5. Any change in the amount payable for results, consequent upon an examination of the school, will take effect from the first day of the month succeeding that in which the examination is held.

6. In new schools result payments will be based upon an inspector's percentage of 75 until the school shall have been examined for results; but the payments upon that percentage will cease from the last day of the month in which the examination takes place.

Mr. Sargood  
Mr. Campbell.

WHEREAS by "The Discipline Act 1870" it is provided that the Governor in Council may make Rules and Regulations for the employment, removal, or dismissal, and for the better government of persons engaged by virtue of the said Act, and for enforcing good order and discipline among them, and otherwise carrying out the said Act, and from time to time annul, alter, or amend the same and substitute others in lieu thereof: And whereas the Governor in Council has from time to time made certain Rules and Regulations for the said purposes: And whereas it is expedient to annul all such Rules and Regulations so made as relate to the Rifle Clubs, and to make new Rules and Regulations: Now therefore His Excellency the Governor of Victoria, with the advice of the Executive Council thereof, doth by this present Order make the Rules and Regulations following, that is to say:—

1. Rifle Clubs may on the recommendation of the Council of Defence be established in such localities as may be authorized by the Governor in Council.

2. Before any Club can be formed, the names of not less than 20 men, over the age of 18, wishing to join the Club as active members, and who have taken and subscribed the oath, must be sent to the Officer in Charge of Rifle Clubs, Defence Department. The list of names will be submitted by the Commandant to the Minister of Defence.

3. Should the application to establish a Club be approved, the approval will be notified by an Order in Council published in the *Government Gazette*, whereupon the Club may be formed.

4. The members shall take and subscribe the following oath, as prescribed by the Discipline Act:—

I, A. B., do swear that I will well and truly serve Our Sovereign Lady the Queen in the Victorian Defence Force for a period of three years, or until sooner legally discharged, dismissed, or removed, and that I will oppose and resist Her Majesty's enemies and cause Her Majesty's peace to be kept and preserved whether employed upon land or at sea, and that I will prevent to the best of my power all offences against the same, and that while I continue to act in the same I will to the best of my skill and knowledge faithfully discharge my duty according to law.

SO HELP ME, GOD.

And shall be engaged to serve with the Victorian Militia in the event of a National emergency, or with the Victorian Mounted Rifles, as notified by an Order of the Governor in Council.

5. Clubs, if they desire it, may be affiliated to particular Battalions, with which members other than Mounted Rifles will serve if called out.

6. Every Club shall elect a Captain, and the property of the Club shall be vested in a Committee consisting of such Captain and two members. The Captain, or a Secretary authorized by him, will correspond with the Defence Department as follows:—

- (a) Correspondence connected with finance—purchase of rifles, ammunition, and accoutrements—should be addressed to “*The Secretary of Defence.*”  
 (b) Correspondence on all other subjects should be addressed to “*The Officer in Charge of Rifle Clubs, Defence Department.*”

To avoid confusion, subjects in (a) or (b) should be sent in *separate envelopes.*

When ordering rifles, the names of the members for whom they are ordered must be given.

7. Clubs may consist of active and honorary members. The latter need not take the oath.

8. The Captain shall maintain order and discipline among the members of the Club at all rifle practices and other meetings thereof, except in cases of Mounted Rifles practising among themselves, when the Officer Commanding the Company, if other than the Captain of the Club, shall command and be responsible.

9. The standard set of rules approved by the Governor in Council shall be the rules for Clubs, but Clubs may frame bye-laws not inconsistent therewith.

10. Clubs may, on application to the Secretary of Defence, be supplied (for such of its Infantry members only as have taken and subscribed to the oath) with rifles, ammunition, and accoutrements, at the following rates:—

M.L. Rifles will be issued on loan upon a Bond being furnished for their safe keeping.

Other Articles supplied as per Price List.

11. Members of Clubs will be required to keep their arms and accoutrements in good order, ready for inspection from time to time by the Commandant or an Officer deputed by him.

12. In case the bye-laws of any Club provide for the rifles and accoutrements becoming the property of individual members of the Club, such rifles and accoutrements shall not be sold by such members except—

- (a) To another member of the Club;  
 (b) Back again to the Club.

Provided that this rule shall not apply to members who shall have served three years as members of such Club, after which term of service the rifle and accoutrements shall become private property.

13. Rifles, ammunition, and accoutrements supplied by Government will be delivered, carriage free, at any railway station named by the Captain or Secretary of the Club.

14. Every member who has been engaged, and has taken and subscribed the oath, will be entitled, if in uniform or carrying a rifle, to be conveyed to and from all musters, drills, parades, and rifle practices over the Victorian State Railways, in accordance with the regulations to be issued from time to time.

15. One hundred (100) rounds of ammunition will be issued free annually to the Club for every member who has been engaged and has taken and subscribed the oath, part of which ammunition is to be expended as follows:—10 rounds each at 200, 300, 500, and 600 yards range, military positions, with scoring and targets as in the Militia. Details of this practice to be forwarded to the Officer in Charge of Rifle Clubs.

16. On or before the 20th day of October, January, April, and July in every year the Captain will forward to the Officer in Charge of Rifle Clubs a quarterly return, made up to end of preceding month, showing—

- (a) The names of all members of the Club;  
 (b) How each member has expended the free ammunition;  
 (c) The number of M.-H. rifles in possession of the Club;  
 (d) The total number of rounds purchased by the Club.

Printed forms for these returns will be supplied by the Officer in Charge of Rifle Clubs.

17. In the event of any Club falling below its minimum establishment of active members, or of these rules being disregarded, all privileges accorded to such Club may be withdrawn temporarily or permanently.

And the Honorable Frederick Thomas Sargood, Her Majesty's Minister of Defence for Victoria, shall give the necessary directions herein accordingly.

ROB. WADSWORTH,  
 Clerk of the Executive Council.
