The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Yarrawonga which is described in their petition, and they desire that the area so described may be severed from the Shire of Yarrawonga and constituted a new shire under the name or title of "The Shire of North Yarrawonga."

Area described in petition:—

Commencing at the south-west corner of Henry Mulcahy's selection in the parish of Boosey; thence due north to the River Murray; and thence along the River Murray to the junction of the Owens River; and thence along the Owens River to the south-east boundary of the parish of Pechelba; thence west along the southern boundary of the parishes of Pechelba, Boonahoonoonah, and Pelluebla to the south-western corner of the parish of Pelluebla; thence north to John Ryan's selection in the parish of Burrumine; thence due west to the point of commencement.

Petitioners state that the Shire of Yarrawonga is unworkable, owing to its vast size; that if the area sought to be severed was formed into a new shire, a thorough supervision of contracts would be exercised, and the rates of your petitioners more judiciously expended, which is not the case at present; that they have no community of interest with the other portions of the shire; that the proposed new shire contains a population of about 4,000 inhabitants.

Petitioners therefore pray that His Excellency in Council may be pleased to sever the said area from the Shire of Yarrawonga and constitute it a separate municipality under the name and title of the Shire of "North Yarrawonga," that it be subdivided into three ridings, and that the council consist of nine members.

Notice for the petitioners may be served on James Everist, Esq., J.P., of Yarrawonga.

*The Vermin Destruction Act 1889.*

## SHIRE OF KORONG.—LOAN.

*At the Executive Council Chamber, Melbourne, the eighteenth day of February, 1890.*

## PRESENT:

His Excellency the Governor.

Mr. Gillies	Mr. Derham
Mr. Cuthbert	Mr. Bell
Mr. Dow	Mr. Patterson.

WHEREAS under the provisions of *The Vermin Destruction Act 1889*, No. 1028, it is among other things provided that on the application of the council of any shire the Governor in Council, out of any moneys which may be provided by Parliament for the purpose, may from time to time grant a loan to any such shire for the purpose of enabling such shire to obtain materials for wire-netting or other rabbit-proof or vermin-proof fencing, to be supplied to owners of land in special areas constituted under the said Act: And whereas the Council of the Shire of Korong has received a petition signed by a majority in number of the owners of land in the special area (the petitioners owning more than one-half of the land in such area), describing the special area for which the petitioners desire a loan to be obtained by the shire, which petition contains a statement of the acreage of the whole of such special area, and of the acreage owned by each and every owner of every part thereof, with a short description of the land owned by each petitioner, and of the acreage thereof, and gives an estimate of the probable cost of the whole of the materials for wire-netting or other rabbit-proof or vermin-proof fencing required for the land in such area, and asks that the said shire council will apply to the Governor in Council for a loan of the amount of such estimate, and gives an estimate of the materials required for each petitioner's land, and the probable cost of such material, and an estimate of the extent of fencing to be erected by each owner; and states that in such special area adjoining properties could advantageously be enclosed by one continuous wire-netting fence; "and states in each case the estimated cost of such continuous fence, and the proportions thereof to be borne by every owner of property to be enclosed by such fence"; and states that each petitioner signing the petition undertakes to pay to the council in each and every year one-tenth part of his proportion of the value of all materials for wire-netting fencing, which the council may obtain by means of the loan proposed to be obtained from the Governor in Council, and that such undertaking as between each petitioner, or the owner for the time being of the land of such petitioner, or any part thereof, and the said shire council is to be deemed to be and may be enforced as a specialty contract, and states that each petitioner undertakes to erect on his land, with the materials with which he may be furnished, wire-netting fencing to the satisfaction of the said council, or that he will join with other owners in erecting all necessary fencing: And whereas every signature to such petition is verified by the solemn declaration of a person signing such petition, which declaration is in the form or to the effect in the Eighth Schedule to the said Act.

And whereas the said shire council has considered the prayer of such petition, and has determined to apply for a loan from the Governor in Council in accordance therewith, and has transmitted to the Minister the said petition, accompanied by an application under seal on behalf of the said shire for a loan of Five thousand three hundred and eighty-seven pounds sixteen shillings and threepence in the terms therein stated, which said application contains an undertaking by the said shire to repay such loan, in accordance with the provisions of the said recited Act and of any Order in Council granting such loan: Now therefore His Excellency the Governor, with the advice of the Executive Council, doth hereby order that the sum of Five thousand three hundred and eighty-seven pounds sixteen shillings and threepence, being the whole of the amount applied for by the said shire council in the application hereinbefore referred to, be granted out of the moneys provided by Parliament as a loan to the said Shire of Korong for the purposes of Part II. of the said *The Vermin Destruction Act 1889*.

