CERTIFICATES OF COMPETENCY GRANTED IN HONG KONG.

THE accompanying copy of a circular issued by the Board of Trade to officers in British Possessions abroad on the subject of the extension, by Order in Council, of the provisions of Section 8 of *The Merchant Shipping (Colonial) Act 1869* to certificates of competency granted to masters, mates, and engineers by the Governor of Hong Kong, and of the Order in Council referred to which has been received by his Excellency the Administrator of the Government from the Right Honorable the Secretary of State for the Colonies, is published for general information.

INSTRUCTIONS TO OFFICERS IN BRITISH POSSESSIONS ABROAD.
Merchant Shipping (Colonial) Act 1869.

THE provisions contained in section 8 of the *Merchant Shipping (Colonial) Act 1869*, have been now extended, by Order in Council (copy of which is appended), to certificates of competency granted to masters, mates, and engineers by the Governor of Hong Kong.

As the colonial certificates of competency referred to in the said Order in Council are to have the same force as the similar certificates granted by the Board of Trade in the United Kingdom, such a colonial certificate must be accepted as occupying in every respect the place of one of the latter, and as entitling its *bona fide* holder to act in the capacity stated in it, or any inferior (but not a superior) capacity in any British ship, all over the world without the possession of a Board of Trade certificate.

Colonial certificates will have to be used, produced, and delivered at the times and on the occasions at and on which Imperial certificates of competency would have to be used, produced, and delivered.

When it appears from a certificate (Imperial or Colonial) officially produced to the officer that its owner possesses other certificates, their production also should be required, and if they are not produced their owner's explanation in writing should be demanded and forwarded to the Registrar-General of Seamen with the least possible delay.

Officers in the British Possessions abroad are empowered by Regulation 9 attached to the Order in Council to demand, and if necessary detain, any such colonial certificate which they have reason to believe has been improperly issued, or has been forged, altered, cancelled, suspended, or to which the person using it is not justly entitled.

Whenever this power is exercised a report of the facts and circumstances must be sent by the officer, with the least possible delay, to either the Board of Trade or the Government of the Possession in which the certificate was originally granted or may purport to have been granted, accordingly as communication may be easier and quicker.

As the withdrawal of a certificate would in some cases entail inconvenience, not only upon its possessor but also upon the owners of the ship and cargo, it is scarcely necessary to caution officers that the exercise of the power should only be resorted to when the evidence is perfectly clear; and if the ship is bound to the United Kingdom, and the report above-mentioned has been sent to the Possession in which the certificate was originally granted, the Board of Trade should nevertheless be informed of the facts.

Every case of death of a colonial certificate-holder, which may come to the officer's knowledge, should be reported without delay to the Government of the Possession in which the certificate was granted.

The attention of officers and functionaries in the Possessions abroad, engaged in the conduct of official inquiries in wreck and

discipline cases, is directed to the fact that the certificates to which the Order in Council applies will be liable to cancellation and suspension in precisely the same way as certificates granted by the Board of Trade under the Merchant Shipping Acts, and by the same boards, courts, and tribunals. The provisions of *The Merchant Shipping Act 1854*, and *The Merchant Shipping Act Amendment Act 1869*, as to courts of inquiry will therefore be applicable to the colonial certificates in question, with the exception of the provisions specified in the Orders in Council.

It will be noticed that regulation 8 in the Order in Council provides that the cancellation or suspension of a certificate shall involve cancellation or suspension of all the other certificates (if any) possessed by its owner. With the view of carrying this regulation strictly into effect, it will be desirable that the Court should endeavour to ascertain and should specify in their decision the particulars of all the certificates possessed by any person whose conduct is the subject of an investigation by them.

In cases of cancellation and suspension of such colonial certificates, copies of the report of the court and of the evidence, together with the respective certificates, should be sent to the Governments of the British possessions by whom the several certificates possessed by the offender were originally granted. A full report upon the case and the evidence should, at the same time, be sent to the Board of Trade, as required by the Act, and the sentence, giving the number of each certificate dealt with, and the possession in which it was granted, should be mentioned in it.

The holders of colonial certificates which are cancelled or suspended should be referred to the Government of the possession in which the certificate was originally granted, instead of to this board, if they desire to appeal from the sentence, or to apply for a mitigation of it.

These instructions must be understood as having reference only to the certificates referred to in the said Order in Council.

