"This stipulation does not apply to crimes committed after the extradition.

"Article VIII.

"The requisition for extradition shall be made through the Diplomatic Agents of the High Contracting Parties respectively.

"The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

"If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

"A sentence passed in contumaciam is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

"Article IX.

"If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

"Article X.

"Pending the presentation of the demand for extradition through the Diplomatic channel, a fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two Contracting Parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Magistrate. He shall, in accordance with this Article, be discharged, as well in the Netherlands as in the United Kingdom, if within the term of twenty days a requisition for extradition shall not have been made by the Diplomatic Agent of the demanding country in accordance with the stipulations of this Treaty. The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

"Article XI.

"If the fugitive have been arrested in the British dominions he shall forthwith be brought before a competent Magistrate, who is to examine him, and to conduct the preliminary investigation of the case, just as if the apprehension had taken place for a crime committed in the British dominions.

"In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the British dominions shall admit as valid evidence depositions or statements on oath or the affirmations of witnesses taken in the Netherlands, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of, a conviction, provided the same are authenticated as follows:—

"1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the Netherlands.

"2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the Netherlands, to be the original depositions or affirmations, or to be the true copies thereof, as the case may require.

"3. A certificate of, or judicial document stating the fact of, a conviction must purport to be certified by a Judge, Magistrate, or officer of the Netherlands.

"4. In every case, such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of State of the Netherlands; but any other mode of authentication for the time being permitted by the law in that part of the British dominions where the examination is taken may be substituted for the foregoing.

"Artikel VI.

"Een voortvluchtig misdadiger zal niet uitgeleverd worden indien het strafbaar feit, ter zake waarvan zijn uitlevering wordt gevraagd, een staatkundig karakter draagt, of indien hij het bewijs levert, dat de aanvraag om zijn uitlevering opzettelijk is gedaan met de bedoeling om hem ter zake van een strafbaar feit van staatkundigen aard te vervolgen of te straffen.

"Artikel VII.

"De persoon, wiens uitlevering heeft plaats gehad, mag in geen geval in hechtenis gehouden of vervolgd worden in den Staat aan welken de uitlevering heeft plaats gehad, ter zake van enig ander misdrijf, of wegens enig ander feit, dan dat waarvoor de uitlevering geschied is, alvorens hij is teruggekeerd of gedurende eene maand de gelegenheid heeft gehad terug te keeren naar den Staat door welken hij uitgeleverd is.

"Deze bepaling is niet toepasselijk op misdrijven na de uitlevering gepleegd.

"Artikel VIII.

"De aanvraag tot uitlevering zal worden gedaan respectievelijk door de Diplomatieke Agenten der Hooge Contracteerende Partijen.

"De aanvraag tot uitlevering van een beschuldigde moet vergezeld zijn van een bevel van zovangenneming, afgegeven door de bevoegde overheid van den Staat, welke de uitlevering aanvraagt, en van zoodanige stukken als welke, overeenkomstig de wetten der plaats, waar de beschuldigde gevonden is, zijn aanhouding zonden wetligen, indien het misdrijf aldaar gepleegd ware.

"Indien de aanvraag eenen veroordeelde betreft, moet zij vergezeld zijn van het veroordeelend vonnis of arrest, ten laste van den veroordeelde gewezen door den bevoegden rechter van den Staat welke de uitlevering aanvraagt.

"Een vonnis bij verstek wordt niet geacht te zijn eene veroordeeling, maar een persoon, tegen wien zoodanig vonnis is gewezen, mag worden beschouwd als een beschuldigde.

"Artikel IX.

"Wanneer de aanvraag tot uitlevering overeenkomstig de voorgaande bepalingen is geschied, zal de bevoegde macht in den Staat, aan welken de aanvraag gedaan is, de noodige maatregelen nemen tot inhechtenisstelling van den voortvluchtige.

"Artikel X.

