NEW GUINEA PROTECTORATE.—SPECIAL COMMISSIONER.

THE accompanying despatch from the Right Honorable the Secretary of State for the Colonies, notifying the appointment of Major-General Scratchley, R.E., C.M.G., as Her Majesty's Special Commissioner for the New Guinea Protectorate, and enclosing a copy of the instructions issued to Major-General Scratchley, is published for general information.

JAMES SERVICE,
Premier.

Premier's Office,
Melbourne, 28th January 1885.

[Victoria, No. 72.]

Downing street,
19th November 1884.

Sir,

In my despatch of the 15th ultimo I informed you that Her Majesty's Government had decided to take certain steps for the establishment of The Queen's Protectorate over the South-East Coast of New Guinea and sundry adjacent islands.

I have now the honor to acquaint you that Her Majesty has approved the appointment of Major-General Scratchley, R.E., C.M.G., as Special Commissioner to exercise Her authority within the protected area; and I enclose herewith, for your information and for communication to your Government, a copy of the instructions which have been given to this officer.

I have requested General Scratchley to communicate, on his arrival in Australia, with the Governments of as many of the Colonies as he may be able to visit before his departure for New Guinea, which of course cannot be long delayed; and it is desirable that he should ascertain, at as early a date as possible, what provision the Colonies are disposed to make for carrying on the Protectorate after June next.

I have, &c.,
DERBY.

Governor,
Sir H. B. Loch, K.C.B.,
&c., &c., &c.

THE UNDER SECRETARY OF STATE, COLONIAL OFFICE, TO
MAJOR-GENERAL SCRATCHLEY, R.E., C.M.G.

Colonial Office, Downing street,
17th November 1884.

Sir,

You are aware that steps have been taken to proclaim Her Majesty's Protectorate and Jurisdiction over the Southern Shore of New Guinea and the country adjacent thereto, from the 141st meridian of east longitude eastwards as far as East Cape, including any islands adjacent to the main land in Goschen Straits, and to the southward of the said straits as far south and east as to include Kosman Island.

2. I am now directed by the Earl of Derby to inform you that Her Majesty has been pleased to appoint you to be Her Special Commissioner to exercise Her authority within this Protectorate, and that the necessary Commission will shortly be transmitted to you.

3. Until Her Majesty shall be pleased to make further provision for administering law in the Protectorate, that territory, as well as all other parts of New Guinea up to the 143° east longitude, remain under the operation of the Western Pacific Orders in Council; it is therefore necessary that you should be enabled to exercise the authority which is vested by those Orders in the

Deputies of the High Commissioner, and Sir William Des Vœux has been instructed to forward to the care of the Governor of New South Wales an instrument appointing you to be a Deputy Commissioner. As it is proposed to place a steamer at your disposal for the duties of the Protectorate, you will have more ready means of access to the islands near New Guinea than are at the command of the High Commissioner, and it has accordingly been decided that your powers as Deputy Commissioner shall extend to the islands lying to the north of latitude 15 south and to the west of longitude 160 east, and for so much of the Solomon Islands as lies beyond those limits. Copies of the Western Pacific Orders in Council of 1877, 1879, and 1880 are forwarded herewith.

4. You will, however, be independent of the High Commissioner in respect to the Protectorate, and will correspond direct with the Secretary of State for the Colonies. As regards matters occurring beyond the Protectorate but within the limits assigned to you as Deputy Commissioner, you will act on your own discretion, without referring to the High Commissioner for instructions; but you should, as far as practicable, inform him of your proceedings.

5. The Australian Colonies have agreed to provide £15,000 during the year ending June 1885 for the expenses of the Protectorate, and upon your arrival in Australia you will ascertain, by communication with the several Governments, whether the Colonies will provide in subsequent years a sum adequate to the due maintenance of the Protectorate, as it is clearly understood that the Protectorate is established at the desire of the Colonies, and is not to be a source of expense to this country. You will therefore fully understand that you are not to contemplate or to incur any expense in New Guinea for providing buildings for yourself or your officers until the wishes of the Colonies as to the continuance of the Protectorate have been ascertained, and the necessary funds provided.

