15. No person shall use, or permit to be used, or allow to run on any premises, any water for other than domestic, manufacturing, or fire-extinguishing purposes, between the hours of Nine (9) p.m. and Eight (8) a.m. Any person committing or permitting a breach of this clause shall be liable to a penalty not exceeding Twenty pounds (£20).

If any person does, or causes, or permits, allows, or suffers to be done, anything in contravention of this Regulation, or fails to do anything which under this Regulation ought to be done for the prevention of the waste, misuse, undue consumption, or contamination of the water, he shall be liable (where no penalty is otherwise herein provided for such offence) to a penalty not exceeding Twenty pounds (£20), and a further penalty not exceeding Five pounds (£5) for every day such misfeasance or non-feasance shall continue after notice of the offence from the Water-works Trust, and the Trust may cut off the water supply from the premises of such person or persons by cutting the pipes by or through which the water is supplied or otherwise, and may discontinue the supply so long as the cause or injury remains, or is not remedied to the satisfaction of the Trust. Provided that neither this Regulation or anything done hereunder shall in any way lessen or extinguish the rights of the Trust under section 63 (1) of Act No. 1651.

20. The officer or officers of the Trust appointed for that purpose may at all lawful times enter any house, tenement, or land to, through, or into which water is supplied by the Trust in order to inspect the meters, instruments, pipes, and apparatus for measuring, conveying, reception, or storage of water, or for the purpose of ascertaining the quantity of water supplied or consumed, or examining if there be any waste or misuse of such water; and if any person hinders or prevents examination he shall be liable to a penalty not exceeding Five pounds (£5).
