- Two lights, red and white, at South White Cliffs, bearing N. 80° E.
- Two lights, white, to northward of South White Cliffs, bearing S. 15° E.

Directions.—Vessels from the southward will, on approaching Snout Point, bring the two white leading lights there in line and keep them so until within a cable's length of the lower and nearer light, when steer to pass it a short ship's length off on the starboard hand and continue until it comes in line astern with a third white light to the S.E. Keep the latter line until the red and white leading lights at Figtree Creek come in line astern, when the latter line is to be kept until the white light on Stewart Island opens out, when haul up at once and steer to pass it on the starboard hand a ship's length off; continue until past the red light on the island, when bring these two last-named lights in line astern (keeping them a little open to the eastward) until the red and white lights on Moonboom Island are in line ahead. Leave the latter line when within half-a-cable's length of the red light and steer to pass the green light at a ship's length off on the port hand; steer thence to pass at a similar distance on the starboard hand the white light on Boonlo Point, and bring the red and white lights of the Round Bush lead in line; keep them so until the red dolphin light to N.N.W. comes in line with the white back light of the Sheridan Flats lead, and keep these lights in line until near the red, when steer to pass it on the port hand at a ship's length off, then bring it in line astern with the white back light of the Round Bush lead and continue so until the Sheridan Flats lights are in line. Keep the latter in line astern until the South White Cliffs lights are in line, when steer for them until near the steep shore of Sandy Island. Follow this shore to the northward at a distance of half-a-cable until two white lights on the island come in line astern, which lead up to the main channel just to the eastward of the Junction Buoy.

ENGLAND, SOUTH COAST.—PORTLAND HARBOR.

Closing of certain Channels between Breakwater and Bineleave Rocks.

WITH reference to Notice to Mariners No. 108 of 1894:—

Further notice is given that the harbor works in course of construction at Portland will shortly reach a stage which will render it unsafe to pass between all the dolphins.

On and after the 20th December, 1894, therefore, it will be unsafe to use the passages between the dolphins, excepting the following two channels:—

1. The channel between the northern extremity of the breakwater and the dolphin 700 feet N.W. $\frac{1}{4}$ W. (N. 51° W.) from it, which dolphin will in future be named dolphin A.
2. The channel between two of the centre dolphins, which dolphins will in future be named dolphin B and dolphin C.

The centre of dolphin A is situated N. 49° W. 270 yards from the breakwater light-house.

The centre of dolphin B is situated N. 31° W. 1,780 yards from the breakwater light-house.

The centre of dolphin C is situated N. 27° W. 1,970 yards from the breakwater light-house.

Dolphins A, B, C will each exhibit, from 20th December, 1894, the following marks:—

- By day.—Two white balls, placed vertically.
 - By night.—Two white lights, placed vertically.
- The other dolphins, or the ships guarding their sites, will each exhibit one white light, instead of two lights, placed vertically, as hitherto.

No alteration has been made in the marking of the groynes extending from Bineleave Rocks, which will continue to exhibit two fixed red lights, placed vertically, from its outer extremity. This notice affects the following Admiralty charts:—Portland to Owers, No. 2450; Dodman Point to Portland, No. 2620; Bill of Portland to St. Albans Head, No. 2615; Weymouth and Portland, No. 2255; Portland Harbor, No. 2268; also, List of Lights, Part I., 1893, page 10; and Channel Pilot, Part I., 1893, pages 185-187.

1. The supplies are to be equal in every respect to the contract sample or specification, and are to be delivered as directed by the Government Printer, either at the Government Printing Office or at a store situate in the city of Melbourne, but delivery will not be deemed to have been made until the goods have been approved of.

It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith and forfeit the security.

8. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

13. The licensee shall destroy all thistles on the land, and on the half width of adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act in like manner as holders of freehold lands.

1. The period of occupation will be from 1st February, 1895, to 30th June, 1895.

2. The licence-fee must be paid in advance. The fee for the period from 1st February, 1895, to 30th June, 1895—for which the licence will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.
