**WHEREAS** by *The Irrigation Act 1886* it is enacted that any Municipal Council, or Waterworks Trust, or Irrigation Trust, or any two or more together of any such Councils or Trusts, or the majority in number of the ratepayers in any proposed district, or the majority in number of the owners of land within any proposed district, such majority being the owners of at least half the land in the proposed district, may petition the Governor in Council to constitute such proposed district an Irrigation and Water Supply District, and to appoint and create a Trust therein. And it is further provided by the said Act that, before any district or Trust can be constituted or appointed under the said Act upon a petition from any Municipal Council or Waterworks Trust, or from any two or more together of any such Councils or Trusts, or from a majority in number of the ratepayers in any proposed district, or upon a petition from the majority of owners of land within any proposed district, that a petition from owners of land, being an absolute majority of the owners of land within the proposed district, such majority being owners of at least half the land in such proposed district, shall be presented to the Governor in Council praying that the scheme or plan of works of such first petition, as set out in the declaration of the Minister, published under the said Act, may be adopted in part or in whole. And it is further enacted that, after compliance with the provisions in the said Act, the Governor in Council may approve of the scheme proposed, either with or without any alterations, or additions, or restrictions, as he may think fit, or he may disapprove of the same; and if he approve of the same, either with or without any alterations, he shall make an Order in Council accordingly. And it is further enacted that, if the Governor in Council approve of such proposed scheme, with or without alterations, or additions, or restrictions, he may, by Order in Council, constitute the proposed district an Irrigation and Water Supply District, and appoint and create an Irrigation and Water Supply Trust, to construct, maintain, and continue the works described in the Order.

And whereas the President, Councillors, and Ratepayers of the shire district of Echuca have, in accordance with the provisions of the said Act, petitioned the Governor in Council to constitute certain lands situate in the said shire district and in the parishes of Bonn, Nanneella, Echuca South, and Rochester, in the county of Rodney, and in the parishes of Diggora, Rochester West, and Ballendella, in the county of Bendigo, in the colony of Victoria (as shown upon the plan accompanying their petition) an Irrigation and Water Supply District, and to appoint and create a Trust therein for carrying out the scheme or plan of works proposed in such petition: And whereas all the provisions of the Act necessary to precede the declaration in writing of the Minister upon the said petition having been complied with, the Minister duly published his declaration in the *Government Gazette* on the nineteenth day of July, 1889, in accordance with the provisions of the said Act. And whereas, after due observance of the steps necessary under the said Act to precede such a petition, and on this twenty-first day of October, 1889, a petition of an absolute majority of the owners of land in the district proposed to be constituted, such majority being the owners of at least half the land in such proposed district, hath been presented to the Governor in Council, praying that the scheme or plan of works of such first-named petition, as set out in the said declaration in writing of the Minister, might be adopted: Now therefore His Excellency the Governor, by and with the advice of the Executive Council and in accordance with the provisions of and in exercise of the powers conferred by *The Irrigation Act 1886* aforesaid, doth declare, order, and direct:—

The whole of the works shall be Trust works.

The water right hereby granted will, however, be subject to review and amendment whenever works of storage and regulation are constructed on the upper part of the river, to enable a continuous and uniform flow to be maintained therein.

6. That the total amount of money proposed to be expended by the said Campaspe Irrigation and Water Supply Trust on Trust works is Forty-one thousand pounds (£41,000) sterling.

Mr. Pearson	

WHEREAS by section 63 of *The Irrigation Act 1886*, No. 898, it is enacted that the Governor in Council may, subject to the provisions of the said Act, from time to time make, alter, and repeal regulations relating to any Irrigation and Water Supply Trust appointed under the said Act for the purposes, among others, following:—

- (a) For determining the period for which the commissioners of any trust shall hold office, the time and manner of election, and the order of their retirement from office;
- (b) For determining the manner in which elections of any such commissioners shall be held, and the manner of voting thereat;
- (c) For determining the manner in which any vacancies in the office of any such commissioners shall be filled up.
- (d) For determining questions as to the due election of any such commissioner; and
- (e) For prescribing, subject to the provisions of the said Act, any other matter necessary for giving effect to Part IV. of the said Act.

