MALEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS UNDER LICENCE.—EXTENSION OF TIME FOR RECEIVING APPLICATIONS.

THE land, known as Nypo, is situated on the north-east of Lake Albacutya, about 13 to 18 miles from Rainbow railway station.

Applications (with uncanceled duty stamp of value of 5s. affixed) must be made on the usual form, addressed to the President of the Board of Land and Works, and lodged at any Crown Lands Office or Receipt and Pay Office in the State on or before Friday, 6th January, 1905.

One application and duty stamp will only stand good for one allotment, but if an applicant desires to apply for more than one allotment he may do so.

No person who already holds the area of mallee land allowed by classification will be eligible to select, but holders of less than such area will be entitled to apply for the difference between the area held and that which the classification of the land entitles them to select.

Married women are eligible to select.

The applications received will be dealt with by a Local Land Board, the date and place of hearing will be hereafter notified.

For 3rd class land the rent payable under agricultural allotment licence is 6d. or 3d. (as the licensee may elect) per acre per annum, and at the end of six years, if conditions with regard to residence, cultivation, improvements, and all other usual conditions have been complied with, a lease for fourteen years or 34 years, as the case may be, will be granted at the same rental, or, if desired, on the expiry of the licence a Crown grant will be issued on payment of 7s. per acre, or 8s. 6d. per acre.

The survey fees must be paid within 28 days after an allotment has been granted.

Any further information required will be supplied at the following Crown Lands Offices:—Melbourne, Bendigo, Warracknabeal, Horsham, Ararat, Ballarat, and St. Arnaud; also on application to the Crown lands bailiffs at Horsham and Charlton, where forms of application can be obtained.

Plans may be obtained, at a cost of 1s. each, at the Lands Offices abovementioned, and at the Crown Lands Department, Melbourne.

Licensees are not entitled to transfer, assign, mortgage, sublet, nor part with the possession of land for six years from date of licence.

Care should be taken by the applicant that he secures the correct form, and that it is properly filled up.

Commissioner of Crown Lands and Survey.

NOTE.—No tender will be accepted unless the fee for the period from 1st January, 1903, to 30th June, 1905, and fee of Five shillings for licence, are forwarded with the tender.

TENDERS will be received by the Board of Land and Works up to Twelve noon on Wednesday, 21st December, 1904, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the Land Act 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fees as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the Land Act 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1901, or for mining purposes.

2. In case the said land; or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate, or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A.
