## REGULATIONS PRESCRIBING METHODS FOR THE ANALYSIS OF MILK, CREAM, AND MALT EXTRACT.

THE Board of Public Health of the State of Victoria by virtue of the powers conferred by the Health Acts and of every other power enabling the said Board in this behalf, doth, on the recommendation of the Food Standards Committee, hereby make the following regulations prescribing the method of analysis to be applied in the analysis of milk, cream, and malt extract or digestive or diastasic malt extract, that is to say--

## (1) MILK.

*Milk Fats.*—The proportion of milk fats shall be determined gravimetrically by means of—

- (a) Adams' absorbent paper extraction process; or
- (b) Babcock's asbestos extraction process; or
- (c) Bell's maceration method as described by Thorpe in the *Journal of the Chemical Society*, 1905, volume 87, pages 206-225. This method is approved of as specially suitable in the case of sour milk.

*Total Solids.*—The proportion of total solids shall be determined—

- (a) in conjunction with Babcock's asbestos method or with Bell's maceration method; or
- (b) by evaporation of a separate sample in a flat dish finally exposed to a temperature of at least 100 deg. C., and not exceeding 105 deg. C. until weight is constant.

*Solids not Fat.*—The proportion of solids not fat shall be determined by deduction of milk fats from total solids.

*Ash.*—The proportion of ash shall be determined by evaporation and subsequent incineration at a low temperature, extraction of char with water, ignition of residue and subsequent addition of aqueous extract, drying and ignition at a dull red heat. The residue and soluble extract may be separately weighed.

## (2) CREAM.

*Milk Fats.*—The proportion of milk fats shall be determined by any one of the methods prescribed for determining the proportion of milk fats in milk.

## (3) MALT EXTRACT OR DIGESTIVE OR DIASTASIC MALT EXTRACT.

*Total Solids.*—The proportion of total solids shall be determined by evaporation to dryness by either of the methods prescribed for determining the proportion of total solids in milk.

*Diastasic Power.*—The diastasic power shall be determined by the method as described by Harrison and Gair in the *Pharmaceutical Journal* of 28th July, 1906, pages 94-96. The starch paste used in the process shall be prepared from pure potato starch.

Any analyst, whether for the prosecution or for the defence, failing to declare in his certificate of analysis that he has followed the prescribed method in his analysis, is liable to disqualification for appointment as an analyst under the Health Acts.

These regulations shall take effect from the first day of April, 1907.

Dated at Melbourne this eleventh day of January, 1907.

REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE RESERVE IN THE CITY OF MELBOURNE FOR A METROPOLITAN CRICKET GROUND.

WHEREAS by the Crown grant of the Reserve in the City of Melbourne for a Metropolitan Cricket Ground, it is provided and declared that the land thereby granted, and the buildings for the time being thereon, shall be at all times maintained and used as and for a place for playing at cricket, and for conveniences connected therewith under and in accordance with such regulations as to the admission of the public and otherwise as shall from time to time be made by the Governor or other officer for the time being administering the Government of the Colony (now State) of Victoria, with the consent of the Executive Council thereof, and in the meantime, under and in accordance with such regulations as to the admission of the public and otherwise as shall from time to time be made by the Trustees for the time being of the said premises, and for no other purpose whatsoever. And whereas by section 200 of the *Land Act 1901*, it is enacted that where under the provisions of any Act relating to Crown lands the Governor in Council has reserved from sale permanently any Crown lands for any public purpose whatsoever, or for any of the purposes specified in section 10 of the *Land Act 1901*, and has vested such lands in Trustees, or jointly in the Board of Land and Works and Trustees, it shall be lawful for the Trustees of any such lands, with the approval of the

Now, therefore, we, James McLaughlin, Thomas Frank Morkham, Roderick Murchison, James Williamson Skene, George Fairbairn, the Honorable John Emanuel Mackey, the Honorable John Murray, the Honorable Sir Alexander James Peacock, K.C.M.G., and the Honorable William Alexander Watt, the Trustees for the time being of the said premises, do hereby make the following regulations in respect of the said Reserve in the City of Melbourne for a Metropolitan Cricket Ground:—