T. H. FARRER,
Secretary.

THOMAS GRAY,
Assistant Secretary.

At the Court at Osborne House, Isle of Wight, the 31st day of December 1883.

Present:

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by the *Merchant Shipping (Colonial) Act 1869*, it is (among other things) enacted, that where the Legislature of any British possession provides for the examination of and grant of certificates of competency to persons intending to act as masters, mates, or engineers on board British ships, and the Board of Trade reports to Her Majesty that they are satisfied that the examinations are so conducted as to be equally efficient as the examinations for the same purpose in the United Kingdom under the Acts relating to merchant shipping, and that the certificates are granted on such principles as to show the like qualifications and competency as those granted under the said Acts, and are liable to be forfeited for the like reasons, and in the like manner, it shall be lawful for Her Majesty, by Order in Council:—

1. To declare that the said certificates shall be of the same force as if they had been granted under the said Acts.
2. To declare that all or any of the provisions of the said Acts which relate to certificates of competency granted under those Acts shall apply to the certificates referred to in the said Order.
3. To impose such conditions and to make such regulations with respect to the said certificates, and to the use, issue, delivery, cancellation, and suspension thereof as to Her Majesty may seem fit, and to impose penalties not exceeding Fifty pounds for the breach of such conditions and regulations.

And that upon the publication in the *London Gazette* of any such Order in Council as last aforesaid, the provisions therein contained shall, from a date to be mentioned for the purpose in such Order, take effect as if they had been contained in the Act,

and that it shall be lawful for Her Majesty in Council to revoke any Order made as aforesaid.

And whereas the Legislature of the British possession of Hong Kong has, by the Merchant Shipping Consolidation Ordinance of 1879, provided for the examination of and grant of certificates of competency for foreign going ships to persons intending to act as masters, mates, or engineers on board British ships, which certificates are hereinafter denominated colonial certificates of competency, and the Board of Trade have reported to Her Majesty that they are satisfied that the said examinations are so conducted as to be equally efficient as the examinations for the same purpose in the United Kingdom under the Acts relating to merchant shipping, and that the certificates are granted on such principles as to show the like qualifications and competency as those granted under the said Acts, and are liable to be forfeited for the like reasons and in the like manner.

Now therefore Her Majesty, in exercise of the powers vested in Her by the said first-recited Act, by and with the advice and consent of Her Privy Council, is pleased—

1. To declare that the colonial certificates of competency for foreign-going ships granted by the Governor of the said possession of Hong Kong shall be of the same force as if they had been granted under the said Acts.

2. To declare that all the provisions of the said Acts which relate to certificates of competency for the foreign trade granted under those Acts, except so much of the 139th section of *The Merchant Shipping Act 1854* and the 10th section of *The Merchant Shipping Amendment Act 1862* as requires the delivery by the Board of Trade to any master, mate, or engineer of a copy of any certificate to which he appears to be entitled; as therein mentioned, so much of the third paragraph of the 23rd section of the said last-mentioned Act as requires at the conclusion of a case relating to the cancelling or suspending of a certificate such certificate, if cancelled or suspended, to be forwarded to the Board of Trade; and the whole of the provisions of the fourth paragraph of the same section shall apply to such colonial certificates of competency.

3. To impose and make the conditions and regulations set out in the schedule hereto, numbered 1 to 10 respectively, with respect to the said colonial certificates of competency, and to the use, issue, delivery, cancellation, and suspension thereof, and to impose for the breach of such conditions and regulations the penalties therein mentioned.

This Order shall take effect in the said possession of Hong Kong from and after the first day January 1884.

C. L. PEEL.

SCHEDULE.

Conditions and Regulations imposed and made by the Board of Trade with respect to the use, issue, delivery, cancellation, and suspension of Colonial Certificates of Competency.

Interpretation Clause.

In the construction and for the purposes of these conditions and regulations, the following terms shall have the respective meanings hereinafter assigned to them, that is to say:—
“Colonial Certificates of Competency” shall mean a certificate of competency for foreign-going ships authorized to be granted by the Legislative authority of the British possession of Hong Kong to persons intending to act as masters, mates, or engineers on board British ships on similar principles and conditions as those granted under the Imperial Acts relating to Merchant Shipping.

“Authority” shall mean the Governor of the said possession of Hong Kong.

REGULATIONS AND CONDITIONS.

Form of Certificate.

