IN pursuance of the provisions of the *Local Government Act 1890* (No. 1112, section 43), the substance and prayer of a Petition in accordance with the 10th section of Act 1243 and the 41st section of Act 1112, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Dimboola.

Petitioners state that they are desirous that the Shire of Dimboola should be re-subdivided into three ridings, to be named as follows:—

West Riding.
North Riding.
South Riding.

The petitioners state that there is an inequality of representation in the shire as at present constituted, inasmuch as the number of ratepayers and the rateable valuation in the Centre Riding greatly exceed those of the West Riding.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the shire as desired.

SHIRE OF BENALLA.—ORDER CONFIRMED.

IN pursuance of the powers conferred by sections 390 and 391 of the *Local Government Act 1890*, the Council of the Shire of Benalla do hereby order that the land hereunder described shall be a public highway from and after the publication hereof in the *Government Gazette*:—

All that piece of land being part of Crown allotment 42a, parish of Warrenbayne, county of Moira: Commencing at a point distant N. 27° 29' W. seven hundred and fifty-one links from the north-east corner of said allotment; and bearing thence further N. 99° 29' W. one hundred links; thence S. 9° 43' W. seven hundred and sixty-six links; thence N. 246° 37' E. one hundred and twenty links; thence N. 189° 43' E. seven hundred links to the commencing point.

And the said Council doth hereby declare that such land shall, from the said date of publication, be a public highway in lieu of an existing surveyed road in the Shire of Benalla: Commencing at the south-west corner of allotment 42a, parish of Warrenbayne, county of Moira: and bearing thence S. 246° 37' W. one hundred and nineteen links; thence N. 9° 29' E. one thousand nine hundred and seventy-five links; thence S. 99° 29' E. one hundred links; and thence S. 9° 29' W. one thousand nine hundred and nine links to the commencing point.

Dated this 21st day of October, 1893.

Confirmed by the Governor in Council
the 3rd April, 1894.

THOS. BRISBANE,
Acting Clerk of the Executive Council.

SHIRES OF LOWAN AND KOWREE.

PROPOSED SEVERANCE OF AREA.

IN pursuance of the provisions of the *Local Government Act 1890* (No. 1112, section 43), the substance and prayer of a petition in accordance with the said Act, which has been presented to His Excellency the Governor, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the South Riding of the Shire of Lowan, and they desire that the said riding may be severed from the Shire of Lowan and annexed to the Shire of Kowree.

The petitioners state that the South Riding is separated from the remaining portion of the shire by a belt of sandy desert 14 miles in width, which renders communication with the northern portions of the shire a matter of serious difficulty; as a consequence commercial and social relations between the two parts are practically non-existent; that the territory sought to be annexed lies only 12 miles distant from the offices of the Kowree Shire Council, and that therefore a community of interests exists between them and the ratepayers of the Shire of Kowree, &c.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the said South Riding from the Shire of Lowan and annex same, as a separate riding, to the Shire of Kowree.

Notices on behalf of the petitioners may be served on Mr. Cornelius B. Collins, Minimay.

TENDERS will be received by the Board of Land and Works up to Noon of Tuesday, 24th April, 1894, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions :

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in

the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

Special Conditions :

1. The period of occupation will be from 1st May, 1894, to 31st December, 1894.

2. The licence-fee must be paid in advance. The fee for the period from 1st May, 1894, to 31st December, 1894—for which the licence will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 83," or "Lot 2, Block 241," or "Lot 3, Block 2031," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.
