PROCLAMATION

By His Excellency Sir HENRY BROUGHAM LOCH, Knight Commander of the Most Honorable Order of the Bath, Governor and Commander-in-Chief in and over the Colony of Victoria and its Dependencies, &c., &c., &c.

WHEREAS by *The Victorian Water Conservation Act 1883* (No. 778) it was amongst other things enacted that the Governor in Council might proclaim any city, town, borough, or populous place, comprising the whole or any portion of a Waterworks District, to be an "Urban District" for the purposes of the said Act, and might name the limits thereof: Now therefore I, the Governor of Victoria, with the advice of the Executive Council, do hereby proclaim the towns and land hereinafter described, forming portions of the Wimmera United Waterworks Trust District, to be "Urban Districts" for the purposes and within the meaning of the said Act, that is to say:—

By His Excellency's Command,

ALFRED DEAKIN,
Minister of Water Supply.

GOD SAVE THE QUEEN!

**THE SWAN HILL SHIRE WATERWORKS TRUST.—
DISTRICT FURTHER DIMINISHED.**

At the Executive Council Chamber, Melbourne, the twenty-eighth day of June 1886.

PRESENT:

His Excellency the Governor.

Mr. Gillies	Mr. Dow
Mr. Deakin	Mr. Walker
Mr. Wrixon	Mr. Nimmo
Mr. Pearson	Mr. Derham.
Mr. Lorimer	

WHEREAS by section 90 of *The Victorian Water Conservation Act 1883*, No. 778, it is enacted that the Governor in Council may from time to time, after any Trust has by Order in Council been duly constituted, make additional Orders relating to such Waterworks or Irrigation Trust not inconsistent with the provisions of the now in part recited Act, and that the Governor in Council may in such additional Orders in Council, among other things, increase or diminish the extent of the Waterworks District of such Waterworks Trust:

And whereas by section 19 of *The Victorian Water Conservation Act 1884*, No. 829, it is enacted that when the Waterworks District of any Waterworks Trust has been or is about to be increased or diminished, the Governor in Council may make such Order as appears just for (among other things) determining what persons shall cease or continue to be commissioners of the Waterworks Trust thereof, and for how long the same shall so continue, and for determining all other matters and things which it appears desirable or proper so to determine:

And whereas by an Order in Council, bearing date the third day of July 1882, a certain Waterworks Trust known as the Swan Hill Shire Waterworks Trust was duly constituted, having authority as such Waterworks Trust within certain lands, the limits whereof were in and by the said Order in Council, bearing date as aforesaid, duly proclaimed and defined:

And whereas by certain additional Orders in Council, bearing date respectively the seventh day of June 1886 and the twenty-first day of June 1886, the extent of the Waterworks District of the said Swan Hill Shire Waterworks Trust (as proclaimed, limited, and defined by the said Order in Council, bearing date the third day of July 1882) was diminished by the excision therefrom of certain lands in and by such additional Orders in Council specified:

Now therefore His Excellency the Governor, acting by and with the advice of the Executive Council, and in pursuance of the provisions of the now in part recited Acts, doth order as follow, that is to say:—

1. That the extent of the Waterworks District of the said Swan Hill Shire Waterworks Trust shall be further diminished, by the excision therefrom of the irrigation area of the Cohuna Irrigation Trust (such said irrigation area being limited and defined by an Order in Council, bearing date the twentieth day of April 1886, and published in the *Government Gazette* of the 30th day of April 1886, page 1115) heretofore included within the said Waterworks District.
2. That notwithstanding the excision from the said Waterworks District of the said irrigation area of the said Cohuna Irrigation Trust, the said Swan Hill Shire Waterworks Trust shall continue to consist of the Municipal Council of the Shire of Swan Hill for the time being and John William Stranger.

ALFRED DEAKIN,
Minister of Water Supply.

And the Honorable Alfred Deakin, Her Majesty's Minister of Water Supply for Victoria, shall give the necessary directions herein accordingly.

ROB. WADSWORTH,
Clerk of the Executive Council.

And for each additional 100 gallons, or fraction of 100 gallons, after the first or any one load, to be paid for at the time of taking ... Sixpence.

3. All charges for water supplied by measure to be paid quarterly.

4. Every person who is supplied by the Trust with water by measure shall, at his own expense, provide a meter (which meter

shall be submitted to and examined by the proper officer of the Trust, who, if he shall find the same correct and in proper working order, shall give his certificate to that effect, which when fixed shall be maintained and kept in proper working order by such person. The meter must be so placed as to be open for inspection and so as to be protected from injury, and with means of access thereto; the keys of the meter shall be in the possession of the Trust. No meter shall be connected with more than one separate and distinct inlet-pipe leading from the service-pipe, unless otherwise permitted by order of the Trust.

5. All service-pipes with the necessary stop-cocks shall be supplied and fixed at the cost of the person or persons requiring the same, under the direction and supervision of such officer or servant as the Trust may appoint.

6. All delivery-cocks to be of high pressure and of strong hard brass, and in all exposed places to be open and shut by a moveable key or handle.

7. Plumbers or other persons employed to lay on service-pipes and to fix meters, or to refix or relay the same, must satisfy the proper officer of the Trust that they are competent to perform the same in a workmanlike manner.

8. No meter shall be affixed unless the dial of the same is capable of registering one million (1,000,000) gallons.

9. The Trust may contract with any owner or occupier of premises or of any lands or tenements, who is entitled to be supplied with water from its works, or who is desirous of being so supplied, for the provision and laying on of a service-pipe from the pipes of the Trust to the boundaries of such land, premises, or tenement abutting on the street or road in which are the pipes of the Trust.

10. If any person shall waste water of the Trust by neglecting to repair any service-pipe conveying water from the pipes of the Trust into the premises of such person, after having received notice from any officer of the Trust that such service-pipe requires repairing, the Trust may stop the water from flowing into such premises, either by cutting off the service-pipe or otherwise as to the Trust may seem fit, until the necessary repairs shall have been effected.

11. No person supplied with water by the Trust shall wilfully or negligently allow the same to run to waste, and any person committing a breach of this regulation shall be liable to a penalty not exceeding Five pounds for every such breach.

12. No person shall connect any service-pipe, or branch service-pipe with any steam-boiler for the purpose of feeding or supplying the same with water, without first affixing a self-acting valve for preventing the pressure of the steam reversing or affecting the dial of the meter.

13. No pipes shall be affixed to the main pipe, nor to any service-pipe or apparatus connected therewith, nor shall any alteration be made in any existing pipes or apparatus, without notice in writing of the intention so to do being given to the Trust, and the consent of the Trust thereto first had and obtained.

14. Overflow-pipes to private baths will not be permitted, the inlet-pipes to which must be visible and accessible, and attached to the bath above the bottom thereof, and the bath provided with a proper well-fitted and watertight ground outlet, plug, or cock.

15. All water-troughs must be fitted with approved self-acting taps to prevent overflow.
