WAR BETWEEN CHINA AND JAPAN. PROCLAMATION FOR THE MAINTENANCE OF NEUTRALITY.

THE Governor has ordered the publication of the subjoined Proclamation of Neutrality, made by Her Majesty, with the advice of Her Privy Council, on the occasion of the war between China and Japan.
All persons are required to take notice that the provisions of the law will be strictly enforced.

By His Excellency's Command,
J. B. PATTERSON.

Chief Secretary's Office,
Melbourne, 12th September, 1894.

BY THE QUEEN.—A PROCLAMATION.

WHEREAS We are happily at peace with all Sovereigns, Powers, and States;

And whereas a state of war unhappily exists between His Majesty the Emperor of China and His Majesty the Emperor of Japan, and between their respective subjects and others inhabiting within their countries, territories, or dominions;

And whereas We are on terms of friendship and amicable intercourse with each of these States, and with their subjects and others inhabiting within their countries, territories, or dominions;

And whereas great numbers of Our loyal subjects reside and carry on commerce, and possess property and establishments, and enjoy various rights and privileges, within the territory of each of the aforesaid States, protected by the faith of Treaties between us and each of the aforesaid States;

And whereas We, being desirous of preserving to Our subjects the blessings of peace which they now happily enjoy, are firmly purposed and determined to maintain a strict and impartial neutrality in the said state of war unhappily existing between the aforesaid States;

We therefore have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation;

And We do hereby strictly charge and command all Our loving subjects to govern themselves accordingly, and to observe a strict neutrality in and during the aforesaid war, and to abstain from violating or contravening either the Laws and Statutes of the realm in this behalf, or the Law of Nations in relation thereto, as they will answer to the contrary at their peril;

And whereas in and by a certain Statute made and passed in a Session of Parliament holden in the 33rd and 34th year of Our reign, intituled *An Act to regulate the Conduct of Her Majesty's Subjects during the Existence of Hostilities between Foreign States with which Her Majesty is at Peace*, it is amongst other things declared and enacted as follows:—

"This Act shall extend to all the dominions of Her Majesty, including the adjacent territorial waters.

Illegal Enlistment.

"If any person, without the licence of Her Majesty, being a British subject, within or without Her Majesty's dominions, accepts or agrees to accept any commission or engagement in the military or naval service of any foreign State at war with any friendly State at peace with Her Majesty, and in this Act referred to as a friendly State, or, whether a British subject or

not, within Her Majesty's dominions, induces any other person to accept or agree to accept any commission or engagement in the military or naval service of any such foreign State as aforesaid—

"He shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"If any person, without the licence of Her Majesty, being a British subject, quits or goes on board any ship with a view of quitting Her Majesty's dominions, with intent to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State, or, whether a British subject or not, within Her Majesty's dominions, induces any other person to quit or to go on board any ship with a view of quitting Her Majesty's dominions with the like intent—

"He shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"If any person induces any other person to quit Her Majesty's dominions, or to embark on any ship within Her Majesty's dominions, under a misrepresentation or false representation of the service in which such person is to be engaged, with the intent or in order that such person may accept or agree to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State—

"He shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"If the master or owner of any ship, without the licence of Her Majesty, knowingly either takes on board, or engages to take on board, or has on board, such ship within Her Majesty's dominions any of the following persons, in this Act referred to as illegally enlisted persons, that is to say:—

"(1) Any person who, being a British subject, within or without the dominions of Her Majesty, has, without the licence of Her Majesty, accepted or agreed to accept any commission or engagement in the military or naval service of any foreign State at war with any friendly State;

"(2) Any person, being a British subject, who, without the licence of Her Majesty, is about to quit Her Majesty's dominions with intent to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State;

"(3) Any person who has been induced to embark under a misrepresentation or false representation of the service in which such person is to be engaged, with the intent or in order that such person may accept or agree to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State—

"Such master or owner shall be guilty of an offence against this Act, and the following consequences shall ensue that is to say:—

"(1) The offender shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour; and

"(2) Such ship shall be detained until the trial and conviction or acquittal of the master or owner, and until all penalties inflicted on the master or owner have been paid, or the master or owner has given security for the payment of such penalties to the satisfaction of two Justices of the Peace, or other Magistrate or Magistrates having the authority of two Justices of the Peace; and

"(3) All illegally enlisted persons shall, immediately on the discovery of the offence, be taken on shore, and shall not be allowed to return to the ship.

