By His Excellency's Command,  
**GEORGE TURNER,** Premier.  
Premier's Office,  
Melbourne, 27th August, 1897.

[Circular.]  
Downing-street, 8th July, 1897.

SIR,  
With reference to my Predecessor's Circular despatch of the 15th January, 1895, I have the honour to transmit to you, for publication in the Colony under your Government, a translation of a Spanish Royal Decree, increasing certain taxes, including customs duties, by 10 per cent.

I have the honour to be, Sir,  
Your most obedient humble servant,  
**J. CHAMBERLAIN.**

The Officer administering the Government of Victoria.

[Translation.]  
ROYAL DECREE.

At the instance of the Minister of Finance, and in accord with the Council of Ministers, I make the following Decree as Queen Regent of the Kingdom, in the name of my August Son, King Alfonso XIII.

#### ARTICLE 1.

In accordance with Article 1. of the Law of the 10th inst., providing extra revenues to cover the yearly payment on the loan guaranteed by the custom-house duties during the next financial year, the following temporary and interior duties on the revenue included in the direct and indirect taxes in the estimates are imposed. The temporary surcharge will be at the rate of one-tenth of the assessed amounts, the tariffs and the liquidations to realize the payments under the following headings of the estimates:—

- Industrial and commercial taxes.
- Probate duties.
- Royalty on mines.
- Duties on titles, nobility, &c.
- Personal documents (cedulas).
- Payments by the State, whether provincial or municipal.
- Port dues in the Canary Islands.
- Duty on private carriages.
- Duties on commercial bills.
- Custom-house duties.
- Consular fees.
- Special tax on the manufacture of spirits.
- Tax on sugar (foreign, colonial, or native).
- Special octroi duty on colonial importations.
- Duties on the tariffs on travellers and merchandise.
- Stamp duty.
- Duty on gunpowder and explosives.

The tax on salaries and on articles of consumption, including the special duties on spirits and salt, will also be increased by a temporary surcharge of 2 per 100 on existing tariffs.

#### ARTICLE 2.

The surcharge of one-tenth, designated as an interior tax on the custom-house duties, is not to be considered as an alteration  
No. 87.—SEPTEMBER 3, 1897.—1.

in the existing tariff, but as a temporary addition to the total amount due on each declaration. However, all the engagements entered into under the international tariff regulations will be respected.

#### ARTICLE 3.

In all towns, whether the taxes on articles of consumption are leased or administered directly, whether they are collected by an agreement with the guilds or by assessment of inhabitants, the temporary surcharge will be levied on the amount paid to the Treasury under this head.

When the assessment agreed to between the Government and the municipal corporations on the new leases produce a higher income for the Treasury from the 1st of July next, the temporary surcharge will be exacted only on that sum necessary to complete the amount of the surcharge.

#### ARTICLE 4.

When the tax to be levied on the tariff rates for travellers and merchandise does not amount to one peseta, the surcharge will be excused.

#### ARTICLE 5.

The temporary surcharge of 10 per cent. on the tax on Government stamps will be paid by special stamps of values corresponding to the amount of the stamps used; excepting that of 0.75 pesetas, the surcharge of which will be 5 cents.

Postage and telegraph stamps of all descriptions, as well as stamps of less than 50 cents, and the stamps used for the bonds of external and colonial debts, are excepted from special surcharge.

#### ARTICLE 6.

So long as the lease for the manufacture and sale of explosives is not effected, the temporary surcharge will only be exacted on the actual stamped duties.

#### ARTICLE 7.

The special surcharge will be imposed at the same time as the tax on which it is based, and the collection will be made at the same time and by means of the same receipt.

The income obtained from the temporary surcharge will be entered under section 5 of the ordinary estimate receipts, under the heading of "special income to pay the annuity on the loan guaranteed by the custom-house duties," which entry will be headed "temporary surcharge."

#### ARTICLE 8.

The Minister of Finance will give the necessary orders to carry out this decree.

Given at the Palace on the 25th of June, 1897.

Mallee Lands Act 1896.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS UNDER SECTION 7, EITHER UNDER LICENCE OR PERPETUAL LEASE.

THE Government having made arrangements for the resumption of Mallee Blocks Nos. 53B and 54A, held by Messrs. Adams and Kersel, in the county of Karkaroo, applications will now be received for allotments within the proposed subdivision of such areas.

