Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Friday, 25th October, 1895.

NOTE.—The fee for the period from 1st November, 1895, to 30th June, 1896, and fee of Five shillings for Licence, must accompany each Tender.

No tender will be accepted unless the fees referred to above are forwarded with the tender.

**TENDERS** will be received by the Board of Land and Works up to Noon of Friday, 25th October, 1895, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

## Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

13. The licensee shall destroy all thistles on the land, and on the half width of adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act in like manner as holders of freehold lands.

#### Special Conditions :

1. The period of occupation will be from 1st November, 1895, to 30th June, 1896.

2. The licence-fee must be paid in advance. The fee for the period from 1st November, 1895, to 30th June, 1896—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

ROYAL VICTORIAN INSTITUTE FOR THE BLIND.  
INCORPORATED 1892.

**THE** following are the revised by-laws of the Royal Victorian Institute for the Blind, adopted at a meeting of its subscribers, held at the Town Hall, Melbourne, on 31st July, 1895, as required by the provisions of the *Hospitals and Charities Act 1890*, and those hitherto in force are hereby annulled.

## BY-LAWS.

## Title.

1. The institution shall be called The Royal Victorian Institute for the Blind.

## Objects.

2. The institution shall be conducted on general Protestant principles, and its objects be to impart an education of a religious, general, and industrial character to the youthful blind of the colony of Victoria, with a view of making them good and self-supporting citizens. It, however, must be understood that it is not an asylum for the homeless, or for those unfitted to become self-supporting from either mental or physical cause, nor an hospital for the sick or infirm, and no responsibility can be undertaken by the board of management for the care of those or of such as during their course of training may become so.

## Interpretation of By-laws, &amp;c.

3. The board of management shall determine any doubt as to the meaning or application of the by-laws or subsidiary rules should any arise.

## Members and their privileges.

4. Members shall consist of annual subscribers and life governors.
5. Every subscriber of £1 or upwards yearly shall, in the year for which such subscription is paid, be a member.
6. The following shall be entitled to life governorship, viz.:—
  - (a) Donors of £20 or upwards in one sum.
  - (b) Honorary treasurers of any concert or entertainment given in aid of the funds of the institution, when the net profits of such concert or entertainment shall amount to £20 or upwards.
  - (c) One executor or executrix of any will by which £20 or upwards is bequeathed to the funds of the institution.
  - (d) The council of any city, town, borough, or shire, or any company, club, or other association contributing £20 or upwards may nominate one of its members for life governorship.
  - (e) Any person who has conferred some signal benefit on the institution irrespective of contribution may be appointed by the board of management an honorary life governor, and shall be entitled to all the privileges of life governorship.
7. Every member or life governor shall be entitled to one vote at all general meetings or special meetings of members.
8. Every yearly subscription shall be payable in advance, and every yearly payment shall be calculated from the date of the first payment, but no first payment shall entitle any member or life governor to a vote at any meeting held within one month from the date of such payment.
9. Except as hereinafter provided, all members and governors shall be eligible as members of the board of management.

## Meeting of Members.

10. An annual meeting of the members of the institution shall be held in Melbourne in the month of July, of which and of its objects, not less than seven days' notice shall be given in the public press. At such meeting a report of the proceedings of the previous year shall be presented, together with audited balance-sheets showing the financial condition of every department of the institution's work, and at which the board of management, honorary medical, and other officers and auditors

for the ensuing year shall be elected. Special meetings of the members may be called by resolution of the board of management, or on a requisition being made to them by not less than twenty members.

11. At annual or special meetings of members ten shall form a quorum.

## Board of Management.

12. The board of management shall consist of a president two vice-presidents, an honorary treasurer, and eight members, who shall be elected from the members at the annual general meeting.

13. The honorary officers as above specified shall hold office for one year, and thereafter until the election of their successors, but shall be eligible for re-election. And should vacancies occur during the year the board of management shall fill such vacancies for the remainder of that year.

14. On the second Thursday in the month of July in every year one-third part of the elected members of the board of management shall go out of office (but may, nevertheless, be re-elected), and the persons who shall go out of office shall be those who have been the longest in office without re-election, or where two or more shall have been in office for the same length of time, then those who shall go out of office shall be determined by lot. If any member of the board shall die, or resign by letter under his hand or addressed to the chairman of the board of management, or become insolvent, or compound with his creditors, or be convicted of any treason, felony, or misdemeanour, or be absent from four consecutive meetings of the board of management, his office shall become vacant, and the remaining members of the board may declare his office vacant, and temporarily appoint thereto some contributor to such institution until the next annual meeting for the election of the board of management, when the person thus temporarily appointed shall retire as one of those who, by the provisions of the *Hospitals and Charities Act 1890*, are required to go out of office.

