Sir Samuel Gillott	Mr. Mackey.
Mr. Murray	

WHEREAS by the *Teachers Act 1905* it is enacted that there shall be a Committee of Classifiers, one of which Committee is to be a head teacher classified in the first class elected by ballot by the classified teachers in State schools in accordance with regulations to be made by the Governor in Council. Now therefore His Excellency the Governor with the advice of the Executive Council doth hereby make the Regulations following, that is to say—

1. For the purposes of the election of a head teacher classified in the first class to be a member of the Committee of Classifiers the Governor in Council may from time to time appoint some fit and proper person to be Returning Officer and to conduct the election.
2. Such Returning Officer may by writing under his hand appoint some person to be his substitute, and may in like manner appoint persons to assist him in the posting, receiving and opening of the ballot papers, in the counting of the votes, and generally in the conduct of the election.
3. All necessary expenses incurred in the conduct of the election shall be paid out of the vote of the Education Department on the certificate of the Returning Officer.
4. The Returning Officer's substitute shall have the like powers that a substitute for a returning officer for an electoral district has at an election of a member of the Legislative Assembly.
5. The Returning Officer and the substitute of the Returning Officer and every clerk employed to count the votes at any election shall, before entering on any of his duties in connexion with an election, make and sign before some justice the following declaration:—

I, \_\_\_\_\_, do solemnly declare that I will faithfully and impartially, according to the best of my skill and judgment, exercise and perform all the powers, authorities, and duties reposed in or required of me by the Regulations under the *Teachers Act 1905*, as Returning Officer (or substitute of the Returning Officer, or clerk employed in counting the votes) for the election of a Classifier.

And I do further solemnly promise and declare that I will not, at any such election, attempt to ascertain how any person has voted; and that if in the discharge of my said duties, at or concerning any such poll, I learn how any person votes, I will not, by word or act, directly or indirectly, divulge or discover the same.

6. *Date of Election.*—The first election of a head teacher as aforesaid shall be held on some day to be fixed by the Returning Officer within a period of six weeks from the date of his appointment, and any subsequent election shall be held within a period of six weeks from and after the occurrence of a vacancy.

7. *Notices concerning Nomination and Election to be given.*—The Returning Officer shall give at least Twenty-one days' notice, by advertisement in the *Government Gazette*, of his intention to proceed on a certain day to be named in such advertisement to hold the election aforesaid; and he shall also in such advertisement name the day of nomination, being a day not less than Twelve days nor more than Fifteen days, prior to the day named for holding such election on or before which all candidates for election must be nominated as hereinafter provided; and he shall also in such advertisement name the time and place when and where such nominations will be received.

8. In order that any head teacher of a first class school may be duly nominated there must be lodged or delivered by post, addressed to the Returning Officer, at the place appointed before Four o'clock in the afternoon on the day fixed for nomination, a nomination paper in the form in the First Schedule hereto signed by not less than ten classified teachers, and also by the candidate accepting such nomination.

9. *List of Electors.*—Within seven days after the advertisement in the *Government Gazette* of the notification of the intention to hold an election of a Classifier as aforesaid, the Director of Education shall forward to the Returning Officer a list of all classified teachers arranged in alphabetical order, together with the correct address of each such teacher, made up to the day of the advertisement.

10. *Return and Poll.*—If there be only one person duly nominated, the Returning Officer shall make a return to the Governor in Council, and declare such person to have been duly elected a Classifier, and notify the same in the *Government Gazette*; but if more than one person be duly nominated, a poll shall be taken, and the Returning Officer shall forthwith cause voting papers to be printed in the form in the Second Schedule hereto, and shall by himself or his substitute sign or initial each of such papers, and shall enclose it in an unfastened envelope having his own name and address printed thereon, and shall send by post under a fastened cover one of such voting papers and addressed envelopes to every classified teacher whose name appears on the list forwarded as aforesaid.

11. *Voting Paper to be Posted.*—Voting Paper may become Invalid.—The voter shall enclose such voting paper in the envelope furnished to him with the printed address of the Returning Officer thereon and shall sign his name on the outside thereof, and shall stamp and post the same so that it shall be received by the Returning Officer in course of post before Noon of the day fixed for holding such election. Any voting paper which is not contained in such addressed envelope with the voter's signature thereon or in which the directions in the Second Schedule have not been complied with, shall not be counted in making up the poll. The decision of the Returning Officer as to the validity or invalidity of a voting paper shall be final.

12. *Appointment of Scrutineers.*—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present when the Returning Officer opens the envelopes containing the voting papers on the day of holding the election. Every scrutineer shall, before he act as such, make and sign before the Returning Officer or his substitute a like declaration to that contained in clause 5.

13. *Number of Votes to be Counted.*—Casting Vote.—The Returning Officer shall as soon as practicable after the hour fixed for receiving voting papers proceed in the presence of any scrutineers appointed as aforesaid to open the envelopes with his printed address thereon which have been returned to him, and count the votes received, and from time to time adjourn the counting to a day and hour to be fixed by him.

14. In case there are only two candidates, the Returning Officer shall count the ballot papers cast for the candidates, rejecting all invalid ballot papers, and shall declare the candidate who has an absolute majority of the ballot papers duly elected, and if the same number of ballot papers is cast for each candidate, the Returning Officer shall give a casting vote.

15. In case there are more than two candidates, the Returning Officer shall deal with the ballot papers as follows:—

(a) He shall arrange the ballot papers under the names of the respective candidates by placing in a separate parcel all those which have the figure 1 set opposite to the name of the same candidate, rejecting all invalid ballot papers.

(b) If any candidate has an absolute majority of the ballot papers he shall be declared elected.

(c) If no candidate has an absolute majority of the ballot papers the candidate who has the lowest number of ballot papers shall be excluded from the poll and his parcel broken up, and all the ballot papers therein shall be transferred to the other candidates not excluded from the poll respectively next in the order of the voter's preference, and any candidate who after such transfer has an absolute majority of all the ballot papers in all the parcels shall be declared elected.

(d) The same process of excluding the candidate who has the lowest number of ballot papers breaking up his parcel and transferring to other candidates the ballot papers therein shall be repeated until some candidate has an absolute majority of all the ballot papers in all the parcels, when the candidate who has such absolute majority shall be declared elected.

(e) Where at any time it becomes necessary to exclude a candidate as hereinbefore directed and two or more candidates have the same number of ballot papers and are lowest on the poll, then whichever of such candidates had the least number of ballot papers at the last count or transfer at which they had not the same number of ballot papers shall be excluded, and if such candidates have had the same number of ballot papers at all preceding counts or transfers the Returning Officer shall decide which candidate shall be excluded.

16. Forthwith after the completion of the count the Returning Officer shall return to the Governor in Council and publish in the *Government Gazette* the name of the teacher who has been duly elected a classifier. Such notice shall be conclusive evidence of the result of the election.

17. The Returning Officer shall within seven days after the publication in the *Government Gazette* of the result of the election cause all ballot papers received by him to be destroyed.
