NOTICE TO MARINERS.—NEW ZEALAND.

THE following Notice to Mariners, which has been received from Marine Department, Wellington, is published for general information.

C. W. MACLEAN,
Port Officer.

Department of Ports and Harbors,
Melbourne, 5th March, 1906.

[Extract from *New Zealand Gazette*, 15th February, 1906.]

[No. 11 of 1906.]

REPORTED ERROR IN POSITION OF BARE ISLAND, SOUTH OF CAPE KIDNAPPERS.

CAPTAIN C. McDONALD, of the U.S.S. Company's s.s. *Waikare*, reports that Bare Island lies nearly two miles further to the eastward than it is shown on the chart. Careful bearings were taken from a position two miles north of Cape Kidnappers, when it was found that Bare Island bore by compass on board S. 1 degree E. correct magnetic, the chart bearing of the island being S. 7 degrees W., a difference in bearing of 8 degrees. Bare Island lies thirteen miles to the south of Cape Kidnappers, and at that distance 8 degrees makes an error of 1.8 miles. When Cape Kidnappers bears west two miles the chart shows that a course of S. 6 degrees W. magnetic may be steered to pass Bare Island about two miles off, whereas it is apparent from Captain McDonald's observations that such a course would take a ship right over the island. Steps will be taken as soon as possible to verify these observations, when a further notice will be issued.

Charts, &c., affected: Admiralty Chart No. 2528. "New Zealand Pilot," seventh edition, chap. iv., page 161.

WM. HALL-JONES.

Marine Department,
Wellington, N.Z., 9th February, 1906.

NOTICE TO MARINERS.—VICTORIA.

[No. 152.]

WEST CHANNEL, PORT PHILLIP.

REFERRING to General Notice to Mariners, page 69, dated 24th September, 1901, and subsequent notices, Nos. 44, 47, and 76, mariners are hereby informed that the 15 and 16 feet knolls, shown on latest Departmental chart about midway between No. 3 Black Buoy and the small black can buoy moored about $1\frac{1}{2}$ miles N.N.E., have increased in area and shoaled in places to 13 feet. These shoals are immediately to the westward of the line of No. 2 Gas Beacon (Pope's Eye), and the Observatory Point beacon light. Mariners are, therefore, advised to keep these beacon lights slightly open to the eastward when navigating between No. 3 Black and No. 8 Red Buoys.

C. W. MACLEAN,
Port Officer.

Melbourne, 8th March, 1906.

CARRIAGE OF LIQUID AMMONIA ON BOARD SHIP.—CAUTION.

AN explosion of a cylinder containing liquid ammonia occurred on board the s.s. *Cornwall*, at Melbourne, on the 21st February, 1906, and the Chief Inspector of Explosives reported as follows:—

"The direct cause of the accident was, no doubt, the exposure of the cylinder to the sun's rays, the cylinder being overcharged with ammonia. Ammonia cylinders should not contain more than 0.5 lb. of liquid ammonia per lb. of water capacity, and should be kept cool, and should not be exposed to the sun or other sources of heat. In view of the highly dangerous nature of the gas, ammonia cylinders should be kept remote from living quarters."—(Signed) C. NAPIER HAKE, 23rd February, 1906.

It would appear, therefore, that the accident occurred consequent upon the disregard of the provisions of a cautionary notice issued by the Board of Trade, and published in the *Victoria Government Gazette* on the 2nd March, 1900; and the Marine Board directs the attention of all concerned to the necessity for prescribed precautions being carefully observed at all times.

Copies of the notice referred to may be obtained on application at this office.

By order,

J. GEO. MCKIE,
Secretary.

Marine Board of Victoria,
Melbourne, 8th March, 1906.

ORDER XLV.

ATTACHMENT OF DEBTS.

Order for attachment of debts.