"Illegal Shipbuilding and Illegal Expeditions.

"If any person within Her Majesty's dominions, without the licence of Her Majesty, does any of the following acts, that is to say:—

"(1) Builds, or agrees to build, or causes to be built, any ship with intent or knowledge, or having reasonable cause to believe, that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State; or

"(2) Issues or delivers any commission for any ship with intent or knowledge, or having reasonable cause to believe, that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State; or

"(3) Equips any ship with intent or knowledge, or having reasonable cause to believe, that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State; or

"(4) Despatches, or causes or allows to be despatched, any ship with intent or knowledge, or having reasonable cause to believe, that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State—

"Such person shall be deemed to have committed an offence against this Act, and the following consequences shall ensue:—

"(1) The offender shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"(2) The ship in respect of which any such offence is committed, and her equipment, shall be forfeited to Her Majesty:

"Provided, that a person building, causing to be built, or equipping a ship in any of the cases aforesaid, in pursuance of a contract made before the commencement of such war as aforesaid, shall not be liable to any of the penalties imposed by this section in respect of such building or equipping, if he satisfies the conditions following, that is to say:—

"(1) If forthwith upon a Proclamation of Neutrality being issued by Her Majesty he gives notice to the Secretary of State that he is so building, causing to be built, or equipping such ship, and furnishes such particulars of the contract and of any matters relating to, or done or to be done, under the contract as may be required by the Secretary of State:

"(2) If he gives such security, and takes and permits to be taken such other measures, if any, as the Secretary of State may prescribe for insuring that such ship shall not be despatched, delivered, or removed without the licence of Her Majesty until the termination of such war as aforesaid.

"Where any ship is built by order of or on behalf of any foreign State when at war with a friendly State, or is delivered to or to the order of such foreign State, or any person who to the knowledge of the person building is an agent of such foreign State, or is paid for by such foreign State or such agent, and is employed in the military or naval service of such foreign State, such ship shall, until the contrary is proved, be deemed to have been built with a view to being so employed, and the burden shall lie on the builder of such ship of proving that he did not know that the ship was intended to be so employed in the military or naval service of such foreign State.

"If any person within the dominions of Her Majesty, and without the licence of Her Majesty—

"By adding to the number of the guns, or by changing those on board for other guns, or by the addition of any equipment for war, increases or augments, or procures to be increased or augmented, or is knowingly concerned in increasing or augmenting, the warlike force of any ship which at the time of her being within the dominions of Her Majesty was a ship in the military or naval service of any foreign State at war with any friendly State—

"Such person shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"If any person within the limits of Her Majesty's dominions, and without the licence of Her Majesty—

"Prepares or fits out any naval or military expedition to proceed against the dominions of any friendly State, the following consequences shall ensue:—

"(1) Every person engaged in such preparation or fitting out, or assisting therein, or employed in any capacity in such expedition, shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"(2) All ships and their equipments, and all arms and munitions of war, used in or forming part of such expedition shall be forfeited to Her Majesty.

"Any person who aids, abets, counsels, or procures the commission of any offence against this Act shall be liable to be tried and punished as a principal offender."

And whereas by the said Act it is further provided that ships built, commissioned, equipped, or despatched in contravention of the said Act may be condemned and forfeited by judgment of the Court of Admiralty; and that if the Secretary of State or chief executive authority is satisfied that there is a reasonable and probable cause for believing that a ship within Our dominions has been or is being built, commissioned, or equipped contrary to the said Act, and is about to be taken beyond the limits of such dominions, or that a ship is about to be despatched contrary to the Act, such Secretary of State or chief executive authority shall have power to issue a warrant authorizing the seizure and search of such ship and her detention until she has been either

condemned or released by process of law: And whereas certain powers of seizure and detention are conferred by the said Act on certain local authorities:

Now, in order that none of Our subjects may unwarily render themselves liable to the penalties imposed by the said Statute, We do hereby strictly command that no person or persons whatsoever do commit any act, matter, or thing whatsoever contrary to the provisions of the said Statute, upon pain of the several penalties by the said Statute imposed and of Our high displeasure.

