## ORDER IN COUNCIL.—EXTRADITION TREATY WITH PORTUGAL.

Windsor, 3rd March, 1894.

At the Court at Windsor, the 3rd day of March, 1894.

### PRESENT:—

The Queen's Most Excellent Majesty.

Lord President  
Marquess of Ripon  
Earl Spencer

Mr. Gladstone  
Sir William Vernon Harcourt

WHEREAS by the Extradition Acts 1870 and 1873 it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient; and that

if, by any law made after the passing of the Act of 1870, by the Legislature of any British possession provision is made for carrying into effect within such possession the surrender of fugitive criminals who are in or suspected of being in such British possession, Her Majesty may, by the Order in Council applying the said Acts in the case of any foreign State, or by any subsequent Order, suspend the operation within any such British possession of the said Acts or of any part thereof, so far as it relates to such foreign State, and so long as such Law continues in force there and no longer:

And whereas by an Act of the Parliament of Canada, passed in 1886, and entitled *An Act respecting the Extradition of Fugitive Criminals*, provision is made for carrying into effect within the Dominion the surrender of fugitive criminals:

And whereas by an Order of Her Majesty the Queen in Council, dated the seventeenth day of November, one thousand eight hundred and eighty-eight, it was directed that the operation of the Extradition Acts 1870 and 1873 should be suspended within the Dominion of Canada so long as the provision of the said Act of the Parliament of Canada of 1886 should continue in force and no longer:

And whereas a Treaty was concluded on the seventeenth day of October, one thousand eight hundred and ninety-two, between Her Majesty and His Majesty the King of Portugal for the mutual extradition of fugitive criminals, which Treaty is in the terms following:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and His Most Faithful Majesty the King of Portugal and of the Algarves, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within their respective territories, that persons charged with or convicted of the crimes hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, the said High Contracting Parties have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say:

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, Sir George Glynn Petre, Knight Commander of the Most Distinguished Order of Saint Michael and Saint George, Companion of the Most Honourable Order of the Bath, Her Majesty's Envoy Extraordinary and Minister Plenipotentiary at the Court of His Most Faithful Majesty, &c.; and

His Most Faithful Majesty the King of Portugal and of the Algarves, Dom Antonio Ayres de Gouvea, Councillor of His Majesty, Peer of the Realm, Bishop of Bathsaida, retired Professor of the University of Coimbra, His Majesty's Minister and Secretary of State for Foreign Affairs, &c.;

Who, having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following Articles:—

#### ARTICLE I.

The High Contracting Parties engage to deliver up to each other those persons who, being accused or convicted of a crime or offence committed in the territory of the one Party, shall be found within the territory of the other Party, under the circumstances and conditions stated in the present Treaty.

#### ARTICLE II.

2. Manslaughter.
3. Maliciously wounding or inflicting grievous bodily harm.
4. Assault occasioning actual bodily harm.

12. Crimes against bankruptcy law.
13. Fraud by a bailee, banker, agent, factor, trustee, or director, or member, or public officer of any company, made criminal by any law for the time being in force.
14. Perjury or subornation of perjury.
15. Rape.
16. Carnal knowledge or any attempt to have carnal knowledge of a girl under 16 years of age.

31. Assaults on board a ship on the high seas, with intent to destroy life or to do grievous bodily harm.

32. Revolt, or conspiracy to revolt, by two or more persons on board a ship on the high seas against the authority of the master.

33. Dealing in slaves in such a manner as to constitute a criminal offence against the laws of both States.

Extradition is also to be granted for participation in any of the aforesaid crimes, provided such participation be punishable by the laws of both the Contracting Parties.

Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the laws of both the Contracting Parties for the time being in force, the grant can be made.

The Portuguese Government will not deliver up any person either guilty or accused of any crime punishable with death.

#### ARTICLE III.

The Portuguese Government will not grant the extradition of any Portuguese subject, and Her Britannic Majesty's Government will not grant the extradition of any British subject; but in the case of a naturalized subject this Article shall only be applicable if the naturalization was obtained previous to the commission of the crime giving rise to the application for extradition.

#### ARTICLE IV.

The extradition shall not take place if the person claimed on the part of the British Government, or the person claimed on the part of the Portuguese Government, has already been tried and discharged or punished, or is still under trial within the territories of the two High Contracting Parties respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of the British Government, or if the person claimed on the part of the Portuguese Government, should be under examination, or is undergoing sentence under a conviction for any other crime within the territories of the two High Contracting Parties respectively, his extradition shall be deferred until after he has been discharged, whether by acquittal, or on expiration of his sentence, or otherwise.

#### ARTICLE V.

The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

#### ARTICLE VI.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

#### ARTICLE VII.

A person surrendered can in no case be kept in prison or be brought to trial in the State to which the surrender has been made for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored or had an opportunity of returning to the State by which he has been surrendered.

This stipulation does not apply to crimes committed after the extradition.

#### ARTICLE VIII.

The requisition for extradition shall be made through the Diplomatic Agents of the High Contracting Parties respectively.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A sentence passed in *contumacia* is not to be deemed a conviction, but circumstances may cause a person so sentenced in *contumacia* to be dealt with as an accused person.

