH EXHIBITION TO THE EARL OF DERBY.**

South Kensington,  
13th March 1884.

My Lord,

I am desired by the Executive Council of the International Health Exhibition to intimate to Your Lordship that it is proposed to organize, in connection with the Exhibition, a Library and Reading Room, and that a wish has been expressed that the occasion should be made an opportunity for bringing together a collection of international works on sanitation and kindred topics. It will be the first time that an effort will have been made to bring together in one place such a collection of materials, the catalogue alone of which will prove of immense future value.

Selected publishers and authors are being invited to send their works to this Department; but in order that it may be of a thoroughly international and intercolonial character, the Executive Council are anxious that some steps should be taken with a view to enlist the sympathy and support of Colonial Governments. I am therefore desired to invoke the assistance of the Colonial Office, and to ask if your Lordship would do the Council the honor to cause application to be made to Colonial Governments to furnish lists of all official publications on vital statistics, and reports and regulations on public health issued by the Central Governments of such colonies. The Council do not ask that communications may be entered into with the municipalities of the colonies, as manifestly, even if it were possible to obtain them, the dealing with reports and regulations from local centres would be far beyond their power. They do trust, however, that in the manner indicated it may not be impossible to obtain from the Central Governments of the Colonies, for use in the proposed library, a collection of works affecting the administration of general sanitary laws throughout the colonies.

I may add that, in response to a request which I recently addressed to Earl Granville, application has been made from the Foreign Office to Foreign Governments for contributions to the Library and Reading Room.

I am to add that parcels and communications in reference to this Department should be addressed to the Secretary.

I have, &c.,  
(Signed) **BUCKINGHAM AND CHANDOS,**  
Chairman of the Executive Council.

The Right Honorable  
The Earl of Derby,  
&c., &c., &c.

## VICTORIAN RAILWAYS.

BYE-LAW No. 6.

THE Victorian Railways Commissioners, in pursuance of the powers conferred by *The Victorian Railways Commissioners Act 1883*, do hereby repeal so much of the Bye-laws of the Board of Land and Works made on the 31st day of January 1884, which fix the charges upon, and regulations for the carriage of and with respect to, Sawm Timber; and the Victorian Railways Commissioners do hereby make the following Bye-law for the purpose of fixing the charges and conditions for conveyance of Sawm Timber as follows (that is to say):—

SAWM TIMBER.—6d. PER TRUCK LOAD OF 5 TONS PER MILE.  
Conditions.

1. All hardwood timber will be subject to a terminal charge of 2s. 6d. per truck if not loaded by owners, to be carried at owners' risk, and unloaded by owner. If not unloaded within four hours after arrival, a demurrage charge of 1s. per truck per working hour, or part of an hour will be strictly enforced. The Department may also unload at any time after the four hours, and charge 4s. per truck for bogie trucks, and 2s. for all other trucks for such unloading in addition to any demurrage incurred.

2. First-class rate to be charged for all excess weight, when the quantity is found to be in excess of that consigned.

3. Thirty feet sawn timber is allowed to the ton. All timber in lengths requiring 2 trucks to be charged 10 per cent. additional; 3 trucks, 15 per cent; and 4 trucks, 20 per cent. additional on the long lengths only. When each truck is loaded to its full carrying capacity these percentages are not charged on sawn timber, but they are charged in all cases on derrick cranes, piles, logs, telegraph and scaffolding poles, windmills, and wooden houses requiring two or more trucks.

4. Minimum, 20s. (including terminal). Less than truck load to be charged as a truck load, or first-class rates. For short distances, H, I, and K trucks may be loaded to their authorized carrying capacity for the minimum of 20s., so long as the rate per ton with terminal does not exceed that amount. For instance, 23 miles at 6d. per truck of 5 tons gives, say, 2s. 4d. per ton; 7 tons 10 cwt. @ 2s. 4d. = 17s. 6d. with terminal 2s. 6d. = 20s. A 7½-ton truck can therefore be sent 23 miles for the minimum of 20s.

The above rates and conditions, except where otherwise specified, apply also to—

Derrick cranes.

Piles and logs, 25 feet to the ton rough; squared, sawn, or hewn, 30 feet to the ton.

Telegraph and scaffolding poles, by measurement, 30 feet to the ton.

