NOTE.—Incoming lessee to pay the value of improvements (if any) on these allotments.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS, EITHER UNDER LICENCE OR PERPETUAL LEASE.

THE situation of the land is on the Murray River, about twenty-five (25) miles north-west from Swan Hill, in the parish of Piangil, and is known as the "Murray river frontage reservation."

The land may be reached either by coach or steamer from Swan Hill.

Applications for the undermentioned allotments, accompanied by the registration fee of 5s., must be made on the usual form, addressed to the President of the Board of Land and Works, and lodged at any Crown Lands Office or Receipt and Pay Office in the State before Friday, the 20th day of December, 1901.

One application and registration fee will only stand good for one allotment, but if an applicant desires to apply for more than one allotment he may do so.

No person who already holds the area of mallee land allowed by classification will be eligible to select, but holders of less than such area will be entitled to apply for the difference between the area held and that which the classification of the land entitles them to select.

Married women are eligible to select.

The applications received will be dealt with by a Local Land Board, the date and place of hearing will be hereafter notified.

For 1st class land the rent payable under agricultural allotment licence is 1s. or 6d. (as the licensee may elect) per acre per annum, which is proportionately reduced for 2nd, 3rd, or 4th class land, and at the end of six years, if conditions with regard to residence, cultivation, improvements, and all other usual conditions have been complied with, a lease for fourteen years or 34 years, as the case may be, will be granted at the same rental, and a Crown grant will issue when such payments amount to £1 per acre, or, if desired, on the expiry of the licence a Crown grant will be issued on payment of 14s. per acre, or 17s. per acre, as the case may be. If 2nd class land, the total amount payable in order to obtain a Crown grant is 15s. per acre; if 3rd class land, 10s. per acre; and if 4th class land, 5s. per acre.

Rent payable under perpetual lease will be 1d. per acre per annum until 1903, after which, and at every successive period of ten years, the rent is calculated at 25s. per cent. on the unimproved value of the land.

Perpetual lessees must either reside on or within 5 miles of their land or else cultivate up to one-half of the area of allotment before the end of the sixth year, or else effect improvements to the value of 10s. per acre during the first six years of lease.

The survey fees must be paid within 21 days after an allotment has been granted.

As soon as survey fees are paid, permits to occupy land will be issued the successful applicants.

Any further information required will be supplied at the following Crown Lands Offices:—Melbourne, Bendigo, Warracknabeal, Horsham, and St. Arnaud; also on application to the Crown lands bailiffs at Horsham, Swan Hill, and Charlton, where forms of application for licence or perpetual lease can be obtained.

Plans may be obtained, at a cost of 1s. each, either from the Land officer at Bendigo, or from the Crown Lands Department, Melbourne.

Licensees and perpetual lessees are not entitled to transfer, assign, mortgage, sublet, nor part with the possession of land for six years from date of licence or perpetual lease.

Care should be taken by the applicant that he secures the correct form, and that it is properly filled up.

D. J. DUGGAN,

Commissioner of Crown Lands and Survey.
Department of Lands and Survey,
Melbourne, 2nd December, 1901.

Alternative tenders are required for white and Algerian oats.

Printed forms of tender and conditions of contract may be obtained from the Secretary, Tender Board, Treasury, Melbourne, or from the officer in charge at the station, by whom also information or explanation will be afforded to persons tendering.

As much forage as can be stored at any station where the storage is small will, for the convenience of the contractor, be ordered at one time.

The price, which must be expressed in words as well as in figures, and without alterations, erasures, or discrepancies, must be per cental of 100 lbs. (net weight), including delivery at the stations, and all charges except the bags, which will remain the property of the contractor. At stations where the bags can be at once emptied the contractor will be required to remove them when delivery is taken. At other stations, notice will be sent to the contractor when the bags are empty. Bags to be removed at contractor's expense.

Tenders, which should be upon the printed form, will be received for either oats, bran, hay, or straw (the particular kind of hay or straw offered to be stated); but if all be included in one tender it may be accepted for one article only, if advisable. Oaten hay will be preferred. If sheaf hay be tendered for, it must be so stated in the tender.

