| His Excellency the Governor. |               |
| Mr. Deakin                   | Mr. Bell      |
| Mr. Wrixon                   | Mr. Patterson |
| Dr. Pearson                  | Mr. Balfour.  |
| Mr. Dorhan                   |               |

WHEREAS by *The Water Conservation Act 1887*, No. 946, it was amongst other things enacted that, at the expiration of two months after the notice of any application should have been first advertised in the *Government Gazette*, the Minister, if satisfied that the provisions of the now in part recited Act have been substantially complied with, should submit such application, and the general plan and description therein referred to, and all petitions which have been received in respect of such application, to the Governor in Council, together with any recommendations as to the granting of the application or as to any alterations or additions he might think desirable in the proposed waterworks; and the Governor in Council might thereupon approve of the construction of such proposed waterworks, with or without any alterations or additions in the general plan and description thereof, or might disapprove of the construction of such waterworks, and should make an Order in Council

accordingly: And it was further enacted that if the Governor in Council should approve of the construction of such waterworks, with or without alterations or additions or restrictions of any such general plan and description, a Waterworks Trust should be constituted to construct, maintain, and continue the whole or any part of the waterworks therein described, in accordance with the provisions of such Order and of the now in part recited Act: And every Order approving the construction of any proposed waterworks, and of the constitution of a Waterworks Trust for the purpose, should

(b) Specify the limits of the lands, whether within or without the municipal districts of the council or councils applying for the proposed waterworks, within which such Waterworks Trust should have authority, to be called a Waterworks District;

(c) State what are the principal works to be constructed;

(d) Assign a corporate name to such Waterworks Trust; and

(e) Contain such provisions (not inconsistent with this Act) as, according to the nature of the application and the facts and circumstances of each case, the Governor in Council thinks fit.

And it was further enacted that the Governor in Council might, where a Waterworks District is either wholly or with the exception of the waterworks or proposed waterworks thereof within one or more ridings of any municipal district, appoint the councillors for such riding or ridings, together with any other person or persons, not exceeding three in number, to be the Commissioners of the Waterworks Trust of such Waterworks District: Now therefore His Excellency the Governor, with the advice of the Executive Council, and in pursuance of the provisions of the said Act, has approved of a general plan and description, as set forth in a certain application of the Councillors of the West Riding of the Shire of Gordon, for a loan of One thousand pounds sterling (£1,000) to carry out certain waterworks for the domestic supply of a Waterworks District under the said Act, embracing the township of Boort, as shown on the general plan and description accompanying the said application, deposited in the Department of Victorian Water Supply, and doth hereby order and appoint as follows:—

Every licence granted under section 119 of *The Land Act 1884*  
shall be subject to the conditions set forth in the schedule  
hereto, and to such special conditions and payment in advance  
of such fee as the Minister may determine, and shall be issued  
by an officer of the Department of Lands and Survey duly  
authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amend-  
ment Act 1884*, all licensees under the section for which these  
licences will issue are liable for the destruction of rabbits within  
the boundaries of their licences.

#### Conditions:

1. The issue of this licence shall not prevent the land com-  
prised therein, or any part or parts thereof, being sold, leased,  
licensed, alienated, or dealt with under any of the provisions  
of *The Land Act 1884*, except under the 119th section thereof,  
under which the licence is issued, or being resumed by order of  
the Governor or Administrator of the Government of Victoria,  
with the advice of the Executive Council, for any of the purposes  
for which land may be reserved under section 10 of *The Land Act  
1884*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall  
be sold, leased, licensed, alienated, dealt with, or resumed as  
aforesaid, the licensee shall not be entitled to any compensation  
other than the return of such portion of his licence fee paid by  
him as the responsible Minister of the Crown for the time being  
administering Part XI. of *The Land Act 1884* may think fit.  
This licence is also subject to the rights of the holders of miners'  
rights or of mining leases now issued or hereafter to be issued to  
enter upon the allotment hereby licensed, and to search for gold,  
and to mine therein, and to erect and occupy mining plant and  
machinery, without making any compensation for surface or  
other damage.

2a. Subject to these conditions, the licensee shall be entitled  
to use the land for the purposes for which the licence has been  
granted, until notice has been given in the *Government Gazette*  
that such land, or any part thereof, has been sold, leased, licensed,  
alienated, dealt with, or resumed as aforesaid; and, immediately  
upon such notice being given, all the interest of the licensee in  
the licensed land described in such notice shall cease and be  
determined, and any person entitled to occupy the licensed land,  
or any part thereof, may lawfully make entry upon and hold the  
same, without the permission or sanction of the licensee or any  
one claiming under her, him, or them.

3. No land comprised in roads from time to time surveyed and  
marked out within the boundaries of the land comprised in this  
licence shall be deemed within its operation.

4. This licence entitles the holder thereof, during the period

thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this licence, notice to that  
effect must be given to the responsible Minister aforesaid one  
month prior to the expiration thereof, but nothing herein con-

6. The interest in this licence may not be transferred without  
the consent of the Minister aforesaid and the payment of a fee  
of £1.

7. No claim whatever shall be made or entertained by reason  
of the licence not being renewed or transferred.

8. This licence is to be used under and in accordance with the  
regulations made or to be made under the provisions of the said  
Act and for the time being in force.

9. This licence may be forfeited if the licensee commit a breach  
of or neglect to comply with any of these conditions.

10. The publication of a notice in the *Government Gazette* pur-  
porting to declare that the Governor or Administrator, with the  
advice aforesaid, has forfeited this licence shall be conclusive  
evidence that the licence is forfeited.

#### Special Conditions:
