LODDON UNITED WATER TRUST.

THE Governor in Council has approved of the subjoined Regulations, made in pursuance of *The Victorian Water Conservation Act 1881* (No. 716, sec. 44).

THE Commissioners of the Loddon United Water Trust, in pursuance of powers conferred by section 44 of *The Victorian Water Conservation Act 1881*, do make the following Regulations:—

REGULATION No. 1.

Regulation for the imposing, levying, and receiving all rates for the year 1886 on all the rateable property in that portion of the Loddon United Water Trust District of which notice has been given that the same has been supplied with water under the provisions of *The Victorian Water Conservation Act 1881*, and which notice was published in the *Government Gazette* of 13th August 1886.

And whereas the Governor in Council has, by an Order made the 2nd August 1886, under the provisions of section 93 of *The Victorian Water Conservation Act 1881*, divided the Loddon United Waterworks District into divisions, and has directed that the rates necessary for paying interest on all moneys borrowed by the Loddon United Water Trust for the construction and maintenance of their works, or to meet any other expenses in connection therewith, shall be levied only in the following divisions, viz.:—The Shire of Marong Division, the Shire of East Loddon Division, the Shire of Gordon East Division, the Shire of Gordon West Division, and the Shire of Korong Division; and has further directed that such rates shall be levied differentially as between such several divisions.

Now therefore the Commissioners of the said Loddon United Water Trust do hereby make the following rates for the year 1886 on all the rateable property in the following divisions of the Loddon United Waterworks District, according to the valuation for the time being of all lands and tenements for the municipal rates of the shires within which such divisions are situated respectively, that is to say:—On rateable property within the Shire of Marong Division, a rate of Sixpence in the pound sterling of such valuation; on rateable property within the Shire of Korong Division, a rate of Sixpence in the pound sterling of such valuation.

The registration of the quantities of water delivered shall be made by the Trust's officers.

2. 3. Every outlet for the supply of water for irrigation shall be constructed under the supervision and to the satisfaction of the Trust, or of its duly authorized officer; and shall have a proper gauge fixed therein to indicate the quantity of water passing through such outlet.

4. Before constructing any outlet, the owner or occupier (as the case may be) of the land to be supplied therefrom shall give notice to the superintending officer of the Trust, and receive his authority in writing to construct such outlet.

5. 8. Every person agreeing to take water from the works of the Trust shall receive notification of the dates and quantities in which it will be delivered to him.

9. The outlets for the delivery of water shall be opened only by the authorized officers of the Trust, and no person other than

such officers shall under any circumstances open any such outlet, or otherwise do any act that may permit of the escape of water from the channels or works.

10. Any person not being a duly authorized officer of the Trust who shall open any irrigation outlets or do any act that may cause the escape of water from the channels or works of the Trust shall be guilty of a breach of this regulation, and shall be liable to a penalty of Five pounds for every such breach.

11. No person shall injure or damage any of the works of the Trust, or waste or defile the water therein; and any person who shall injure or damage such works or any part thereof, or waste or defile the water contained therein, shall be deemed to be guilty of a breach of this regulation, and shall be liable to a penalty of Five pounds for every such breach.

12. In the event of the Trust being unable, through failure of the works or from any other cause, to deliver or supply water to persons who it shall have agreed to supply, such persons shall be entitled to a rebate of the price agreed to be paid for such water. But the Trust shall not be answerable for any damage which may have been sustained by any person by reason of such failure or non-delivery.

13. The foregoing regulations shall not apply to gardens of less than five acres in extent.

The foregoing regulation was made by the Commissioners of the Loddon United Water Trust, under and by virtue of section 44 of *The Victorian Water Conservation Act 1881*, this eighteenth day of September 1886.

His Excellency the Governor.

Mr. Gillies | Mr. Lorimer
Mr. Deakin | Mr. Dow
Mr. Pearson | Mr. Nimmo.

