MY LORD,—With reference to my Circular Despatch of the 25th April, 1890, I have the honour to transmit herewith copies of an Instructions and Order of the Queen in Council of the 9th May Order in Council last, issued in pursuance of the *Merchant Shipping (Colonial) Act 1869*, revoking all previous Orders, and further amending and consolidating the Regulations now in force relating to Colonial Certificates of Competency; together with copies of the Instructions on the subject issued by the Board of Trade to Officers in British possessions abroad.

INSTRUCTIONS TO OFFICERS IN BRITISH POSSESSIONS ABROAD.

Merchant Shipping (Colonial) Act 1869.

THE annexed Order in Council, dated the 9th day of May, 1891, revokes all Orders previously issued relating to Colonial Certificates of Competency, and further amends and consolidates all the Regulations now in force relating to their use, issue, delivery, cancellation, and suspension.

As the Colonial Certificates of Competency referred to in the said Order in Council are to have the same force as the similar certificates granted by the Board of Trade in the United Kingdom, such a Colonial certificate must be accepted as occupying in every respect the place of one of the latter, and as entitling its *bona-fide* holder to act in the capacity stated in it, or any inferior (but not a superior) capacity in any British ship all over the world without the possession of a Board of Trade certificate.

Colonial certificates will have to be used, produced, and delivered at the times and on the occasions at and on which certificates of competency granted by the Board of Trade would have to be used, produced, and delivered.

No. 141.—NOVEMBER 11, 1892.—1.

When it appears from a certificate officially produced to the officer that its owner possesses other certificates, their production also should be required, and if they are not produced their owner's explanation in writing should be demanded and forwarded to the Registrar-General of Seamen with the least possible delay.

Officers in British possessions abroad are empowered by Regulation 10 attached to the Order in Council to demand, and if necessary detain, any such Colonial certificate which they have reason to believe has been improperly issued, or has been forged, altered, cancelled, suspended, or to which the person using it is not justly entitled.

Whenever this power is exercised a report of the facts and circumstances must be sent by the officer, with the least possible delay, to either the Board of Trade or the Government of the possession in which the certificate was originally granted or may purport to have been granted, accordingly as communication may be easier and quicker.

As the withdrawal of a certificate would in some cases entail inconvenience, not only upon its possessor but also upon the owners of the ship and cargo, it is scarcely necessary to caution officers that the exercise of this power should only be resorted to when the evidence is perfectly clear; and if the ship is bound to the United Kingdom, and the report above mentioned has been sent to the Government of the possession by which the certificate was originally granted, the Board of Trade should nevertheless be informed of the facts.

Every case of death of a Colonial certificate-holder which may come to the officer's knowledge should be reported without delay to the Government of the possession by which the certificate was granted.

The attention of officers and functionaries in British possessions abroad engaged in the conduct of official inquiries in wreck and discipline cases is directed to the fact that the certificates to which the Order in Council applies will be liable to cancellation and suspension in precisely the same way as certificates granted by the Board of Trade under the *Merchant Shipping Acts*, and by the same boards, courts, and tribunals. The provisions of *The Merchant Shipping Act 1854* and *The Merchant Shipping Act Amendment Act 1862* as to courts of inquiry will therefore be applicable to the Colonial certificates in question, with the exception of the provisions specified in the Order in Council.

Attention is further directed to the provision inserted in Regulation 7 attached to the Order in Council, under which the Governor or person administering the Government of the British possession in which a certificate has been cancelled or suspended is, in certain circumstances, empowered to return certificates cancelled or suspended by an official court of inquiry, or to shorten the time for which they are suspended, or to issue other certificates in their place.

It will be noticed that Regulation 9 attached to the Order in Council provides that the cancellation or suspension of a certificate shall involve cancellation or suspension of all the other certificates (if any) possessed by its owner. With the view of carrying this Regulation strictly into effect, it will be desirable that the Court should endeavour to ascertain and should specify in their decision the particulars of all the certificates possessed by any person whose conduct is the subject of an investigation by them.

