Sir,—I desire to be registered in accordance with the particulars in the schedule hereunder:—

Schedule.

Name in full	...	...
Trade in respect of which registration is desired	...	...
Style or firm under which trade is to be carried on	...	...
Every place within the jurisdiction of the Local Board of Health at which such trade or any part of it is to be carried on, including a full description of all paddocks, grass lands, grounds, and enclosures occupied or used or intended to be used by the applicant	...	...
Period of time for which registration is desired	...	Year commencing the 1st day of 18 .

5. Upon receipt of every such application and fee, the secretary for the Local Board of Health shall endorse the same with a memorandum of the date on which it is received, and of the payment of the fee, and shall file the same, and shall enter the particulars in the schedule to such application in a book to be kept for that purpose, and cause the same to be properly indexed.

6. All paddocks, grounds, lands, and enclosures used as grazing ground for dairy cattle shall, whenever necessary, be inspected by any member or officer of the said Local Board, or by any person authorized in writing by the chairman or secretary of the said Local Board; and if, on inspection, such paddocks, grounds, or enclosures, or any one of them, are or is likely in the opinion of the officer or person so inspecting to be prejudicial to health, by affecting the milk or otherwise, the said Local Board may, by an order in writing signed by the secretary, and served personally or left at the dwelling-house of the registered person, or in the case of an unregistered person served personally or left at his dwelling-place, or posted upon the land, prohibit the use of the same for the purpose of feeding dairy cattle either absolutely or for any time named in such order. All cattle in dairies shall also be similarly inspected by a veterinary surgeon or other competent person, and any cows found to be diseased, or which from poverty or weakness are, in the opinion of the inspector, likely to be unfit for use for dairy purposes, shall be forthwith removed from such dairy if ordered by such inspector or other officer as aforesaid. And any such order as aforesaid the said Local Board may revoke, but upon every fresh inspection a similar order may from time to time be made.

7. All houses, dairies, cowsheds, milk stores, milk shops, or other buildings or structures in the occupation of any person following the trade of cowkeeper or dairyman, whether registered or not, shall be kept in such a state in respect of cleanliness as not to be a nuisance or injurious to health, and shall be thoroughly and effectively lighted and ventilated; and the drainage of all such buildings shall be so arranged that no stagnant water or refuse matter of any kind shall remain or lie in any way whatever in or upon or contiguous to any premises of such person following the trade of a cowkeeper or dairyman, whether registered or not.

8. All yards, sheds, or other places used for keeping or holding dairy cows shall be regularly swept, and be kept perfectly clean, and shall, within twenty-four hours of any order to such effect from the health officer or inspector of nuisances, be fumigated, disinfected, or lime-washed, as may be in any such order so directed.

10. If any person, or any member of the family of any person, registered as aforesaid, or not so registered, but employed as a cowkeeper, dairyman, or purveyor of milk, or any visitor or member of the family of any visitor to any such person, shall be attacked by typhoid fever or any dangerous infectious disease, the occupier of the house in which such person shall be, or (if he be the person attacked) his wife or other person in charge, shall immediately give notice thereof to the Local Board or officer of health, or to the nearest member of the police force, who shall immediately inform the Local Board of Health, and thereupon it shall and may be lawful for the said Local Board or the officer of health, by order served as aforesaid, to prohibit absolutely the sale and vending and forwarding of milk for sale from any premises in the use and occupation of any such cowkeeper, dairyman, or purveyor of milk, until danger, in the opinion of such Local Board or officer of health, no longer exists. And in any such case it shall not be lawful to allow any person so suffering, or having recently been in contact with a person so suffering, to milk cows or to handle vessels used for containing milk for sale, or in any way to take part or assist in the conduct of such trade or business. Nor, if the person registered or conducting such business be himself the person suffering, shall he take any part whatever in the conduct of such trade or business until, in either case, all danger therefrom of the communication of infection to the milk or of its contamination has ceased.

11. If at any time disease exists in the dairy, or among the cows or cattle in any cowshed or dairy, or in the herds of any cowkeeper, dairyman, vendor or purveyor of milk, the registered person, owner, occupier, or other person in charge, as the case may be, shall immediately give notice to the Local Board, officer of health, or nearest member of the police force; and the milk of a diseased cow shall not be used in any way whatsoever.

12. No cowkeeper, dairyman, or purveyor of milk shall keep or permit or suffer to be kept any pigs in the sheds, buildings, or milking yards in which any dairy cows may be kept or sheltered.

Every license granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licensees under the section for which these licenses will issue are liable for the destruction of rabbits within the boundaries of their licenses.

**Conditions:**

1. The issue of this license shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his license fee paid by him as the responsible Minister of the Crown for the time being administering Part XI. of *The Land Act 1884* may think fit. This license is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter

upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

2a. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the license has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and, immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee, or any one claiming under her, him, or them.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within its operation.

4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

6. The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

7. No claim whatever shall be made or entertained by reason of the license not being renewed or transferred.

8. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

9. This license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

10. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license shall be conclusive evidence that the license is forfeited.

**Special Conditions:**

1. The period of occupation will be from 1st August 1887 to 31st December 1887.

2. The license fee must be paid in advance. The fee for the period from 1st August 1887 to 31st December 1887—for which the license will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.