## REGULATIONS.

1. The Reserve shall be divided as follows:—

  2. Subject to the direction of the Trustees, the Reserve shall be managed, in accordance with these regulations, by the Committee for the time being of the Melbourne Cricket Club, but for so long only as the constitution thereof at the date of these regulations remains unaltered in any respect, unless the alterations be made with the consent of the Trustees. Provided always that wherever in these regulations it is provided that any act, matter, or thing shall or shall not be done, with or without or subject to the Trustees' approval or consent the Trustees, if they think fit, may in each of such cases direct the Committee for the time being of the Melbourne Cricket Club to do or not to do any such act, matter, or thing, and the Trustees shall, notwithstanding anything contained in these regulations, have full power and authority, after such Committee has been directed as hereinbefore set forth, to do or not to do (as the case may be) any such act, matter, or thing, and any act, matter, or thing auxiliary thereto.
  3. Every person shall be admitted to the 4th Division free of charge from sunrise to sunset except as hereinafter provided.
  4. Admission to any part of the 1st, 2nd, or 3rd Division of the Reserve shall be restricted to Members of the Melbourne Cricket Club, and the Trustees of the Reserve, and to such other persons as may be authorized to enter such part of the Reserve by the Committee for the time being of the Melbourne Cricket Club, with the approval of the Trustees, subject to these regulations.

  6. The Reserve shall not at any time be used otherwise than for athletic games and sports, without the approval of the Trustees.
  7. No person shall enter or remain in the Reserve who may offend against decency as regards dress, language, or conduct.
  8. No person shall damage in any way the trees, shrubs, or flowers in the Reserve.
  9. No fires shall be lighted in the Reserve without the permission, in writing, of the Committee for the time being of the Melbourne Cricket Club.