Now therefore His Excellency the Governor, acting by and with the advice of the Executive Council, and in pursuance of the said provisions of the now in part recited Act, doth, for the purposes aforesaid, so far as these may relate to a certain Irrigation and Water Supply Trust duly appointed under the said Act and known as the Campaspe Irrigation and Water Supply Trust, make the regulations following, viz. :—

1. *Interpretation of terms.*—In these regulations, “the Minister” shall mean the Minister of Water Supply; “the trust” or “the said trust” shall mean the Campaspe Irrigation and Water Supply Trust; and “the district,” “the said district,” “the irrigation district,” or “the irrigation and water supply district” shall mean the lands as defined by the Order in Council appointing the said trust wherein the trust shall have authority.

2. *Period for which commissioners shall hold office.*—Subject to the provisions in reference to the first election of commissioners hereinafter contained, for securing the annual retirement of two commissioners, the period during which the commissioners of the said trust shall hold office shall be three years.

3. *Annual retirement of commissioners.*—Two commissioners shall retire annually, but the retiring commissioners shall, subject to the provisions of the said Act, be eligible for re-election.

4. *Term of office of persons elected commissioners at first election.*—At the first election of commissioners, two of the persons elected commissioners shall hold office as such commissioners for the term of three years, two others of such persons shall hold office for the term of two years, and the remaining two persons elected as such commissioners shall hold office for the term of one year; and the particular term for which each such person so elected a commissioner shall hold office shall be determined in manner following (that is to say):—

(a) *How term of office is ascertained when no poll taken.*—If the first election is made without a poll, as in the case in these regulations provided, then the particular term for which each candidate elected as a commissioner shall hold office shall immediately upon such election be publicly determined by lot by the returning officer in such manner as to him may seem fit; and the returning officer shall thereupon immediately and publicly announce the term for which each individual candidate elected as a commissioner shall hold office as so determined, and shall report the same to the Minister.

(b) *How term of office ascertained when poll taken.*—If at the first election a poll shall be held as in these regulations provided, then of the six candidates elected as commissioners the two candidates who shall have received the highest number of votes shall hold office as commissioners for the term of three years, and the two candidates who shall have received the next highest number of votes shall hold office for the term of two years, and the remaining two candidates who shall have been elected shall hold office for the term of one year; and if two or more than two candidates elected shall have obtained the same number of votes, then the returning officer shall determine by lot (as hereinbefore provided in the case of the first election if decided without ballot) the term or terms of three, two, or one year or years during which such candidates shall respectively hold office. But so that no candidate elected shall hold office for a shorter time than the term during which any other candidate who shall have obtained a less number of votes shall hold office. And the returning officer shall publicly declare the respective terms during which the several candidates shall hold office as so determined, and shall report the same to the Minister.

5. *Extraordinary vacancies, how filled, and term of office.*—Should any vacancy in the office of commissioner be occasioned by death, resignation, removal, disqualification, or any other cause whatever, an election shall forthwith be held to fill such

vacancy; and the provisions contained in these regulations as to the nomination of candidates, the manner in which elections shall be held, and the mode of voting thereat shall apply to any election in respect of such vacancy; and the person elected to fill such vacancy shall hold the office of commissioner during the unexpired portion of the term of office of the commissioner whose seat shall have become vacant.

Provided always that if such owners or lessees jointly, by notice in writing, desire that the number of votes to which, under the said provisions, any one of such owners or lessees is so entitled to give as aforesaid may be allotted between such owners or lessees in any manner they may jointly indicate, the alteration or alterations so desired to be made in the said list shall, if the same be consistent with the said provisions, be made when the list shall be revised as hereinafter provided, and such owners or lessees shall be entitled to vote accordingly.

12. *Minister to revise and certify lists.*—The Minister shall revise the said list, and consider all objections thereto, and make such alterations and amendments therein as to him may seem just, and shall certify the list under his hand as correct; and no objection to the list when so certified shall be allowed.

13. *Certified list to be voters' roll.*—The list so revised and certified shall be the voters' roll for the purposes of the first election of commissioners of the trust, but shall also be available for any election in respect of any extraordinary vacancy occurring within twelve months next after the date of the said first election.

14. *Voters' list to be prepared yearly.*—Before the first day of October in each year, the officers of the trust shall prepare a voters' list in the form of the First Schedule hereto; and such list shall contain, in regular numerical sequence and in alphabetical order of surname, the christian name or names, surname, and address (so far as these may be known) of each person entitled to vote under the provisions of *The Irrigation Act 1886* or under the provisions of any Act amending the said *Irrigation Act 1886*, and shall also specify the extent of, and indicate with reasonable certainty, the land of each such person, and shall state the number of votes to which, under the provisions of the said Act, each such person is entitled.