1. A colonial certificate of competency shall be on parchment, and as nearly as possible similar in shape and form to the corresponding certificate of competency for the foreign trade granted by the Board of Trade under the Acts relating to Merchant Shipping.

Name of Possession to be inserted.

2. A colonial certificate of competency shall have the name of the British possession in which the same is granted inserted prominently on its face and back.

Certificates to be numbered consecutively.

3. The colonial certificates of competency granted in each British possession shall be numbered in consecutive order.

Lists of Certificates granted, cancelled, &c., to be sent to Registrar-General of Seamen.

4. The Authority in each British possession shall furnish the Registrar-General of Seamen in London, from time to time, with accurate lists of all such colonial certificates of competency as may be granted therein, or as may for any cause whatsoever be cancelled, suspended, renewed, or re-issued; and shall also furnish him with duplicates of the applications for examination made by the persons to whom such certificates are granted.

Certificates to be granted only upon proof of service at sea.

5. A colonial certificate of competency shall be granted only upon proof that the previous service at sea of the person applying for the same has been such as is required by the regulations for the time being in force in the United Kingdom with respect to certificates of the like grade.

Certificates of competency granted contrary to this regulation, or upon any false, incorrect, or insufficient proof, certificate, or report of service, qualification, conduct, or character, shall be regarded as improperly granted.

Certificates not to be granted when former are cancelled.

6. A Colonial certificate of competency shall not be granted to any person who may have had a certificate, whether granted

by the Board of Trade or by the Government of a British possession, cancelled or suspended under the provisions of the said Acts or of any Act for the time being in force in any part of Her Majesty's dominions, unless the period of suspension has expired, or unless intimation has been received from the Board of Trade, or the authority by whom the cancelled or suspended certificate was originally granted, to the effect that no objection to the grant of such colonial certificate is known to exist, or unless a new certificate has been granted to him by such board or authority; and in the last-named event no such colonial certificate of competency shall be for a higher grade than the certificate so last granted as aforesaid.

Colonial certificates of competency granted contrary to this regulation shall be regarded as improperly granted.

Certificates improperly granted may be cancelled without formal investigation.

7. A Colonial certificate of competency which appears from information subsequently acquired, or otherwise, to have been improperly granted, whether in the above or in any other respect may be cancelled by the authority by which the same was granted, or by the Board of Trade in the United Kingdom, without any formal investigation under *The Merchant Shipping Act 1854*, and the holder of such certificate shall thereupon deliver it to the Board of Trade or such authority as they or either of them may direct, and in default thereof shall incur a penalty not exceeding Fifty pounds, which shall be recoverable in the same manner as penalties imposed by the Acts relating to Merchant Shipping are thereby made recoverable.

Cancellation, &c., of a Certificate shall involve cancellation of all the other Certificates possessed by its owner.

8. Every decision with respect to the cancellation or suspension of a certificate pronounced by any board, court, or tribunal under the provisions of the said Acts, shall extend equally to all the Colonial certificates at the time possessed by the person in respect of whom the decision is made, as well as to all certificates granted to him under any of the Acts relating to merchant shipping, and whether such certificates be specified in such decisions or not.

Certificates believed to be fraudulent may be demanded.

9. Any officer of the Board of Trade, or the Registrar General of Seamen, or any of his officers, or a superintendent of a mercantile marine office, or a consular officer, or duly appointed shipping officer in a British possession, may demand the delivery to him of any Colonial certificate of competency which he has reason to believe has been improperly issued, or is forged, altered, cancelled, or suspended, or to which the person using it is not justly entitled, and may detain such certificate for a reasonable period for the purpose of making enquiries respecting such issue, forgery, alteration, cancellation, suspension, or possession, and any person who, without reasonable cause, neglects or refuses to comply with such demand shall incur a penalty not exceeding Twenty pounds or its equivalent in local currency, which shall be recoverable in the same manner as penalties imposed by the Acts relating to merchant shipping are thereby made recoverable.

Suspended Certificates to be re-issued only by colony by which originally granted.

10. A Colonial certificate of competency which has from any cause been cancelled or suspended, shall be renewed or re-issued only by the authority by which the same was originally granted.

SHIRES OF YARRAWONGA AND SHEPPARTON.

PROPOSED SEVERANCE OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Administrator of the Government, are published, viz. :-

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Yarrawonga, which is described in their petition, and they desire that the area so described may be severed from the said Shire of Yarrawonga and annexed to the Eastern riding of the Shire of Shepparton.

