TO OFFICERS IN THE PUBLIC SERVICE WHO ARE COMMISSIONERS OF THE SUPREME COURT FOR TAKING AFFIDAVITS.

THE subjoined Circulars, directed by the Honorable the Chief Justice, are published for the information of officers concerned:—

Prothonotary's Office,
Melbourne, 11th August, 1893.

SIR,—I have the honour to inform you that a circular (a copy of which is enclosed herewith) has been sent to all Commissioners for Taking Affidavits who are officers of the Public Service, or who hold any appointment under the Government.

In calling the attention of the members of the legal profession to this circular, the Honorable the Chief Justice desires it to be understood that the officers referred to are and were originally appointed as such Commissioners for the convenience of the legal profession and the public, and the objectionable practice, which, as the Chief Justice has been informed, has grown up of Commissioners claiming as a right to have affidavits connected with their own particular offices sworn before them is one subversive of that independence and propriety in an officer which is necessary for the proper discharge of public duty.

It is of course intended that any officer may take any affidavit which does not fall within his consideration judicially or quasi-judicially.

I have the honour to be, Sir,
Your obedient servant,
J. W. O'HALLORAN,
Prothonotary.

Prothonotary's Office,
Melbourne, 1st August, 1893.

SIR,—I am directed by the Honorable the Chief Justice to inform you that it is, in his opinion, undesirable that officers in the Public Service who are Commissioners of the Supreme Court for Taking Affidavits should be permitted to accept and retain fees for affidavits relating to matters with which it is the officer's duty to deal, or in regard to which he has any quasi-judicial discretion or functions.

The Chief Justice therefore directs that no Commissioner now appointed, or who may hereafter be appointed, being an officer of the Public Service or holding any appointment under the Government, shall charge or accept for his own use and benefit any fee for taking any oath, declaration, or affirmation, or marking any exhibit intended or proposed to be used in any matter over which such officer has *quasi-judicial control*, or in regard to which he has *any judicial functions or duties to discharge*.

It has further been brought to the Chief Justice's notice that it is undesirable for Commissioners who are officers of the Public Service to make any charge to or accept any fee from any officer of Customs, member of the Police Force, or any other officer or person in or for the Public Service acting in the execution of his official duty, or for or on behalf of Her Majesty, for any oath, declaration, or affirmation, or for marking any exhibit intended or proposed to be used on the Public Service.

Commissioners who are members of the Public Service will therefore be good enough to take notice accordingly, and, notwithstanding any contrary inference which it is understood some Commissioners have drawn from the wording of the circular of the 30th May, 1890, abstain from charging or accepting fees under such circumstances.

His Honour has directed that in future any instance of a Commissioner acting in contravention of this intimation shall be brought under his notice.

I have the honour to be, Sir,
Your obedient servant,
J. W. O'HALLORAN,
Prothonotary.

When Government rifles or carbines have become damaged or unserviceable in any other way than by fair wear and tear, or have been lost through negligence, the corps or person responsible will be required to pay the cost of the same, allowance being made according to the period during which the arm has been on issue.

The life of a rifle or carbine will be fixed at ten years' constant issue. During the first two years no allowance will be made, but for each successive year during which the arm has been in use one-tenth of the cost of repairs will be allowed; for example, if the damage has occurred at the end of the third year of issue seven-tenths of the cost of repair will be charged, and so on until completion of the tenth year, after which the cost will be borne by the State.

When a new barrel has been fitted, the rifle will be considered as new from the date of re-issue.

If in the opinion of the Commandant culpable negligence shall be proved in the case of arms on issue, it shall be in his power to order the full or any proportionate value to be paid irrespective of the age of the weapon, but not less than half price will be charged for any article wilfully or carelessly lost or damaged, although it may have been in use for the prescribed period of wear.

Tampering with arms, such as filing sights, using on them or any part of them emery or other forbidden substances, will be considered culpable negligence and will be charged for accordingly.

And the Honorable Robert Reid, Her Majesty's Minister of Defence for Victoria, shall give the necessary directions herein accordingly.

THOS. BRISBANE,
Acting Clerk of the Executive Council.

TENDERS FOR GRAZING LANDS.

Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Friday, 22nd September, 1893.

NOTE.—The fee for the period from 1st October, 1893, to 31st December, 1893, and fee of Five shillings for licence, must accompany each Tender.

TENDERS will be received by the Board of Land and Works up to Noon of Friday, the 22nd September, 1893, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

Special Conditions:

1. The period of occupation will be from 1st October, 1893, to 31st December, 1893.

2. The licence-fee must be paid in advance. The fee for the period from 1st October, 1893, to 31st December, 1893—for which the licence will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 168," or "Lot 2, Block 572," or "Lot 3, Block 750," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full names and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.
