Every closet shall be provided with a cess-pan, constructed of galvanized iron, properly riveted and soldered so as to be water-tight, with handles thereto, and of a capacity not exceeding two cubic feet.
10. If the pan of any privy or earth-closet within the said city shall at any time be leaky or overflowing, the occupier of the premises on which such leaky or overflowing pan shall be shall forthwith give notice thereof to the inspector for the said city.
11. No person, except a nightman licensed by the said council, or a nightman employed by any person or persons carrying out a contract with the said council for the removal of night-soil from places within the city, shall empty or remove the contents of any earth-closet, privy, cess-pan, or place for the reception of night-soil, and then only by means of a cart, carriage, or other conveyance, properly constructed so as to prevent the escape of the contents, or any portion thereof, or of effluvia therefrom.

14. Every person who shall, by any act or default, be guilty of any breach of this part of this by-law shall be liable to a penalty of Ten pounds for every such breach, or of Five pounds for each day during which such breach shall be committed or continued, unless the justices before whom the penalty is sought to be recovered shall order any portion only of either of the said penalties, such portion not being less than Five shillings, to be paid, and any person committing such breach as aforesaid shall be liable to the penalty notwithstanding that the council of the said city may be empowered by this by-law or otherwise to remedy such breach and whether such council has or has not taken advantage of such powers or not.

PART III.

15. That from and after the coming into operation of this by-law no person or persons shall construct the foundations of any building within the city of South Melbourne, except in the case of basements and cellars, unless the ground over which such building is to be placed is properly levelled and is at a sufficient height above the level of the lowest adjoining street channel to render such foundations and the ground over which such building is to be placed dry, sound, and well drained, so that no water soakage or damp shall lodge there.
16. Any person committing any breach of this part of this by-law shall be liable to a penalty of Ten pounds for every such breach or of Five pounds for each day during which such breach shall be continued, unless the justices before whom the penalty is sought to be recovered shall order any portion only of either of the said penalties, such portion not exceeding Five shillings, to be paid.

9. Notice of Election.—Nomination of Candidates.—Second Schedule.—Fourteen clear days before any election of Commissioners under these regulations, the returning officer shall give public notice of such election by advertisement inserted in some newspaper generally circulating in the Nhill township, and by such notice shall require all candidates at such election to be nominated at some place within the said township to be named in such notice in manner hereinafter mentioned, between the hours of Ten o'clock in the forenoon and Four o'clock in the afternoon, on some day before a day (hereinafter called the day of nomination) not less than four nor more than seven days after the time of giving such notice, and named therein, and any person desirous of becoming a candidate shall, before Four o'clock in the afternoon of the day next preceding the nomination day, cause to be delivered at the place aforesaid to the returning officer a nomination paper, in the form to the Second Schedule, or to the like effect, stating therein both his christian and surname, together with the other particulars required in and by the said Schedule; and such nomination paper shall be signed by

not less than three persons duly qualified to vote at such elections, as well as by the candidate. And no person who shall not have been so nominated shall, within the provisions of these Regulations, be deemed to be a candidate at any election of Commissioners.

10. Qualifications of Commissioners.—No person shall be eligible for election as a Commissioner unless he is liable to be rated under the Water Acts in respect of property within the district of the Trust.

11. Where Number of Candidates does not exceed Number of Commissioners to be elected.—If, at the expiration of the time limited as hereinbefore provided for the nomination of candidates, the number of persons who have become candidates be aforesaid does not exceed the number of Commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

12. Where Number of Candidates exceeds the Number of Commissioners to be elected.—Third Schedule. Notice of Poll. Hours of Polling.—If, at the expiration of the time limited for the nomination of candidates, the number of candidates exceeds the number of Commissioners to be elected, then the returning officer shall forthwith cause the ballot-papers to be printed, with the christian names and surnames of all the candidates in full in the form of the Third Schedule hereto, and shall also give public notice by advertisement in some newspaper circulating in the Nhill township, stating the names of the persons so nominated, and that a poll will be taken for the election of such Commissioners upon the day named in such notice, at such place within the said township as the returning officer shall in and by such notice appoint; and such poll shall take place accordingly, and shall commence at Eight o'clock in the forenoon, and close at Seven o'clock in the afternoon.

13. Retirement of Candidates before polling day.—If, at any election, after a poll shall have been appointed as aforesaid, any candidate for such election, and two of the persons having signed the paper nominating him as aforesaid, are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the returning officer, not later than four clear days before the day of polling, a notice in the form of the Fourth Schedule hereto, stating that such candidate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the Nhill township a copy of such notice, and the returning officer, on sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election, shall, on the day appointed for the election, declare the remaining candidates duly elected, and, if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election, and, if such papers are already printed, shall erase such name therefrom; and such person shall not be capable of being elected at such election.

14. Polling booth may be hired.—At such election the returning officer shall provide a suitable place for taking a poll, and may, if necessary, cause to be hired and used as a polling booth any room which he may deem to be suitable at the place appointed for taking the poll, and may divide such room into compartments as to him may seem most convenient.

15. Returning Officer to preside at Polling Booth.—The returning officer or his deputy shall preside at the polling booth for taking the poll.

16. Scrutineers may be appointed.—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in the polling booth, and the said returning officer or his deputy, and the said scrutineers, and any voters not exceeding four in number, actually engaged in voting, shall alone be permitted at any one time to enter or remain in the polling booth.

