13. Every person carrying on the trade of cowkeeper, dairyman, or purveyor of milk shall, on or before the 1st day of June in every year, register himself with the council in the manner following, that is to say, by signing and forwarding to the Shire Secretary an application in the form hereunder written, and every such person shall with every such application pay a fee of One shilling.

Application for registration as
 To the Secretary of the Shire of Mortlake.

SIR,
 I desire to be registered in accordance with the particulars in the Schedule hereunder.

Schedule.	
Name in full	...
Trade in respect of which registration is desired	...
Style or firm under which trade is to be carried on	...
Every place within the jurisdiction of the council at which such trade or any part of it is to be carried on, including a full description of all paddocks, grass lands, grounds, and enclosures occupied or used or intended to be used by the applicant	...
Period of time for which registration is desired	...

14. Upon receipt of every such application and fee the shire secretary shall indorse the same with a memorandum of the date on which it is received and of the payment of the fee, and shall file the same, and shall enter the particulars in the schedule of such application in a book to be kept for that purpose, and cause the same to be properly indexed.

15. All paddocks, grounds, lands, and enclosures used as grazing ground for dairy cattle shall, whenever necessary, be inspected by any member or officer of the said council, or by any person authorized in writing by the chairman or secretary

of the said council; and if on inspection such paddocks, grounds, or enclosures, or any one of them are, or is likely, in the opinion of the officer or person so inspecting, to be prejudicial to health, by affecting the milk or otherwise, the said council may, by an order in writing, signed by the secretary, and served personally, or left at the dwelling-house of the registered person, or in the case of an unregistered person served personally, or left at his dwelling-place, or posted upon the land, prohibit the use of the same for the purpose of feeding dairy cattle, either absolutely or for any time named in such order. All cattle in dairies shall also be similarly inspected by a veterinary surgeon or other competent person; and any cows found to be diseased, or which from poverty or weakness are, in the opinion of the inspector, likely to be unfit for use for dairy purposes, shall be forthwith removed from such dairy if ordered by such inspector or other officer as aforesaid. And any such order as aforesaid the said council may revoke, but upon every fresh inspection a similar order may from time to time be made.

16. All houses, dairies, cowsheds, milk stores, milk shops, or other buildings or structures in the occupation of any person following the trade of cowkeeper or dairyman, whether registered or not, shall be kept in such a state in respect of cleanliness as not to be a nuisance or injurious to health, and shall be thoroughly and effectively lighted and ventilated; and the drainage of all such buildings shall be so arranged that no stagnant water or refuse matter of any kind shall remain or lie in any way whatever in or upon or contiguous to any premises of such person following the trade of a cowkeeper or dairyman, whether registered or not.

17. All yards, sheds, or other places used for keeping or holding dairy cows shall be regularly swept and kept perfectly clean, and shall within 24 hours of any order to such effect from the health officer or inspector of nuisances, be fumigated, disinfected, or lime-washed, as may be in any such order so directed.

18. All vessels used for containing milk shall be thoroughly scalded and scoured daily.

19. If any person or any member of a family of any person registered as aforesaid, or not so registered, employed as a cowkeeper, dairyman, or purveyor of milk, or any visitor to any such person, shall be attacked by typhoid fever, or any dangerous infectious disease, the occupier of the house in which such person shall be or (if he be the person attacked) his wife, or other person in charge shall immediately give notice thereof to the council or officer of health, or to the nearest member of the police force, who shall immediately inform the council, and thereupon it shall and may be lawful for the said council or officer of health by order served as aforesaid to prohibit absolutely the sale and sending and forwarding of milk for sale from any premises in the use and occupation of any such cowkeeper, dairyman, or purveyor of milk, until danger, in the opinion of such council or officer of health, no longer exists. And in any such case it shall not be lawful to allow any person so suffering or having recently been in contact with a person so suffering, to milk cows or to handle vessels used for containing milk for sale, or in any way to take part or assist in the conduct of such trade or business. Nor, if the person registered or conducting such business be himself the person suffering, shall he take any part whatever in the conduct of such trade or business until in either case all danger therefrom of the communication of infection to the milk, or of its contamination, has ceased.

20. If at any time disease exists in the dairy or among the cows or cattle in any cowshed or dairy, or in the herds of any cowkeeper, dairyman, or purveyor of milk, the registered person, owner, occupier, or other person in charge, as the case may be, shall immediately give notice to the council, officer of health, or nearest member of the police force, and the milk of a diseased cow shall not be used in any way whatever.

21. No cowkeeper, dairyman, or purveyor of milk shall keep or permit or suffer to be kept any pigs in the sheds, buildings, or milking yards in which any dairy cows may be kept or sheltered.

22. In the interpretation of this by-law, words importing the masculine gender shall be deemed and taken to include females, and the singular the plural, and the plural the singular, and the word person shall include a corporation.

23. Every person who shall by any act or default be guilty of any breach of this by-law shall be liable to a penalty of Ten pounds for every such breach, or of Five pounds for each day during which such breach shall be committed or continued, unless the justices before whom the penalty is sought to be recovered shall order any portion only of either of the said penalties, such portion not being less than Five shillings, to be paid; and any person committing any such breach as aforesaid shall be liable to the penalty notwithstanding that the council may be empowered by this by-law or otherwise to remedy such breach, and whether such council has or has not taken advantage of such powers.

The foregoing by-law was duly made, ordered, and passed by the Council of the Shire of Mortlake this tenth day of September, in the year of our Lord One thousand eight hundred and ninety-seven.

WM. B. GUMMING, President.
J. McMEERKIN, Shire Secretary.

The foregoing by-law was allowed and confirmed by the Board of Public Health in and for the Colony of Victoria (it having been first certified that notice of the intention to apply for such confirmation had been given in the shire for which the same has been made in the manner required by law) this twelfth day of January, in the year of our Lord One thousand eight hundred and ninety-eight.

By order of the Board,

J. W. COLVILLE, Secretary.

TENDERS FOR GRAZING LANDS.

Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Monday, 31st January, 1898.

NOTE.—No tender will be accepted unless the fee for the period from 1st February, 1898, to 30th June, 1898, and fee of Five shillings for licence, are forwarded with the tender.

TENDERS will be received by the Board of Land and Works up to Twelve noon on Monday, 31st January, 1898, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

13. The licensee shall destroy all thistles on the land, and on the half width of adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act in like manner as holders of freehold lands.

14. Free access to water shall be kept open at all times for travelling and other stock and also for persons desiring to take water for domestic supply.

Special Conditions

1. The period of occupation will be for five months—from 1st February, 1898, to 30th June, 1898.

2. The fee for the period from 1st February, 1898, to 30th June, 1898—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 2483," or "Lot 2, Block 2629," or "Lot 3, Block 6943," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.