WHEREAS by *The Local Government Act 1874* it was amongst other things enacted that where any street or road in any municipal district exceeds one chain in width such street or road might, for any length thereof, be reduced in width to any width not less than one chain, and that the council of the municipality and the Board of Land and Works, and every owner of any land having a frontage to such street or road in any place where the same is so reduced in width, or in any place not more than three chains from any such place, might agree in writing, under the common seals of the municipality and the Board of Land and Works, and under the hand and seal of every such owner, upon a scheme for the reduction in width of such street or road for the length mentioned in such scheme and for the disposal of the surplus of the surplus land, and as to the purchase-money to be paid by any such owners who might be allowed to purchase any of the surplus land, and as to the compensation, if any, not exceeding in the whole the amount of the purchase-money to be paid in respect of any land injuriously affected by such scheme, and the Governor in Council might, by Order published in the *Government Gazette*, confirm such scheme, and thereupon any land mentioned in such scheme in that behalf should cease to be a street or road, and all rights of way over the same should cease and determine; and it should be lawful for the Governor, on payment of the purchase-money for any surplus land to the Treasurer of Victoria, in the name and on behalf of Her Majesty, to grant such land in accordance with the provisions of any such scheme in the manner prescribed by the said Act, and by warrant under his hand to direct payment of any such compensation out of the consolidated revenue, which is by the said Act appropriated for that purpose accordingly: And whereas a scheme has this day been submitted to the Governor in Council for reducing the width of a portion of a certain street in the township of Porepunkah, in the colony of Victoria: Now therefore His Excellency the Governor, with the advice of the Executive Council, in pursuance of the 367th section of the said Act, doth by this present Order confirm the said scheme for the reduction of the width of a portion of a street in the township of Porepunkah, in the colony of Victoria aforesaid, for the length of two chains forty-nine links, being the whole length of the frontage of allotment C, and in such a manner as to leave the said street a uniform width of one chain and fifty links, as shown by green tint on the plan drawn in the margin of the said scheme deposited at the Office of Crown Lands and Survey, Melbourne, and, in accordance with such scheme, dated the first day of September One thousand eight hundred and eighty-six, and made between the President, Councillors, and Ratepayers of the Shire of Bright of the first part, the Board of Land and Works of the second part, and the person named therein of the third part.

And the Honorable John Lamont Dow, Her Majesty's Commissioner of Crown Lands and Survey for Victoria, shall give the necessary directions herein accordingly.

ROB. WADSWORTH,

Court House,
Ararat, 4th November 1886.

TENDERS INVITED FOR MOUNT ARAPILES TIMBER RESERVE, PARISH OF ARAPILES, SHIRE OF WIMMERA, UNDER GRAZING LICENSE, WITH BONUS FOR DESTRUCTION OF RABBITS.

NOTICE.—Tenders are hereby invited from persons desirous of taking out a grazing license for the above land, subject to a bonus being paid by this Department for the destruction of rabbits thereon. Area about 3,000 acres.

1. The license will be issued under section 119 of *The Land Act 1884*, and be subject to the following conditions:—

Conditions:

(a.) The issue of this license shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

(b.) No licensee shall, in case of any resumption, be entitled to any compensation other than the return of such portion of the fee paid by him as the responsible Minister of the Crown for the time being administering Part XI. of *The Land Act 1884* may think fit. This license is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

(c.) No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within its operation.

(d.) This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate any portion thereof.

(e.) The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

(f.) This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

(g.) This license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

(h.) The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license shall be conclusive evidence that the license is forfeited.

2. The licensee must carefully protect all growing timber on the land, and is prohibited from ringing, felling, or in any way destroying same.

3. The term for which the land will be let is seven years from 1st January 1887.

4. The annual rent will be £20 payable yearly in advance.

5. The successful tenderer will be the licensee, and as such entitled to fence the land with a rabbit-proof fence, and to graze cattle, sheep, or horses over the said land; and liable under the provisions of the Rabbit Suppression Acts to all the pains and penalties thereof.

6. The tenderer must state the sum per annum for which he will undertake to destroy the rabbits on the land, and to keep the whole of the said land clear of the pests to the satisfaction of the Shire Council's Rabbit Inspector and the Inspector appointed by the Minister of Lands and Agriculture.

