Land Act 1898.

SWAMP LANDS AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE OR PERPETUAL LEASE.

MOE SWAMP.

THE allotments mentioned in the schedule hereunder will be available for application on or before Wednesday, 25th September, 1901.

Applications, accompanied by the registration fee of 5s., must be made on usual form, and lodged at the Crown Lands Office, Melbourne.

All applications so lodged on or before the above-mentioned date will be deemed to have been simultaneously made.

The applications received will be dealt with by a Special Local Land Board, the place and date of sitting of which will be hereafter notified.

Not more than one allotment may be included in any application.

Conditional Purchase Lease.

Every conditional purchase lease will be dated the 1st day of January, 1902, and may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

The purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments (including deposit), calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

On a conditional purchase lease application a deposit equal to the two (2) first instalments of purchase money, together with fees (including survey charge) must be paid within fourteen days after an allotment has been recommended.

Perpetual Lease.

On a perpetual lease application the first rent and fees (including survey charge) must be paid within fourteen days after an allotment has been recommended.

Rent.

Every perpetual lease will be dated the 1st day of January, 1902, and until the 29th December, 1909, the rent thereunder will be £4 per cent. per annum on the value of the allotment, and thereafter, till 29th December, 1919, the rent will be £4 per cent. per annum on the value of such allotment, as assessed by a Land Classification Board, and thereafter the value of the allotment will be re-assessed every ten years, and the rent will be calculated according to such re-assessment.

Conditional Purchase Lease and Perpetual Lease.

Every conditional purchase lease and every perpetual lease of an allotment will contain the following special conditions:—

(a) a condition that the lessee or purchaser shall make substantial improvements on the land to the extent of 10s. per acre in each of the first three years from the date of lease or sale; and

(b) a condition on the part of the lessee or purchaser to keep open all canals and drains.

The Board has power to grant, subject to such terms and conditions as it thinks fit, authority to the owner or occupier of any allotment to cut a drain through any adjoining allotment without making compensation to the owner or occupier thereof, such drain to run parallel with and within 10 links (approximately 6½ feet), where practicable, of a boundary line of such allotment.

On payment of deposit or rent, together with fees, a permit to occupy will forthwith issue.

Care should be taken by the applicant that he secures the correct form, and that it is properly filled up.

Plans (price 1s.) and further information may be obtained at the Inquiry-room, Crown Lands Office.

TENDERS FOR GRAZING LANDS.

Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Friday, 27th September, 1901.

NOTE.—No tender will be accepted unless the fee for the period from 1st October, 1901, to 30th June, 1902, and fee of Five shillings for licence, are forwarded with the tender.

TENDERS will be received by the Board of Land and Works up to Twelve noon on Friday, 27th September, 1901, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 123rd section of the *Land Act 1890*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6a. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 116 of the *Land Act 1890* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of £1.

8. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring-barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

Special Conditions.

1. The period of occupation will be for nine months—from 1st October, 1901, to 30th June, 1902.

2. The fee for the period from 1st October, 1901, to 30th June, 1902—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 792," or "Lot 2, Block 3973," or "Lot 3, Block 4515," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.