Rule 1. The Court or a Judge may, upon the *ex parte* application of any person who has obtained a judgment or order for the recovery or payment of money, either before or after any oral examination of the debtor liable under such judgment or order, and upon affidavit by himself or his solicitor stating that judgment has been recovered, or the order made, and that it is still unsatisfied, and to what amount, and that any other person is indebted to such debtor, and is within the jurisdiction, order that all debts owing or accruing from such third person (hereinafter called the garnishee) to such debtor shall be attached to answer the judgment or order, together with the costs of the garnishee proceedings; and by the same or any subsequent order it may be ordered that the garnishee shall appear before the Court or a Judge or an officer of the Court, as such Court or Judge shall appoint, to show cause why he should not pay to the person who has obtained such judgment or order the debt due from him to such debtor, or so much thereof as may be sufficient to satisfy the judgment or order, together with the costs aforesaid.

Execution against garnishee.

Rule 3. If the garnishee does not forthwith pay into Court the amount due from him to the debtor, liable under a judgment or order, or an amount equal to the judgment or order, and does not dispute the debt due or claimed to be due from him to such debtor, or if he does not appear upon summons, then the Court or Judge may order execution to issue, and it may issue accordingly, without any previous writ or process, to levy the amount due from such garnishee, or so much thereof as may be sufficient to satisfy the judgment or order, together with the costs of the garnishee proceedings.

Rule 4. If the garnishee disputes his liability, the Court or Judge, instead of making an order that execution shall issue, may order that any issue or question necessary for determining his liability be tried or determined in any manner in which any issue or question in an action may be tried or determined, or may refer the matter to the Chief Clerk.

Trial of liability of garnishee.

Rule 6. After hearing the allegations of any third person under such order, as in Rule 5 mentioned, and of any other person whom by the same or any subsequent order the Court or a Judge may order to appear, or in case of such third person not appearing when ordered, the Court or Judge may order execution to issue to levy the amount due from such garnishee, together with the costs of the garnishee proceedings, or any issue or question to be tried or determined according to the preceding rules of this Order, and may bar the claim of such third person, or make such other order as such Court or Judge shall think fit, upon such terms, in all cases, with respect to the lien or charge (if any) of such third person, and to costs, as the Court or Judge shall think just and reasonable.

Trial of claim of third person and order thereon or on non-appearance.

Rule 9. The costs of any application for an attachment of debts and of any proceedings arising from or incidental to such application, shall be in the discretion of the Court or a Judge, and as regards the costs of the judgment creditor shall, unless otherwise directed, be retained out of the money recovered by him under the garnishee order, and in priority to the amount of the judgment debt.

Costs of proceedings.

ORDER XLVIII.

ACTIONS BY AND AGAINST FIRMS AND PERSONS CARRYING ON BUSINESS IN NAMES OTHER THAN THEIR OWN.

Rule 1. Any two or more persons claiming or being liable as co-partners and carrying on business within the jurisdiction may sue or be sued in the name of the respective firms, if any, of which such persons were co-partners at the time of the accruing of the cause of action; and any party to an action may in such case apply by summons to a Judge for a statement of the names and addresses of the persons who were, at the time of the accruing of the cause of action, co-partners in any such firm, to be furnished in such manner, and verified on oath or otherwise, as the Judge may direct.

Disclosure of partners' names.

Rule 2. When a writ issued out by partners in the name of their firm, the plaintiffs or their solicitors shall, on demand in writing, by or on behalf of any defendant, forthwith declare in writing the names and places of residence of all the persons constituting the firm on whose behalf the action is brought. And if the plaintiffs or their solicitors shall fail to comply with such demand, all proceedings in the action may, upon an application for that purpose, be stayed upon such terms as the Court or a Judge may direct. And when the names of the partners are so declared, the action shall proceed in the same manner and the same consequences in all respects shall follow as if they had been named as the plaintiffs in the writ. But all the proceedings shall, nevertheless, continue in the name of the firm.

Disclosure of partners' names.

