## SHIRES OF EUROA AND BENALLA.

## PROPOSED SEVERANCE OF AREAS AND CONSTITUTION OF A NEW MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act 1890* (No. 1112, section 43), the substance and prayer of a Petition in accordance with the said Act, which has been presented to His Excellency the Governor, are published, viz.:—

The petitioners purport to constitute majorities of the rate-payers in the respective portions of the Shires of Euroa and Benalla which are described in their petition, and they desire that the areas so described may be severed from the Shires of Euroa and Benalla respectively, and constituted a new municipality under the name or title of "The Shire of Violet Town."

Area described in petition:—All that portion of the municipal area of the Shire of Euroa, being the subdivisions or parts of them of Wills, Caniambo, Gowangardie, Tamlough, Shadford, Marraweeney, Strathboggie, Lima, Boho, and part of the subdivision of Balmattum: Commencing at Nalinga, on the Broken River, at the boundary line between the Shires of Euroa and Benalla, and bounded on the north by Broken River, running westerly to north-west corner of allotment 35, subdivision of Caniambo, which is part of Mr. Thomas Graham's land; thence south following the boundary between Caniambo and Kialla and the boundary between Tamlough and Karamonus as far as the main road between Violet Town and Miepoll; thence easterly along the said main road to the north east corner of A. Godden's land; thence south following the road through the land of Mr. Charles Koyan and Charles Ewart and that of Mr. A. Fullerton and Henry Estall to a point where the roads join on the north-western boundary of Mr. W. W. Casement's land; thence south-westerly along the said W. W. Casement's land to the south-west corner; thence south-easterly following the road in a straight line across the railway to a point where the roads join on the eastern boundary of allotment 96c, Balmattum, of Mr. J. Gall's land; thence south-westerly along the boundary of the said allotment, and following the road through Mr. Collier Gall's land, then along the southern boundary of Miss Jessie Gall's land, and to a point on the southern boundary of Mr. Thos. Gall's land; thence south-westerly to the north-west corner of Mr. James Willis' land; thence south easterly along the southern boundary of Mr. Thomas Deane's land and Mr. William Deane's land; thence southerly along the eastern boundary of Elizabeth A. Trimbel's land and between the land of Mr. George McCombe and that of Mr. J. McCombe; thence further south between the land of E. P. Farris and that of Mr. H. Robinson, and following the road through the land of Mary Farris; thence east along the southern boundary of Mr. Henry Robinson's, Mr. James Wickliffe's, and Mr. James Mackrell's land to the south-east corner of Mr. James Mackrell's land; thence south-westerly to the north-east corner of Mr. K. Jeffer's land; thence east through Mr. W. Steen's land, along the southern boundary of the lands of Messrs. J. Whitfield, P. H. L. Jackson, W. Gerrard, H. H. Jackson, James Walker, and through Mr. W. Nagel's land to a point on the western boundary; thence south-easterly along the eastern border of Mr. Wm. Walker's land to the north-east corner of Mr. Charles Parker's land; thence northerly following the boundary line between the Shires of Euroa and Benalla back to the commencing point at Nalinga. And also all that portion of the municipal district of the Shire of Benalla, being the subdivision of Upotipotpon and part of the subdivision of Warrenbayne: Commencing at Nalinga, at the north-western corner of the Benalla Shire, and bounded on the north by the Broken River, running east as far as the north-east corner of the said subdivision of Upotipotpon; thence south along the eastern boundary of the said subdivision of Upotipotpon to the south-east corner of the said subdivision; thence east at right angles to the last line to the north-east corner of allotment 46a in the said subdivision of Warrenbayne; thence south along the road at right angles to the last line to the south-east corner of G. Chesterfield's land; thence east at right angles to the last line as far as the junction of the roads on the southern boundary (near the south-west corner) of Mr. M. Henry's land; thence south-easterly along the road to the west corner of the Warrenbayne pre-emptive right; thence south to the southern boundary of Mr. S. J. Boncher's land on the boundary line between the Shires of Benalla and Euroa; thence west and north following the boundary line between the Euroa and Benalla Shires to the commencing point at Nalinga.

Petitioners state that Violet Town, which is becoming a place of considerable importance, is twelve and a half miles from Euroa, the head-quarters of the Euroa Shire, and they find that the town cannot get such an amount of attention and supervision as such a town and its neighbourhood require. That the same difficulty occurs with regard to the area proposed to be severed within the Benalla Shire, principally owing to the impracticable nature of the country preventing any direct road to Benalla being made; that they consider they do not obtain a proportionate expenditure for the rates they pay, nor do they receive a fair share of the services of the shire officers, &c.

Petitioners therefore pray that His Excellency in Council may be pleased to sever the said areas and constitute them a separate municipality under the name and title of "The Shire of Violet Town," such municipality to be subdivided into three ridings.

Notices for the petitioners may be served on Messrs. Smart and Walker, 95 William-street, Melbourne.

Printed forms of tender and conditions of contract may be obtained from the Secretary, Tender Board, Treasury, Melbourne, or from the officer in charge at any station, by whom also information or explanation will be afforded to persons tendering.

As much forage as can be stored at any station where the storage is small will, for the convenience of the contractor, be ordered at one time.

