WHEREAS by Part I. of the *Land Act 1890* (54 Vict. CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under 31 Victoria No. 310, section 9, cemetery fees are not payable in the cases of paupers buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under seven years of age, to be provided. The body shall be taken direct to the cemetery, and no more than one body shall be carried in the hearse at a time.

3. Coffins to be sufficiently long, deep, and wide for the corpse to lie extended at full length, and to be fastened down with screws. The contractor shall provide two inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. In the event of a body being decomposed, or whenever it may be considered necessary by the member of the Police Force issuing the order for the burial, a coffin must be supplied sufficiently large to leave at least 2 inches between the body and the sides and top and bottom of the coffin, and this space must be filled up round the body with pine or phenyle sawdust by the contractor at his own expense; and in the event of any neglect in so providing or filling up the coffin it will be competent for the Tender Board to inflict a fine not exceeding £5 to be deducted as in Condition 9. Coffins to be properly lowered into the graves, and the graves filled up again.

4. The graves to be dug of the proper depth, and in conformity with the Cemetery Regulations.

5. In the event of the contractor failing to attend punctually to the order, the work will be otherwise performed, and the extra expense, if any, incurred will be charged to the contractor.

6. When burials are required to take place on Sunday, no delay must take place in complying therewith, and any additional fees charged by the cemetery authorities will be repaid to the contractor.

7. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided, and the contractor must inform the Police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. Such order to be produced at the cemetery when the contractor gives the order for interment. The contractor must pay the minister's fee for reading the burial

service should it be claimed, and he will be reimbursed, on producing the minister's receipt, which must specify that the burial service was duly and properly performed, and that he received the fee for so doing; the receipt must also specify the name, age, and denomination of deceased, the name and denomination of the minister who performed the burial service, and the hour when the service was performed.

8. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne. The charge for the minister's fee should be included in the account for the funeral.

9. In the event of any charge of inpropriety or neglect in conducting the funerals being established against the contractor, the Government may for the first offence deduct from the security money, by way of fine, £5; and for the second offence a similar amount, and, in addition thereto, may forthwith cancel the contract.

10. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

11. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

Treasurer.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.
2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.
3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same, without the permission or sanction of the licensee or any one claiming under her, him, or them.
4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.
5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.
6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.
7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.
8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.
9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.
10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.
11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.
12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do, he will be prosecuted according to law.

Special Conditions:

1. The period of occupation will be from 1st June, 1892, to 31st December, 1892.
2. The licence-fee must be paid in advance. The fee for the period from 1st June, 1892, to 31st December, 1892—for which the licence will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.
3. Tenders to be for so much per lot and block per annum:
4. Separate tenders must be lodged for each block.
5. Tenders to be indorsed—"Tender for Lot 1, Block 381," or "Lot 2, Block 586," or "Lot 3, Block 2719," as the case may be.