  11. No person shall put in the Reserve any cattle, sheep, or other animals, except as provided in Clause 12.
  12. No person shall bring into the Reserve any dog unless led by a chain or cord.
  13. No person shall erect any dwelling, booth, or other structure on the Reserve, without the consent, in writing, of the Trustees first obtained.
  14. The erection of all new buildings and improvements made or effected upon the Reserve, and all matters relating to alterations and repairs to the buildings and improvements, shall be subject to the approval of the Trustees, who may at any time authorize any person to enter and inspect the buildings and improvements, and the Committee for the time being of the Melbourne Cricket Club shall be bound to execute and carry out all such improvements (including buildings), alterations, and repairs as the Trustees may, in writing, from time to time direct.
  15. No person shall sell or offer for sale in the Reserve any article without the consent, in writing, of the Committee for the time being of the Melbourne Cricket Club first obtained.
  16. No person except workmen employed in the Reserve shall enter any plots therein which may be enclosed for the plantation of young trees or shrubs.
  17. Any person committing in the Reserve or in any of the buildings or erections for the time being thereon any of the following offences shall be liable to be forthwith removed from the Reserve, notwithstanding such person may have paid for or be in possession of a ticket of admission to the Reserve, or any part thereof:—
    - (a) Being drunk, or using any profane, indecent, or abusive language.
    - (b) Assaulting any person, making use of any abusive, threatening, or insulting expressions, or behaving in an improper or riotous manner.
    - (c) Crossing or trespassing on the playing ground during a cricket or football match or other outdoor game or sports or amusements, or during practice at cricket, or when crossing or trespassing upon the playing ground would be injurious to it as a cricket ground.
    - (d) Being found in any part of the 1st or 3rd Division of the Reserve, and not producing on demand or surrendering, if required, to any gatekeeper or other person duly authorized to demand the production or surrender of tickets, a ticket duly authorizing the admission of such person to the place wherein he or she may be found.
    - (e) Obtaining admission to any part of the 1st, 2nd, 3rd, or 4th Division of the Reserve when not entitled to such admission under these regulations.
  18. Applications for the use of the Reserve shall be made to the Committee for the time being of the Melbourne Cricket Club, and no application for the use of the Reserve for any International, Inter-State, or other cricket or football match or outdoor game of public importance shall be refused, without the approval, in writing, of the Trustees first obtained, and every such application shall be deemed to have been refused by such Committee, unless it be finally dealt with no later than one month after the receipt thereof by such Committee.
  19. Any club or any association or persons that may be allowed to use the Reserve for any purpose shall abide by these regulations, and by any order given by the Committee for the time being of the Melbourne Cricket Club, or by the Trustees in reference to the Reserve and the buildings, erections, and enclosures for the time being thereon, and such use shall be subject to such terms and conditions as the Committee for the time being of the Melbourne Cricket Club, with the approval of the Trustees, may think fit to impose.
  20. The maximum scale of fees which shall be charged and collected by the Trustees for admission to the 2nd and 4th Divisions of the Reserve on such days as it may be set apart for cricket matches or football matches, or any other outdoor games or sports or amusements, shall be as follows:—
    - (a) For admission of every person to the 2nd Division during any International, Inter-State, or other important cricket match or other outdoor game, or any minor cricket match or football match or other outdoor game or sports or amusements, such a sum as the Trustees may from time to time determine not exceeding Five shillings (5s.).
    - (b) For admission of every person to the 4th Division during any International, Inter-State, or other important cricket match or football match, or other outdoor game, or any minor cricket match or football match or other outdoor game or sports or amusements, such a sum as the Trustees may from time to time determine not exceeding Two shillings and sixpence (2s. 6d.).
- All moneys collected for admission to the 2nd and 4th Divisions of the Reserve shall be paid into an account in the name of the Trustees, and such account may be operated upon by two members of the Committee for the time being of the Melbourne Cricket Club authorized by the Trustees by cheques countersigned by the Chairman for the time being of the Trustees, or by such other Trustee as may be authorized for that purpose by the Chairman.
21. The competing clubs in any cricket match, football match, or other outdoor game (except those designated International or Inter-State) which may be played in the Reserve, may be allowed to participate in the net proceeds of such cricket match, football match, or other outdoor game to such extent as the Trustees approve.
  22. The Committee for the time being of the Melbourne Cricket Club shall, if called upon to do so by the Trustees in each year with the approval of the Trustees, set apart and pay into a separate account, called "Improvement Account," a reasonable proportion of the moneys paid by members in the way of entrance fees and subscriptions, and the same shall be expended by such Committee in the maintenance and improvement of the Reserve or in connexion therewith, subject to the approval of the Trustees.
  23. The approval of the Trustees in any of the matters mentioned in these regulations may be given either specially as the occasion arises, or beforehand by a general authority, in writing, to act for any special time, not exceeding one (1) year, in the manner indicated therein.

24. Public betting in any part of the Reserve (including enclosures) shall not be permitted, and every person infringing this regulation shall be liable to expulsion from the enclosures and the Reserve.

25. Every person offending against any of these regulations shall on conviction before any Justice be liable to a penalty not exceeding Five pounds (£5) for each offence, and every person who so offends and who after he has been warned by any Bailiff of Crown Lands or any officer or servant of the Trustees, or by any constable, does not desist from so offending, may be forthwith apprehended by such Bailiff of Crown Lands, officer, servant, or constable (as the case may be), and taken before some Justice, and shall on conviction be liable to a penalty not exceeding Ten pounds (£10). For the purposes of this regulation the words "any officer or servant of the Trustees" shall include any officer or servant of the Melbourne Cricket Club.

Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

The Government will not necessarily accept the lowest or any tender.

Tenderers failing to take up their accepted tenders will be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for ——" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. The Government will not be bound to order from the contractor all the articles enumerated in the schedules, but only those articles, and such quantities of those articles, as it may be found necessary to order. Should the Government, however, require a larger supply of any article than the quantity stated in the schedule, the contractor will nevertheless be bound to supply the same at contract rates.

2. The supplies are to be the same as sample where so stated, and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. The supplies are to be the best quality of their several kinds or manufacture. A preference will, however, be given to goods of Commonwealth manufacture, provided the quality is equal to the particular manufacture indicated in the schedule.

