Articolo V.

Non sarà accordata la estradizione se dal commesso misfatto, dall'iniziato procedimento, o dalla condanna, si sia avverata la prescrizione dell'azione penale, o della pena, in base alle leggi dello Stato richiesto.

Article VI.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has in fact been made with a view to try or punish him for an offence of a political character.

Article VII.

A person surrendered can in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime or on account of any other matters than those for which the extradition shall have taken place, until he has been restored or had an opportunity of returning to the State by which he has been surrendered.

This stipulation does not apply to crimes committed after the extradition.

Article VIII.

The requisition for extradition shall be made in the following manner:—

Application on behalf of Her Britannic Majesty's Government for the surrender of a fugitive criminal in San Marino shall be made by Her Majesty's Consul for the Republic of San Marino.

Application on behalf of the Republic of San Marino for the surrender of a fugitive criminal in the United Kingdom shall be made either direct by the Captain Regent or by the Consul of the Republic accredited to the British Government in London.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A sentence passed *in contumacia* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

Article IX.

If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

Article X.

If the fugitive has been arrested in the British dominions, he shall forthwith be brought before a competent Magistrate, who is to examine him and to conduct the preliminary investigation of the case, just as if the apprehension had taken place for a crime committed in the British dominions.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the British dominions shall admit as valid evidence the sworn depositions or the affirmations of witnesses taken in San Marino, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of, a conviction, provided the same are authenticated as follows:—

1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the Republic of San Marino.

2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the Republic of San Marino, to be the original depositions or affirmations, or to be the true copies thereof, as the case may require.

3. A certificate of or judicial document stating the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the Republic of San Marino.

4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal and legalization of the Republic of San Marino; but any other mode of authentication for the time being permitted by the law in that part of the British dominions where the examination is taken may be substituted for the foregoing.

Article XI.

If the fugitive has been arrested in the Republic of San Marino, his surrender shall be granted if, upon examination by a competent authority, it appears that the documents furnished by the British Government contain sufficient *prima facie* evidence to justify the extradition.

The authorities of the Republic shall admit as valid evidence records drawn up by the British authorities of the depositions of witnesses, or copies thereof, and records of conviction or other judicial documents, or copies thereof: Provided that the said documents be signed or authenticated by an authority whose competence shall be certified by the seal of a Minister of State of Her Britannic Majesty.

Article XII.

The extradition shall not take place unless the evidence be found sufficient, according to the laws of the State applied to either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to. In Her Britannic Majesty's dominions the fugitive criminal shall not be surrendered until the expiration of fifteen days from the date of his being committed to prison to await his surrender.

Articolo VI.

Non verrà consegnato il delinquente fuggitivo se il reato per il quale viene chiesta la estradizione è di carattere politico, ovvero se egli prova che la domanda della sua consegna è fatta con l'intendimento di giudicarlo o di punirlo per un reato politico.

Articolo VII.

L'individuo consegnato non potrà in verun caso essere detenuto in prigione o sottoposto a giudizio nello Stato a cui fu consegnato per qualsiasi reato o per altre ragioni diverse da quelle per le quali avvenne la estradizione, fino a tanto che non sia stato liberato o non abbia avuto l'opportunità di ritornare nello Stato da cui fu consegnato.

Ciò non si applica ai reati commessi dopo la estradizione.

Articolo VIII.

Le domande di estradizione saranno fatte come appresso:—

Il Governo di Sua Maestà Britannica farà la sua domanda per la consegna di un delinquente fuggitivo in San Marino per mezzo del Console di Sua Maestà presso la Repubblica di San Marino.

La Repubblica di San Marino farà la sua domanda per la consegna di un delinquente fuggitivo nel Regno Unito o direttamente per mezzo dei Capitani Reggenti, ovvero per mezzo del suo Console accreditato a Londra presso il Governo Britannico.

La domanda di estradizione di un accusato deve essere accompagnata da un mandato di cattura rilasciato da una autorità competente dello Stato richiedente la estradizione, e da tale prova che, secondo le leggi del luogo dove l'accusato è trovato, giustificerebbe il suo arresto se il reato fosse stato qui commesso.

Se la domanda riguarda un individuo già condannato, essa deve essere accompagnata dalla sentenza di condanna della Corte competente dello Stato richiedente la estradizione.

Una sentenza pronunciata in contumacia non può ritenersi come condanna; ma l'individuo così colpito potrà essere trattato come imputato.

Articolo IX.

Se la domanda di estradizione sarà conforme agli anzidetti patti, le autorità competenti dello Stato richiesto procederanno alla cattura del fuggitivo.