That the said sum of Five thousand three hundred and eighty-seven pounds sixteen shillings and threepence be paid to the council in one instalment of Five thousand three hundred and eighty-seven pounds sixteen shillings and threepence.

That the said sum of Five thousand three hundred and eighty-seven pounds sixteen shillings and threepence be a loan for the benefit of the whole land described in the petition.

That the said sum of Five thousand three hundred and eighty-seven pounds sixteen shillings and threepence be a loan for the benefit of the land specified in the schedule hereunder.

That the proportion of the said sum of Five thousand three hundred and eighty-seven pounds sixteen shillings and threepence to be paid by each and every owner of land within the special area to the said shire council is that set out in the schedule hereunder.

That the said sum of Five thousand three hundred and eighty-seven pounds sixteen shillings and threepence be repaid by the council of the said shire to the Secretary for Lands for the time being, within ten years, by annual instalments of not less than Five hundred and thirty-eight pounds fifteen shillings and sevenpence half-penny each. The first of such payments to be made on or before the thirty-first day of May, 1891, and a further instalment of not less than Five hundred and thirty-eight

pounds fifteen shillings and sevenpence half-penny on or before the thirty-first day of May in each and every succeeding year, until the whole sum of Five thousand three hundred and eighty-seven pounds sixteen shillings and threepence is repaid.

3. *To whom person paying fee is to apply.*—Any person about to pay any fee at the office of the Registrar-General (such person being hereinafter in these regulations termed an "applicant") must apply to the officers whose duty it is to receive or issue the papers or documents or to permit the searches on which such fee is payable.

4. *Officers to be furnished with books of requisition forms.*—All such officers as in the last preceding regulation mentioned will be supplied with books of requisition forms, and such forms shall be in the form set out in the schedule hereto, and shall be in duplicate and numbered consecutively in arithmetical progression, both the butt and its duplicate being numbered with the same number.

5. *Applicant to fill up requisition form.*—Every applicant must fill up a form in the butt of the book of the officer to whom he applies, by inserting therein the number, description, and amount of the fees required to be paid, and shall sign his name in such butt.

*Officer to stamp requisition form and duplicate also papers and documents with amount payable.*—After an officer as ascertained that the papers or documents upon which such fees are required to be paid are regular and can be received, and what is the amount payable thereon (or in case of a requisition for a search, what is the amount payable for such search) he shall stamp the requisition or butt, and the duplicate with the total amount of the fees payable, and such officer shall also stamp each

paper or document with the amount of the fees appearing from such requisition or butt and from such duplicate to be payable thereon.

6. *Where forms of requisition for searches to be obtained.*—Forms of requisition for searches which require to be made in the office of the Registrar-General shall be obtainable only from an officer specially authorized to issue search requisitions, and from no other officer.

## CONVEYANCE OF MAILS, 1890-91-92-93.

## SECOND DIVISION.—302 SERVICES.

**TENDERS** are hereby invited, and will be received until Noon on Tuesday, the 25th day of February, 1890, for the Conveyance of Post Office Mails, viz., Letters, Packets, Parcels, and Newspapers, as undermentioned, FOR THREE YEARS, from the 1st July, 1890, to 30th June, 1893.

1. Tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and are to be forwarded (if by post, PREPAID AND REGISTERED) for receipt at the General Post Office by the hour and date first above mentioned, addressed to the Honorable the Postmaster-General, with the words "Tender for Mail Service No. " endorsed on the cover, or placed in the tender-box at the General Post Office.

2. Tenderers are requested to describe by their numbers, as below, the mail services for which they tender.

3. The amount of the tender must be stated AT RATE PER ANNUM in words as well as figures.

4. Every tender must bear the *bona fide* signature and address of the tenderer, and bear the names of two responsible persons willing to become bound for the fulfilment of the contract in such sum as the Government may direct, not exceeding the gross amount of the contract.

5. Every tender must be accompanied by cash, marked cheque, bank draft, or a bank deposit-receipt to the credit of the Deputy Postmaster-General for a sum equal to TEN PER CENT. of the annual amount named in the tender; this deposit to be absolutely forfeited to the Government in case the person whose tender may be accepted shall fail to complete the usual bond and contract to the satisfaction of the Government within ten days of being notified that the documents are ready for execution. The notice of acceptance, if delivered at the address named in the tender, shall be deemed sufficient.