The number of allotments available will be about 120, in areas not exceeding 640 acres.

Applications, accompanied by the registration fee of £1, must be made on the usual form, addressed to the President of the Board of Land and Works, and lodged at any Crown Lands Office or Receipt and Pay Office in the colony before the 15th day of September next.

One application by each applicant is sufficient, and will be considered as being made for any one of the allotments available, and not for any particular area; it must be filled in "Application for portions of Mallee Blocks 53B or 54A."

The applications received will be dealt with by a Special Local Land Board at Birchip on Wednesday, 29th September, and, if necessary, following days. All applicants considered likely to prove suitable and *bond fide* settlers will be afforded an equal chance in the ballot which will be taken to determine to whom the various allotments will be granted.

Not more than one allotment will be granted to any one person, and no person who already holds 640 acres of mallee lands will be eligible to select, but holders of less than 640 acres will be entitled to apply for the difference between 640 acres and the area held.

The Crown reserves to itself the right to withdraw any area which may be required for timber, water supply, or any other purposes, and when subdividing the area will make such reservations as may be deemed necessary for future requirements and the protection of existing tanks or other improvements.

The nearest part of the land is situated about 4 miles, and the most distant portion 18 miles from Sea Lake railway station. The railway station at Birchip is 16 miles, Berriwillock 7 miles, and Kaneira 12 miles from the land.

The rent payable under agricultural allotment licence is 1s. per acre per annum, and at the end of six years, if conditions with regard to residence, cultivation, improvements, and all other usual conditions have been complied with, a lease for fourteen years will be granted at the same rental, and a Crown grant will issue when such payments amount to £1 per acre, or, if desired, on the expiry of the licence a Crown grant will be issued on payment of 14s. per acre.

Rent payable under perpetual lease will not exceed 2d. per acre per annum until 1903, after which, at every successive period of ten years, the rent is calculated at 2 per cent. on the unimproved value of the land.

The survey fees must be paid within seven days after an allotment has been granted.

The price payable for the resumption of the land is 1s. 6d. per acre, as representing the value of the outgoing tenant's interest; this amount must be paid by the applicant either in cash within one month from the date of allotment or by half-yearly instalments, of such sums extending over the whole or any part of the licence, or over so many years of the perpetual lease not exceeding six (6), as the Board of Land and Works may determine, with interest at the rate of 4 per cent. per annum added.

Fencing, water, or other improvements on the allotments granted must be paid for in like manner.

Lessees must either reside on or within 5 miles of their land or else cultivate up to one-half of the area of their allotment before the end of the fourth year.

Any further information required will be supplied at the following Crown Lands Offices:—Melbourne, Bendigo, Horsham, Warracknabeal, and St. Arnaud, also on application to the postmaster at Birchip and the Crown lands bailiffs at Swan Hill and Charlton, where forms of application for licence or lease can be obtained. Care should be taken by the applicant that he secures the correct form and that it is properly filled up.

THOS. F. MORKHAM,  
Secretary for Lands.

The rent payable under agricultural allotment licence is 1s. per acre per annum, and at the end of six years, if conditions with regard to residence, cultivation, improvements, and all other usual conditions have been complied with, a lease for fourteen years will be granted at the same rental, and a Crown grant will issue when such payments amount to £1 per acre, or, if desired, on the expiry of the licence a Crown grant will be issued on payment of 14s. per acre.

Rent payable under perpetual lease will not exceed 2d. per acre per annum until 1903, after which, at every successive period of ten years, the rent is calculated at 2 per cent. on the unimproved value of the land.

The survey fees must be paid within twenty-one days after an allotment has been granted.

Applications, accompanied by the registration fee of £1, must be made on the usual form, addressed to the President of the Board of Land and Works, and lodged at any Crown Lands Office or Receipt and Pay Office in the colony before Friday, the 17th day of September next.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

## Conditions :

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. 5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.
6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.
7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.
8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.
9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.
10. This licence may be forfeited if the licensee commit a breach or neglect to comply with any of these conditions.
11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.
12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.
13. The licensee shall destroy all thistles on the land, and on the half width of adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act in like manner as holders of freehold lands.
