REPRESENTATION OF THE GORDON SHIRE COUNCIL UPON THE AVOCA WATER TRUST.

At the Executive Council Chamber, Melbourne, the nineteenth day of September 1887.

PRESENT:

His Excellency the Governor.

Mr. Gillies	Mr. Dow
Mr. Deakin	Mr. Nimmo
Mr. Wrixon	Mr. Bell
Mr. Pearson	Mr. Davies.
Sir James Lorimer	

WHEREAS by section 90 of *The Victorian Water Conservation Act 1883*, No. 778, it is enacted that the Governor in Council may, from time to time, after any trust has by Order in Council been duly constituted, make additional Orders relating to such waterworks or irrigation trust not inconsistent with the provisions of the now in part recited Act, and that the Governor in Council may in such additional Orders in Council—

- (a.) Make any Order which might have been made in the Order in Council originally constituting such waterworks or irrigation trust;
- (b.) Increase or diminish the extent of the waterworks district of such waterworks trust; and
- (c.) Repeal any of the provisions of any previous Order in Council relating to such waterworks or irrigation trust:

And whereas by a certain Order in Council bearing date the twenty-seventh day of September 1882, a waterworks trust, known as the Avoca Water Trust, was duly constituted under the provisions of *The Victorian Water Conservation Act 1881*. And whereas by clause numbered 2 of such said Order in Council (as published in the *Government Gazette* of the 29th day of September 1882, page 2354) it was ordered that the waterworks trust for such waterworks district should consist of two members from each of the councils of the municipal districts interested and one other commissioner.

And whereas by clause numbered 4 of such said Order in Council (published as aforesaid) it was ordered that the area of the waterworks district within which the said trust should have authority should consist of lands included within certain boundaries (in and by the said Order duly set forth), such said lands being portions of the shires of Swan Hill, Korong, and St. Arnaud (each of which said shires or municipal districts it was in and by the said Order declared would be directly benefited by the proposed waterworks of the said trust).

And whereas, since the date of the said Order in Council, a certain municipality, known as the Shire of Gordon, hath been constituted, having for a portion of its municipal district certain of the lands comprised within the boundaries set forth in the said Order in Council bearing date the said twenty-seventh day of September 1882 and published as aforesaid.

Now therefore His Excellency the Governor, with the advice of the Executive Council, and in pursuance of the said provisions of the now in part recited Act, doth order as follows:—

(1.) That the said clause numbered 2 of the said Order in Council bearing date the twenty-seventh day of September 1882 shall be and the same is hereby repealed, and in lieu thereof it is hereby ordered and directed that the waterworks trust for the waterworks district, bounded as set forth in and by the said Order in Council bearing date the twenty-seventh day of September 1882, shall hereafter consist of two members from each of the councils of the municipal districts of Swan Hill, Korong, and St. Arnaud; one member from the council of the municipal district of Gordon, and one other commissioner.

(2.) That so much of the said clause numbered 4 of the said Order in Council bearing date the twenty-seventh day of September 1882 as declares the area of the waterworks district, within which the said trust should have authority, to consist of lands being portions of the shires of Swan Hill, Korong, and St. Arnaud, shall be and the same is hereby repealed, and in lieu thereof it is hereby declared and ordered that the area of the waterworks district within which the said trust shall have authority shall consist of the lands included within the boundaries set forth in and by the said clause numbered 4 of the said Order in Council dated the twenty-seventh day of September 1882, such said lands being portions of the shires of Swan Hill, Korong, St. Arnaud, and Gordon (each of which shires or municipal districts are and will be directly benefited by the works of the said trust).

ALFRED DEAKIN,
Minister of Water Supply.

And the Honorable Alfred Deakin, Her Majesty's Minister of Water Supply for Victoria, shall give the necessary directions herein accordingly.

ROB. WADSWORTH,
Clerk of the Executive Council.

TENDERS will be received by the Board of Land and Works, up to Noon of Tuesday, 27th September 1887, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every license granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licensees under the section for which these licenses will issue are liable for the destruction of rabbits within the boundaries of their licenses.

Conditions:

1. The issue of this license shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his license fee paid by him as the responsible Minister of the Crown for the time being administering Part XI. of *The Land Act 1884* may think fit. This license is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

2A. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the license has been granted, until notice has been given in the *Government Gazette*

that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid: and, immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same, without the permission or sanction of the licensee, or any one claiming under her, him, or them.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within its operation.

4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

6. The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

7. No claim whatever shall be made or entertained by reason of the license not being renewed or transferred.

8. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

9. This license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

10. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license, shall be conclusive evidence that the license is forfeited.

Special Conditions:

1. The period of occupation will be from 1st October 1887 to 31st December 1887.

2. The license fee must be paid in advance. The fee for the period from 1st October 1887 to 31st December 1887—for which the license will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be endorsed "Tender for Lot 1, Block 77," or "Lot 2, Block 253," or "Lot 3, Block 262," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

Straining posts to be of pine, box, gum, or stringybark, 7 feet 5 inches in length, and measuring not less than 8 inches in diameter at the small end, and sunk 3 feet in the ground. Posts, also 100 yards apart, of pine, box, gum, or stringybark, 6 feet 3 inches in length, measuring not less than 7 inches x 4 inches split, or 5½ inches diameter at small end round, sunk 2 feet in the ground; both strainers and posts to be charred for the full depth in the ground and barked. The line to be cleared (all timber and scrub to be cut level with the surface of the ground) 20 feet on both sides of the fence.

5. The first 40 miles and the 35 miles at the Murray end to be completed by 31st March 1888, and the remainder by 31st July 1888. Payments on account to contractors to be at the rate of seventy-five per cent. on fencing completed; certificate to be given by supervisor of works. Should the distances of sections of fencing be longer than distances mentioned, contractors to complete same at schedule prices of tender.
