Factories and Shops Acts.

# DETERMINATION OF THE COOPERS BOARD.

In accordance with the provisions of the Factories and Shops Acts, the Special Board appointed to determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the process, trade, or business of a cooper, has made the following determination, namely:—

(1) That the determination of the Coopers Board, dated the 20th February, 1907, shall be cancelled and annulled from and after the date upon which this present determination comes into force and is operative.

#### ADULT MALES.

## · WAGES.

(2) That except in the case of persons employed making tallow casks, who shall be paid at piecework prices or rates only, the lowest prices or rates of payment payable to any person or persons or classes of persons employed in the process, trade, or business of a cooper shall be Fourteen pence per hour, or Two pounds sixteen shillings for a maximum number of 48 hours per week.

## PROPORTION OF IMPROVERS.

(3) That the number of improvers who may be employed in any factory or work-room or shop or place in which the process, trade, or business of a cooper is carried on shall be—One improver to every three persons, and thereafter one improver to every nine additional persons receiving the prices or rates provided in this determination for adult males or piece-work.

### APPRENTICES.

## WAGES.

(4) That the lowest prices or rates of payment payable to male apprentices employed in the process, trade, or business of a cooper shall be as follow:—

For th		ar's experience	•••	•••	7s. 6d	. per week	of 48 hours
"	2nd	. ,,		•••	10s.	- ,,	,,

**	4th	"		•••		22s. 6d.	,,			,,	
,,	5th	,,				30s.					

and thereafter either the wages or piece-work rates provided by this determination.

No. 113.—September 7, 1907.—10017.—1.

#### OVERTIME.

- (6) (a) That any male person (other than apprentices or improvers) over the age of sixteen years engaged in the process, trade, or business of a cooper who works for more than 48 hours per week, shall be paid for such extra time at pro rata rates, and in addition the sum of 4d. per hour.
- (b) That any male apprentice or improver over the age of sixteen years engaged in the process, trade, or business of a cooper who works for more than 48 hours shall be paid for such extra time at the rate of 3d, per hour, in addition to the prices or rates fixed for such apprentices or improvers by this absorption.

#### MISCELLANEOUS.

- (7) (a) That all bale hoops be straightened and pieced to length by employer. If pieced to length by employe, ad. per hoop extra.
  - (b) That all truss hoops and beak-irons be provided by employer.
- (c) That rough split staves be measured at the thinnest end, and bucked or machine-dressed staves at the thickest.
- (d) That where grooves exceeding  $\frac{1}{4}$ -inch in width and not more than  $\frac{1}{2}$ -inch in width are required, the following rates be paid:—

No. 113.—September 7, 1907.—10017.—2.

September 7, 1907

Victoria Gazette

SANITARY TUBS.

Round ... ... 2s. each. Oval ... ... 2s. 8d. each.

4124

Mountings for same, 2d. extra. If sap be taken off and tub shaved out, 6d. extra for both round and oval.

## OVAL WORK.

Except where otherwise expressly provided, the piece-work prices or rates fixed throughout this determination are for round work; if oval work be made, the piece-work price or rate shall be double that fixed for round work for casks up to and including 10 gallons in size, and for all casks from 11 gallons to 120 gallons in size inclusive, the piece-work price or rate shall be that fixed for round work with half as much again added.

(9) That this determination shall come into force on and after the 30th day of September, 1907.

Dated at Melbourne this 27th day of August, 1907.

THOS. W. GAGGIN, Chairman.

By Authority: J. KEMP, Acting Government Printer, Melbourne.