15. *Voting in respect of lands jointly owned or jointly leased.*—In the case of joint owners of land, or in the case of joint lessees of land, the name of any one of such owners or lessees (as the case may be) shall, subject to the provisions of the said Act and of these regulations, be placed in respect of such land upon the voters' list in like manner as if such land were owned or leased solely by such one owner or lessee, and the owner or lessee so placed upon the said list shall alone be entitled to vote accordingly. Provided always that if such owners or lessees jointly, by notice in writing, desire that the number of votes to which, under the said provisions, any one of such owners or lessees is so entitled to give as aforesaid may be allotted between such owners or lessees in any manner they may jointly indicate, the alteration or alterations so desired to be made in the said list shall, if the same be consistent with the said provisions, be made when the list or lists shall be revised as hereinafter provided, and such owners or lessees shall be entitled to vote accordingly.

16. *Copy of list to be available for inspection.—Third Schedule.*—A copy of such voters' list shall be available for inspection, without payment of any fee or charge, at all reasonable hours in the day time, at some convenient place within or near to the irrigation and water supply district of the trust for a period of seven clear days; and a notice in the form, or to the like effect, of the Third Schedule hereto shall be published in some newspaper ordinarily circulating within the said district; and such notice shall state that all objections to the said list must be forwarded, in writing, to the chairman of the trust within the time mentioned in the said notice.

18. *Special meeting of trust to be held to revise list.—List to be certified.*—In the month of October in each year a special meeting of the trust shall be held for the purpose of revising the said list; and all objections which may have been forwarded to the chairman under the preceding clause shall be considered by the commissioners then present; and the chairman may make such alterations and amendments in the said list as the commissioners or a majority of the commissioners present may determine to be just and necessary, or such as by these regulations are required to be made; and the list, when so revised, altered, and amended, shall be certified as correct under the hand of the chairman; and no objection to the list when so certified shall be allowed.

19. *Revised and certified list to be voters' roll.*—The list so revised and certified shall be the voters' roll for the purposes of any election (whether ordinary or extraordinary) of trust commissioners to be held within one year from the 16th day of November then next, the said day inclusive.

20. *Minister may appoint returning officer for first election.—Chairman of trust to be returning officer at subsequent elections.*—For the purposes of the first such election, the Minister may appoint some fit and proper person to be returning officer; but for every subsequent election (whether ordinary or extraordinary) the chairman of the trust for the time being shall be the returning officer; but if at the time of any election the office of chairman of the trust should be vacant, the commissioners of the trust may, by resolution, appoint one of their number to be returning officer until the office of chairman shall again be filled; and the returning officer may appoint a deputy to assist him or to act in his room at any election; and such deputy may do all or any of the acts or things which the returning officer is hereby authorized or required to do.

21. *Notice of election.—Nomination of candidates.—Fourth Schedule.*—Fourteen clear days before any election of commissioners under these regulations, the returning officer shall give public notice of such election by advertisement inserted in some newspaper generally circulating in the said district, and by such notice shall require all candidates at such election to be nominated at some place within the said district to be named in such notice in manner hereinafter mentioned, between the hours of Ten o'clock in the forenoon and Four o'clock in the afternoon, on some day before a day (hereinafter called the day of nomination) not less than seven nor more than ten days after the time of giving such notice, and named therein; and any person desirous of nominating a candidate shall, before Four o'clock in the afternoon of the day next preceding the nomination-day, cause to be delivered at the place aforesaid to the returning officer a nomination-paper in the form of the Fourth Schedule, or to the like effect, stating therein the christian name and surname of such candidate, together with the other particulars required in and by the said schedule; and such nomination-paper shall be signed by not less than three persons duly qualified to vote at such elections, and also signed by the person named therein as a candidate in token of his assent to being so named; and such candidate or some person on his behalf shall, at the time when such nomination-paper is delivered to the returning officer, pay into the hands of such returning officer the sum of Ten pounds (£10), to be dealt with as by law provided. And no person who shall not have been so nominated, and by whom or on whose behalf such payment shall not have been so made, shall, within the subsequent provisions of these regulations, be deemed to be a candidate at any election of commissioners.

