PORT PHILLIP HEADS.—BLASTING AND SWEEPING OPERATIONS.

PILOTS, exempt masters, and boatmen are hereby notified that blasting and sweeping operations in the fairway at entrance to Port Phillip will be resumed on or about the 9th instant.

The following signals will be shown from the mast-head of the steamer engaged on the work:—

Letter B when on blasting, and code signal X H C when on sweeping duty.

When a charge is ready for exploding, a red flag will be shown from the larger of the boats engaged on the work, and prolonged whistle blasts blown by the attendant steamer. On receiving such warning signals, mariners and others are cautioned not to approach the working boats nearer than half-a-mile. Mariners are specially requested to keep clear of the steamer when sweeping, as the apparatus will render the vessel's movements slow and uncertain.

C. W. MACLEAN,
Port Officer.

LANDS AVAILABLE FOR SELECTION UNDER MALLEE
AGRICULTURAL ALLOTMENT LICENCE.

THE situation of the lands is from half-a-mile to three miles from Antwerp railway station.

Applications (with uncanceled duty stamp of value of 5s. affixed) must be made on the usual form, addressed to the President of the Board of Land and Works, and lodged at any Crown Lands Office or Receipt and Pay Office in the State on or before Wednesday, 8th February, 1905.

One application and duty stamp will only stand good for one allotment, but if an applicant desires to apply for more than one allotment he may do so.

No person who already holds the area of mallee land allowed by classification will be eligible to select, but holders of less than such area will be entitled to apply for the difference between the area held and that which the classification of the land entitles them to select.

The applications received will be dealt with by a Local Land Board, the date and place of hearing will be hereafter notified.

For 1st class land the rent payable under agricultural allotment licence is 1s. or 6d. The survey fees must be paid within 28 days after an allotment has been granted.

Any further information required will be supplied at the following Crown Lands Offices:—Melbourne, Bendigo, Warracknabeal, Horsham, Ararat, Ballarat, and St. Arnaud; also on application to the Crown lands bailiffs at Horsham and Charlton, where forms of application can be obtained.

Plans may be obtained, at a cost of 1s. each, at the Land Offices abovementioned, and at the Crown Lands Department, Melbourne.

Licenses are not entitled to transfer, assign, mortgage, sublet, nor part with the possession of land for six years from date of licence.

Care should be taken by the applicant that he secures the correct form, and that it is properly filled up.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Saturday, 28th January, 1905.

NOTE.—No tender will be accepted unless the fee for the period from 1st February, 1905, to 30th June, 1905, and fee of five shillings for licence, are forwarded with the tender.

TENDERS will be received up to Twelve noon on Saturday, 28th January, 1905, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the unjoined special conditions.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be resumed under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. The licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate, or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring-barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

Special Conditions.

1. The period of occupation will be for five months—from 1st February, 1905, to 30th June, 1905.

2. The fee for the period from 1st February, 1905, to 30th June, 1905—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 7501," or "Lot 2, Block 8181," or "Lot 3, Block 8651," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.