Rule 3. Where persons are sued as partners in the name of their firm under Rule 1, the writ shall be served either upon any one or more of the partners or at the principal place, within the jurisdiction, of the business of the partnership upon any person having at the time of service the control or management of the partnership business there; and, subject to these rules, such service shall be deemed good service upon the firm so sued, whether any of the members thereof are out of the jurisdiction or not, and no leave to issue a writ against them shall be necessary. Provided that in the case of a co-partnership which has been dissolved to the knowledge of the plaintiff before the commencement of the action, the writ of summons shall be served upon every person within the jurisdiction sought to be made liable.

Service.

Rule 4. Where a writ is issued against a firm, and is served as directed by Rule 3, every person upon whom it is served shall be informed by notice in writing given at the time of such service, whether he is served as a partner or as a person having the control or management of the partnership business, or in both characters. In default of such notice, the person served shall be deemed to be served as a partner.

Notice in what capacity served.

Rule 5. Where persons are sued as partners in the name of their firm, they shall appear individually in their own names; but all subsequent proceedings shall, nevertheless, continue in the name of the firm.

Appearance of partners.

Rule 6. Where a writ is served under Rule 3 upon any person having the control or management of the partnership business no appearance by him shall be necessary unless he is a member of the firm sued.

Rule 7. Any person served as a partner under Rule 3 may enter an appearance under protest, denying that he is a partner, but such appearance shall not preclude the plaintiff from otherwise serving the firm and obtaining judgment against the firm in default of appearance if no partner has entered an appearance in the ordinary form.

Rule 8. Where a judgment or order is against a firm, execution may issue—

Execution of judgment against a firm.

- (a) against any property of the partnership within the jurisdiction;
- (b) against any person who has appeared in his own name under Rule 5 or 6, or who has admitted on the pleadings that he is, or who has been adjudged to be a partner;
- (c) against any person who has been individually served, as a partner, with the writ of summons, and has failed to appear.

If the party who has obtained judgment or an order claims to be entitled to issue execution against any other person as being a member of the firm, he may apply to the Court or a Judge for leave so to do; and the Court or Judge may give such leave if the liability be not disputed, or if such liability be disputed may order that the liability of such person be tried and determined in any manner in which any issue or question in an action may be tried and determined. But except as against any property of the partnership, a judgment against a firm shall not render liable, release, or otherwise affect any member thereof who was out of the jurisdiction when the writ was issued, and who has not appeared to the writ unless he has been made a party to the action under the law relating to the service of writs and notices out of the jurisdiction, or has been served within the jurisdiction after the writ in the action was issued.

Attachment of debts owing from a firm.

Rule 9. Debts owing from a firm carrying on business within the jurisdiction may be attached under Order XLV., although one or more members of such firm may be resident abroad. Provided that any person having the control or management of the partnership business or any member of the firm within the jurisdiction is served with the garnishee order. An appearance by any member pursuant to an order shall be a sufficient appearance by the firm.

Application of Rules to actions between co-partners.

Rule 10. The above rules shall apply to actions between a firm and one or more of its members, and to actions between firms having one or more members in common, provided such firm or firms carry on business within the jurisdiction, but no execution shall be issued in such actions without leave of the Court or a Judge, and on an application for leave to issue such execution all such accounts and inquiries may be directed to be taken and made, and directions given, as may be just.

Application of Rules to person trading as a firm.

Rule 11. Any person carrying on business within the jurisdiction in a name or style other than his own name may be sued in such name or style as if it were a firm name; and, so far as the nature of the case will permit, all rules relating to proceedings against firms shall apply.

SHIRE OF GLENELG.

PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act 1903* (No. 1893, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Glenelg, and they desire that the North and Central Ridings of the shire be re-subdivided into three Ridings.

The petitioners state that the proposal would more evenly divide the shire as regards rateable value of property, as the Central Riding is at present more than equal to the other two Ridings combined, and that it would concentrate the roads of the different Ridings into Casterton, their natural and chief business centre.