In cases of cancellation or suspension of such Colonial certificates, copies of the report of the Court and of the evidence, together with the respective certificates, should be sent to the Governments of the British possessions by whom the several certificates possessed by the offender were originally granted. A

full report upon the case and the evidence should, at the same time, be sent to the Board of Trade, as required by the Act, and the sentence giving the number of each certificate dealt with, and the possession in which it was granted, should be mentioned in it.

The holders of Colonial certificates which are cancelled or suspended should be referred to the Government of the possession by which the certificate was originally granted, instead of to this Board, if they desire to appeal from the sentence or to apply for a mitigation of it.

These instructions must be understood as having reference only to the certificate referred to in the said Order in Council.

HENRY G. CALCRAFT,
Secretary.

GEORGE J. SWANSTON,
Assistant Secretary.

PRESENT :

The Queen's Most Excellent Majesty.

Lord President
Lord Steward

Earl of Coventry.

WHEREAS by the *Merchant Shipping (Colonial) Act 1869* it is amongst other things enacted that where the Legislature of any British possession provides for the examination of, and grant of certificates of competency to, persons intending to act as masters, mates, or engineers on board British ships, and the Board of Trade reports to Her Majesty that they are satisfied that the examinations are so conducted as to be equally efficient as the examinations for the same purpose in the United Kingdom under the Acts relating to Merchant Shipping, and that the certificates are granted on such principles as to show the like qualification and competency as those granted under the said Acts, and are liable to be forfeited for the like reasons and in the like manner, it shall be lawful for Her Majesty, by Order in Council:—

1. To declare that the said certificates shall be of the same force as if they had been granted under the said Acts.
2. To declare that all or any of the provisions of the said Acts which relate to certificates of competency granted under those Acts shall apply to the certificates referred to in the said Order.
3. To impose such conditions and to make such regulations with respect to the said certificates, and to the use, issue, delivery, cancellation, and suspension thereof, as to Her Majesty may seem fit, and to impose penalties not exceeding Fifty pounds for the breach of such conditions and regulations.

And that upon the publication in the *London Gazette* of any such Order in Council as last aforesaid, the provisions therein contained shall, from a date to be mentioned for the purpose in such Order, take effect as if they had been contained in the Act, and that it shall be lawful for Her Majesty in Council to revoke any Order made as aforesaid.

And whereas by the *Merchant Shipping Act 1876* it is provided that Her Majesty may, by Order in Council, revoke, alter, or add to any Order in Council made by Her under the Merchant Shipping Acts:

And whereas by the Order in Council of the 19th day of August, 1889, Her Majesty was pleased to declare that, subject to certain exceptions, conditions, and regulations therein contained or set out in the Schedule thereto, the Colonial certificates granted as follows viz:—

7. On and after the 1st day of April, 1876, by the Governor of the Possession of Tasmania, to persons intending to act as masters, mates, or engineers on board British ships;

8. On and after the 27th day of June, 1876, by the Lieutenant-Governor of the Possession of Bengal, to persons intending to act as masters, mates, or engineers on board British ships;

9. On and after the 14th day of May, 1877, by the Governor of the Possession of Newfoundland, to persons intending to act as masters or mates on board British ships;

15. On and after the 1st day of June, 1890, by the Governor of the Possession of the Straits Settlements, to persons intending to act as masters, first mates, and second mates of sea-going British ships;

And whereas by the Order in Council of the 22nd day of November, 1890, Her Majesty was pleased to declare that, subject to certain exceptions, conditions, and regulations therein contained or set out in the Schedule thereto, the Colonial certificates granted—

16. On and after the 1st day of January, 1891, by the Governor of the Possession of Mauritius, to persons intending to act as masters, first mates, and second mates of sea-going British ships;

should be of the same force as if they had been granted under the said Acts, and subject to the conditions and regulations imposed and made by the Board of Trade, and set out in the Schedules to the said recited Orders in Council respectively:

And whereas it has been made to appear to Her Majesty that it is expedient that the conditions and regulations set out in the said recited Orders in Council and the Schedules thereto should be rescinded and the said recited Orders in Council revoked, and a new Order in Council containing such modified and amended conditions and regulations substituted in lieu thereof:

Now therefore Her Majesty, by and with the advice and consent of her Privy Council, is hereby pleased—

1. To declare that the Colonial certificates of competency granted—

- 2. To declare that all the provisions of the said Acts which relate to certificates of competency for the foreign trade granted under those Acts, except—

shall apply to such Colonial certificates of competency as are in paragraph 1 of this Order referred to; provided, however, that in the case of New Zealand, the foregoing exceptions shall not interfere with or suspend the operation of an Act of the Legislature of New Zealand intitled *The Merchant Shipping Act Adoption Act 1869* (32 & 33 Vict. No. 5); and provided that section 139 of *The Merchant Shipping Act 1854* and section 10 of *The Merchant Shipping Act Amendment Act 1862* shall, for the purpose of their application to such certificates of competency as aforesaid, be construed as not referring to the Board of Trade, but as referring to the authority mentioned in the interpretation clause of Schedule A to this Order, which granted the certificate which has been lost or is to be replaced;

- 7. A copy of this Order shall forthwith, after the publication thereof in the *London Gazette*, be forwarded to the Governor, Lieutenant-Governor, Administrator, or Head of the Government of each of the said enumerated Possessions, who shall immediately upon the receipt of such copy publish this Order, and the Secretary of State for the Colonies and the Secretary of State for India in Council are hereby required to take order in that behalf.

- (a) If the certificate was granted in the colony, to return the certificate which has been cancelled or suspended, or to shorten the time for which it is suspended, or to grant or request the authority of the possession to grant a certificate of the same or any lower grade in place of the certificate which has been cancelled or suspended.
- (b) If the cancelled or suspended certificate was granted by the authority of another colony, to request such authority to return the certificate which has been cancelled or suspended, or to shorten the time for which it is suspended, or to grant a certificate of the same or any lower grade in place of the certificate which has been cancelled or suspended.

(c) If in the opinion of such Governor or person administering the government of the British possession the justice of the case requires the issue of a Colonial certificate without delay, to the person whose certificate has been cancelled or suspended, the Governor or person administering the Government aforesaid (in addition to acting upon sub-section (b) of this regulation) to issue, or request the authority in such British possession to issue, a certificate of the same or any lower grade in place of the certificate which has been cancelled or suspended, which substituted certificate is to be in force for such limited period as such Governor or person administering as aforesaid shall in that behalf direct and no longer.

(2) If a Colonial certificate is cancelled or suspended in the United Kingdom the Board of Trade may, if in their opinion the justice of the case requires it, return or request the authority by whom such certificate was granted to return any certificate which has been cancelled or suspended, or shorten or request such authority to shorten the time for which it was suspended, or request such authority to issue a certificate of the same or any lower grade in place of the certificate which has been cancelled or suspended.

(3) Whenever the authority by whom a cancelled or suspended certificate was originally issued is requested by the Governor or person administering the government of a British possession in accordance with section (1) of this regulation, or by the Board of Trade in accordance with section (2) of this regulation, to return any certificate which has been cancelled or suspended, or to shorten the time for which it is suspended, or to issue a certificate of the same or any lower grade in place of any certificate which has been so cancelled or suspended, the authority so requested as aforesaid shall forthwith return any certificate which has been cancelled or suspended or shorten the time for which it was suspended, or issue a certificate accordingly (as the case may be).

(4) In all cases in which the powers given by this regulation are exercised, a report of the case shall be sent by the Governor or person administering the possession in which the powers are exercised to the authority by whom the cancelled or suspended certificate was granted.

Certificates improperly granted may be cancelled without formal investigation.