15. The honorary oculists, medical officers, and dentists, the number of whom shall be fixed by the board of management, shall hold office for one year, and thereafter until the appointment of their successors, but shall be eligible for re-election. Should vacancies occur during the year, the board of management shall fill such vacancies for the remainder of the year.

17. No person who shall hold any office or place of profit under the corporation, or be concerned in or participate in anywise in any contract with the board of management or in the profit thereof, or in work to be done under the authority of the same shall be capable of being or continuing a member of such board, provided that such disability shall not apply to any member of any company, partnership, or association consisting of more than ten persons, when such contract shall be entered into for the general benefit of such company, partnership, or association. But no member of the board shall vote or take part in the discussion of any matter under the consideration of the board in which he shall, directly or indirectly, by himself or his partners, have any pecuniary interest.

18. The board of management shall direct the collection and distribution of funds; appoint and dismiss all paid officers, frame regulations for the management of the institution, the same not being repugnant to the general by-laws; present a report to the annual meeting of members, and manage the institution generally.

19. The board of management shall meet for the transaction of business monthly. Four members of committee shall form a quorum. The meeting shall be held on the second Thursday of each month at Three o'clock p.m.

The president, vice-presidents, and the honorary treasurer shall be *ex officio* members of all committees.

## House Committee.

24. The honorary treasurer shall supervise the finances of the institution, and shall cause its moneys to be deposited in such bank as the board of management may direct to the credit of the institution. He shall pay all accounts passed by the board by cheque on the bank, which must be countersigned by the secretary. He shall also check the vouchers of such payments from time to time.

## Auditors.

25. At the annual meeting in July two gentlemen, not being members of the board of management, shall be elected as auditors for the ensuing year.

26. The auditors shall make a quarterly examination of the books of the institution, and shall, at the close of the year, examine the annual financial report, with all accounts, vouchers, and documents relating thereto, and shall report thereon to the annual meeting of members.

He shall have the entire management of the scholastic and domestic arrangements, and the immediate superintendence and general control of the entire establishment. He shall engage and dismiss all servants, direct and control all paid officers and teachers, and shall have power, in case of insubordination or neglect of duty, to suspend any officer pending the decision of the board of management, and, if necessary, to employ temporary substitutes for officers thus suspended.

29. He shall order and receive the stores and supplies from the tradesmen, and shall see that they are of proper quality and quantity, and shall not permit any waste. He shall see that the buildings and grounds of the institution are kept in a state of cleanliness and order, shall have all minor repairs attended to at once, and shall inspect the food of the inmates, and see that it is properly prepared, and of good quality. He shall also superintend the industrial department, and shall keep an inventory of the property of the institution, and be held responsible for the whole.

30. He shall conduct the correspondence, clerical and financial business of the institution, and shall cause proper and detailed accounts of its business to be kept, together with such accounts and books as shall show the state of the various industrial departments, and all details relating thereto, and such other books and forms as may be from time to time required by the board of management or the development of the institution.

31. He shall arrange for the inmates to attend divine services, either at the institution or at some neighbouring church or churches, every Sunday, weather permitting.

#### *Matron.*

32. The matron shall live in the house, and shall not leave it without the consent of the superintendent, and shall attend to his directions; she shall have the superintendence of the female domestics and inmates, and enforce personal cleanliness, neatness, and obedience to orders on their part; she shall see that the girls are properly washed and clothed; daily inspect all beds, and see that they are properly made and kept clean; and also superintend the proper cooking of the food.

#### *Assistant Secretary.*

33. The assistant secretary shall in all matters act under the direction of the superintendent, and take charge of the institution in his absence. He shall keep all books and accounts, and have charge of all moneys received at the institution, which he shall bank daily to its credit.

#### *Liability of Officers.*

34. The superintendent, and other paid officers receiving moneys, shall be required to give a policy of a guarantee society or company as security for rendering a just and true account of all moneys received by them on behalf of the institution. The premium of such policy to be paid by the institution.

35. No officer shall be responsible for any moneys not actually received by him, or be in any way answerable for the accounts, receipts, neglects, or defaults of any other officer.

#### *Common Seal.*

36. The common seal of the corporation shall be kept at the office of the superintendent, and shall be guarded by two different locks, the key of one to be kept by the honorary treasurer and the other by the superintendent, and must only be opened when both are present. It shall not be affixed to any deed, instrument, or writing except by order of the board of management at a meeting at which a quorum of members at least are present, and shall be attested by the signature of the honorary treasurer, and countersigned by the superintendent and secretary or one of the members present, as may be directed by the board of management.

#### *Paid Officers, Teachers, and other Employes.*

37. The paid officers, teachers, &c., shall carry out such duties as may from time to time be specified in the Regulations, a copy of which shall be signed by each officer on his or her appointment, and shall obey the orders of the superintendent and report to him all cases of irregularity on the part of the inmates, and generally assist him in maintaining order and discipline in the institution.