Windmills.

Wooden houses or offices, 6d. per truck per mile; minimum, 25s.

The Commissioners reserve the right to decline to either load or unload sawn timber, and the consignor and consignee respectively may thereupon be required to do all necessary labor in connexion with such loading or unloading, and will be responsible for any loss or damage, or demurrage, or storage charges, which may accrue from detention of trucks through their default.

All timber consigned to Melbourne will be unloaded by the Department at the Lower-level Sidings, and will be subject to the charges per truck-load for unloading specified in clause 1.

The Common Seal of the Victorian Railways Commissioners was hereunto affixed this twelfth day of May one thousand eight hundred and eighty-four, in the presence of—

required fees, shall issue to such person so applying a certificate of right of burial in form specified in Schedule A.

3. That any person desiring to construct a brick grave, vault or tomb, or to erect a monument, tombstone, cenotaph, wall, fence, or any other erection in any part of the cemetery, shall apply to the trustees for permission to do so, and at the same time submit a plan, design, or drawing of such with full particulars for approval.

4. That any order for interment shall be given at the cemetery twelve working hours prior to the time fixed for burial, otherwise an extra charge shall be made. No free interment shall be allowed without said notice.

5. That the name, age, late residence, probable cause of death of the deceased, and other particulars mentioned in Schedule B, shall be furnished at the time of giving the order.

6. That the trustees shall cause all ordinary graves to be dug, but any person wanting a brick grave or vault shall be permitted

to construct the same, under directions of the trustees, on payment of required fees, and every coffin placed therein shall be bricked in, cemented, and covered by a slab of stone, slate, or iron.

7. That every coffin shall have on the lid a lead or copper plate with the name of the deceased stamped thereon.

8. That every grave shall be at least six feet deep, and no interment shall be allowed in any grave with a less depth than three feet from the top of the coffin to the original surface of the ground after such interment.

9. That no interment shall be permitted in any private grave or vault without the production of the certificate of right of burial, or other satisfactory evidence that the person desiring to bury therein is entitled to do so, except as provided for in the next rule.

10. That in the case of an application for interment in any private grave or vault, to which during life the deceased person had no claim, the written consent of the owner shall be given in with the order.

11. That no burial shall be permitted to take place in said cemetery without a certificate from a deputy registrar of deaths or a coroner. Such certificate shall be delivered to the sexton before the funeral enters the cemetery.

12. That the hours fixed for burials be as follow:—On week days, September to April inclusive, from Eight a.m. to Five p.m.; May to August inclusive, from Eight a.m. to Four p.m. On Sundays throughout the year from Two to Five p.m.

13. That no burial shall be allowed to take place between the hours of Seven p.m. and Seven a.m. except by the special permission of the trustees.

14. That the time fixed for any burial shall be the time when the funeral is to be at the cemetery, and the same shall be punctually observed.

15. That every grave, tomb, vault, monument, tombstone, cenotaph, wall, fence, or any other erection, shall be maintained and kept in thorough repair and proper condition by and at the expense of the owner.

16. That any person desiring to place any inscription or epitaph in any part of the cemetery shall apply to the trustees for permission to do so, and at the same time submit a copy thereof.

17. That any person putting up any erection or placing any inscription or epitaph in any part of the cemetery without the permission of the trustees shall be liable to the penalties imposed by the above Act for so doing, and to be further dealt with as a trespasser.

18. That the trustees shall not (unless in very exceptional cases) permit the removal of any corpse from any grave for re-interment either in said or any other cemetery.

19. That before any such exceptional case can be dealt with by the Trustees, a written application setting forth the reasons for the proposed removal, and verified by statutory declaration, shall be produced by the nearest available representative of the deceased, and in the event of said application being granted, the permission of the Minister administering *The Coroners Statute 1865* and the Act numbered CCCXXXVIII in addition to that of the trustees shall be obtained. If found necessary, the coffin shall be enclosed in a second and air-tight coffin prior to removal.

20. That any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower, border, or any erection, or otherwise infringing the above Act, or any rule, regulation, or bye-law made for protecting the cemetery, shall be prosecuted as the law directs.

