Caps for Post Office.

Contract from 1st July, 1894, to 30th June, 1897.

All articles to sample.

The supplies are to be in strict accordance with samples, well fitted and well made, cloth properly shrunk, and in every respect subject to approval.

Any article not fitting, bad in workmanship or material, will be rejected.

Supplies for summer to be delivered not later than 31st October, those for winter not later than 14th May, under penalty of 1s. per day for each article not received at that time; provided that the orders for the bulk supplies are issued two months previously.

Contractor to provide all materials at his own expense, with the exception of ¼th yard of blue cloth for each letter carrier and messenger's cap, and ¼th yard blue cloth and ½nd yard of scarlet cloth for each mail guard and gatekeeper's cap, which will be furnished by the Government.

No subletting will be allowed. All work must be carried out in the factory of the contractor, and the hours of employment of any person engaged in the manufacture of the articles tendered for in this schedule shall not exceed 48 per week. Any infringement of this condition will subject the contractor upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money.

Lincoln, Stuart, and Co. Limited, 238 Flinders-street, Melbourne.

Clothing for Post Office and Messengers.

Contract from 1st July, 1894, to 30th June, 1897.

All articles to sample.

Blue cloth, scarlet cloth, scarlet flannel, blue flannel, and scarlet serge for letter carriers, mail guards, gatekeepers, and telegraph messengers' uniforms, to be purchased from the Post Office Department, at the prices laid down in Schedule at back, but all other material will have to be provided by the contractor at his own expense.

The uniform is to be in strict accordance with samples, well fitted, well made, and hand or machine sewn (but the machine sewing must be confined to the seams of garments only, no stitching, or fellings, or pockets must be done except by hand), and in every respect subject to the approval of the Deputy Postmaster-General.

Any article not fitting or bad in workmanship will be rejected, and the cost of the material that may be thereby rendered unserviceable for the purpose intended will be deducted from the contractor's account.

Orders will be issued from time to time by the Deputy Postmaster-General for such articles as may be required. The summer clothing will be required by 31st October, and the winter clothing by 14th May in each year, under penalty of 1s. per day for each garment not received by that time; provided that the orders for the bulk supplies are issued two months previously.

Should the contractor fail to furnish the articles when required, it will be competent for the Deputy Postmaster-General to obtain the same elsewhere at the contractor's risk, and any expense incurred over and above the contract price will be deducted from the contractor's account, and the contractor will also be subject to such mulct, by way of fine, as the Tender Board may recommend, the same to be deducted from any account that may be due to the contractor or from the security money.

No subletting will be allowed. All work must be carried out in the factory of the contractor, and the hours of employment of any person engaged in the manufacture of the articles tendered for in this schedule shall not exceed 48 per week. Any infringement of this condition will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money.

CONTRACT No. 93/513.

Rocke, Tompsitt, and Co., Flinders-street, Melbourne.

Drugs, Medicines, &c.

Contract from 1st July, 1893, to 30th June, 1895.

Oils, tinctures, decoctions, infusions, and liquid preparations generally, must be delivered in oval glass bottles. Fuming and other acids, spirits of ammonia, and deliquescent salts, must be delivered in bottles having ground glass stoppers when so ordered.

In cases where special manufactures are mentioned in the schedule, the contractor will be bound to supply the goods in the original packages, having thereon the maker's label or other trade mark as a guarantee of the genuineness of the goods so supplied.

All articles must be of the best quality of the several kinds, and all preparations and compounds are to be those of the new "British Pharmacopœia," unless otherwise specially ordered.

CONTRACT No. 91/527.

T. Anthony and Company, a' Beckett-street, Melbourne.

Timber.

Contract from 1st July, 1894, to 30th June, 1897.

All timber to be free from large knots, shakes, heart sap, or any imperfection; to be thoroughly sound, seasoned, and close-grained or free, as may be required. All boards under one inch will be measured and paid for by the superficial foot on the face, unless otherwise described. All timber (excepting where otherwise specified) one inch thick and upwards will be measured and paid for by the superficial foot of one inch thick. All timber classed as boards to be under two inches in thickness and more than five and a half inches in width. Posts and rails and hardwood for country stations may be purchased locally without infringing this contract. Actual measurements only will be paid for.