6. Upon your arrival in New Guinea you will place yourself in communication with Mr. Romilly, a Deputy Commissioner of the Western Pacific, who has been placed in temporary charge of the Protectorate, pending your arrival, and will take over the charge from him.

7. You will be supplied in Sydney with a copy of the instructions given to him by the Commodore when leaving him in charge.

8. It is not possible for Lord Derby, with the limited information which he possesses as to the circumstances of the country, to now give you instructions in detail respecting the duties which you will have to perform as Special Commissioner. You should proceed to make yourself acquainted with the country, its harbours, and general features; and you should lose no time in entering into friendly relations with the natives, and in endeavouring, by all means in your power, to inspire their confidence and acquire their good will.

9. You will especially make it your duty to explain to them that Her Majesty, in taking them under Her protection, has their welfare in view, and that you are sent to secure to them the safety of their persons, the enjoyment of their property, and particularly to protect them from being deprived of their lands by force or fraud. At the same time, you will make it known to them that, if it shall be decided to allow Her Majesty's subjects or others to purchase land, such transactions must, in every case, be conducted through you; that their wishes in these matters will be respected, and that the purchase money will be paid through you to them, unless in any case it shall appear desirable to apply it in their behalf for some object in which they are directly interested. You will also explain carefully, and satisfy yourself that they comprehend, that by the sale of land they deprive themselves of all further claim to it, and that it becomes the absolute property of the purchasers. In the event of any such purchases

being made, it will be your duty to see that both parties agree as to the boundaries of the land, and that these boundaries are defined by beacons or other easily recognisable marks. All such transfers should be carefully recorded in a register, and all subsequent transactions must be similarly recorded, or they will not be recognised by Her Majesty's Government.

10. You should give all proper encouragement to peaceful and legitimate trade between the natives and persons who may visit the Protectorate, and in this and in other matters you will doubtless receive willing and efficient aid from the missionaries who have settled in New Guinea, and established a friendly intercourse with the natives.

11. It will, however, be your duty to prohibit all dealings with the natives in arms, ammunition, explosive substances, or spirituous liquors, and to enforce by all means in your power the Regulation issued by the High Commissioner on the 5th of April 1884 to prohibit the supply of arms, ammunition, and explosive substances to natives of the Western Pacific Islands. A copy of this Regulation is enclosed.

12. It is probable that attempts may be made to engage laborers for Queensland, and possibly other places, from among the natives in the Protectorate, and, should such attempts be made, it will be your duty to place every lawful obstacle in the way. Natives from New Britain and other islands near the Equator have proved not to possess the physique required for continuous labor, and heavy mortality followed their introduction into Queensland. The Government of that colony have in consequence prohibited their further engagement by vessels sailing from Queensland ports. It will be your duty to second these praiseworthy efforts of the Colonial Governments, and to prevent the recruiting of natives of the Protectorate for employment away from their own country.

13. Power is given to you by your Commission to appoint such necessary officers as you may think expedient, but at present you should make no other appointments than of an officer to give you general assistance, and of a Private Secretary. You are at liberty to appoint Mr. Romilly to the former of the two positions; the experience he already possesses of affairs in New Guinea and its neighbourhood should prove of value to you, and as he is a Deputy Commissioner for the Western Pacific, you will be able to utilise his services within the Protectorate, or beyond it, should you find it advisable to detach him for services to which you cannot personally attend; it being intended that in both capacities he should act under your immediate instructions.

14. After your arrival in Australia you should report to me whether you find other officers indispensable, and you will be at liberty to engage such as appear to you absolutely necessary, bearing in mind that the funds provided by the Colonies must not in any event be exceeded.

15. It is also desirable that you should, as soon as possible after arrival, report what arrangements you will be able to make for locomotion, and for keeping up communication with the Colonies and with England. You are doubtless aware that mail steamers run regularly through Torres Straits, calling both ways at Thursday Island.

I am, &c.,
(Sd.) R. G. W. HERBERT.

Sir,
Referring to my letter of this day's date, respecting your duties as Special Commissioner in New Guinea, and as Deputy Commissioner under the Western Pacific Orders in Council, I am directed by the Earl of Derby to inform you that the salary of the combined appointments has been fixed at £2500 a year, to be defrayed from the moneys provided by the Colonies.