Articolo X.

Se il fuggitivo è stato arrestato nei domini Britannici, egli sarà senz'altro tradotto dinanzi al competente Magistrato, il quale lo interrogherà ed eseguirà le indagini preliminari del fatto, nel modo stesso come se la cattura fosse avvenuta per un reato commesso nei domini Britannici.

Le autorità nei domini Britannici negli esami che debbono fare giusta i patti precedenti ammetteranno come prova valida le deposizioni o dichiarazioni testimoniali giurate raccolte in San Marino, o copie di esse, e similmente i mandati e le sentenze ivi emanate ed i certificati o documenti giudiziari attestanti la condanna, purché siano autenticati come appresso:—

1. Un mandato si deve presupporre firmato da un Giudice, Magistrato, od ufficiale della Repubblica di San Marino.

2. Le disposizioni o dichiarazioni, o le copie di esse, si devono presupporre certificate come originali, o come vere copie, a secondo del caso, da un Giudice, Magistrato, od ufficiale della Repubblica di San Marino.

3. Un certificato o documento giudiziario di condanna si deve presupporre certificato da un Giudice, Magistrato, od ufficiale della Repubblica di San Marino.

4. In ogni caso tale mandato, deposizione, dichiarazione, copia, certificato o documento giudiziario deve essere autenticato sia col giuramento di qualche testimone, o contrassegnato col sigillo ufficiale e con la legalizzazione della Repubblica di San Marino; ma qualsiasi altra forma di autenticazione consentita dalla legge vigente in quella parte dei domini Britannici dove viene eseguito l'esame può essere sostituita alle precedenti.

Articolo XI.

Se il fuggitivo è stato arrestato nella Repubblica di San Marino, la sua consegna sarà accordata se, previo esame condotto da una competente autorità, risulti che i documenti forniti dal Governo Britannico contengono prova sufficiente, *prima facie*, da giustificare la estradizione.

Le autorità della Repubblica riconosceranno come prova valida i verbali redatti dalle autorità Britanniche delle deposizioni dei testimoni, o copie di essi, ed i verbali di condanna od altri documenti giudiziari, o copie degli stessi, purché i detti documenti siano firmati ed autenticati da un'autorità la cui competenza sarà certificata mediante il sigillo di un Ministro di Stato di Sua Maestà Britannica.

Articolo XII.

La estradizione non avrà luogo a meno che la prova sia trovata sufficiente, secondo le leggi dello Stato richiesto, a giustificare o il rinvio del detenuto a giudizio, nel caso che il reato fosse stato commesso nel territorio del suddetto Stato, ovvero dimostrare che il catturato è l'identica persona condannata dai Tribunali dello Stato richiedente, o che il reato per il quale è stato condannato si a uno di quelli per quali la estradizione avrebbe potuto, all'epoca di tale condanna, essere accordata dallo Stato richiesto. Nei domini di Sua Maestà Britannica il delinquente fuggitivo non sarà consegnato se non saranno decorsi quindici giorni dal dì della sua incarcerazione in attesa della sua consegna.

Article XIII.

If the individual claimed by one of the two High Contracting Parties, in pursuance of the present Treaty, should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

Article XIV.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

Article XV.

All articles seized which were in the possession of the person to be surrendered, at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

Article XVI.

The expenses of arresting, maintaining, and transporting the person whose extradition is applied for, as well as those of landing over and transporting the property and articles, which by the preceding Article, must be restored or given up, shall be borne by the two States within the limits of their respective territories.

The expenses of transport or other necessary expenses by sea or through the territories of a third State shall be borne by the demanding State.

Article XVII.

Either of the High Contracting Parties who may wish to have recourse for purposes of extradition to transit through the territory of a third Power shall be bound to arrange the condition of transit with such third Power.

Article XVIII.

When in a criminal case of a non-political character either of the High Contracting Parties should think it necessary to take the evidence of witnesses residing in the dominions of the other, or to obtain any other legal evidence, a "Commission Rogatoire" to that effect shall be sent through the channel indicated in Article VIII., and effect shall be given thereto conformably to the laws in force in the place where the evidence is to be taken.

Article XIX.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign possession of Her Britannic Majesty, so far as the laws for the time being in force in such Colonies and foreign possessions respectively will allow.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions may be made to the Governor or chief authority of such Colony or possession by any person authorized to act in such Colony or possession as a Consular officer of the Republic of San Marino.

Such requisitions may be disposed of, subject always, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of criminals from San Marino who may take refuge within such Colonies and foreign possessions, on the basis, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, of the provisions of the present Treaty.

Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possession of Her Britannic Majesty shall be governed by the Rules laid down in the preceding Articles of the present Treaty.

Article XX.

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties at any time on giving to the other six months' notice of its intention to do so.

The Treaty shall be ratified, and the ratifications shall be exchanged at Rome as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the present Treaty in duplicate in English and Italian, and have affixed thereto the seal of their arms.

Done at Florence, the 16th day of October, 1899.

Articolo XIII.

Se l'individuo domandato da una delle due Alte Parti Contraenti in conformità del presente Trattato è anche domandato da un altro o da altri Stati per reati commessi nei rispettivi loro territori, la consegna di lui sarà accordata a quello Stato la cui domanda è di data anteriore.

Articolo XIV.

Se prova sufficiente per la estradizione non è prodotta nel termine di due mesi dalla cattura del fuggitivo, o entro quel termine maggiore che verrà stabilito dallo Stato richiesto, o dal suo competente Tribunale, il fuggitivo sarà posto in libertà.

Articolo XV.

Tutti gli oggetti sequestrati e trovati in possesso dell'individuo da consegnarsi, al momento della sua cattura, saranno, qualora l'autorità competente dello Stato richiesto per la estradizione ne abbia ordinata la consegna, resi quando viene effettuata la estradizione, e la detta restituzione non si restringerà solamente agli oggetti provenienti dal furto, o da altro reato, ma comprenderà qualunque cosa che possa servire di prova del reato.

Articolo XVI.

Le spese occasionate dall'arresto, mantenimento, e trasporto dell'individuo di cui si chiede la estradizione, come pure quelle occorse per la consegna e trasporto degli effetti di proprietà o degli oggetti che a tenore dell'Articolo precedente debbano essere restituiti e consegnati, resteranno a carico dei due Stati entro i confini dei rispettivi territori.

Le spese di trasporto od altre spese necessarie per mare, od attraverso i territori di un terzo Stato, resteranno a carico dello Stato richiedente.

Articolo XVII.

Ciascuna delle Alte Parti Contraenti che desiderasse ricorrere per motivi di estradizione al transito per il territorio di una terza Potenza, sarà obbligata di stabilirne le condizioni con tale terza Potenza.

Articolo XVIII.

Quando in un procedimento penale, non avente carattere politico, una delle Alte Parti Contraenti giudicasse necessario raccogliere la deposizione di testimoni domiciliati nei domini dell'altra, o di ottenere qualsiasi altro atto d'istruzione giudiziaria, saranno a tale effetto dirette, per il tramite indicato nell'Articolo VIII., lettere rogatorie, alle quali sarà dato corso conforme alle leggi vigenti nel luogo dove deve essere raccolta la prova.

Articolo XIX.

I patti del presente Trattato si applicheranno alle Colonie ed ai possedimenti stranieri di Sua Maestà Britannica nel limite consentito dalle leggi vigenti in dette Colonie o possedimenti stranieri, rispettivamente.

La domanda per la consegna di un delinquente il quale si sia rifugiato in alcuna delle dette Colonie o possedimenti stranieri, potrà essere fatta al Governatore od all'autorità suprema di tale Colonia o possedimento da qualsiasi persona autorizzata in tale Colonia o possedimento a disimpegnare le funzioni di ufficiale Consolare della Repubblica di San Marino.

Su tali domande potrà essere provveduto, in conformità, per quanto è possibile, dei patti di questo Trattato, dai rispettivi Governatori o dall'autorità suprema, le quali tuttavia avranno la facoltà di accordare la estradizione o di riferirne al proprio Governo.

Sua Maestà Britannica nondimeno potrà adottare speciali provvedimenti nelle Colonie Britanniche e nei possedimenti stranieri per la consegna dei delinquenti di San Marino che si fossero rifugiati in dette Colonie o possedimenti, in base, per quanto sia possibile, e nei limiti consentiti dalla legge di tale Colonia o possedimento Britannico, dei patti del presente Trattato.

Le domande per la consegna di un delinquente fuggitivo emanate da qualsiasi Colonia o possedimento straniero di Sua Maestà Britannica saranno regolate dalle norme espresse nei precedenti Articoli del presente Trattato.

Articolo XX.

Il presente Trattato andrà in vigore dieci giorni dopo la sua pubblicazione secondo le forme prescritte dalle leggi delle Alte Parti potrà, in ogni tempo, porre fine a questo Trattato previa denuncia di sei mesi.

Questo Trattato sarà ratificato, e le ratificazioni saranno scambiate a Roma al più presto possibile.

In fede di che i rispettivi Plenipotenziari hanno firmato in doppio originale, Inglese ed Italiano, questo Trattato, e vi hanno apposto il rispettivo sigillo.

