Tender.

SUPPLIES FOR THE GOVERNMENT PRINTER.

TENDERS will be received until Eleven o'clock a.m. on Tuesday, the 1st July, from persons willing to furnish the undermentioned articles, in such quantities as may be ordered by the Government Printer or other Government Departments, from 1st July, 1902, to 30th June, 1903:—

	Preliminary Deposit.	Security.
No. 29. Printers' and bookbinders' materials	£ 6	£ 30

Schedules as above, giving an estimate of the articles required, and printed forms of tender, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information or explanation afforded to persons tendering.

Tenders must include the whole of the articles mentioned in the schedule, and a separate price must be stated for each article.

The total amount of the tender where indicated must be expressed in words as well as in figures.

Tenders having alterations or erasures therein will not be entertained.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank notes, or a bank draft in favour of the Secretary of the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security will be required, either in Victorian Government debentures, Savings Bank deposit book, or Bank deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

Persons failing to take up their contracts will be disqualified from tendering for Government supplies for a period of twelve months.

Tenders, enclosed in a separate envelope, and having the words "Tender for Printers' and Bookbinders' Materials" written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

No. 69.—JUNE 27, 1902.—1.

CONDITIONS OF CONTRACT.

1. The Government will not be bound to order from the contractor all or any of the articles enumerated in the schedule, but only those articles, and such quantities of those articles, as it may be found necessary to order. Should the Government, however, require a larger supply of any article than the quantity stated in the schedule, the contractor will nevertheless be bound to supply the same at contract rates.

2. The supplies are to be the same as sample (where so stated), and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. In other cases the supplies are to be the best quality of their several kinds or manufacture. A preference will, however, be given to goods of Victorian manufacture, except Item 23, provided the quality is equal to the particular manufacture indicated in the schedule.

3. All orders for supplies will emanate from the Government Printer. These orders must accompany the goods on delivery, otherwise the goods will not be received. Delivery, as a rule, is to be of the full quantity ordered.

4. Supplies ordered must be delivered free of all charges (whether cartage, freight, &c.). The value of all packages, cases, casks, &c., whether bulk be broken or not, must be included in the prices stated in the contractor's tender; all such packages, &c., to be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, casks, &c. The net weight or quantity only will be paid for.

5. Arrangements as to time of delivery and inspection of goods will be made by the Government Printer.

6. Orders must receive prompt execution; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the Government Printer, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

7. The contractor will be required to furnish his account in the prescribed form simultaneously with delivery of the full quantities of goods ordered, the account being rendered with the order to which it relates. The prices quoted in the orders cannot be increased.

8. The acceptance of the supplies shall be subject to the approval of the Government Printer, whose decision shall be final.

9. Delivery will not be deemed to have been made until the goods have been approved of. All articles rejected must be immediately replaced by the contractor, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in Condition 6.

10. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount may be deducted as in Condition 6. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any portion of the security money.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

12. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government Printing Office; or by any article being made at any Government establishment, and supplied for use in the Government Printing Office; or by the consumption of the surplus stock of any Government establishment.

13. In the event of any alteration in the Tariff affecting any of the items included in this contract, the Government or the contractor (as the case may be), may give two months' notice of the termination of the contract to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made.

14. Under no circumstances other than those mentioned in clause 13 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

WM. SHIELDS,
Treasurer.