#### *Pupils.*

38. The pupils shall consist of three classes, viz., free, assisted, and paying.

39. Applications for reception of pupils must be made on forms supplied by the institution, and no pupil may be admitted unless the said forms have been filled up to the satisfaction of the board of management and the honorary medical officers.

40. Pupils can be received only for the current year ending 31st December next after admission. In the preceding month of November in each year renewed application must be made by their parents or guardians, when they may be re-admitted for

one year if approved by the board of management. Failing such application it shall be deemed that they decline the further aid of the institution.

41. No pupil shall be admitted to reside in the institution under the age of seven or over fifteen years, nor continue in residence after passing the age of seventeen years. Pupils who have been received under the age of fifteen years on leaving at seventeen years may be paid wages or boarded out, as specified in by-law No. 54, according to the length of time they have been engaged in the workshops.

42. Any pupil over the age of seventeen engaged as a teacher or employed in any capacity other than in the industrial department shall be placed on the staff of the institution, and be paid such wages as the board of management may decide.

43. Only such pupils as display special aptitude shall be trained for the purpose of entering the musical or tuning professions, and after passing the age of seventeen years they shall be boarded out at the expense of the parents or guardians; but in cases where these may be unable to defray such cost the board of management may contribute, at their discretion, for a period to be specified.

44. An approved guarantee must be given by the parents or guardians of pupils, before admission, that they will resume charge of them whenever required to do so, which guarantee must be renewed yearly on application for re-admission.

45. While in the institution pupils are to be under the absolute control of the board of management, and of their responsible officers, and be amenable to such discipline and punishment as may be considered necessary by them.

46. Pupils shall be retained only during good behaviour. Disorderly, disobedient, and unmanageable pupils, as well as those who are or may become mentally or physically deficient, must make way for those likely to be benefited by the educational course.

47. In the case of all free pupils, the parents or guardians shall make a statutory declaration to the effect that owing to the poverty of their circumstances they are quite unable to contribute anything towards their support; and that such declaration shall be indorsed by two responsible persons in whom the board of management may have confidence.

48. In all cases of assisted inmates, the parents or guardians shall sign a statutory declaration that they are unable to pay more than the amount specified in the application papers, such declaration to be indorsed by two responsible persons in whom the board of management may have confidence.

49. In all cases of paying pupils, parents or guardians shall give a guarantee for the quarterly payment, in advance, of the necessary fees.

50. Parents or guardians shall in all cases defray the cost of clothing pupils while resident in the institution. The board of management shall, however, purchase such clothing at a fixed charge, which must be paid each year on the admission or re-admission of pupils.

51. Any of the inmates disobeying the orders of the superintendent, matron, or other officers, or otherwise transgressing the regulations of the institution, shall be subject to punishment, to be administered by the superintendent, or under his direction, with a light cane in cases of boys under sixteen, or by seclusion for a period not to exceed eight hours in any one day in the cases of female pupils. Pupils over sixteen shall be dealt with as may be approved by the board of management, and in the event of continued misconduct—intemperance, &c.—the offender shall be dismissed.

#### *Manufacturing Department.*

52. Non-resident pupils may be received for training in the workshops between the ages of fifteen and thirty years; under exceptional circumstances, however, the board of management may receive pupils over the latter age.

53. The trades at which pupils are to be employed shall be decided by the board of management.

54. The period of training shall be five years, during which time non-resident pupils may receive an allowance at the discretion of the board of management, to partially or wholly defray the cost of board and residence, should their homes be too far away to admit of their residence there, or their parents or guardians be proved unable to defray the expense of lodgings. Such allowance shall not exceed the following amounts, viz., during the first year, 10s. per week; second year, 12s. 6d. per week; third year, 15s. per week; fourth year, piece wages and 50 per cent. bonus; fifth year, piece wages and 25 per cent. bonus.

55. After five years, workers shall be assumed to have learnt their trades, and to be able to earn a living, and may be required to leave the institution to make room for new applicants. The board of management may, however, retain them as employes at piece wages provided the demand for the institution's manufactures warrants such a course.

56. The retention of pupils or workers shall be conditional on good behaviour. Those guilty of intemperance, insubordination, failing to display sufficient energy in their work, or other misconduct, may be punished by dismissal.

57. If at any time it shall appear obvious that pupils are unsuitable for the work and incapable of acquiring a trade from whatever cause, the board of management may require them to leave the institution.

58. Any learner, journeyman, or woman engaged in the industrial department, who is able to sing or play any instrument shall, if required to, join the choir or band of the institution and attend the necessary rehearsals.

59. The places of residence of pupils or workers are to be chosen, subject to the approval of the boarding-out committee of the institution, and any projected changes of address are to be intimated to the superintendent and secretary.