"In afwachting van de aanvraag om uitlevering langs Diplomatieken weg, kan de voortvluchtige in hechtenis worden genomen krachtens een bevel afgegeven door een 'Police Magistrate, Justice of the Peace,' of andere bevoegde overheid in elk der beide landen, op zoodanige aangifte of klacht en zoodanige bewijsstukken, of na zoodanig onderzoek als, naar het oordeel van de autoriteit, die het bevel verleent, termen tot het verlenen daarvan zou opleveren, indien het misdrijf gepleegd of de persoon veroordeeld ware binnen het ressort van het gebied der twee Contracteerende Partijen, waarover de 'Magistrate,' 'Justice of the Peace,' of andere bevoegde autoriteit rechtsmacht uitoefent; met dien verstande evenwel dat, in het Vereenigd Koninkrijk de beschuldigde in dat geval zoo spoedig mogelijk voor een 'Magistrate' zal worden gebracht. Hij zal, overeenkomstig dit Artikel, ontslagen worden, zoolw in Nederland als in het Vereenigd Koninkrijk, indien binnen twintig dagen geene aanvrago tot uitlevering door den Diplomatieken vertegenwoordiger van het land dat de uitlevering aanvraagt is gedaan overeenkomstig de bepalingen van dit verdrag. Dezelf de regel zal worden toegepast in de gevallen dat personen zijn beschuldigd of veroordeeld ter zake van een der misdrijven in dit verdrag vermeld, en gepleegd in volle zee aan boord van een vaartuig van een der beide landen, hetwelk mocht komen in eene haven van het andere land.

"Artikel XI.

"Wanneer de voortvluchtige op Britsch grondgebied is aangehouden zal hij oogenblikkelijk worden gebracht voor een bevoegd 'Magistrate' die hem verhoort en de zaak voorloopig onderzoekt, evenals of de aanhouding had plaats gehad ter zake van een misdrijf gepleegd op Britsch grondgebied.

"Bij het onderzoek hetwelk de Britsch autoriteiten overeenkomstig de voorgaande bepalingen moeten instellen, zullen zij als wettige bewijsstukken aannemen beeedigde klachten of opgaven of getuige verklaringen in Nederland afgelegd of gedaan, of afschriften daarvan, en eveneens de bevelschriften en vonnissen aldaar ter zake uitgevaardigd of gewezen, en stukken of gerechtelijke akten, waaruit blijkt van de veroordeeling, mits deze zelve zijn gewaarmerkt als volgt:—

"1. Een bevelschrift moet inhouden de verklaring van te zijn geteekend door een Nederlandsch rechter, Officier van Justitie of andere bevoegde autoriteit.

"2. Klachten of verklaringen, of de afschriften daarvan, moeten de verklaring inhouden van te zijn gewaarmerkt door een Nederlandsch rechter, Officier van Justitie of andere bevoegde autoriteit, als te zijn het origineel of in de gevallen waarin zulks noodzakelijk is, het eensklondend afschrift daarvan.

"3. Een stuk of gerechtelijke akte, constateerende de veroordeeling, moet de verklaring inhouden dat het is gewaarmerkt door een Nederlandschen Rechter, Officier van Justitie of andere bevoegde autoriteit.

"4. In ieder geval moet van zulk een bevelschrift, klacht, verklaring, afschrift, stuk of gerechtelijke akte de echtheid worden verzekerd, hetzij door een beeedigde getuige verklaring, hetzij door het daaraan gehecht officieel zegel van den Minister van Justitie, of van een ander Hoofd van een Ministerieel Departement in Nederland; doch hiervoor kan in de plaats treden eenige andere wijze van waarmaking, welke op dat tijdstip geoorloofd is volgens de wet van dat gedeelte van het Britsche grondgebied, waar het onderzoek plaats heeft.

"Article XII.

"If the fugitive have been arrested in the dominions of the Netherlands the officer of justice shall prefer a requisition within three days after the arrest, or, if the arrest have not taken place, or if it have taken place prior to the application for extradition, then within three days after the receipt of authority for that purpose from the Netherlands Government in order that the person claimed may be interrogated by the Court, and that it may express its opinion as to the grant or refusal of extradition.

"Within fourteen days after the interrogatory the Court shall forward its opinion and its decision, with the papers in the case, to the Minister of Justice.

"The extradition shall only be granted on the production, either in original or in authenticated copy:—

- "1. Of a conviction; or,
- "2. (a) Of a warrant of arrest (which, by the law of the British dominions, is the only document which is granted when it is adjudged upon evidence taken on oath that the accused ought to be taken into custody), issued in the form prescribed by British law, and indicating the offence in question sufficiently to enable the Netherlands Government to decide whether it constitutes, in contemplation of Netherlands law, a case provided for by the present Treaty; and,

"(b) Of the evidence.

"In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the Netherlands dominions shall admit as valid evidence depositions or statements on oath, or the affirmations of witnesses taken in the British dominions, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of, a conviction, provided the same are authenticated as follows:—

"1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the British dominions.

"2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the British dominions, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

"3. A certificate of, or judicial document stating the fact of, a conviction, must purport to be certified by a Judge, Magistrate, or officer of the British dominions.