## CONDITIONS OF CONTRACT.

1. The Postmaster-General will not be bound to issue orders upon the contractors for all the articles enumerated in the schedules, but only for such articles, and such quantities of those articles, as the Postmaster-General may order from time to time; neither will the Postmaster-General be bound to take from the contractors any larger supply of any of the articles than may be shown upon the orders which have been issued during the year, nor will he be bound to take any of the articles enumerated in the schedules for which orders have not been issued. Should the Postmaster-General require a larger supply of any article than the quantity stated in the schedules, the contractor will be bound to supply the same at the contract rate.

2. The supplies are to be according to sample, and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. In other cases the supplies are to be the best quality of their several kinds or manufacture. A pre-

ference will, however, be given to goods of Victorian manufacture, provided the quality be equal to the particular manufacture indicated in the schedule.

3. All orders must accompany the goods on delivery, otherwise the goods will not be received. Delivery as a rule is to be of the full quantity ordered.

4. Supplies ordered for delivery in Melbourne and Williamstown districts are to be delivered free of all charges (whether cartage, freight, &c.), and for the purposes of these contracts, Melbourne district will include a radius of six miles from the General Post Office; and Williamstown district will include the town of Williamstown, Hobson's Bay, and the River Yarra.

5. Arrangements as to time of delivery and inspection of goods will be made by the Controller of Stores, General Post Office.

6. Orders must receive prompt execution; and in the event of the goods not being delivered within forty eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the officer named in condition 5, or the head of the department, on giving the contractor twenty-four hours' notice, to purchase the supplies at the contractor's risk, and the extra expenses incurred over and above the contract price (if any) will be deducted from the contractor's account.

7. The contractor will be required to furnish his account in the prescribed form simultaneously with delivery of the full quantities of goods ordered, the account being rendered with order to which it relates. The prices quoted in the orders cannot be increased.

8. The acceptance of the supplies shall be subject to the approval of the officer named in condition 5. The contractor may, however, claim a survey on any goods objected to; but in that case he must within twenty-four hours after objection is made give notice thereof in writing to the officer rejecting the goods.

9. Delivery will not be deemed to have been made until the goods have been approved of. All articles rejected must be immediately replaced by the contractor, otherwise purchases will be effected at the contractor's risk and the extra expenses deducted as in condition 6.

10. The members of boards of survey will be appointed by the Government, and the decision of the board is to be considered as final. If the board shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the survey fees and extra expense (if any) will be charged as in condition 6.

11. A repetition of irregularity in the quantity or quality of the supplies, or of delay in delivering or replacing them when required, will subject the contractor, upon report, to such mulct, not exceeding Fifty pounds, as the Postmaster-General may direct, and the amount may be deducted as in condition 6, or from the contractor's security. It will also be in the power of the Postmaster-General, upon such repetition, to terminate the contract forthwith.

12. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognized.

13. It will be competent either for the contractor on his own behalf, or for the Postmaster-General, to terminate the contract by giving notice in writing of three full calendar months to the opposite party; it being understood that such notice can only be given from the first day of a month, and within the period for which the contract is made.

14. In the event of any alteration in the Tariff affecting any of the items included in these contracts, the Postmaster-General, or the contractor, as the case may be, will make a proportionate allowance by way of deduction from or increase to, the price of the item so affected.

15. 3. Every tender will be taken to include the entire service as called for. The amount of the tender must be stated AT RATE PER ANNUM in words as well as figures.

4. Every tender must bear the *bond fide* signatures and addresses of the tenderer, and of two responsible persons willing to become bound for the fulfilment of the same in such sum as the Government may direct, not exceeding the gross amount of the contract.

5. Every tender must be accompanied by cash, bank draft, or a bank deposit-receipt to the credit of the Deputy Postmaster-General for a sum equal to TEN PER CENT. of the annual amount for which the tenderer is willing to undertake the service; and to be absolutely forfeited to the Government in case the person whose tender may be accepted shall fail to complete the usual bond and contract to the satisfaction of the Government within ten days of being notified that the documents are ready for execution. The notice of acceptance, if delivered at the address named in the tender, shall be deemed sufficient. CHEQUES ON ACCOUNT OF DEPOSITS WILL NOT BE ACCEPTED.

6. The money or other security deposited by successful tenderers will be returned to them upon application, on the bond and contract being completed.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act 1869*, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any minor's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.