The petitioners further state that the Closer Settlement now established at Wando Vale, and the cutting up of other large estates, has considerably altered the distribution of interests; and they consider that this in itself has rendered a change very necessary, &c.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the shire as desired—the South Riding to remain as at present.

The names of the proposed Ridings are as follows:—

- South Riding.
- Central Riding.
- West Riding.
- East Riding.

Notices for the petitioners may be served on C. W. S. Paramor, Esq., Henty-street, Casterton.

day of March, 1906.

PRESENT:

|--|---------------|
| His Excellency the Governor of Victoria. | |
| Mr. Bent | Mr. McLeod |
| Mr. Davies | Mr. Swinburne |
| Sir Samuel Gillott | Mr. Langdon |
| Mr. Murray | Mr. Mackey. |
| Mr. Sachse | |

WHEREAS by Division I of Part I. of the *Water Act* 1900 the Governor in Council is empowered to make regulations for the election of Commissioners of Waterworks Trusts: Now therefore His Excellency the Governor of the State of Victoria, acting by and with the advice of the Executive Council thereof, and in pursuance of the provisions of the now in part recited Act, doth for the purposes aforesaid make the following regulations for the election of Commissioners of the Avenel Waterworks Trust.

1. Interpretation of terms.—In these regulations "the Trust" or "the said Trust" shall mean the Avenel Waterworks Trust. "Minister" shall mean the Minister of Water Supply.

2. Period for which Commissioners shall hold office.—The period for which the Commissioners shall hold office shall be three years, and shall date on and from the date of election.

3. Extraordinary vacancies, how filled.—Should any vacancy in the office of Commissioner be occasioned by death, resignation, disqualification, or any other cause whatever, the same shall be filled up by election under these regulations within one month after the vacancy has occurred, and the person elected to fill such vacancy shall hold the office of Commissioner during the unexpired portion of the term of office of the Commissioner whose seat shall have become vacant.

4. Date of first and subsequent Election of Commissioners.—The first election of Commissioners under these regulations shall be held on the 20th day of April, 1906, and the ordinary election of Commissioners shall be held on the 20th day of April in each succeeding triennial year. Provided that whenever such date shall fall upon a Sunday or any day set apart as a public holiday such election shall be held upon the day next following.

5. Voters' List to be prepared.—For the purposes of the first election of Commissioners a voters' list shall be prepared in like manner to that provided by section 6 of the *Water Act* 1900 in so far as circumstances will admit, on or before the 31st day of March, 1906, by the Secretary to the Trust, certified by him as correct, and such list shall be the list of voters for the said election of Commissioners, and shall remain in force and shall be used at any subsequent election of Commissioners that may be held prior to a fresh voters' list being made out as hereinafter provided.

6. Voters' List to be prepared annually.—Before the last day of February in each year a voters' list shall be made out in the manner prescribed by section 6 of the *Water Act* 1900, which shall, upon approval of the Commissioners under the common seal of the Trust, be the list of voters for the election of Commissioners for the twelve months next ensuing.

7. Form of Voters' List.—First Schedule.—Such voters' list shall be in the form in the First Schedule hereto, and shall contain, in regular numerical sequence and alphabetical order of surname, the christian name or names, surname, and address (so far as these may be known) of every ratepayer within that portion of the municipal district of the Shire of Seymour included within the district of the Waterworks Trust.

In making out such list of voters, if the property in respect of which any ratepayer is entitled to vote is only in part within the Waterworks district, then the number of votes of such ratepayer in respect of such property shall be reduced in the proportion which such part bears to the whole property of such ratepayer rated in the municipal district.

8. Minister may appoint returning officer for first election.—Chairman of Trust to be returning officer at subsequent elections.—For the purpose of the first election herein mentioned the Minister shall appoint some fit and proper person to be returning officer; but for every subsequent election (whether ordinary or extraordinary) the Chairman of the Trust holding office as such on the day immediately preceding the date of election shall be the returning officer; but if at the time of any election the office of Chairman of the Trust should become vacant the Commissioners of the Trust may, by resolution, appoint one of their number to be returning officer; and the returning officer may appoint a deputy to assist him or to act in his room at any election, and such deputy may do all things which the returning officer is hereby authorized or required to do.