"4. In every case such warrant, deposition, affirmation, copy certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of one of the Principal Secretaries of State, or some other Minister of State of the British dominions; but any other mode of authentication for the time being permitted by law in that part of the dominions of the Netherlands where the examination is taken may be substituted for the foregoing.

"Article XIII.

"The extradition shall not take place unless the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, if the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to. The fugitive criminal shall not be surrendered until the expiration of fifteen days from the date of his being committed to prison to await his surrender.

"Article XIV.

"If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

"Article XV.

"All articles seized which were in the possession of the person to be surrendered, at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles but to everything that may serve as a proof of the crime.

"Article XVI.

"The respective Governments mutually renounce all claim for the repayment of expenses incurred by them in the arrest and maintenance and transport of the person to be surrendered, and all other expenses which may be incurred within the limits of their respective territories until the person to be surrendered is placed on board ship, together with the expenses of giving up and returning all seized articles and of sending and returning the papers containing proof of the crime, or other documents, and they reciprocally agree to bear all such expenses themselves.

"The above stipulations, however, shall not apply to extradition to and from Canada, as regards which Colony all the expenses shall be borne by the demanding State.

"The person to be extradited shall be sent to the port which the Diplomatic or Consular Agent of the demanding State shall indicate.

"Article XVII.

"Wanneer de voortvluchtige op Nederlandsch grondgebied is aangehouden requireert de Officier van Justitie binnen drie dagen na de aanhouding, of, zoo de aanhouding niet heeft plaats gehad of reeds vóór de aanvraag tot uitlevering is geschied, binnen drie dagen na daartoe te zijn aangeschreven door de Nederlandsche Regeering, dat de opgeëischte persoon door de rechtbank worde gehoord, en dat deze haar advies uitbrengt over het al of niet toestaan der uitlevering.

"Binnen veertien dagen na het verhoor zendt de rechtbank haar advies en hare beslissing, met de tot de zaak behorende stukken, aan den Minister van Justitie.

"De uitlevering zal alleen worden toegestaan op vertoon van het origineel of van een gewaarmerkt afschrift:—

- "1. Van een veroordeelend vonnis of
- "2. (a) Van een bevelschrift van gevangenneming (hetwelk volgens de wet van het Britsche Rijk het eenige stuk is dat wordt afgegeven wanneer op grond van onder eede afgelegde getuigeverklaringen bij rechterlijke uitspraak is beslist, dat de beschuldigde in bewaring behoort te worden gesteld), afgegeven in den vorm, door de Britsche wetgeving voorgeschreven, en waarbij het feit waarvan sprake is op zoodanige wijze is omschreven, dat de Nederlandsche Regeering in staat zijt te beslissen of het, volgens de Nederlandsche wet, een der gevallen oplevert, in het tegenwoordige verdrag voorzien; en

"(b) Van de bewijstukken.

"Bij het onderzoek, hetwelk de Nederlandsche autoriteiten overeenkomstig de voorgaande bepalingen moeten instellen, zullen zij als wettige bewijstukken aannemen, beëdigde klachten of opgaven, of getuigeverklaringen in het Britsche Rijk afgelegd of gedaan, of afschriften daarvan, en eveneens de bevelschriften en vonnissen aldaar ter zake uitgevaardigd of gewezen, en stukken of gerechtelijke akten, waaruit blijkt van de veroordeeling, mits dezelve zijn gewaarmerkt als volgt:—

"1. Een bevelschrift moet inhouden de verklaring van te zijn geteekend door een 'Judge,' 'Magistrate,' of 'Officer' van het Britsche Rijk.

"2. Klachten of verklaringen of de afschriften daarvan, moeten de verklaring inhouden van te zijn gewaarmerkt door een 'Judge,' 'Magistrate,' of 'Officer' van het Britsche Rijk, als te zijn het origineel, of in de gevallen waarin zulks noodzakelijk is, het eensluidend afschrift daarvan.

"3. Een stuk of gerechtelijke akte, constateerende de veroordeeling, moet de verklaring inhouden dat het is gewaarmerkt door een 'Judge,' 'Magistrate,' of 'Officer' van het Britsche Rijk.