#### ARTICLE IX.

If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

#### ARTICLE X.

If the fugitive has been arrested in the British dominions he shall forthwith be brought before a competent Magistrate, who is to examine him and to conduct the preliminary investigation of the case, just as if the apprehension had taken place for a crime committed in the British dominions.

In the examination which they have to make in accordance with the foregoing stipulations the authorities of the British dominions shall admit as valid evidence the sworn depositions or the affirmations of witnesses taken in the dominions of Portugal, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of, a conviction, provided the same are authenticated as follows:—

1. A warrant must purport to be signed by a Portuguese Judge, Magistrate, or officer.
2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Portuguese Judge, Magistrate, or other officer to be the original depositions or affirmations, or to be the true copies thereof, as the case may require.

3. A certificate of or judicial document stating the fact of a conviction must purport to be certified by a Portuguese Judge, Magistrate, or officer.

4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Portuguese Minister; but any other mode of authentication for the time being permitted by the law in that part of the British dominions where the examination is taken may be substituted for the foregoing.

## ARTICLE XI.

If the fugitive has been arrested in the dominion of Portugal his surrender shall be granted if, upon examination by a competent authority, it appears that the documents furnished by the British Government contain sufficient *prima facie* evidence to justify the extradition.

The Portuguese authorities shall admit as valid evidence records drawn up by the British authorities of the depositions of witnesses, or copies thereof, and records of conviction, or other judicial documents, or copies thereof, provided that the said documents be signed or authenticated by an authority whose competence shall be certified by the seal of a Minister of State of Her Britannic Majesty.

## ARTICLE XII.

The extradition shall not take place unless the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime has been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to. In Her Britannic Majesty's dominions the fugitive criminal shall not be surrendered until the expiration of fifteen days from the date of his being committed to prison to await his surrender.

## ARTICLE XIII.

If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

## ARTICLE XIV.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

## ARTICLE XV.

All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place; and the said delivery shall extend not merely to the stolen articles but to everything that may serve as a proof of the crime.

## ARTICLE XVI.

All expenses connected with extradition shall be borne by the demanding State.

## ARTICLE XVII.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of both of the High Contracting Parties, so far as the laws for the time being in force in such Colonies and foreign possessions respectively will allow.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions may be made to the Governor or chief authority of such Colony or possession by the Chief Consular authority of the other State in such Colony or possession.

Such requisitions may be disposed of, subject always, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

The High Contracting Parties shall, however, be at liberty to make special arrangements in their respective Colonies and foreign possessions for the surrender of criminals who may take refuge therein, on the basis, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, of the provisions of the present Treaty.

Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possession of either of the High Contracting Parties shall be governed by the rules laid down in the preceding Articles of the present Treaty.

## ARTICLE XVIII.

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties at any time on giving to the other six months' notice of its intention to do so.

The Treaty shall be ratified, and the ratifications shall be exchanged at Lisbon as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done in duplicate at Lisbon the seventeenth day of October, in the year of our Lord one thousand eight hundred and ninety-two.

(L.S.) GEORGE G. PETRE.  
(L.S.) A. AYRES DE GOUVEA.

And whereas a Protocol relative to the said Treaty was signed at Lisbon on the thirteenth day of November, one thousand eight hundred and ninety-two, which Protocol is in the terms following:—

The stipulations of the present Treaty do not apply to extradition between British and Portuguese India, which is reserved for ulterior negotiation.

Done in duplicate at Lisbon the thirtieth day of November, in the year of our Lord one thousand eight hundred and ninety-two.

GEORGE G. PETRE.  
A. AYRES DE GOUVEA.

And whereas the ratifications of the said Treaty and Protocol were exchanged at Lisbon on the thirteenth day of November, one thousand eight hundred and ninety-three:

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the nineteenth day of March, one thousand eight hundred and ninety-four, the said Acts shall apply in the case of Portugal, and of the said Treaty and Protocol with His Majesty the King of Portugal.

Provided always, and it is hereby further ordered, that the operation of the said Extradition Acts 1870 and 1873 shall be suspended within the Dominion of Canada so far as relates to Portugal and to the said Treaty and Protocol, and so long as the provisions of the Canadian Act aforesaid of 1880 continue in force, and no longer.