And We do hereby further warn and admonish all Our loving subjects, and all persons whatsoever entitled to Our protection, to observe towards each of the aforesaid States, their citizens, subjects, and territories, and towards all belligerents whatsoever, with whom We are at peace, the duties of neutrality; and to respect, in all and each of them, the exercise of those belligerent rights which We and Our Royal predecessors have always claimed to exercise.

And We hereby further warn all Our loving subjects, and all persons whatsoever entitled to Our protection, that if any of them shall presume in contempt of this Our Royal Proclamation and of Our high displeasure, to do any acts in derogation of their duty as subjects of a neutral Sovereign in a war between other States, or in violation or contravention of the law of nations in that behalf, as more especially by breaking, or endeavouring to break, any blockade lawfully and actually established by or on behalf of either of the said States, or by carrying officers, soldiers, despatches, arms, ammunition, military stores or materials, or any article or articles considered and deemed to be contraband of war according to the law or modern usages of nations, for the use or service of either of the said States, that all persons so offending, together with their ships and goods, will rightfully incur and be justly liable to hostile capture, and to the penalties denounced by the law of nations in that behalf.

And We do hereby give notice that all Our subjects and persons entitled to Our protection who may misconduct themselves in the premises will do so at their peril, and of their own wrong; and that they will in nowise obtain any protection from Us against such capture or such penalties as aforesaid, but will, on the contrary, incur Our high displeasure by such misconduct.

Given at Our Court at Osborne House, Isle of Wight, this seventh day of August, in the year of our Lord One thousand eight hundred and ninety-four, in the fifty-eighth year of Our reign.

GOD SAVE THE QUEEN!

RULES AND DIRECTIONS FOR MAINTENANCE OF NEUTRALITY.

THE Governor has ordered the publication of the subjoined Despatch from the Foreign Office in connexion with the state of war existing between China and Japan.

The rules therein contained are to be obeyed by all persons within Her Majesty's Colony of Victoria.

By His Excellency's Command,

J. B. PATTERSON.

Chief Secretary's Office,
Melbourne, 12th September, 1894.

Foreign Office,
7th August, 1894.

My Lord,
Her Majesty being fully determined to observe the duties of neutrality during the existing state of war between the Emperor of China and the Emperor of Japan, and being moreover resolved to prevent, as far as possible, the use of Her Majesty's harbors, ports, and coasts, and the waters within Her Majesty's territorial jurisdiction, in aid of the warlike purposes of either belligerent, has commanded me to communicate to your Lordship, for your guidance, the following rules, which are to be treated and enforced as Her Majesty's orders and directions.

Her Majesty is pleased further to command that these rules shall be put in force in the United Kingdom, the Isle of Man, and the Channel Islands on and after the twelfth day of this month, and in Her Majesty's territories and possessions beyond the seas six days after the day when the Governor or other chief authority of each of such territories or possessions respectively shall have notified and published the same; stating in such Notification that the said rules are to be obeyed by all persons within the same territories and possessions:—

1. During the continuance of the present state of war, all ships of war of either belligerent are prohibited from making use of any port or roadstead in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of Her Majesty's colonies or foreign possessions or dependencies, or of any waters subject to the territorial jurisdiction of the British Crown, as a station or place of resort for any warlike purpose, or for the purpose of obtaining any facilities for warlike equipment; and no ship of war of either belligerent shall hereafter be permitted to sail out of or leave any port, roadstead, or waters subject to British jurisdiction from which any vessel of the other belligerent (whether the same shall be a ship of war or a merchant ship) shall have previously departed, until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the territorial jurisdiction of Her Majesty.

2. If any ship of war of either belligerent shall, after the time when this Order shall be first notified and put in force in the United Kingdom, the Isle of Man, and the Channel Islands, and in the several colonies and foreign possessions and dependencies of Her Majesty, respectively, enter any port, roadstead, or waters belonging to Her Majesty, either in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of Her Majesty's colonies or foreign possessions or dependencies, such vessel shall be required to depart and to put to sea within twenty-four hours after her entrance into such port, roadstead, or waters,

except in case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her crew, or repairs; in either of which cases the authorities of the port or of the nearest port (as the case may be) shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use; and no such vessel which may have been allowed to remain within British waters for the purpose of repair shall continue in any such port, roadstead, or waters for a longer period than twenty-four hours after her necessary repairs shall have been completed: Provided, nevertheless, that in all cases in which there shall be any vessel (whether ships of war or merchant ships) of the said belligerent parties in the same port, roadstead, or waters within the territorial jurisdiction of Her Majesty there shall be an interval of not less than twenty-four hours between the departure therefrom of any such vessel (whether a ship of war or merchant ship) of the one belligerent and the subsequent departure therefrom of any ship of war of the other belligerent; and the time hereby limited for the departure of such ships of war respectively shall always, in case of necessity, be extended so far as may be requisite for giving effect to this proviso, but no further or otherwise.

