CHANGE OF FORM AND COLOUR OF BUOYS AND BEACONS IN VICTORIAN PORTS AND CHANNELS.

REFERRING to Notice to Mariners, published on 6th February, 1889, notice is hereby given that the universal system of buoyage adopted by the Corporation of the Trinity House, London, will be introduced into Victorian ports at the times herein set forth.

The term "starboard hand" shall denote that side which would be on the right hand of the mariner, either going with the main stream of flood or entering a harbor, river, or estuary from seaward; the term "port hand" shall denote the left hand of the mariner under the same circumstances.

Buoys showing the pointed top of a cone above water shall be called "conical," shall be painted red, and shall always be called starboard hand buoys, as above defined.

Buoys showing a flat top above water shall be called "can," shall be painted black, and shall always be port hand buoys, as above defined.

Buoys showing a domed top above water shall be called "spherical buoys," and, when used to mark middle grounds, shall always be distinguished by horizontal stripes of white colour.

Surmounting beacons, such as staff and globe, &c., shall always be painted of one dark colour.

Staff and globe shall only be used on starboard hand buoys; staff and cage on port hand; diamonds at the outer ends of middle grounds, and triangles at the inner ends.

Buoys for marking submarine telegraph cables shall be painted green, with the word "telegraph" painted thereon in white letters. Mooring buoys shall be continued as heretofore. Gas buoys shall be painted of a red or black colour, to correspond with the side of the channel on which they may be moored.

The buoyage of the *West, South and Geelong* channels will be altered to "conical" and "can" shaped buoys.

The buoyage of *Sorrento and Cole's* channel, in Port Phillip Bay, also of *Western Port, Port Albert, and Corner Inlet*, will remain of the same shape as heretofore, but all starboard hand buoys or beacons shall be painted of a red colour, and all port hand buoys or beacons shall be painted black.

The change of buoyage will be made at the several ports and channels during the months and years, as follows:—

Western Port	...	September, 1891.
Port of Port Albert	...	October, 1891.
Port of Geelong, and entrance thereto from Port Phillip	...	November, 1891.
West Channel, Port Phillip	...	February, 1892.
Port of Corner Inlet	...	March, 1892.
South Channel, Port Phillip	...	June, 1892.

BUOYING AND MARKING OF WRECKS.

All buoys and topsides of vessels used for marking wrecks shall be painted green, with the word "wreck" painted thereon in white letters, and, when practicable, shall be moored near to the side of wreck which is next to mid-channel.

When a wreck-marking vessel is used, it shall exhibit by day three balls 20 feet above the level of the sea, two placed vertically at one side of the vessel, and one on the other side, the single ball being on the side nearest to the wreck; and, by night, three fixed white lights, similarly arranged, but not the ordinary riding light.

CONDITIONS OF SALE OF THE RIGHT TO LEASE FOR PASTORAL ALLOTMENTS.

1. The occupation of the pastoral allotments will be offered for sale at the annual rents respectively stated and annexed to the description thereof, and the bidder of the highest sum by way of premium will be declared the purchaser, provided he shall immediately pay down such sum and sign the description hereto annexed of the pastoral allotment of the occupation of which he shall have become the purchaser, thereby binding himself to the observance of the above and following conditions; and in default of such payment being immediately made the pastoral allotment shall again be forthwith put up to auction.

2. The annual rents determined by the Board of Land and Works to be paid in respect of these pastoral allotments will be due and payable by the purchasers, in advance, in two half-yearly moieties, on the 1st January and 1st July in every year, till the termination of the period of occupation so purchased.

3. Immediately after the biddings on each pastoral allotment are concluded, and before another allotment is put up, the name of the purchaser will be entered, by the officer conducting the sale, in the list of the descriptions of the pastoral allotments annexed to these presents. If, previous to such entry, any question or dispute shall arise between the seller and bidder, or amongst the bidders themselves, the allotment in question shall be put up for sale again. 5. If the officer acting on behalf of the Government shall find reason to believe that any pastoral allotment will not obtain its just value, or if he shall otherwise think fit to withdraw the same from sale, he shall have full power to do so at any time previous to its being actually sold.

6. Persons having affixed their signatures to the list of descriptions of the pastoral allotments annexed to these presents, in token of their having become purchasers or agents of purchasers of the occupation of the allotments to the descriptions of which their signatures are so attached or affixed, will be held to have previously obtained all necessary information, and shall not be entitled to allege ignorance or any other cause for their not fulfilling all and every obligation incumbent upon them by these articles and conditions.

NOTE.—All offers and leases relative to these pastoral allotments will be held to refer to the boundaries of same as projected on the public charts, and will accordingly be described as containing an area more or less. Any future claim for compensation as to any alleged difference in the area cannot therefore be entertained.

Every licence granted under section 123 of the Land Act 1890 shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance

of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the Vermin Destruction Act 1890, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions :

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Act 1890, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1890, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the Land Act 1890 may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the Government Gazette that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same, without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.