Tenders, enclosed in a separate envelope, and having the words "Tender for House and Smiths' Coal and Coke at" written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. The house coal must be the best of its kind, free from shale, small coal, dust, or other impurities. The smiths' coal must be free from dust, ashes, shale, or other impurities.
2. The orders will be issued by the departments requiring the supplies, and the requirements shall be delivered as may be directed by the officer issuing the order. At the time of delivering the supplies the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the supplies accepted and shall return the order to the contractor. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery, or such other officer as shall be named in the conditions. If after the delivery of the supplies has been taken any deficiency or defect is discovered therein, such supplies may be returned to the contractor. In case of the rejection or return of any supplies the contractor shall bear the whole cost of replacing the supplies so rejected or returned. Should an order not be complied with within forty-eight hours it will be competent for the department concerned to purchase at the contractor's risk, and to deduct from the contractor's account or the security money the extra expense (if any) over and above the contract price.
3. The contractor will be bound to weigh with weighbridges. In other cases the tickets of the public weighbridges are to be accepted as the weight to be charged for. Coal to be delivered in the places set apart therefor.
4. As soon as the orders shall have been completed the contractor will be required to furnish to the department supplied his account in the prescribed form, with the receipted delivery order attached thereto. Accounts will be payable at any Receipt and Pay Office that the contractor may desire.
5. In the event of a difference of opinion between the contractor and the officer receiving the supply as to the quality the same is to be decided by a board of survey, composed of persons named by the head of the department, and the decision of the board is to be considered final.
6. If the board shall decide that the article is not of proper quality it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the extra expense (if any) will be deducted from the contractor's account or the security money.
7. If from any cause injury would accrue to the public service by waiting for a board of survey the head of the department, or officer in charge of station, will have the power to reject such supplies as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected article and supply good in its stead, failing which it will be procured elsewhere, and the extra expense (if any) will be charged as in condition 6.
8. A refusal to execute orders, or a repetition of irregularity in the quality or quantity of the supplies, or of delay in delivering or replacing them when required will subject the contractor to such mulct, not exceeding £50, as the Treasurer of the colony for the time being may direct; and the amount may be deducted as in condition 6. It will also be in the power of the said Treasurer, upon such refusal or repetition, to terminate the contract forthwith and forfeit the whole or any portion of the security money.
9. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.
10. *In the event of a general strike occurring at the collieries, or in the event of war breaking out between Great Britain and any other large maritime power, any contract entered into under these conditions after the expiry of one calendar month from notice being given may be suspended, such contract to come into full force and effect again ten (10) days after such cause of suspension shall be discontinued.*

Tenders, enclosed in a separate envelope, and having the words "Tender for Firewood at" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. The firewood must consist of box, sheoak, red or white gum, or peppermint, and must be dry, perfectly sound, and of good burning quality.

2. The orders will be issued by the departments requiring the supplies, and the firewood shall be delivered as may be directed by the officer ordering the supply. Should an order not be complied with within forty-eight hours it will be competent for the department concerned to purchase the requirements or any like supplies suitable for the service at the contractor's risk, and to deduct from the contractor's account or from the security money the extra expense (if any) over and above the contract price.

3. The contractor will be bound to place the firewood in stacks for measurement on such ground as may be pointed out. The stacks are to be two feet wide by five feet high, with space between each stack for measuring; and the billets are all to lie the same way, viz., crossways of the stacks in the form of a cord, and are to be laid as closely and solidly as possible in the stack, and to the satisfaction of the officer receiving the supply. In case the firewood for Yarra Bend is required to be supplied at per ton weight, the contractor will be bound to weigh the wood upon the Asylum weighbridge. Each load to be tated separately. 5. As soon as the orders shall have been completed the contractor will be required to furnish to the department supplied his account in the prescribed form, with the receipted delivery order attached thereto. Accounts will be payable at any Receipt and Pay Office that the contractor may desire.

6. In the event of a difference of opinion between the contractor and the officer receiving the supply as to the quality the same is to be decided by a board of survey, composed of persons named by the head of the department, and the decision of the board is to be considered as final.

7. If the board shall decide that the article is not of proper quality it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the extra expense (if any) will be deducted from the contractor's account or from the security money.

8. If from any cause injury would accrue to the public service by waiting for a board of survey the head of the department, or officer in charge, will have the power to reject such articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected article, and supply good in its stead, failing which it will be procured elsewhere, and the extra expense (if any) will be charged as in condition 7.

9. A refusal to execute orders, or a repetition of irregularity in the quality or quantity of the supplies, or of delay in delivering or replacing them when required, will subject the contractor to such mulct, not exceeding £50, as the Treasurer of the colony for the time being may direct; and the amount may be deducted as in condition 7. It will also be in the power of the said Treasurer, upon such refusal or repetition, to terminate the contract forthwith.

TENDERS FOR GRAZING LANDS.

Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Friday, 25th May, 1894.

NOTE.—The fee for the period from 1st June, 1894, to 31st December, 1894, and fee of Five shillings for Licence, must accompany each Tender.

TENDERS will be received by the Board of Land and Works up to Noon on Friday, 25th May, 1894, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the Land Act 1890 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the Vermin Destruction Act 1890, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Act 1890, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1890, or for mining purposes.
2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the Land Act 1890 may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.
3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the Government Gazette that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.
4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.
5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.
6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.
7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.
8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.
9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.
10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

Special Conditions:

1. The period of occupation will be from 1st June, 1894, to 31st December, 1894.
2. The licence-fee must be paid in advance. The fee for the period from 1st June, 1894, to 31st December, 1894—for which the licence will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.
3. Tenders to be for so much per lot and block per annum.
4. Separate tenders must be lodged for each block.
5. Tenders to be indorsed—"Tender for Lot 1, Block 441," or "Lot 2, Block 600," or "Lot 3, Block 1026," as the case may be.
6. The highest or any tender not necessarily accepted.
7. Tenderers must give their full name and ordinary postal address.
