CONTRACTS NOS. 1900/445 to 1900/447.			
CLOTHING FOR POST OFFICE AND DEPARTMENTAL MESSENGERS.			
Contract from 1st July, 1900, to 30th June, 1901.			
All Items to Sample.			
1900/445—Thomas Steedman—		Deposit £20	
1900/446—Lincoln, Stuart, and Co. Py. Ld.		„ £64	
1900/447—Jacob Solomon		„ £5	
Blue cloth, scarlet cloth, scarlet flannel, blue flannel, and scarlet serge for letter carriers', mail guards', gatekeepers', and telegraph messengers' uniforms, to be purchased from the Post Office Department, at the prices marked in schedule below, but all other material will have to be provided by the contractor at his own expense.			
The uniform is to be in strict accordance with samples, well fitted, well made, and hand or machine sewn (but the machine sewing must be confined to the seams of garments only, no stitching, or fellings, or pockets must be done except by hand), and in every respect subject to the approval of the Deputy Postmaster-General.			
Any article not fitting or bad in workmanship will be rejected, and the cost of the material that may be thereby rendered unserviceable for the purpose intended will be deducted from the contractor's account.			
Orders will be issued from time to time by the Deputy Postmaster-General for such articles as may be required. The summer clothing will be required by 31st October, and the winter clothing by 14th May in each year, under penalty of 1s. per day for each garment not received by that time; provided that the orders for the bulk supplies are issued two months previously.			
Should the contractor fail to furnish the articles when required, it will be competent for the Deputy Postmaster-General to obtain the same elsewhere at the contractor's risk, and any expense incurred over and above the contract price will be deducted from the contractor's account, and the contractor will also be subject to such mulct, by way of fine, as the Tender Board may recommend, the same to be deducted from any account that may be due to the contractor or from the security money.			
No subletting will be allowed. All work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the articles tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of not less than £2 5s. for a man, and £1 for a woman per week respectively; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

CONTRACTS NOS. 1900/454 AND 1900/455.  
CRATES AND EGG CASES FOR  
EXPORTATION PURPOSES.  
(Of Victorian Manufacture.)

Contract from 1st July, 1900, to 30th June, 1901:

1900/454—Jas. Moore— . Deposit £100

1900/455—Alex. Sturrock, jun.	£200
-------------------------------	------

All Crates supplied shall be strictly in accordance with the samples selected, constructed out of spruce pine and hardwood, and all supplies shall be subject to the approval of the Secretary for Agriculture, or any other officer authorized by him.

Tenders for Andrews' Patent Crate must include in the rate any royalty chargeable.

No subletting will be allowed, all work must be carried out in the factory of the contractor, the hours of employment of any person engaged in the manufacture of the Cases and Crates tendered for in this schedule shall not exceed 48 per week, the wages of any person shall be paid at a minimum wage of not less than 8s. per day (the employment of only one boy to three men will be allowed); and to enforce these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision will be binding, final, and conclusive as to the fact of infringement and in all other respects.

CONTRACTS NOS. 99/511 TO 99/513.

## DRUGS, MEDICINES, ETC.

99/511—Rocke, Tomsitt, and Co. Deposit £35.

99/512— " " " £65.

99/513—Duerdin and Sainsbury " £10.

Contract from 1st July, 1899, to 30th June, 1902.

Oils, tinctures, decoctions, infusions, and liquid preparations generally must be delivered in oval glass bottles. Fuming and other acids, spirits of ammonia, and deliquescent salts must be delivered in bottles having ground-glass stoppers when so ordered.

In cases where special manufactures are mentioned in the schedule, the contractor will be bound to supply the goods in the original packages, having thereon the maker's label or other trade mark, as a guarantee of the genuineness of the goods so supplied.

All articles must be of the best quality of the several kinds, and all preparations and compounds are to be those of the new "British Pharmacopœia," unless otherwise specially ordered.

	<b>SUB-SCHEDULE B.—INDIARUBBER GOODS OF VICTORIAN MANUFACTURE.</b>		
	The Indiarubber Goods supplied under this sub-schedule must be of the very best quality, subject to the approval of the Department ordering.		
	No subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the Indiarubber Goods tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of not less than £2 5s. for a man and £1 for a woman per week respectively; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of the conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

	CONTRACTS NOS. 1900/492 AND 1900/493. TINWARE, ETC. Contract from 1st July 1900/ to 30th June, 1903. All Items to Sample at Tender Board Offices. 1900/492—A. J. Barnes—Deposit £23 1900/493—Titan Manufacturing Coy. " £5 Where the sizes vary, all articles are to be made the sizes ordered. For the Lunatic Asylums the tinware goods are to be made of D xxxx best charcoal tin, and the galvanized-iron goods of Tenax steel, Old brand. Brass wire is to be used for the brass and tin domestics, tinned wire for the remainder of the tinware, and galvanized wire for the galvanized goods. The contractor will be allowed one month from the receipt of each order to complete the delivery. No subletting will be allowed. All work must be carried out in the factory of the contractor, the hours of employment of any person engaged in the manufacture of the tinware tendered for in this Schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of not less than £2 per week; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.	£ s. d.

