RODNEY IRRIGATION AND WATER SUPPLY TRUST.

REGULATION No. 5.

Regulation for graduated rate by the Rodney Irrigation and Water Supply Trust under the "Water Act 1890."

WHEREAS the moneys received during the year 1891 by the Rodney Irrigation and Water Supply Trust were not sufficient to provide for the payment of the sums due by such Trust to the Board of Land and Works for the payment of the interest due upon the loan contracted by such Trust, and for all the other lawful expenses incurred by such Trust in the control and management of the said Rodney Irrigation and Water Supply Trust.

And whereas it is anticipated that the moneys receivable by the said Irrigation and Water Supply Trust during the year 1892 will not, without a rate, be sufficient to meet the estimated expenditure and liabilities of the said Trust of the year 1892, and it is therefore necessary to make a rate to meet as well the said deficiency in the revenue of the year 1891 as the estimated expenditure and liabilities of the year 1892. And whereas, by an Order made by the Governor in Council on the 28th day of April, 1892, the district of the said Rodney Irrigation and Water Supply Trust was divided into three divisions, numbered and named in said order:—

1. The No. 1 Division;
2. The No. 2 Division;
3. The No. 3 Division;

with the several boundaries to such divisions set out in the said Order.

And by the said Order in Council it is directed that: the necessary rates for paying interest on all moneys borrowed by the Rodney Irrigation and Water Supply Trust for the construction and maintenance of their works, or to meet any other expenses in connexion therewith, shall be levied differentially as between such said divisions, and to determine that the proportions in which such divisions shall be rated respectively one to another, regard being had to the cost and expenses of the works constructed, wholly or in part, for the benefit of such divisions respectively, shall be as follows, that is to say:—

That the respective rating in the pound sterling on the annual value of rateable property rated for municipal purposes in the said divisions shall be—

The No. 1 Division	...	One shilling.
The No. 2 Division	...	Sixpence.
The No. 3 Division	...	Sixpence.

And whereas the Commissioners of the said Rodney Irrigation and Water Supply Trust have, in accordance with the said recited Order in Council, determined for the several purposes authorized in the said Act to make the rate set out in the following Regulation, and have, in accordance with the provisions of the said Act, submitted such rate and regulation for the approval of the Governor in Council, who has, by Order in Council made on the 28th day of April, 1892, given his approval to same, and such approval was published on the 6th day of May, 1892, in the *Victorian Government Gazette*.

Now therefore the Commissioners of the said Rodney Irrigation and Water Supply Trust, in pursuance and exercise of the powers, and for the several purposes authorized by the said *Water Act 1890*, and in accordance with the Order in Council of the 28th day of April, 1892, do, upon this 17th day of May, 1892, make the Regulation to which the Governor in Council has given his approval by Order in Council as above recited by the Regulation following, that is to say:—

The rate hereinafter specified is that which the owners and occupiers of lands and tenements within the aforesaid divisions shall pay in respect of the term of one year from the 1st day of January to the 31st day of December, 1892, on all lands and tenements according to the municipal valuation for the time being on all such lands and tenements during the said year, that is to say:—

- On rateable property within the No. 1 Division a rate of One shilling in the pound sterling of such valuation;
- On rateable property within the No. 2 Division a rate of Sixpence in the pound sterling of such valuation;
- On rateable property within the No. 3 Division a rate of Sixpence in the pound sterling of such valuation.

Such rate is hereby made payable on the 1st day of January, 1892, and shall be payable on the 1st day of July, 1892.

Such person or persons appointed by the Trust for that purpose shall be authorized to collect and recover said rates.

The foregoing Regulation, numbered 5, was made by the Commissioners of the Rodney Irrigation and Water Supply Trust, under and by virtue of section 254 of the *Water Act 1890*, this 17th day of May, 1892.

The common seal of the Rodney Irrigation and Water Supply Trust was hereunto affixed, by the authority of the Trust, in the presence of—

(SEAL) JOHN MORRISSEY,

Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do, he will be prosecuted according to law.

Special Conditions:

1. The period of occupation will be from 1st August, 1892, to 31st December, 1892.

2. The licence-fee must be paid in advance. The fee for the period from 1st August, 1892, to 31st December, 1892—for which the licence will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 104," or "Lot 2, Block 109," or "Lot 3, Block 370," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

All persons so appointed must be qualified as active members, and shall only hold office during the pleasure of the board.

XIX. The board may from time to time make such regulations for the conduct of its own proceedings for the appointment, government, and duties of the committees, officers, and agents of the Association for the control of its funds and property, for the proper carrying out of the object of the Association, for the control and management of the gymnasium, and for defining the rights and privileges of the various classes of members as it may deem necessary. Persons so introduced will be required to observe the by-laws and regulations of the Association, and to show their visitor's ticket when required; any infringement hereof shall disqualify them from further exercise of the privilege.

SECTION VII.—SEAL.

XXIV. The seal of the Association shall be in the custody of the general secretary, and shall only be affixed, by him with the authority of the board, and such affixing shall be attested by one member of the board and the hon. treasurer. The board shall have power by regulation to provide for any contingency that may arise owing to either the general secretary or treasurer, or both of them, from any cause not being available for the purpose required by this by-law.

SECTION VIII.—BY-LAWS.

XXV. No alteration shall be made in By-laws Nos. IV., V., XI., and XXV., except with the unanimous consent in writing of all the active members of the Association.

XXVI. Any of these by-laws, with the exception of those mentioned in By-law XXV. may be altered by the board, provided such alteration is subsequently confirmed by the vote of two-thirds of the active members present at a meeting convened for the purpose of considering such alteration, and provided that there shall be at least 60 active members present personally or by proxy at such meeting, and provided further that the advertisement calling the meeting, shall state that it is called for the purpose of altering the by-laws, and that full particulars of the proposed change be exhibited in prominent parts of the rooms of the Association, for four weeks immediately preceding the holding of such meeting.