6. The money or other security deposited by successful tenderers will be returned to them upon application, on the bond and contract being duly signed.

7. The money or other security deposited by unsuccessful tenderers will be returned to them upon application, and on their signing receipts for the respective amounts.

8. In the event of a new line of railway, or a new railway station on an existing line being opened for traffic, and it being decided that the mails shall be conveyed by rail, the Postmaster-General shall have the power of cancelling the contract for any mail service running in the vicinity of the railway without compensation to the contractor, or shall have power to alter the points of arrival and departure of the mails; and, in the event of the travelling distance on any mail line being in such manner increased or diminished, all payments for the service subsequent to the alteration shall be computed on the basis of the average mileage-rate of the contract.

9. In the event of it being found necessary, from any cause, to absolutely cancel a contract, the Postmaster-General shall have full power to do so, provided that, unless the contract be cancelled on account of any fault on the part of the contractor, or on account of the opening of a railway line or a new railway station, payment shall be made to the contractor as compensation of a sum equal to ten per cent. of the moneys which would have become due on the unexpired period of the contract if the latter had been continued for the full term of three years.

10. Tenderers are requested to state the mode by which they propose to convey mails, whether by vehicle, on horseback, or by man on foot. If by vehicle, the description of vehicle and number of horses by which it is to be drawn to be given.

11. Tenderers are informed that the Department undertakes to carry parcels up to 7 lbs. in weight by all services for which tenders are accepted for conveyance of mails by vehicle.

Packets up to 3 lbs. in weight are conveyed by horseback services.

12. Tenderers for services to and from Post Offices and Railway Stations are required to name a lump sum per annum for the number of trips specified in the call for tenders, and also state a rate per trip as a basis of payment for additional trips, or for reduction in the payment, should the number of trips be increased or lessened during the currency of the contract.

A "trip" to mean a journey from the Post Office to the Railway Station, and from the Railway Station to the Post Office, carrying mails each way.

The carriage of mails one way, viz., either from a Post Office to a Railway Station or from a Railway Station to a Post Office, shall be regarded as half a trip, and payment made accordingly. Where tenders are invited for a service to and from a Post Office and Railway Station "as often as required," tenderers are required to name a lump sum per annum for the work, and such sum shall not be liable to alteration either through increase or diminution in the number of trips. Contracts for services to and from Post Offices and Railway Stations are liable to be discontinued at one month's notice from the department.

13. A separate *bona fide* tender must be sent in for each service.

14. The attention of tenderers is drawn to the condition which requires that in cases where vehicles are used, Members of Parliament shall be conveyed free of charge between the districts they represent and the districts in which they reside and Melbourne.

15. The contractor shall not be entitled to claim any extra payment on account of the establishment of any new Post Office, or the removal of any existing Post Office, during the term of his contract, unless such establishment or removal shall increase the distance to be travelled by such contractor on any one day to the extent of one mile.

16. No application for the transfer of a contract will be entertained until a fee has been paid of Ten shillings on a contract not exceeding £50 per annum, and Twenty shillings on a contract above £50 per annum.

17. The general conditions referred to in the printed form of tender, and upon which the tender is to be made, can be inspected by persons proposing to tender, either at the General Post Office or at any post office in the colony.

General Post Office,  
Melbourne, 24th January, 1890.

## CONVEYANCE OF MAILS, 1890-91-92-93.

## THIRD DIVISION.—340 SERVICES.

**T**ENDERS are hereby invited, and will be received until Noon on Tuesday, the 25th day of March, 1890, for the Conveyance of Post Office Mails, viz., Letters, Packets, Parcels, and Newspapers, as undermentioned, FOR THREE YEARS, from the 1st July, 1890, to 30th June, 1893.

1. Tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and are to be forwarded (if by post, PREPAID AND REGISTERED) for receipt at the General Post Office by the hour and date first above mentioned, addressed to the Honorable the Postmaster-General, with the words "Tender for Mail Service No. " endorsed on the cover, or placed in the tender-box at the General Post Office.

2. *Tenders are requested to describe by their numbers, as below, the mail services for which they tender.*

3. *The amount of the tender must be stated AT RATE PER ANNUM in words as well as figures.*

4. Every tender must bear the *bond fide* signature and address of the tenderer, and bear the names of two responsible persons willing to become bound for the fulfilment of the contract in such sum as the Government may direct, not exceeding the gross amount of the contract.