The price, which must be expressed in words as well as in figures, and without alterations, erasures, or discrepancies, must be per cental of 100 lbs. (net weight), including delivery at the stations, and all charges except the bags, which will remain the property of the contractor. At stations where the bags can be at once emptied the contractor will be required to remove them when delivery is taken. At other stations, notice will be sent to the contractor when the bags are empty. Bags to be removed at contractor's expense.

Tenders, which should be upon the printed form, will be received for either oats, bran, hay, or straw (the particular kind of hay or straw offered to be stored); but if all be included in one tender it may be accepted for one article only, if advisable. Oaten hay will be preferred. If sheaf hay be tendered for, it must be so stated in the tender.

Telegrams or tenders not complying with the terms of advertisement will not be entertained.

The successful tenderer will be required to enter into a bond for one-third of the estimated amount of the contract within ten days after the acceptance is notified. Two approved sureties are required for contracts amounting to £150 and upwards, and one surety for contracts under £150.

Tenderers failing to take up their accepted tenders, or failing to carry out their contract satisfactorily, will be ineligible to again hold contracts for Government supplies.

Tenders must be enclosed in an envelope, marked "Tender for Forage," and deposited in the Tender-Box, Pay Office, Treasury, Melbourne; or, if sent by post, they must be addressed to the Chairman of the Tender Board, Treasury, Melbourne.

The Government will not necessarily accept the lowest or any tender.

The decision of the Government will be made known by *Gazette* notice, and by letter to accepted tenderers.

## CONDITIONS OF CONTRACT.

1. The hay to be good, sound, and sweet, and properly trussed, except when otherwise specified in the contract; the straw to be wheat or oat, and both to be in all respects of the best quality; oats, clean white (Victorian grown) and bran to be sound and sweet, and of the best description; chaff to be made from oaten hay of the best quality; the maize to be of the best quality. The hay tenders must specify whether they are for oaten or wheat hay.

2. The supplies are for police, telegraph, and other horses, and are to be delivered on the order of the officer in charge of the district or station. The quantities stated in the schedule being only approximate, it must be understood that the Government may draw either more or less than those mentioned; and should new telegraph stations be formed, or additional horses required to be stationed at any of the stations, the contractor will be required to supply the additional forage. Should the additional number of horses, however, exceed two, the contractor may, if he desires it, terminate the contract by supplying at once the whole quantity due at the station under the contract according to the foregoing schedule.

3. Notwithstanding anything contained in the preceding condition, the contractors for the supply to the Police Depot may be called upon to supply any Government Departments within a radius of six miles from Melbourne, for which no contracts have been taken, at the same rates.

4. The forage, when delivered, must be accompanied by the particulars of quantity, showing the net weight, to be indorsed on the back of the order, which, when signed by the officer in charge of the station, for the net quantity received, will be returned to the contractor, and by him rendered in support of his account.

5. Each contractor will be required to prepare his own account in the prescribed form, and, on presentation thereof to the officer in charge of the station or district, it will be forwarded for payment at the Treasury, Melbourne, or the Pay Office of the district, as may be indicated by the contractor on the account.

6. Should forage duly ordered under these contracts not be delivered within forty-eight hours of the time specified in the order for delivery, it will be competent for the department (should circumstances require it) to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.

7. In the event of a difference of opinion between the contractor and the officer receiving the forage as to the quality of the same, it is to be decided by a board of survey, composed of persons named by the head of the department ordering the supply, and the decision of the Board is to be considered final.

8. If the Board shall decide that the forage is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the extra cost, if any, will be charged as in clause 6.

9. When a board of survey cannot be conveniently assembled, or when, from some other cause, injury would accrue either to the public service or to the contractor by waiting for a board of survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected forage, and supply good in its stead, failing which it will be obtained by the officer requiring it, and the expense will be charged as in clause 6.

10. A repetition of irregularity in the quantity or quality of the forage, or of the delay in delivering or replacing it when required, or refusal to execute orders, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £20, as the Treasurer of the colony for the time being may direct. It will also be in the power of the said Treasurer, upon such repetition, to terminate the contract forthwith.

11. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

12. It will be competent for the Secretary of the Tender Board, on behalf of the Government, or for the contractor on his own behalf, to terminate the contract, by giving, in writing, a notice of three full calendar months to that effect, it being understood that such notice can only be given from the 1st day of a month, and provided that no such notice can be given before the 30th September, 1894, and in the event of a station being discontinued or any change in the supplies required, the contractor will receive the earliest possible intimation.

13. The contracts entered into under this notice are not to be considered as broken, infringed, or vitiated by the purchase by any Department of forage grown at any Government establishment.

## TENDERS FOR GRAZING LANDS.

**Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.**

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Friday, 22nd December, 1893.

NOTE.—The fee for the period from 1st January, 1894, to 31st December, 1894, and fee of Five shillings for Licence, must accompany each Tender.

TENDERS will be received by the Board of Land and Works up to Noon of Friday, the 22nd December, 1893, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

## Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desires a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

## Special Conditions:

1. The period of occupation will be from 1st January, 1894, to 31st December, 1894.

2. The licence-fee must be paid in advance. The fee for the period from 1st January, 1894, to 31st December, 1894—for which the licence will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 262," or "Lot 2, Block 1025," or "Lot 3, Block 2160," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.