Mr. Romilly is now in receipt of a salary of £500 a year from Imperial funds as Deputy Commissioner, and you are authorized to pay him a further sum at the rate of £200 a year so long as he continues to serve under you in the Protectorate, to be defrayed from the funds provided by the Colonies.

You are further at liberty to pay your Private Secretary at the rate of £300 a year from the same source.

It will be essential that you should keep careful and accurate accounts of your financial transactions, and submit them for audit to such audit as shall hereafter be directed.

SPECIAL LICENSING DISTRICT.

PROCLAMATION

By His Excellency Sir HENRY BROUGHAM LOCH, Knight Commander of the Most Honorable Order of the Bath, Governor and Commander-in-Chief in and over the Colony of Victoria and its Dependencies, &c., &c., &c.

WHEREAS by *The Licensing Act 1876* (No. 566; section 44) it was amongst other things enacted that, notwithstanding the provisions thereinbefore contained, it should be lawful for the Governor in Council from time to time to proclaim any place or district a place or district where, owing to a sudden increase of population or otherwise, the necessity for the immediate grant of publicans' licenses exists to be a place or district wherein publicans' licenses might be specially granted, and from time to time to revoke any such proclamation: Now therefore I, the Governor of Victoria, with the advice of the Executive Council, do hereby proclaim the locality hereinafter mentioned to be a District wherein publicans' licenses may be specially granted under the provisions of the 44th section of the said Act, that is to say:—

The births of 961 children, viz., 508 boys and 453 girls, were registered in Melbourne and suburbs during the month of December. In the month of November 779 births were registered, or 182 less than in the month under review. The births were 289 above the average of the previous ten years, but 193 above that average, if allowance be made for the increase of population.

The deaths registered in December numbered 676, viz., 356 of males, and 320 of females; the births thus exceeded the deaths by 285. The deaths outnumbered those in November by 90, and exceeded the average of December during the previous ten years by 139. If, however, allowance be made for the increase of population, they will be found to have exceeded the average in those ten years by 62 only.

To every 1,000 of the population of the district the proportion of births registered was 3·16, and of deaths registered 2·22.

The highest temperature in the shade recorded at Melbourne Observatory during the month was 89.3° on the 31st, and the lowest was 43.3° on the 1st. The mean temperature of the month (61.2°) was nearly 1½ degrees below the average. The greatest range of the thermometer in any one day (46.2°) took place on the 25th, viz., from a maximum of 87.4° to a minimum of 47.2°. The least range (9.6°) was on the 16th, viz., from a maximum of 62.1° to a minimum of 52.5°. The mean daily range was 20°. The mean atmospheric pressure (29.684 inches) was one-tenth of an inch below the average. Rain fell on 14 days, the amount of rainfall being 3.05 inches.

Males contributed 53 per cent., and females 47 per cent., to the mortality of the month. Children under 5 years of age contributed 46 per cent. to that mortality, as against 46 per cent. in December 1883; 48 per cent. in December 1882; 51 per cent. in December 1881; 42 per cent. in December 1880; 46 per cent. in December 1879; 48 per cent. in December 1878; 50 per cent. in November 1877; 46 per cent. in December 1876; 45 per cent. in December 1875 and 60 per cent. in December 1874.

LOWAN SHIRE.

PROPOSED SEVERANCE OF AREA AND CONSTITUTION OF NEW SHIRE.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Lowan which is described in their petition, and they desire that the area so described may be severed from the shire of Lowan and constituted a new shire, under the name or title of "The Shire of Dimboola."

Area described in the petition:—

Commencing on the west side of the Wimmera River at a point forming the south-east angle of mallee allotment No. 124; thence west to the south-west angle of mallee allotment No. 21; thence north by said allotment to south-west angle of parish of Woraigworm; thence north by the west boundaries of the parishes of Woraigworm, Kiata, Ni Ni, and part of Babatchio to the southern boundary of mallee allotment No. 79; thence west to the south-west angle of said allotment; thence north by eastern boundary of mallee allotment 75 to southern boundary of mallee block No. 41; thence west by said boundary to eastern boundary of West Riding of the Shire of Lowan; thence north by said boundary to the northern boundary of the Shire of Lowan; thence east by said shire boundary to the north-east angle of the said shire; thence south and southerly by said shire boundary to the south-east angle of said shire; and thence westerly by the southern boundary of said shire to the commencing point.