8. A Colonial certificate of competency which appears from information subsequently acquired, or otherwise, to have been improperly granted, may (without any formal investigation under *The Merchant Shipping Act 1854*, or the Acts amending the same) be cancelled by the authority by which the same was granted, or by the Board of Trade in the United Kingdom, and the holder of such certificate shall thereupon deliver it to the Board of Trade or such authority, or as they or either of them may direct, and in default thereof shall incur a penalty not exceeding Fifty pounds, which shall be recoverable in the manner in which penalties imposed by the Acts relating to Merchant Shipping are thereby made recoverable, or in such other summary proceedings as the law of any British possession where the holder may be may allow or permit to be brought for the recovery thereof.

Cancellation, &c., of a certificate shall involve cancellation of all the other certificates possessed by its owner.

9. Every decision with respect to the cancellation or suspension of a certificate pronounced by any board, court, or tribunal under the provisions of the said Acts, shall, unless otherwise directed, extend equally to all the Colonial certificates at the time possessed by the person in respect of whom the decision is made.

Certificates believed to be fraudulent may be demanded.

10. Any officer of the Board of Trade, or the Registrar-General of Seamen, or any of his officers, or a superintendent of a mercantile marine office, or a consular officer, or duly appointed shipping officer in a British possession, may demand the delivery to him of any Colonial certificate of competency which he has reason to believe has been improperly issued, or is forged, altered, cancelled, or suspended, or to which the person using it is not justly entitled, and may detain such certificate for a reasonable period for the purpose of making inquiries respecting such issue, forgery, alteration, cancellation, suspension, or possession, and any person who, without reasonable cause, neglects or refuses to comply with such demand shall incur a penalty not exceeding Twenty pounds or its equivalent in local currency, which shall be recoverable in the manner in which penalties imposed by the Acts relating to merchant shipping are thereby made recoverable, or in such other summary proceedings as the law of any British possession where such person may be, may allow or permit to be brought for the recovery thereof.

Suspended Certificates to be re-issued only by Colony by which originally granted.

11. Subject to these regulations, a Colonial certificate of competency which has, from any cause, been cancelled or suspended, shall be renewed or re-issued only by the authority by which the same was originally granted.

Colonial certificates, when cancelled or suspended, to be sent to the Authority which granted them.

12. Whenever a Colonial certificate is cancelled or suspended the board, court, or tribunal cancelling or suspending the same shall send to the authority by whom the certificate was granted a full report upon the case together with a copy of the evidence taken therein, and also the certificate which has been cancelled or suspended.

PREPARATION OF ELECTORAL LISTS.

NOTICE.

IT is hereby notified that the General Lists of Non-ratepaying Electors for the Legislative Council and Legislative Assembly must be prepared during the week ending the 1st December prox., and that persons who have not already enrolled may, if duly qualified, do so by obtaining Electors' Rights from the Registrars for their respective Divisions, or their Deputies, before or on that date.

2. Intending applicants for Electors' Rights are cautioned to apply early to the Registrar. The law requires the prescribed questions as to an applicant's qualification to be answered in writing; therefore, if application be postponed until the last day allowed for the purpose, as is too frequently the case, much inconvenience will be occasioned, with the possible result that those who so delay will be deprived of the opportunity for enrolment.

3. Each applicant should provide himself with the stamp (6d. necessary for payment for the Right).

4. Intending applicants are further cautioned to carefully ascertain whether they are fully qualified under the law; inasmuch as a penalty on conviction is imposed upon persons knowingly and wilfully obtaining Electors' Rights when not qualified.

5. No person whose name is on, or entitled to be on, any Roll of Ratepaying Electors for any Division of a Province may obtain an Elector's Right for such Province, and no person whose name is already on the new List of Ratepaying Electors, now being prepared, for any Division of an Electoral District may obtain an Elector's Right for such District.

6. Foreigners, who desire to obtain Electors' Rights, must, if not already naturalized in Victoria, obtain letters of naturalization before doing so, or before the sitting of the Revision Courts appointed to be held during February next if they desire enrolment as Ratepaying Electors.

7. Deputy Electoral Registrars are further directed to make up their Lists and send them to the Electoral Registrars for their Divisions immediately after 1st December.

TRAGOWEL PLAINS IRRIGATION AND WATER SUPPLY TRUST.

REGULATION No. 7.