7. The Department will pay, annually, 75 per cent. of the annual amount of the contract only on the certificate of the Shire Council's Rabbit Inspector and the Inspector appointed by the Minister of Lands and Agriculture that the provisions of *The Rabbit Suppression Act* have been strictly carried out during the year, and the pests satisfactorily destroyed; the balance of the amount of the contract will be paid on termination of the seven years, subject to certificates from before-mentioned persons that the contract has been satisfactorily carried out and completed.

8. In the event of the licensee failing to destroy the pests and keep the land clear to the satisfaction of the two inspectors before mentioned, the license will be liable to immediate revocation, and the licensee to forfeit all rents paid, and all claim to the annual amount, or part thereof, which would have been payable had he satisfactorily carried out the conditions of tender.

9. In the event of any holder of adjoining land making complaint to this Department that the rabbits are not being satisfactorily destroyed, or the land cleared of the pests, and that the complainant's land is suffering any damage from rabbits coming from this reserve owing to the negligence of the licensee, or the insufficient means adopted by him to clear the land, the said licensee will be notified of such complaint, and called upon to prove to the satisfaction of the before-mentioned inspectors that he has faithfully complied with the conditions of this tender. If he fail to do this, he may be allowed a period of three months from the date of the above inspectors' report in which to complete the work satisfactorily, or if, in the opinion of the said inspectors, he is not deserving of this concession, the license may be at once revoked, and the rent paid and portion of bonus forfeited, same as provided for in latter part of condition 8.

10. Before any tender is finally accepted, the tenderer must furnish this Department with satisfactory evidence of his *bona fides*, and that he is in a position to comply with the condition of tender.

11. No restriction as to the means to be adopted or the materials to be used for the destruction of the rabbits, or for the clearing of the land from the pests, will be insisted on.

12. In the event of the licensee erecting a rabbit-proof fence around the land, the Department reserves to itself the right either to allow the licensee to remove the said fence on the termination of the contract, or to purchase the same at a price to be agreed upon.

13. The amount (£20) of the first year's license fee, together with 5s. for preparation of the license, must be forwarded within seven days from the notification that tender has been accepted.

14. The lowest or any tender will not necessarily be accepted.

15. The tenders will be received up to Noon on Tuesday the 30th November 1886, and must be addressed to the Secretary for Lands, Lands Department, Melbourne, and endorsed "Tender for right to graze the Mount Arapiles Timber Reserve."

16. The successful tenderer will be notified by letter of the acceptance of his tender.

17. The following undertaking must be signed by the successful tenderer:—

To the Secretary of the Local Board of Health for Sir,

I desire to be registered in accordance with the particulars in the schedule hereunder:—

Schedule.	
Name in full	...
Trade in respect of which registration is desired	...
Style or firm under which trade is to be carried on	...
Every place within the jurisdiction of the Local Board of Health at which such trade or any part of it is to be carried on, including a full description of all paddocks, grass lands, grounds, and enclosures occupied, or used, or intended to be used by the applicant	...
Period of time for which registration is desired	Year commencing the 1st day of April 18

5. Upon receipt of every such application and fee the secretary for the Local Board of Health shall endorse the same with a memorandum of the date on which it is received, and of the payment of the fee, and shall file the same, and shall enter the particulars in the schedule to such application in a book to be kept for that purpose, and cause the same to be properly indexed.

6. All paddocks, grounds, lands, and enclosures used as grazing ground for dairy cattle shall, whenever necessary, be inspected by any member or officer of the said local board, or by any person authorized, in writing, by the chairman or secretary of the said local board; and if, on inspection, such paddocks, grounds, or enclosures, or any one of them, are, or is likely, in the opinion of the officer or person so inspecting, to be prejudicial to health, by affecting the milk or otherwise, the said local board may, by an order, in writing, signed by the secretary, and served personally or left at the dwelling-house of the registered person, or in the case of an unregistered person, served personally or left at his dwelling-place or posted upon the land, prohibit the use of the same for the purpose of feeding dairy cattle, either absolutely or for any time named in such order. All cattle in dairies shall also be similarly inspected by a veterinary surgeon or other competent person, and any cows found to be diseased, or which from poverty or weakness are, in the opinion of the inspector, likely to be unfit for use for dairy purposes, shall be forthwith removed from such dairy if ordered by such inspector or other officer as aforesaid. And any such order as aforesaid the said local board may revoke, but upon every fresh inspection a similar order may from time to time be made.