"4. In ieder geval moet van zulk een bevelschrift, klacht, verklaring, afschrift, stuk, of gerechtelijke akte de echtheid worden verzekerd hetzij door een beëdigde getuigeverklaring, hetzij door het daaraan gehecht officieel zegel van een van de 'Principal Secretaries of State,' of eenig ander 'Minister of State' van het Britsche Rijk; doch hiervoor kan in de plaats treden eenig andere wijze van waarmerking, welke op dat tijdstip geoorloofd is volgens de wet van dat gedeelte van het Nederlandsch grondgebied, waar het onderzoek plaats heeft.

"Article XVIII.

"De uitlevering zal geen plaats vinden, tenzij er voldoende bewijs bestaat, volgens de wetten van den Staat, aan welchen de uitlevering is aangevraagd, hetzij om eene verwijzing naar de open bare terechtzitting terechtvaardigen, indien het misdrijf zou zijn gepleegd binnen het grondgebied van bedoelden Staat, hetzij om de zekerheid te verschaffen dat de aangehoudenene dezelfde persoon is, die door de rechtbank van den Staat, welke de aanvraag doet, veroordeeld is, en dat het misdrijf, ter zake waarvan hij is veroordeeld, behoort tot de zoodanige waarvoor, op het tijdstip van die veroordeeling, uitlevering had kunnen worden toegestaan door den Staat, aan welchen de uitlevering is aangevraagd. De voortvluchtige middadiger zal niet worden uitgeleverd, alvorens de termijn van vijftien dagen is verstreken sedert den dag dat hij in afwachting van zijne uitlevering in bewaring is gesteld.

"Article XIX.

Mallee Lands Act 1896 and the Land Act 1898.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS UNDER SECTION 7, EITHER UNDER LICENCE OR PERPETUAL LEASE.

EXTENSION OF TIME FOR RECEIVING APPLICATIONS FOR MALLEE ALLOTMENTS WEST OF LAKE ALBACUTYA.

THE Government having made arrangements for the resumption of parts of The New Zealand Loan and Mercantile Agency Company's Mallee blocks 41, 42, and 70, in the county of Weeah, applications will now be received for allotments within the proposed subdivision of such areas.

The situation of the land is north of the Government vermin-proof fence, and on the west side of Outlet Creek between Lakes Hindmarsh and Albacutya. Its nearest point from the proposed terminus of the Jeparit extension railway is about 6 miles distant, and the farthest point about 15 miles.

Applications, accompanied by the registration fee of £1, must be made on the usual form, addressed to the President of the Board of Land and Works, and lodged at any Crown Lands Office or Receipt and Pay Office in the colony before Friday, the 7th APRIL, 1899.

The number of allotments available will be about 62, in areas not exceeding 640 acres.

The land hereby made available shall be, and be deemed to be, first-class land for purposes of Land Acts.

One application by each applicant is sufficient, and will be considered as being made for any one of the allotments available, and not for any particular area; it must be filled in "Application for mallee allotments at Outlet Creek."

The applications received will be dealt with by a Special Local Land Board, the date and place of sitting will be hereafter notified. All applicants considered likely to prove suitable and *bona fide* settlers will be afforded an equal chance in the ballot which will be taken to determine to whom the various allotments will be granted.

NOTE.—In event of there being an excess of applications for the land available, eligible persons, who have never selected and do not hold land, will have the preference.

Not more than one allotment will be granted to any one person, and no person who already holds 640 acres of mallee lands will be eligible to select, but holders of less than 640 acres will be entitled to apply for the difference between 640 acres and the area held.

Married women are eligible to select. The Crown reserves to itself the right to withdraw any area which may be required for timber, water supply, or any other purposes, and when subdividing the area will make such reservations as may be deemed necessary for future requirements and the protection of existing tanks or other improvements.

The rent payable under agricultural allotment licence is 1s. or 6d. (as the licensee may elect) per acre per annum, and at the end of six years, if conditions with regard to residence, cultivation, improvements, and all other usual conditions have been complied with, a lease for fourteen years or 34 years, as the case may be, will be granted at the same rental, and a Crown grant will issue when such payments amount to £1 per acre, or, if desired, on the expiry of the licence a Crown grant will be issued on payment of 14s. per acre, or 17s. per acre, as the case may be.

Rent payable under perpetual lease will not exceed 2d. per acre per annum until 1903, after which, and at every successive period of ten years, the rent is calculated at 25s. per cent. on the unimproved value of the land.

The survey fees must be paid within seven days after an allotment has been granted.

The price payable for the resumption of the land is One shilling and threepence (1s. 3d.) per acre, as representing the value of the outgoing tenant's interest; this amount must be paid by the applicant either in cash within one month from the date of allotment or by half-yearly instalments, of such sums extending over the whole or any part of the licence, or over so many years of the perpetual lease not exceeding six (6), as the Board of Land and Works may determine, with interest at the rate of 4 per cent. per annum added.