17. Pencils to be provided.—The returning officer or his deputy shall provide pencils in the polling booth for the use of the voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot-papers, and such box shall be opened and exhibited to the scrutineers before the polling begins; and the box shall then be locked, and shall stand on a table opposite the returning officer or deputy returning officer, who shall keep the key of such box.

18. Mode of voting where Voter is illiterate.—The returning officer shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one, then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of the Third Schedule thereto, and initialled by the returning officer; and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the returning officer or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate; and after such name or names have been so struck out, the ballot-paper or ballot-papers (as the case may be) shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling booth shall be demanded and received by him at one and the same time; and no person having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

19. Ballot-papers to be numbered.—Before delivering any ballot-paper to the voter, the returning officer or his deputy shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll, and shall thereupon, upon a copy of

such roll, check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

20. Informal Ballot-papers.—If any voter suffer to remain upon his ballot-paper a greater number of names not struck out than the number of Commissioners to be elected, the vote given on and by such paper shall be void and of no effect.

21. What Question may be asked.—At any election of Commissioners the returning officer may, if he see fit, or if required to do so by any candidate or scrutineer, put to any person tendering his vote the question following:—

"Are you the person whose name appears as (A.B.) in the roll now in force for this Trust, being enrolled therein in respect of property described to be situated in (here specify the street or other place described in the roll)?"

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question, or who shall not answer the same absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

22. False Answer, Polling Twice, and Personation.—Every person who shall wilfully make a false answer to the question aforesaid, or who shall poll more than once or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling booth after having received a ballot-paper, without having deposited the same in the ballot-box, as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled to do.

23. Result of Polling, how ascertained.—Immediately on the close of the poll, the returning officer shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be present, proceed to ascertain the number of votes for each candidate; and such returning officer shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided; and the returning officers shall seal up the ballot-papers deposited in the booth, and as soon as conveniently may be on or after the day of the poll, publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected Commissioners of the Trust; and if two or more candidates have received an equal number of votes, the returning officer shall determine by lot the candidate to hold office.

24. Ballot-papers, how disposed of.—The returning officer shall forthwith after the declaration of the poll indorse with a description of the contents thereof, and sign the sealed parcel of ballot-papers, and forward the same to the Secretary of the Trust, to be by him safely and secretly kept for six months, then next ensuing, and then by him caused to be destroyed in the presence of three Commissioners of the Trust.

25. Minister to determine question arising upon first election. If any question arise as to the due election of any Commissioner at the first election, the returning officer shall, at the request of any voter or candidate, submit such question, in writing, to the Minister, who shall decide the same; and such decision shall be final and binding.

26. Questions arising upon subsequent election to be determined by the Trust.—If any question arise as to the due election of any Commissioner at any subsequent election (whether ordinary or extraordinary), such question shall be determined by the Commissioners of the Trust at the first ordinary meeting held after the election; but no Commissioner in respect of whose election such question shall have arisen shall act as a Commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a Commissioner until such question shall have been so determined; and the majority of the Commissioners whose election is not in dispute shall form a quorum.

27. Appeal to Minister from Determination of Trust.—In event of any voter or candidate feeling aggrieved by the determination of the Trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the Commissioners shall have determined the question, and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just; and such determination of the Minister shall be final and binding.

28. Failure to Elect deemed to create Extraordinary Vacancies.—If at any election of Commissioners no vacancies or a number of vacancies less than the whole number which should have been filled up at such election are filled up, then the vacancies which are not so filled shall severally be deemed extraordinary vacancies and to have occurred on the day appointed for such election. Provided always that the Commissioners eventually elected or appointed to fill such vacancies shall go out of office as if elected at such election.

29. Expenses of Election to be paid by Trust.—The expenses incurred by the returning officer, or under his direction, in connexion with any election shall be defrayed by the Trust.

30. Penalty for Breach of Regulations.—Any person guilty of a breach of any of the provisions of these regulations shall be liable to a penalty not exceeding Ten pounds, to be recovered in a summary manner before justices of the peace.

31. Interpretation.—In these regulations words importing the masculine gender shall be deemed and taken to include females, unless there is something in the context repugnant to or inconsistent with this interpretation.

Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Friday, 26th July, 1901.

NOTE.—No tender will be accepted unless the fee for the period from 1st August, 1901, to 30th June, 1902, and fee of Five shillings for licence, are forwarded with the tender.

TENDERS will be received by the Board of Land and Works up to Twelve noon on Friday, 26th July, 1901, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 123rd section of the *Land Act 1890*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.
2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.
3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.
4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.
5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.
6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.
- 6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.
- That where improvements are authorized under section 116 of the *Land Act 1890* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.
7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of £1.
8. The licensee shall be liable to forfeiture if the licensee commit a breach or neglect to comply with these conditions.
9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.
10. The ring-barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.
11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.
12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.
13. The licensee shall keep the land free from voronin, and, should he fail to do so, the licence shall be liable to forfeiture.

Special Conditions.

1. The period of occupation will be for eleven months—from 1st August, 1901, to 30th June, 1902.
2. The fee for the period from 1st August, 1901, to 30th June, 1902—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.
3. Tenders to be for so much per lot and block per annum.
4. Separate tenders must be lodged for each block.
5. Tenders to be indorsed—"Tender for Lot 1, Block 3367," or "Lot 2, Block 3723," or "Lot 3, Block 6538," as the case may be.
6. The highest or any tender not necessarily accepted.
7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.