A tenderer not desiring to accept a contract for part of the requirements of any station should write against such station the words "all or none."

Telegrams or tenders not complying with the terms of advertisement will not be entertained.

The successful tenderer will be required to enter into a bond for the sum of £5 per horse per station, based on the estimated quarterly consumption of 8 centals of oats, 1 of bran, 12 of hay, and 3 of straw per horse, or thereabouts, within ten days after the acceptance is notified. Two approved sureties are required for contracts where the sum stated in the bond is £50 and upwards, and one surety where the sum stated is under £50.

Tenderers failing to take up their accepted tenders, or failing to carry out their contract satisfactorily, will be ineligible to again hold contracts for Government supplies.

Tenders must be enclosed in an envelope, marked "Tender for Forage," and deposited in the Tender-Box, Pay Office, Treasury, Melbourne; or, if sent by post, they must be addressed to the Chairman of the Tender Board, Treasury, Melbourne.

The Government will not necessarily accept the lowest or any tender.

The decision of the Government will be made known by *Gazette* notice, and by letter to accepted tenderers.

CONDITIONS OF CONTRACT.

1. The hay to be good, sound, and sweet, and properly trussed, except when otherwise specified in the contract; the straw to be wheat or oaten, and both to be in all respects of the best quality; oats, white or Algerian (Victorian grown), of the best description of their respective kind, full kernel, clean, and free from wild oats or other objectionable seeds; bran to be sound and sweet, and of the best description; chaff to be made from oaten hay of the best quality; the maize to be of the best quality. The hay tenders must specify whether they are for oaten or wheat hay.

2. The supplies are for police, telegraph, and other horses, and are to be delivered on the order of the officer in charge of the district or station. The quantities stated in the schedule being only approximate, it must be understood that the Government may draw either more or less than those mentioned; and should new telegraph stations be formed, or additional horses required to be stationed at any of the stations, the contractor will be required to supply the additional forage. Should the additional number of horses, however, exceed two, the contractor may, if he desires it, terminate the contract by supplying at once the whole quantity due at the station under the contract according to the foregoing schedule.

3. Notwithstanding anything contained in the preceding condition, the contractors for the supply to the Police Depot may be called upon to supply any Government Departments within a radius of six miles from Melbourne, for which no contracts have been taken, and also forage for any extra horses that may be at any time stabled at the depot for police purposes, at the same rates.

4. The forage, when delivered, must be accompanied by the particulars of quantity, showing the net weight, to be indorsed on the back of the order, which, when signed by the officer in charge of the station, for the net quantity received, will be returned to the contractor, and by him rendered in support of his account.

5. Each contractor will be required to prepare his own account in the prescribed form, and, on presentation thereof to the officer in charge of the station or district, it will be forwarded for payment at the Treasury, Melbourne, or the Pay Office of the district, as may be indicated by the contractor on the account.

6. Should forage duly ordered under these contracts not be delivered within forty-eight hours of the time specified in the order for delivery, it will be competent for the department (should circumstances require it) to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.

7. In the event of a difference of opinion between the contractor and the officer receiving the forage as to the quality of the same, it is to be decided by a board of survey, composed of persons named by the head of the department ordering the supply, and the decision of the Board is to be considered final.

8. If the Board shall decide that the forage is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the extra cost, if any, will be charged as in clause 6.

9. When a board of survey cannot be conveniently assembled, or when, from some other cause, injury would accrue either to the public service or to the contractor by waiting for a board of survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected forage, and supply good in its stead, failing which it will be obtained by the officer requiring it, and the expense will be charged as in clause 6.

10. A refusal to execute orders, irregularity in the quantity or quality of the forage, or delay in delivering or replacing it when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £20, as the Treasurer of the Colony for the time being may direct. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

12. Under no circumstances will a contractor be permitted to abandon his contract, and in the event of his failing to carry on his contract he will be held liable for any loss which the Government may sustain in consequence of such failure. In the event of a station being discontinued or any change in the supplies required, the contractor will receive the earliest possible intimation.

13. The contracts entered into under this notice are not to be considered as broken, infringed, or vitiated by the purchase by any Department of forage grown at any Government establishment.