Fencing, water, or other improvements on the allotments granted must be paid for in like manner.

Lessees must either reside on or within 5 miles of their land or else cultivate up to one-half of the area of their allotment before the end of the fourth year.

Permits will be issued to occupy land until 1st July next, on which date the new Land Act comes into operation, under the provisions of which licences or perpetual leases will be issued.

Any further information required will be supplied at the following Crown Lands Offices:—Melbourne, Bendigo, Warracknabeal, Horsham, and St. Arnaud; also on application to the postmaster at Jeparit, and the Crown lands bailiffs at Horsham, Swan Hill, and Charlton, where forms of application for licence or perpetual lease can be obtained.

Care should be taken by the applicant that he secures the correct form, and that it is properly filled up.

THOS. F. MORKHAM,
Secretary for Lands.

Department of Lands and Survey,
28th March, 1899.

CONVEYANCE OF MAILS, 1899-1902.

FOURTH DIVISION.—14 SERVICES AND 5 SERVICES RE-ADVERTISED.

TENDERS are hereby invited, and will be received until Noon on Tuesday, the 25th day of April, 1899, for the Conveyance of Post Office Mails, viz., Letters, Packets, Parcels, and Newspapers, as undermentioned, FOR THREE YEARS, from the 1st July, 1899.

1. Tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and are to be forwarded (if by post, PREPAID AND REGISTERED) for receipt at the General Post Office by the hour and date first above mentioned, addressed to the Honorable the Postmaster-General, with the words "Tender for Mail Service No. " indorsed on the cover, or placed in the Tender-box at the General Post Office.

2. Tenderers are requested to describe by their numbers, as below, the mail services for which they tender.

3. The amount of the tender must be stated AT RATE PER ANNUM in words as well as figures.

4. Every tender must bear the *bona fide* signature and address of the tenderer, and bear the names of two responsible persons willing to become bound for the fulfillment of the contract in such sum as the Government may direct, not exceeding the gross amount of the contract.

5. Every tender must be accompanied by cash, bank cheque, bank draft, or a bank deposit-receipt to the credit of the Deputy Postmaster-General for a sum equal to TEN PER CENT. of the annual amount named in the tender; this deposit to be absolutely forfeited to the Government in case the person whose tender may be accepted shall fail to complete the usual bond and contract to the satisfaction of the Government within ten days of being notified that the documents are ready for execution. The notice of acceptance, if delivered at the address named in the tender, shall be deemed sufficient.

6. The money or other security deposited by successful tenderers will be returned to them upon application, on the bond and contract being duly signed.

7. The money or other security deposited by unsuccessful tenderers will be returned to them upon application, and on their signing receipts for the respective amounts.

8. In the event of a new line of railway, or a new railway station on an existing line being opened for traffic, and it being decided that the mails shall be conveyed by rail, the Postmaster-General shall have the power of cancelling the contract for any mail service running in the vicinity of the railway without compensation to the contractor, or shall have power to alter the points of arrival and departure of the mails; and, in the event of the travelling distance on any mail line being in such manner increased or diminished, all payments for the service subsequent to the alteration shall be computed on the basis of the average mileage-rate of the contract.

9. In the event of it being found necessary, from any cause, to absolutely cancel a contract, the Postmaster-General shall have full power to do so, provided that, unless the contract be cancelled on account of any fault on the part of the contractor, or on account of the opening of a railway line or a new railway station, payment shall be made to the contractor as compensation of a sum equal to ten per cent. of the moneys which would have become due on the unexpired period of the contract if the latter had been continued for the full term for which it was accepted.

10. Tenderers are requested to state the mode by which they propose to convey mails, whether by vehicle, on horseback, or by man on foot. If by vehicle, the description of vehicle and number of horses by which it is to be drawn to be given.

11. Tenderers are informed that the Department undertakes to carry parcels up to 7 lbs. in weight by all services for which tenders are accepted for conveyance of mails by vehicle.

Parcels up to 3 lbs. in weight are conveyed by horseback services.

12. Tenderers for services to and from Post Offices and Railway Stations are required to name a lump sum per annum for the number of trips specified in the call for tenders, and also state a rate per trip as a basis of payment for additional trips, or for reduction in the payment, should the number of trips be increased or lessened during the currency of the contract.