MOORING BUOY IN MILFORD SOUND.

REFERRING to Notice to Mariners No. 5 of 1900, issued by this Department on the 31st January last, notice is hereby given that the mooring buoy in Milford Sound has been lifted and the moorings examined. The wire bridle had parted, but the main cable moorings were found to be intact; and, although the Government steamer *Hiacma*, when made fast to the buoy moorings, steamed full speed astern for twenty minutes she was unable to drag the moorings into deeper water.

A 24-cwt. anchor, attached to 120 fathoms of 4½-in. new galvanized-iron wire rope, which was shackled on to the moorings under the buoy, was laid out in the direction of the harbor entrance to the north-westward. The buoy now lies in 44 fathoms of water, and is 700 feet from the bank of 5 fathoms, low water, at the head of the sound, and S.S.E. from the buoy; the Bowen Falls being clearly open in the creek between the trees and Harrison Cove Creek, just open of Cascade Peak Point. Masters of vessels are cautioned that the wire mooring bridle is not heavy enough to hold a large vessel like the *Waikare* during a hard inshore gale.

From the 1st January, 1902, the new edition will alone be used, and its distinguishing sign will thenceforward be the code pennant hoisted in the ordinary way.

Mallee Lands Act 1896 and the Land Acts 1893 and 1900.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS UNDER SECTION 7, EITHER UNDER LICENCE OR PERPETUAL LEASE.

THE Government having resumed the land at Waitchie known as mallee block 25A, applications will now be received for the undermentioned allotments within the subdivision of such area.

The land is situated on the 143rd meridian, about 5 or 6 miles east of Lake Tyrrell. Its nearest point from Ultima (the present railway terminus) is 9 miles distant, and the farthest point about 35 miles.

Applications, accompanied by the registration fee of 5s., must be made on the usual form, addressed to the President of the Board of Land and Works, and lodged at any Crown Lands Office or Receipt and Pay Office in the colony before Friday, the 27th July, 1900.

One application and registration fee will only stand good for one allotment, but if an applicant desires to apply for more than one allotment he may do so.

The applications received will be dealt with by a Local Land Board, the date and place of sitting will be hereafter notified.

Married women are eligible to select.

The Crown reserves to itself the right to withdraw any area which may be required for timber, water supply, or any other purposes, and when subdividing the area will make such reservations as may be deemed necessary for future requirements and the protection of existing tanks or other improvements.

For 1st class land the rent payable under agricultural allotment licence is 1s. or 6d. (as the licensee may elect) per acre per annum, which is proportionately reduced for 2nd, 3rd, or 4th class land, and at the end of six years, if conditions with regard to residence, cultivation, improvements, and all other usual conditions have been complied with, a lease for fourteen years or 34 years, as the case may be, will be granted at the same rental, and a Crown grant will issue when such payments amount to £1 per acre, or, if desired, on the expiry of the licence a Crown grant will be issued on payment of 14s. per acre, or 17s. per acre, as the case may be. If 2nd class land, the total amount payable in order to obtain a Crown grant is 15s. per acre; if 3rd class land, 10s. per acre; and if 4th class land, 5s. per acre.

Rent payable under perpetual lease will be 1d. per acre per annum until 1903, after which, and at every successive period of ten years, the rent is calculated at 25s. per cent. on the unimproved value of the land.

The survey fees must be paid within seven days after an allotment has been granted.

The price payable for the resumption of the land is One shilling and threepence (1s. 3d.) per acre, as representing the value of the outgoing tenant's interest; this amount must be paid by the applicant either in cash within one month from the date of allotment or by half-yearly instalments, of such sums extending over the whole or any part of the licence, or over so many years of the perpetual lease not exceeding six (6), as the Board of Land and Works may determine, with interest at the rate of 4 per cent. per annum added.

Fencing, water, or other improvements on the allotments granted must be paid for in like manner.

Perpetual lessees must either reside on or within 5 miles of their land or else cultivate up to one-half of the area of their allotment before the end of the fourth year.

As soon as survey fees are paid, permits to occupy land will be issued the successful applicants.

Any further information required will be supplied at the following Crown Lands Offices:—Melbourne, Bendigo, Warracknabeal, Horsham, and St. Arnaud; also on application to the Crown lands bailiffs at Horsham, Swan Hill, and Charlton, where forms of application for licence or perpetual lease can be obtained.

Care should be taken by the applicant that he secures the correct form, and that it is properly filled up.

THOS. F. MORKHAM,
Secretary for Lands.

Department of Lands and Survey,