## SPECIFICATION FOR VENETIAN BLINDS.

## OUTSIDE VENETIAN BLINDS.

*Frames.*—The frames to be constructed of clear pine, wrought throughout, with 1-in. jambs and soffits, dove-tailed at joints, and  $\frac{3}{4}$ -in. front and back linings, securely put together. The outside linings to be finished all round with small clear pine moulding mitred at angles, and the frames to be accurately fitted to openings with any cutting to shape required, and to be securely screwed to plugs in reveals. The head linings to be made to form casings of sufficient depth to entirely cover the blinds when drawn up, and the fronts of same to be divided into ornamental panels of approved patterns by means of selected mouldings planted on; the lower edges of outside head linings to be scalloped to approved pattern.

*Blinds.*—The laths, pulley bearers, and top and bottom laths of clean clear pine wrought throughout, and all laths to be  $2\frac{1}{2}$  inches wide and spaced not more than 2 inches apart; pulley bearers to be  $1\frac{1}{2}$  inch thick, to be properly mortised to receive pulleys, and to be neatly grooved for cords; top and bottom laths to be  $\frac{5}{8}$  inch thick and intermediate laths  $\frac{3}{4}$  inch thick, and all edges to be neatly rounded.

Blinds to be hung with all necessary brass pulleys, lignum vitæ or other approved drums, approved linen web ladder tapes, and 4-lb. best patent white cords, and to be provided with Young's patent cord-holders, or, when ordered, 6-in. double brass plate hooks. Blinds to be provided with brass pulleys, so that they may be raised and regulated from inside the rooms. Blinds up to 3ft. 6in. in width to have two lines of tapes and cords, and over that width three lines.

*Painting.*—The whole of the woodwork of blinds and frames to be primed with red lead and raw linseed oil, and to be then painted three coats of the best oil colour, composed of white lead, raw linseed oil, colour, turpentine, and dryers; the painting to be rubbed down with glass paper between the coats, and to be finished in selected tints. The last coat but one to be slightly darker than the tint selected for the finishing coat, and the last coat to be a coat of flatting. The whole to be once varnished with the best English pale copal varnish.

*Repairing, &c., old blinds.*—Repairing old blinds is to include taking down, washing, painting two coats of oil colour as before described and once varnishing both blinds and frames, providing and fixing approved new linen web ladder tapes and 4-lb. best patent white cords, and securely refixing and putting in working order.

## INSIDE VENETIAN BLINDS.

Inside Venetian Blinds to be as above described for Outside Blinds, except that they are to be made of California red pine without frames.

*Repairing, &c., old blinds.*—Repairing old blinds is to include taking down, washing, painting two coats of oil colour as before described and once varnishing, providing and fixing approved new linen web ladder tapes and 4-lb. best patent cords, and securely refixing and putting in working order. Any old galvanized iron brackets to be made thoroughly secure, and new galvanized iron brackets to be supplied and fixed where required.

## MATERIALS FOR ABOVE.

*Materials.*—The clear pine and red California pine for all blinds are to be sound, dry, and well seasoned; and the whole of the materials are to be of the best of their respective kinds, free from all defects, equal to samples to be seen at the Department of Public Works, and to be subject to the approval of the Superintending Officer. Blinds to be made generally to correspond with samples to be seen at the Public Offices.

*Fitting and fixing.*—Where the building for which the blinds are required is within a radius of 8 miles from the General Post Office the contractor will be required, when ordered to fix the blinds, to take his own dimensions, to properly fix the blinds either under soffits of windows or on approved galvanized iron brackets, securely screwed, and to make good any damage done to the buildings.

*Packing for transit to country.*—Where the building for which the blinds are required is beyond a radius of 8 miles from the General Post Office the contractor will be required, when ordered to pack the blinds for transit to the country, to provide proper packing cases and to securely pack the blinds, and to deliver them complete and perfect and ready for fixing at such railway station or other forwarding agency in Melbourne as may be directed.

*Generally.*—All blinds must be examined and passed by an officer of the Public Works Department before they are paid for.

All blinds to be made and painted on the contractor's premises, which must be within a reasonable distance of the city of Melbourne; and every facility must be afforded the officers of the Public Works Department for examining the work at any time previous to its delivery.

The contract for repairing, &c., only applies to buildings within the radius above mentioned.

The Government reserves the right, when erecting new buildings or when making additions or repairs to buildings outside the radius above mentioned, of including any Venetian blinds required in the general contract for such building, additions, or repairs.