5. Every tender must be accompanied by cash, marked cheque, bank draft, or a bank deposit-receipt to the credit of the Deputy Postmaster-General for a sum equal to TEN PER CENT. of the annual amount named in the tender; this deposit to be absolutely forfeited to the Government in case the person whose tender may be accepted shall fail to complete the usual bond and contract to the satisfaction of the Government within ten days of being notified that the documents are ready for execution. The notice of acceptance, if delivered at the address named in the tender, shall be deemed sufficient.

6. The money or other security deposited by successful tenderers will be returned to them upon application, on the bond and contract being duly signed.

7. The money or other security deposited by unsuccessful tenderers will be returned to them upon application, and on their signing receipts for the respective amounts.

8. In the event of a new line of railway, or a new railway station on an existing line being opened for traffic, and it being decided that the mails shall be conveyed by rail, the Postmaster-General shall have the power of cancelling the contract for any mail service running in the vicinity of the railway without compensation to the contractor, or shall have power to alter the points of arrival and departure of the mails; and in the event of the travelling distance on any mail line being in such manner increased or diminished, all payments for the service subsequent to the alteration shall be computed on the basis of the average mileage-rate of the contract.

9. In the event of it being found necessary, from any cause, to absolutely cancel a contract, the Postmaster-General shall have full power to do so, provided that, unless the contract be cancelled on account of any fault on the part of the contractor, or on account of the opening of a railway line or a new railway station, payment shall be made to the contractor as compensation of a sum equal to ten per cent. of the moneys which would have become due on the unexpired period of the contract if the latter had been continued for the full term of three years.

10. Tenderers are requested to state the mode by which they propose to convey mails; whether by vehicle, on horseback, or by man on foot. If by vehicle, the description of vehicle and number of horses by which it is to be drawn to be given.

11. Tenderers are informed that the Department undertakes to carry parcels up to 7 lbs. in weight by all services for which tenders are accepted for conveyance of mails by vehicle. Packages up to 3 lbs. in weight are conveyed by horseback services.

12. Tenderers for services to and from Post Offices and Railway Stations are required to name a lump sum per annum for the number of trips specified in the call for tenders, and also state a rate per trip as a basis of payment for additional trips, or for reduction in the payment, should the number of trips be increased or lessened during the currency of the contract.

A "trip" to mean a journey from the Post Office to the Railway Station, and from the Railway Station to the Post Office, *carrying mails each way.*

The carriage of mails one way, viz., either from a Post Office to a Railway Station or from a Railway Station to a Post Office, shall be regarded as half a trip, and payment made accordingly. Where tenders are invited for a service to and from a Post Office and Railway Station "as often as required," tenderers are required to name a lump sum per annum for the work, and such sum shall not be liable to alteration either through increase or diminution in the number of trips. Contracts for services to and from Post Offices and Railway Stations are liable to be discontinued at one month's notice from the Department.

13. A separate *bond fide* tender must be sent in for each service.

14. The attention of tenderers is drawn to the condition which requires that in cases where vehicles are used, Members of Parliament shall be conveyed free of charge between the districts they represent and the districts in which they reside and Melbourne.

15. The contractor shall not be entitled to claim any extra payment on account of the establishment of any new Post Office, or the removal of any existing Post Office, during the term of his contract, unless such establishment or removal shall increase the distance to be travelled by such contractor on any one day to the extent of one mile.

16. No application for the transfer of a contract will be entertained until a fee has been paid of Ten shillings on a contract not exceeding £50 per annum, and Twenty shillings on a contract above £50 per annum.

17. The general conditions referred to in the printed form of tender, and upon which the tender is to be made, can be inspected by persons proposing to tender, either at the General Post Office or at any post office in the colony.

18. The Government will not necessarily accept the lowest or any tender.

TENDERS will be received by the Board of Land and Works, up to Noon of Friday, 28th February, 1890, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

#### Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence fee paid by him as the responsible Minister of the Crown for the time being administering Part XI. of *The Land Act 1884* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

2A. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and, immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same, without the permission or sanction of the licensee or any one claiming under her, him, or them.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

4. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

6. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

7. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

8. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

9. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

10. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence shall be conclusive evidence that the licence is forfeited.

2. The licence fee must be paid in advance.