Petitioners state that there are seven hundred and twenty-six ratepayers in the area sought to be severed, which must very soon be increased on account of all the mallee allotments having been taken up; that the rateable value of the property within the area is £28,282, which valuation does not include the mallee allotments; that the Shire of Lowan has ceased to be workable as a whole in a satisfactory manner, in consequence of its size, the shire officers admit their inability to perform their duties satisfactorily; that the salaries paid by the Lowan shire amount to £700; and that the work of the new shire could be performed satisfactorily for half that amount.

They therefore pray "That the area above described may be constituted a separate municipality, and that the number of the councillors be six (6), and that it be not subdivided."

Notices for the petitioners may be served upon Mr. P. P. Fraser, Dimboola.

For the Commissioner of Public Works.

SHIRES OF SOUTH SHEPPARTON AND SHEPPARTON.

PROPOSED SEVERANCE OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of South Shepparton, which is described in their petition, and they desire that the area so described may be severed from the shire of South Shepparton and annexed to the shire of Shepparton.

Area described in the petition:—Bounded on the west by the Goulburn River, on the North by the parishes of Kaarimba and Mundoona, the parish of Congupna on the east, and the parish of Shepparton on the south.

Petitioners state that the shire of South Shepparton contemplate and are about borrowing the sum of sixteen thousand pounds on the security of the shire, such loan to be spent as follows:—Six thousand pounds in getting a water supply for the town of Shepparton, and ten thousand pounds for improvements to the town of Shepparton, of which sums they would not receive any direct benefit, and that their interests are identical with the interests of the shire of Shepparton.

Petitioners therefore pray:—

"That your Excellency, in Council, will sever the area described from the shire of South Shepparton, and annex it to the shire of Shepparton."

Notices for the petitioners may be served upon Mr. James Campbell, Post Office, Bunbartha.

SHIRES OF KYNETON AND NEWHAM.

PROPOSED SEVERANCE OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:-

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Kyneton which is described in their petition, and they desire that the area so described may be severed from the said Shire of Kyneton and annexed to the Shire of Newham as a separate riding, to be called the Campaspe Riding.

Area described in the petition :-

Commencing on the Campaspe River, at the north-east angle of allotment 113, parish of Tylden; thence westerly along the three-chain Tylden main road to the north-west angle of the same allotment; thence southerly by a Government surveyed road as far as the road has been surveyed; thence by a line due south to the Great Dividing Range; thence easterly and northerly along the Great Dividing Range to the south-west angle of the Shire of Newham; thence by the south-west boundary of the Shire of Newham to the north-east angle of allotment 108 of the parish of Woodend; thence westerly along a surveyed road forming the south boundary of the Shire of Newham to the Campaspe River, terminating at the north-west angle of allotment 111 A, parish of Woodend.

Petitioners state that the area proposed to be severed adjoins the Shire of Newham on two sides, and that all their interests are identical with that shire, as the Woodend station is the nearest railway station to the most of them, and nearly all their business transactions are with Woodend; that the greater part of their rates has been spent on the Blue Mountain and other roads in the Tylden and Trentham Riding, from which they do not receive any benefit, while the roads from which they would derive benefit have been almost wholly neglected, to their great loss and injury, and the depreciation in value of their property; that they are directly opposed to the proposal of the Council of the Kyneton Shire to raise a loan of £15,000, or to increase the rate per £, as they are certain they would derive no benefit from the expenditure of the money, whilst they would be taxed to repay the loan.

Petitioners therefore pray :-

"That Your Excellency in Council will sever the area described from the Shire of Kyneton, and annex it to the Shire of Newham as a separate riding, to be called the Campaspe Riding."

Notices for the petitioners may be served upon Mr. J. C. Roger, C.E., Woodend.