Area described in the petition :- Commencing at the north-west corner of the parishes of Yarroweyah, Naringaningalook, and Dunbulbalane; thence east along the northern boundary of the parish of Katandra; thence north along the eastern boundary of the said parishes of Dunbulbalane, Naringaningalook, and Yarroweyah to the River Murray; thence north-westerly along the River Murray to the commencing point.

Petitioners state that their commercial interests are identified with Shepparton Shire; that the inconvenient distance from Tungamah, the seat of government of Yarrawonga Shire, militates against them obtaining fair and proper representation in the council. That Numurkah being the nearest railway and market town, the business of the petitioners centres therein. That Yarrawonga Shire takes little or no interest in the affairs of the said area, and the interests of the Shire of Shepparton being so closely allied with those of your petitioners, the severance would be to the mutual advantage of both shires.

Petitioners therefore pray :-

"That Your Excellency in Council, will sever the area described from the Shire of Yarrawonga and annex it to the Eastern Riding of the Shire of Shepparton."

Notices for the petitioners may be served upon Mr. Henry Pillow, Yarroweyah.

Acting Commissioner of Public Works.

 I, ROBERT SPEAR HUDSON, SON, of Bank Hall street, Liverpool, in the county of Lancashire, and of West Bromwich, in the county of Stafford, both in England, chemical manufacturer, apply to be registered as proprietor of the following trade-marks, numbered 1 and 2.

The trade-marks are described as follows, that is to say:—

No. 1 is the representation of a dolly and arm, on the left of which are the words "Trade Mark," and is represented in the annexed engraving. The mark, as shown, is printed in black; but I use the same in other colors, and claim the right to use it in any colors.

 EDWD. WATERS, 3280.

No. 2 is an oblong label divided into four portions, each portion being a lined oblong. The first portion contains printed matter; being my address; the second portion encloses an oval band bearing the words "Hudson's Extract of Soap." Within the band is a lined oval having an inward projection at the bottom; upon the projection is the word "Concentrated." The words "Concentrated Extract of Soap," being words common to the trade, are varied by the substitution of other words commonly used in the trade and descriptive of the goods to which the label is applied. Within the inner oval is the representation of a dolly and arm and the words "Once used, always used," "Trade Mark." At the four corners of the oblong are ornamental designs. The third and fourth portions contain printed matter relating to the goods and directions for use, and which is represented in the annexed engraving. The above-described label, as shown, is printed in black and red on a white ground; but I use the same in other colors, and claim the right to use it in any color or combination of colors.

The best thing known for Washing and Cleaning Clothes, Linen, Bands, Floors, Wood Work, Paint, China, Glass, Marble, Silver, all kinds of Earthenware, &c.

DIRECTIONS FOR USE.

Dissolve in every bucket or pail of hot water about two table-spoonfuls of EXTRACT OF SOAP.
 Soap the dirty parts of the clothes, and let them lie in soak till the wash, in water prepared as above. It is not necessary to rub the clothes unless they are very grimy and dirty.

After the clothes come out of the soaking tub or washing machine, boil them for ten or fifteen minutes in clean water, with about two table-spoonfuls of EXTRACT OF SOAP to every bucket or pail.

Put into all the water used, whether for soaking, mangle, or boiling, about two table-spoonfuls of EXTRACT OF SOAP to every bucket or pail.

When the clothes are very dirty a little soap may be used, but on no account use Soda or anything else with the EXTRACT OF SOAP.

For coloured articles add more water and do not boil them.

As HUDSON'S EXTRACT OF SOAP possesses such strong lathering properties, in washing Flannels it will be necessary to use double the quantity of water to it; and to get the lather out when done, rinse in plenty of clean water.

FOR WASHING DISHES, GLASS, MARBLE, SILVER, for SCOURING DOORS, WOOD WORK, and for CLEANING PAINT, etc.—Dissolve in every bucket or pail of hot water two or three table-spoonfuls of HUDSON'S EXTRACT OF SOAP; sprinkle a little on the surface when scouring floors, &c.

HUDSON'S EXTRACT OF SOAP should always be used instead of Soft Soap; it has no unpleasant smell, and is far superior to it.

I desire that the said trade-marks may be registered in respect of the descriptions of goods following, contained in Class 47, that is to say, Soap Extracts, Dry Soap, Soap Powders, Cleansing Crystals, and other preparations for laundry purposes.