22. *Where number of candidates does not exceed number of commissioners to be elected.*—If at the expiration of the time limited as hereinbefore provided for the nominations of candidates, the number of persons who have become candidates as aforesaid does not exceed the number of commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

23. *Where number of candidates exceeds number of commissioners to be elected.—Fifth Schedule.—Notice of poll.—Hours of polling.*—If at the expiration of the time limited for the nomination of candidates the number of candidates exceed the number of commissioners to be elected, then the returning officer shall forthwith cause ballot-papers to be printed, with the christian names and surnames of all the candidates in full, in the form of the Fifth Schedule hereto, and shall also forthwith give public notice by advertisement in some newspaper generally circulating in the irrigation district stating the names of the persons so nominated, and that a poll will be taken for the election of such commissioners upon the day named in such notice, at such place within the said district as the returning officer shall in and by such notice appoint; and such poll shall take place accordingly, and shall commence at Ten o'clock in the forenoon and close at Four o'clock in the afternoon.

24. *Retirement of candidates before polling-day.*—If at any election after a poll shall have been appointed as aforesaid any candidate for such election and two of the persons having signed

the paper nominating him as aforesaid are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the returning officer not later than four clear days before the day of polling a notice, in the form of the Sixth Schedule hereto, stating that such candidate so retires, and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the irrigation and water supply district a copy of such notice, and the returning officer, on sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election, shall on the day appointed for the election declare the remaining candidates duly elected, and if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election, and if such papers are already printed shall erase such name therefrom, and such person shall not be capable of being elected at such election.

25. *Polling-booth may be hired.*—At such election the returning officer shall provide a suitable place for taking a poll, and may, if necessary, cause to be hired and used as a polling-booth any room which he may deem to be suitable at the place appointed for taking the poll, and may divide such room into compartments as to him may seem most convenient.

26. *Returning officer to preside at polling-booth.*—The returning officer, or his deputy, shall preside at the polling-booth for taking the poll.

27. *Scrutineers may be appointed.*—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in the polling-booth, and the said returning officer, or his deputy, and the said scrutineers, and any voters, not exceeding four in number, actually engaged in voting, shall alone be permitted at any one time to enter or remain in the polling-booth.

28. *Pencils to be provided.*—The returning officer, or his deputy, shall provide pencils in the polling-booth for the use of the voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot-papers; and such box shall be opened and exhibited to the scrutineers before the polling begins, and the box shall then be locked, and shall stand on a table opposite the returning officer, or deputy returning officer, who shall keep the key of such box.

29. *Made of voting.—Where voter is illiterate.*—The returning officer shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of Schedule five hereto, and initialed by the returning officer; and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the returning officer, or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate, and after such name or names have been so struck out, the ballot-paper or ballot-papers, as the case may be, shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling-booth shall be demanded and received by him at one and the same time, and no person, having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers or exercise any further right of voting.

30. *Ballot-papers to be numbered.*—Before delivering any ballot-paper to the voter, the returning officer or his deputy shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll, and shall thereupon, upon a copy of such roll, check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

31. *Informal ballot-papers.*—If any voter suffer to remain upon his ballot-paper a greater number of names not struck out than the number of commissioners to be elected, the vote given on and by such paper shall be void and of no effect.

32. *What question may be asked.*—At any election of commissioners, the returning officer may, if he see fit, or if required to do so by any candidate or scrutineer, shall put to any person tendering his vote the question following:—

“Are you the person whose name appears as (A.B.) in the roll now in force for this trust, being enrolled therein in respect of land in the parish of \_\_\_\_\_, being (here specify land as described in the roll)?”

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question, or who shall not answer the same absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

33. *False answer, polling twice, and personation.*—Every person who shall wilfully make a false answer to the question aforesaid, or who shall poll more than once or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling-booth after having received a ballot-paper without having deposited the same in the ballot-box as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

34. *Result of polling, how ascertained.—Returning officer to have casting vote.*—Immediately upon the close of the poll, the returning officer shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be

present, proceed to ascertain the number of votes for each candidate; and such returning officer shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided; and the returning officer shall seal up the ballot-papers deposited in the booth, and as soon as conveniently may be on or after the day of the poll publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected commissioners of the trust; and if two or more candidates have received an equal number of votes, the returning officer shall in each case have the casting vote.
