WIMMERA UNITED WATERWORKS TRUST.—REGULATION.

THE Governor in Council has approved of the subjoined Regulation made by the Wimmera United Waterworks Trust, under the provisions of section 44 of *The Victorian Water Conservation Act 1881* :—

The Commissioners of the Wimmera United Waterworks District, in pursuance of the powers conferred by section 44 of "The Victorian Water Conservation Act 1881," do make the following Regulation :—

No. XI.

Regulation for the making of a rate for the year 1887 on all rateable property in that portion of the Wimmera United Waterworks District, of which notice has been given that the same has been supplied with water, under the provisions of *The Victorian Water Conservation Acts 1881-1886*, and which notice was published in the *Government Gazette* of March 12th 1886, wherein the portion of the district so described as supplied with water is as follows, that is to say—the whole of the area of the Wimmera United Waterworks District, except in the parishes of Hindmarsh, Joop, Jeparit, Batyik, Tarranyurk, Willenabrana, Yellangip, Katyil, and Dimboola.

Whereas the Governor in Council has, by an order made the thirteenth day of April 1886, under the provisions of section 93 of *The Victorian Water Conservation Act 1883*, divided the Wimmera United Waterworks District into divisions, and directed that the necessary rates for paying interest on all moneys borrowed by the Wimmera United Waterworks Trust for the construction and maintenance of their waterworks, or to meet any other expenses in connection therewith, shall be levied in the following only of such divisions, viz.:—The Shire of St. Arnaud division, the Shire of Kara Kara division, the Shire of Dunmunkle division, the Shire of Stawell division, the Shire of Wimmera division, and the Shire of Dimboola A division; and has further directed that such rates be levied differentially as between such said several divisions, and that the proportion in which such several divisions shall be rated respectively one to another shall be as follows, that is to say, that the respective ratings in the pound sterling on the annual value of rateable property rated for municipal purposes in the said several divisions shall be—Shire of St. Arnaud division, Seven pence; Shire of Kara Kara division, Fifteen pence; Shire of Dunmunkle division, Fourteen pence; Shire of Stawell division, Nine pence; Shire of Wimmera division, Thirteen pence; Shire of Dimboola A division, Twenty-four pence.

And whereas the Governor of the colony of Victoria, by Proclamation dated 28th June 1886, proclaimed certain areas in and around the townships of Murtoa and Warracknabeal to be respectively Urban Districts under the provisions of *The Victorian Water Conservation Act 1883*, No. 778.

And whereas the Governor in Council by an Order dated the 13th day of December 1886, diminished the extent of the said Wimmera United Waterworks District by excising therefrom the territory described above as the Shire of Wimmera division.

The following rate is made on the annual value of all the rateable property in the said several divisions of the Wimmera United Waterworks District, excepting in the said parishes of Hindmarsh, Joop, Jeparit, Batyik, Tarranyurk, Willenabrana, Yellangip, Katyil, and Dimboola, and in the said Urban Districts of Murtoa and Warracknabeal, according to the valuation for the time being on all such lands and tenements for the municipal rates of the Shires of St. Arnaud, Kara Kara, Dunmunkle,

Stawell, and Dimboola respectively, that is to say—on rateable property within the Shire of St. Arnaud division, a rate of Seven pence in the pound sterling of such valuation on rateable property; in the Shire of Kara Kara division, a rate of Fifteen pence in the pound sterling of such valuation; in the Shire of Dunmunkle division, a rate of Fourteen pence in the pound sterling of such valuation; in the Shire of Stawell division, a rate of Nine pence in the pound sterling of such valuation; and in the Shire of Dimboola A division, a rate of Twenty-four pence in the pound sterling of such valuation.

Under 31 Victoria No. 310, section 9, cemetery fees are not payable in the cases of paupers buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under seven years of age, to be provided. The body shall be taken direct to the cemetery, and no more than one body shall be carried in the hearse at a time.

3. Coffins to be sufficiently long, deep, and wide for the corpse to lie extended at full length, and to be fastened down with screws. The contractor shall provide two inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. When burials are required to take place on Sunday, no delay must take place in complying therewith, and any additional fees charged by the cemetery authorities will be repaid to the contractor.

7. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided, and the contractor must inform the Police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. Such order to be produced at the cemetery when the contractor gives the order for interment. The contractor must pay the minister's fee for reading the burial service should it be claimed, and he will be reimbursed, on producing the minister's receipt, which must specify that the burial service was duly and properly performed, and that he received the fee for so doing; the receipt must also specify the name, age, and denomination of deceased, the name and denomination of the minister who performed the burial service, and the hour when the service was performed.

8. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne. The charge for the minister's fee should be included in the account for the funeral.

9. In the event of any charge of impropriety or neglect in conducting the funerals being established against the contractor, the Government may for the first offence deduct from the security money, by way of fine, £5; and for the second offence a similar amount, and, in addition thereto, may forthwith cancel the contract.

10. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited.

4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

6. The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

7. No claim whatever shall be made or entertained by reason of the license not being renewed or transferred.