9. Notice of Election.—Nomination of Candidates.—Second Schedule.—Fourteen clear days before any election of Commissioners under these regulations, the returning officer shall give public notice of such election by advertisement inserted in some newspaper generally circulating in the Avenel township, and by such notice shall require all candidates at such election to be nominated at some place within the said township to be named in such notice in manner hereinafter mentioned, between the hours of Ten o'clock in the forenoon and Four o'clock in the afternoon, on some day before a day (hereinafter called the day of nomination) not less than four nor more than seven days after the time of giving such notice, and named therein, and any person desirous of becoming a candidate shall, before Four o'clock in the afternoon of the day next preceding the nomination day, cause to be delivered at the place aforesaid to the returning officer a nomination paper, in the form to the Second Schedule, or to the like effect, stating therein both his christian and surname, together with the other particulars required in and by the said Schedule; and such nomination paper shall be signed by not less than three persons duly qualified to vote at such elections, as well as by the candidate. And no person who shall not have been so nominated shall, within the provisions of these regulations, be deemed to be a candidate at any election of Commissioners.

10. Qualifications of Commissioners.—No person shall be eligible for election as a Commissioner unless he is liable to be rated under the Water Acts in respect of property within the district of the Trust.

11. Where Number of Candidates does not exceed Number of Commissioners to be elected.—If, at the expiration of the time limited as hereinbefore provided for the nomination of candidates, the number of persons who have become candidates as aforesaid does not exceed the number of Commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

12. Where Number of Candidates exceeds the Number of Commissioners to be elected.—Third Schedule.—Notice of Poll.—Hours of Polling.—If, at the expiration of the time limited for the nomination of candidates, the number of candidates exceeds the number of Commissioners to be elected, then the returning officer shall forthwith cause the ballot-papers to be printed, with the christian names and surnames of all the candidates in full in the form of the Third Schedule hereto, and shall also give public

notice by advertisement in some newspaper circulating in the Avenel township, stating the names of the persons so nominated, and that a poll will be taken for the election of such Commissioners upon the day named in such notice, at such place within the said township as the returning officer shall in and by such notice appoint; and such poll shall take place accordingly, and shall commence at Eight o'clock in the forenoon, and close at Seven o'clock in the afternoon.

13. Retirement of Candidates before polling day.—If, at any election, after a poll shall have been appointed as aforesaid, any candidate for such election, and two of the persons having signed the paper nominating him as aforesaid, are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the returning officer, not later than four clear days before the day of polling, a notice in the form of the Fourth Schedule hereto, stating that such candidate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the Avenel township a copy of such notice, and the returning officer, on sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election, shall, on the day appointed for the election, declare the remaining candidates duly elected, and, if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election, and, if such papers are already printed, shall erase such name therefrom; and such person shall not be capable of being elected at such election.

14. Polling booth may be hired.—At such election the returning officer shall provide a suitable place for taking a poll, and may, if necessary, cause to be hired and used as a polling booth any room which he may deem to be suitable at the place appointed for taking the poll, and may divide such room into compartments as to him may seem most convenient.

15. Returning Officer to preside at Polling Booth.—The returning officer or his deputy shall preside at the polling booth for taking the poll.

16. Scrutineers may be appointed.—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in the polling booth, and the said returning officer or his deputy, and the said scrutineers, and any voters not exceeding four in number, actually engaged in voting, shall alone be permitted at any one time to enter or remain in the polling booth.

17. Pencils to be provided.—The returning officer or his deputy shall provide pencils in the polling booth for the use of the voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot-papers, and such box shall be opened and exhibited to the scrutineers before the polling begins; and the box shall then be locked, and shall stand on a table opposite the returning officer or deputy returning officer, who shall keep the key of such box.