A "trip" to mean a journey from the Post Office to the Railway Station and from the Railway Station to the Post Office, carrying mails each way.

The carriage of mails one way, viz., either from a Post Office to a Railway Station or from a Railway Station to a Post Office, shall be regarded as half a trip, and payment made accordingly. Where tenders are invited for a service to and from a Post Office and Railway Station "as often as required," tenderers are required to name a lump sum per annum for the work, and such sum shall not be liable to alteration either through increase or diminution in the number of trips.

13. A separate *bona fide* tender must be sent in for each service.

14. The attention of tenderers is drawn to the condition which requires that in cases where vehicles are used, Members of Parliament shall be conveyed free of charge between the districts they represent and the districts in which they reside and Melbourne.

15. The contractor shall not be entitled to claim any extra payment on account of the establishment of any new Post Office, or the removal of any existing Post Office, during the term of his contract, unless such establishment or removal shall increase the distance to be travelled by such contractor on any one day to the extent of one mile.

16. No application for the transfer of a contract will be entertained until a fee has been paid of Ten shillings on a contract not exceeding £50 per annum, and Twenty shillings on a contract above £50 per annum.

17. The general conditions referred to in the printed form of tender, and upon which the tender is to be made, can be inspected by persons proposing to tender, either at the General Post Office or at any post office in the colony.

TENDER FOR ELECTRIC TELEGRAPH SERVICE.

CONDITIONS OF CONTRACT.

1. The Postmaster-General will not be bound to issue orders upon the contractors for all the articles enumerated in the schedules, but only for such articles and such quantities of those articles as the Postmaster-General may order from time to time; neither will the Postmaster-General be bound to take from the contractors any larger supply of any of the articles than may be

shown upon the orders which have been issued during the year, nor will he be bound to take any of the articles enumerated in the schedules for which orders have not been issued. Should the Postmaster-General require a larger supply of any article than the quantity stated in the schedules, the contractor will be bound to supply the same at the contract rate.

2. The supplies are to be according to sample, and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. In other cases the supplies are to be the best quality of their several kinds of manufacture. A preference will, however, be given to goods of Victorian manufacture, provided the quality be equal to the particular manufacture indicated in the schedule.

3. All orders must accompany the goods on delivery, otherwise the goods will not be received. Delivery, as a rule, is to be of the full quantity ordered.

4. Supplies ordered for delivery in Melbourne to be delivered free of all charges (whether cartage, freight, &c.) within a radius of six miles from the General Post Office.

5. Arrangements as to time of delivery and inspection of goods will be made by the Controller of Stores, General Post Office.

6. Orders must receive prompt execution; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the officer named in condition 5, or the head of the department, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account.

7. The contractor will be required to furnish his account in the prescribed form simultaneously with delivery of the full quantities of goods ordered, the account being rendered with order to which it relates. The prices quoted in the orders cannot be increased.

8. The acceptance of the supplies shall be subject to the approval of the officer named in condition 5. The contractor may, however, claim a survey on any goods objected to; but in that case he must, within twenty-four hours after objection is made, give notice thereof in writing to the officer rejecting the goods.

9. Delivery will not be deemed to have been made until the goods have been approved of. All articles rejected must be immediately replaced by the contractor, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in condition 6.

10. The members of boards of survey will be appointed by the Government, and the decision of the board is to be considered as final. If the board shall decide that the article is not of proper quality it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the survey fees and extra expense (if any) will be charged as in condition 6.

11. A repetition of irregularity in the quantity or quality of the supplies, or of a delay in delivering or replacing them when required, will subject the contractor, upon report, to such mulct, not exceeding Fifty pounds, as the Postmaster-General may direct, and the amount may be deducted as in condition 6 or from the contractor's security. It will also be in the power of the Postmaster-General, upon such repetition, to terminate the contract forthwith.

12. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised.

13. *Under no circumstances will a contractor be permitted to abandon his contract.* In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

14. In the event of any alteration in the Tariff affecting any of the items included in these contracts, the Postmaster-General will neither claim any decrease upon the contract price nor entertain any application from a contractor for any increase to it.

15. The contracts entered into under this notice are not to be considered as being broken, infringed, or violated by the importation of stores for the Electric Telegraph Service, or by any contracts made by the Imperial Commissariat or the Agent-General for Victoria, or by any contracts or agreements made for any works or supplies by the Department of Public Works or the Tender Board, or on account of other Governments; or by any article being made at and supplied for the use of any Government establishment; or by the consumption of the surplus stock of any Government establishment.