Regulation for graduated rate by the Tragowel Plains Irrigation and Water Supply Trust under the *Water Act 1890*.

WHEREAS the moneys received during the year 1891 by the Tragowel Plains Irrigation and Water Supply Trust were not sufficient to provide for the payment of the sums due by such Trust to the Board of Land and Works for the payment of the interest due upon the loan contracted by such Trust, and for all the other lawful expenses incurred by such Trust in the control and management of the said Tragowel Plains Irrigation and Water Supply Trust:

And whereas it is anticipated that the moneys receivable by the said Irrigation and Water Supply Trust during the current year will not without a rate be sufficient to meet the estimated expenditure and liabilities of the said Trust for the current year, 1892, and it is therefore necessary to make a rate to meet as well the said deficiency in the revenue of the year 1891 as the estimated expenditure and liabilities of the current year, 1892:

And whereas by an Order made by the Governor in Council on the 17th day of October, 1892, the district of the said Tragowel Plains Irrigation and Water Supply Trust was divided into three divisions, numbered in the said Order:—

The No. 1 Division,
The No. 2 Division,
The No. 3 Division,

with the several boundaries to such divisions set out in the said Order.

And by the said Order in Council it is directed that the necessary rates for paying interest on all moneys borrowed by the Tragowel Plains Irrigation and Water Supply Trust for the construction and maintenance of its works, or to meet any other expenses in connexion therewith shall be levied differentially as between such said divisions, and doth determine that the proportions in which such divisions shall be rated respectively one to another, regard being had to the cost and expenses of the works constructed wholly or in part for the benefit of such divisions respectively shall be as follows, that is to say:—That the respective ratings in the pound sterling on the annual value of rateable property rated for municipal purposes in the said divisions shall be—

The No. 1 Division	...	Sixpence.
The No. 2 Division	...	Ninepence.
The No. 3 Division	...	Fifteenpence.

And whereas the Commissioners of the said Tragowel Plains Irrigation and Water Supply Trust have, in accordance with the said recited Order in Council, determined, for the several purposes authorized in the said Act, to make the rate set out in the following Regulations, and have, in accordance with the provisions of the said Act, submitted such rate and regulation for the approval of the Governor in Council, who has, by Order in Council made on the 17th day of October, 1892, given his approval to the same, and such approval was published on the 21st day of October, 1892, in the *Victorian Government Gazette*, and was also published on the 28th day of October, 1892, in the *Pyramid Hill Advertiser* newspaper, being a newspaper circulating in the said district:

Now therefore the Commissioners of the said Tragowel Plains Irrigation and Water Supply Trust, in pursuance and exercise of the powers and for the said several purposes authorized by the said *Water Act 1890*, and in accordance with the Order in Council of the 17th day of October, 1892, do, upon this 3rd day of November, 1892, make the Regulation to which the Governor in Council has given his approval by Order in Council as above recited by the Regulation following, that is to say:—

The rate hereinafter specified is that which the owners or occupiers of lands and tenements within the aforesaid divisions shall pay in respect of the term of one year from the 1st day of January, 1892, to the 31st day of December, 1892, on all lands and tenements according to the municipal valuation for the time being on all such lands and tenements during the said year, that is to say:—

On rateable property within the No. 1 Division, a rate of Sixpence in the pound sterling of such valuation.

On rateable property within the No. 2 Division, a rate of Ninepence in the pound sterling of such valuation.

On rateable property within the No. 3 Division, a rate of Fifteenpence in the pound sterling of such valuation.

Such rates are hereby made payable on the 21st day of November, 1892.

Such person or persons appointed by the Trust for that purpose shall be authorized to collect and recover such rates.

The foregoing Regulation, numbered 7, was made by the Commissioners of the Tragowel Plains Irrigation and Water Supply Trust, under and by virtue of section 254 of the *Water Act 1890*, this 3rd day of November, 1892.

The Common seal of the Tragowel Plains Irrigation and Water Supply Trust was hereunto affixed, by the authority of the said Trust, in the presence of—
