TRIENNIAL GENERAL RENEWAL OF ELECTORS' RIGHTS.

IMPORTANT NOTICE TO ELECTORS.

IT is hereby notified that all persons who are holders of electors' rights issued before or on the 1st November, 1901, must, not later than the 1st November next, obtain renewed rights in lieu thereof, in order to have their names retained upon the new General Electoral Lists, which will be made up for the Legislative Assembly on the 1st November and for the Legislative Council on the 1st December next.

Neglect of this precaution will result in the omission of the names of the persons so neglecting from such Lists.

The old right must in every case be delivered up to the Registrar or Deputy, but the renewed right will be equally available for any election that may take place before the coming into force of the new rolls in April, 1903.

Intending applicants for electors' rights are cautioned to apply early to the Registrar. If application be postponed until the last day allowed for the purpose, the Registrar or Deputy may be unable to issue rights to all applicants, and those to whom rights are not issued will not be enrolled, and will lose their title to vote.

No person whose name is on, or entitled to be on, any roll of ratepaying electors for any division of a province may obtain an elector's right for such province.

No person whose name is already on the roll of ratepaying electors for any division of an electoral district may obtain an elector's right for such district.

Foreigners who desire to obtain electors' rights must, if not already naturalized in Victoria, obtain letters of naturalization, without which they are not qualified.

Electors' rights for the Legislative Assembly can now be obtained free of charge, and "residential" rights for the Assembly may be applied for either in person or in writing through the post. Forms necessary for applications through the post are obtainable at the offices of the Registrars and Deputies, and at all Courts of Petty Sessions, Post Offices, and Police Stations.

Each applicant for an elector's right for the Legislative Council should provide himself with the stamp (6d.) necessary for payment for the right.

THE MELBOURNE AND METROPOLITAN BOARD OF WORKS.

ACCIDENT TO TROUBRIDGE LIGHT-HOUSE.

REFERRING to previous notices circulated locally respecting the accident to the above light as the result of an earthquake, masters of vessels and others are informed that the fixed light placed temporarily has now been superseded by a revolving light, visible for a distance of at least 15 miles.

The period of revolution is not yet regulated, but will be advised shortly in a further notice.

[No. 36.]

CAPE OTWAY LIGHT.

REFERRING to Notice to Mariners, No. 30, dated 4th July, 1902, it is hereby notified that the Cape Otway white flashing light has been screened or cut, so that the characteristic three flashes in quick succession every minute are only visible from seaward between the bearings S. 79° E. and S. 81° W.

Shoreward of such bearings, however, the light will still be seen, but the flashes diminish gradually from three to two, then from two to one, and finally the single flash is lost at about a distance of 15 degrees inside of the above bearings.

Mariners seeing the light as a single or double flash will therefore know they are shoreward of the bearings defining the limits of the full three flash cuttings.

It is intended on and after the 13th of February, 1903, to show red sectors of the light between the bearings above mentioned and the shore to eastward and westward of the light-house.

- (3) For every house or tenement above the annual municipal value of Thirteen pounds per annum, the sum of Seven pounds ten shillings per centum per annum shall be paid on the annual value of such property.
- (4) For all tenements in the said district situate otherwise than on streets in which pipes for the supply have been laid down, and which tenements are not supplied with water by reticulation from such pipes, and being within one-quarter of a mile from any stand-pipe for the supply of water, one-half of the above-mentioned rate, and where such tenements are more than one-quarter of a mile from such stand-pipe, and within half-a-mile, one-fourth of the forementioned rate.
- (5) Such owners of tenements as are supplied with water through meters shall pay at the rate of One shilling and sixpence per 1,000 gallons up to the quantity they would be entitled to receive according to their assessment, and at the rate of One shilling per 1,000 gallons for anything over that quantity.

- (7) Such owners or occupiers of gardens, steam-engines, or stock who are supplied from the Trust reservoir with water shall, if the Commissioners of the Trust think necessary, pay an extra rate beyond that which they are already paying (if any), if, in the opinion of the Trust, such owners or occupiers are not paying a just proportionate rate for the water they are using, provided such owners or occupiers are first notified in writing of the Trust's intention to make such a charge.
- (8) Such rates are hereby made payable half-yearly in advance on the 1st January and 1st July, 1903.
- (9) No person shall affix any service-pipe to any pipe of the Trust, or alter, or repair, or in any way interfere with any pipe of the Trust, or any service-pipe, cock, or fitting connected with the pipes of the Trust, until he shall have obtained from the Trust a licence in that behalf to execute such work. Any unlicensed person affixing, altering, or repairing, or in any manner interfering with any such pipes, service-pipes, cock, or fitting as aforesaid, shall be liable to a penalty of not exceeding Ten pounds.
- (10) Before any such licence shall be granted by the Trust, the person applying for the licence shall satisfy the Trust that he is a competent plumber. The Trust shall have the power of cancelling such licence at any time.
- (11) Such person or persons as the Commissioners of the Trust may from time to time appoint for the purpose shall be authorized to demand, collect, and recover the said rates and charges.

R. H. DAVIES, Shire Secretary.

Shire Office, Jamieson, 4th September, 1902. 3087

TAKE notice that the Council of the Shire of Marong intends, after the expiration of four consecutive weeks from the first publication of this notice in the *Government Gazette* and *Bendigo Advertiser* newspaper, to apply to the Honorable the Minister of Lands for the issue of a licence to Thomas Connor, of Marong, farmer, for the erection of two unlocked swing gates upon a 1-chain road running east from the main Serpentine to Bendigo 3-chain road towards Myers Creek and Eaglehawk, and dividing allotments 90 and 91A and 90A, in the parish of Leichardt, the property of the said Thomas Connor, so far as such road divides the said allotments. The reasons for making such application are—That the said road is not required for public traffic; That the temporary closing of such roads by means of unlocked swing gates will not be injurious to the public, and would not create any inconvenience.