3. No ship of war of either belligerent shall hereafter be permitted, while in any port, roadstead, or waters subject to the territorial jurisdiction of Her Majesty, to take in any supplies, except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel to the nearest port of her own country, or to some nearer destination, and no coal shall again be supplied to any such ship of war in the same or any other port, roadstead, or waters subject to the territorial jurisdiction of Her Majesty, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within British waters as aforesaid.

4. Armed ships of either party are interdicted from carrying prizes made by them into the ports, harbors, roadsteads, or waters of the United Kingdom, the Isle of Man, the Channel Islands, or any of Her Majesty's colonies or possessions abroad.

I have, &c.
(Signed) KIMBERLEY.

CONDITIONS OF CONTRACT.

1. The Government will not be bound to order from the contractor all the articles enumerated in the schedules, but only those articles, and such quantities of those articles, as it may be found necessary to order. Should the Government, however, require a larger supply of any article than the quantity stated in the schedules, the contractor will nevertheless be bound to supply the same at contract rates.

2. The supplies are to be the same as sample where so stated, and of the particular manufacture indicated in the schedule of tenders.

3. The goods shall be delivered as may be directed by the officer ordering the supply. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor.

4. Arrangements as to time of delivery and inspection of goods will be made by the officers ordering the goods.

5. Orders must receive prompt execution; and, in the event of the goods not being delivered within the time allowed under the contract, or within such other time as the order may specify for delivery, it will be competent for the officers named in condition 4, or the head of the department to whom the goods are to be supplied, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account, or from the security money.

6. The contractor will be required to furnish his account in the prescribed form as soon as possible after delivery of the full quantities of goods ordered, the account being accompanied by the receipted delivery orders on which it is based. The prices quoted in the orders cannot be increased.

7. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. The contractor may, however, claim a survey on any goods objected to; but in that case he must, within twenty-four hours after objection is made, give notice thereof, in writing, to the officer rejecting the goods. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

8. Delivery will not be deemed to have been made until the goods have been approved of. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in condition 5.

9. The members of boards of survey will be appointed by the Treasurer of the Colony for the time being, and the decision of the board is to be considered as final. If the board shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which it, or any like supply that is suitable for the service, will be procured elsewhere, and the survey fees and extra expense (if any) will be charged as in condition 5.

10. A repetition of irregularity in the quantity or quality of the supplies, or of delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in condition 5. It will also be in the power of the said Treasurer, upon such repetition, to terminate the contract forthwith, and forfeit the whole or any portion of the security money.

11. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

12. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

13. It will be competent either for the contractor, on his own behalf, or for the Secretary of the Tender Board, on behalf of the Government, to terminate the contract, by giving three full calendar months' notice, in writing, to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made, and under no other circumstances will a contractor be permitted to abandon his contract, except in the event of any alteration in the tariff affecting any of the items included in these contracts, when the Government or the contractor (as the case

may be) may give two months' notice, in writing, of the termination of the contract to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made.

14. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat or the Agent-General for Victoria.

TENDERS FOR GRAZING LANDS.

Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Friday, 21st September, 1894.

NOTE.—The fee for the period from 1st October, 1894, to 30th June, 1895, and fee of Five shillings for Licence, must accompany each Tender.

TENDERS will be received by the Board of Land and Works up to Noon of Friday, 21st September, 1894, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions :

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

13. The licensee shall destroy all thistles on the land, and on the half width of adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act in like manner as holders of freehold lands.

Special Conditions :

1. The period of occupation will be from 1st October, 1894, to 30th June, 1895.

2. The licence-fee must be paid in advance. The fee for the period from 1st October, 1894, to 30th June, 1895—for which the licence will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 75," or "Lot 2, Block 370," or "Lot 3, Block 2026," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.