7. All houses, dairies, cowsheds, milk stores, milk shops, or other buildings or structures in the occupation of any person following the trade of cowkeeper or dairyman, whether registered or not, shall be kept in such a state in respect of cleanliness as not to be a nuisance or injurious to health, and shall be thoroughly and effectually lighted and ventilated; and the drainage of all such buildings shall be so arranged that no stagnant water or refuse matter of any kind shall remain or lie in any way whatever in or upon or contiguous to any premises of such person following the trade of a cowkeeper or dairyman, whether registered or not.

8. All yards, sheds, or other places used for keeping or holding dairy cows shall be regularly swept and be kept perfectly clean, and shall within twenty-four hours of any order to such effect from the health officer or inspector of nuisances be fumigated, disinfected, or lime-washed, as may be in any such order so directed.

10. If any person or any member of the family of any person registered as aforesaid, or not so registered, but employed as a cowkeeper, dairyman, or purveyor of milk, or any visitor or member of the family of any visitor to any such person shall be attacked by typhoid fever or any dangerous infectious disease, the occupier of the house in which such person shall be, or (if he be the person attacked) his wife or other person in charge shall immediately give notice thereof to the local board or officer of health or to the nearest member of the police force, who shall immediately inform the Local Board of Health, and thereupon it shall and may be lawful for the said local board or the officer of health, by order served as aforesaid, to prohibit absolutely the sale and vending and forwarding of milk for sale from any premises in the use and occupation of any such cowkeeper, dairyman, or purveyor of milk until danger, in the opinion of such local board or officer of health, no longer exists. And in any such case it shall not be lawful to allow any person so suffering, or having recently been in contact with a person so suffering, to milk cows or to handle vessels used for containing milk for sale, or in any way to take part or assist in the conduct of such trade or business. Nor, if the person registered or conducting such business be himself the person suffering, shall he take any part whatever in the conduct of such trade or business until in either case all danger therefrom of the communication of infection to the milk, or of its contamination, has ceased.

11. If at any time disease exists in the dairy or among the cows or cattle in any cowshed or dairy, or in the herds of any cowkeeper, dairyman, vendor or purveyor of milk, the registered person, owner, occupier, or other person in charge, as the case may be, shall immediately give notice to the local board, officer of health, or nearest member of the police force, and the milk of a diseased cow shall not be used in any way whatsoever.

12. No cowkeeper, dairyman, or purveyor of milk shall keep or permit or suffer to be kept any pigs in the sheds, buildings, or milking yards in which any dairy cows may be kept or sheltered.

APPLICATION FOR REGISTRATION OF ONE TRADE MARK.—(No. 1387.)

To the Registrar-General, Melbourne.

I EDWARD H. FENNESSY, trading as "B. F. Brown & Co., of Boston, Massachusetts, United States of America, apply to be registered as proprietor of a trade-mark, which consists of the arbitrarily-selected words "Satin Polish." These

have generally been arranged, as shown in the accompanying facsimile, immediately below the word "Brown's", and the whole enclosed within an ornamental circular border, beneath which are the words "For Ladies and Children's Boots and Shoes, Travelling Bags, Trunks, &c., &c., manufactured by B. F. Brown & Co., Boston, Mass.," enclosed within an ornamental rectangular border, forming a continuation of the circular border above referred to: but the arrangement may be changed at pleasure, or the words "For Ladies and Children's Boots & Shoes, Travelling Bags, Trunks, &c., &c., manufactured by B. F. Brown & Co., Boston, Mass.," and the ornamental borders may either or all be omitted, without materially altering the character of the trade-mark, the essential feature of which is the arbitrarily selected words "Satin Polish," as shown in the margin.

I desire that the said trade-mark may be registered in respect of the description of goods following, contained in Class 50, that is to say, the class of merchandise to which this trade-mark is appropriated is preparations for leather, and the particular description of goods comprised in such class on which the said trade-mark is used is—Blacking and Leather-dressing.