18. Mode of voting.—The returning officer shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one, then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of the Third Schedule hereto, and initialed by the returning officer; and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the returning officer or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate; and after such name or names have been so struck out, the ballot-paper or ballot-papers (as the case may be) shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling booth shall be demanded and received by him at one and the same time; and no person having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

19. Ballot-papers to be numbered.—Before delivering any ballot-paper to the voter, the returning officer or his deputy shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll, and shall thereupon, upon a copy of such roll, check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

20. Informal Ballot-papers.—If any voter suffer to remain upon his ballot-paper a greater number of names not struck out than the number of Commissioners to be elected, the vote given on and by such paper shall be void and of no effect.

21. What Question may be asked.—At any election of Commissioners the returning officer may, if he see fit, or if required to do so by any candidate or scrutineer, put to any person tendering his vote the question following:—

"Are you the person whose name appears as (A.B.) in the roll now in force for this Trust, being enrolled therein in respect of property described to be situated in (here specify the street or other place described in the roll)?"

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question, or who shall not answer the same absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

22. False Answer, Polling Twice, and Personation.—Every person who shall wilfully make a false answer to the question aforesaid, or who shall poll more than once or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling booth after having received a ballot-paper, without having deposited the same in the ballot-box, as

hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

23. Result of Polling, how ascertained.—Immediately on the close of the poll, the returning officer shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be present, proceed to ascertain the number of votes for each candidate; and such returning officer shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided; and the returning officer shall seal up the ballot-papers deposited in the booth, and as soon as conveniently may be on or after the day of the poll, publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected Commissioners of the Trust; and if two or more candidates have received an equal number of votes, the returning officer shall determine by lot the candidate to hold office.

24. Ballot-papers, how disposed of.—The returning officer shall forthwith after the declaration of the poll indorse with a description of the contents thereof, and sign the sealed parcel of ballot-papers, and forward the same to the Secretary of the Trust, to be by him safely and secretly kept for six months then next ensuing, and then by him caused to be destroyed in the presence of three Commissioners of the Trust.

25. Minister to determine question arising upon first election.—If any question arise as to the due election of any Commissioner at the first election, the returning officer shall, at the request of any voter or candidate, submit such question, in writing, to the Minister, who shall decide the same; and such decision shall be final and binding.

26. Questions arising upon subsequent election to be determined by the Trust.—If any question arise as to the due election of any Commissioner at any subsequent election (whether ordinary or extraordinary), such question shall be determined by the Commissioners of the Trust at the first ordinary meeting held after the election; but no Commissioner in respect of whose election such question shall have arisen shall act as a Commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a Commissioner until such question shall have been so determined; and the majority of the Commissioners whose election is not in dispute shall form a quorum.

27. Appeal to Minister from Determination of Trust.—In event of any voter or candidate feeling aggrieved by the determination of the Trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the Commissioners shall have determined the question, and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just; and such determination of the Minister shall be final and binding.

28. Failure to Elect deemed to create Extraordinary Vacancies.—If at any election of Commissioners any vacancies less than the whole number which should have been filled up at such election are not filled up, then the vacancies which are not so filled shall severally be deemed extraordinary vacancies and to have occurred on the day appointed for such election. Provided always that the Commissioners eventually elected or appointed to fill such vacancies shall go out of office as if elected at such election.

29. Expenses of Election to be paid by Trust.—The expenses incurred by the returning officer, or under his direction, in connexion with any election shall be defrayed by the Trust.

30. Penalty for Breach of Regulations.—Any person guilty of a breach of any of the provisions of these regulations shall be liable to a penalty not exceeding Ten pounds, to be recovered in a summary manner before justices of the peace.

31. Interpretation.—In these regulations words importing the masculine gender shall be deemed and taken to include females, unless there is something in the context repugnant to or inconsistent with this interpretation.