3. The value of all packages, cases, casks, &c., whether bulk be broken or not, must be included in the prices stated in the contractor's tender; all such packages, &c., to be considered the

property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, casks, &c. The net weight or quantity only will be paid for. Contractors must provide, without extra charge, whatever labour may be required in the packing of stores.

4. All orders for supplies will emanate from the departments requiring the goods. The goods shall be delivered as may be directed by the officer ordering the supply. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor.

5. Supplies ordered for delivery in Melbourne and Williamstown districts are to be delivered free of all charges (whether cartage, freight, &c.), and, for the purposes of these contracts, Melbourne district will include a radius of 6 miles from the General Post Office; and Williamstown district will include the town of Williamstown, Hobson's Bay, and the River Yarra.

6. Arrangements as to time of delivery and inspection of goods will be made by the officers ordering the goods.

7. Orders must receive prompt execution; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the officer named in Condition 6, or the head of the department to whom the goods are to be supplied, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

8. The contractor will be required to furnish his account in the prescribed form at the time of the delivery of the goods, and the account shall be accompanied by the receipted delivery orders on which it is based. The prices quoted in the orders cannot be increased.

9. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. The contractor may, however, claim a survey on any goods objected to; but in that case he must, within twenty-four hours after objection is made, give notice thereof, in writing, to the officer rejecting the goods. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

10. All goods forwarded under these contracts shall, where practicable, be forwarded by rail, and all consignments shall bear the number of the consignment notes under which they are forwarded, and also the name of the contractor or contractors by whom consigned.

11. When the contractor is required to make delivery of goods at a railway station for transmission by rail for any department except the Defence Department, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in a triplicate of the form as an authority for the carrier to act as agent for, and charge the freight to, the Stores and Transport Department. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be retained by himself. (In the case of the Defence Department, however, the consignment note only which accompanies the order must be used.) Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which service the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 14 of these conditions.

12. Delivery will not be deemed to have been made until the goods have been approved of. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in Condition 7.

13. The members of boards of survey will be appointed by the Treasurer of the State for the time being, and the decision of the board is to be considered as final. If the board shall decide that the article is not of proper quality it must be immediately replaced by the contractor, failing which it, or any like supply that is suitable for the service, will be procured elsewhere, and the survey fees and extra expense (if any) will be charged as in Condition 7.

14. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount may be deducted as in Condition 7. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

15. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government. If it is found during the currency of the contract that the contractor has not conformed to the condition

of advertisement—which stipulates that if a tenderer be a member of a firm, and such firm be interested in the contract, then the tender is to be in the name of the firm, and not in that of the individual—then the Honorable the Treasurer may determine the contract, and forfeit the security money.

16. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Government, or by any contracts or agreements made for any works or supplies by the Department of Public Works, or on account of the Federal Government, or for the Railway Department, or for supplies for Technical Schools, or for the Metropolitan Parks and Gardens, or for supplies to the Aborigines, or for connexions and fittings for Diamond Drills; or by any article being made at and supplied for the use of any Government establishment, or by the consumption of the surplus stock of any Government establishment.

17. In the event of any alteration in the Tariff affecting any of the items included in this contract, the Government or the contractor (as the case may be) may give two months' notice, through the Secretary to the Tender Board, of the termination of the contract for the particular item or items so affected to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made. The contract for the unaffected items to remain in full force and effect.

18. As regards Contracts for Supplies used expressly for the Defence Department, however, it will be competent either for the contractor, on his own behalf, or for the Secretary of the Tender Board, on behalf of the Government, to terminate the whole or any item of the contract by giving three full calendar months' notice, in writing, to the opposite party, it being understood that such notice can only be given as in Condition 17.

19. Under no circumstances other than those mentioned in clauses 17 and 18 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

20. For the purposes of these contracts the word Government shall mean Government of the Commonwealth as regards supplies for the Commonwealth, and Government of the State as regards supplies for the State; and the word Treasurer shall mean Treasurer of the Commonwealth as regards supplies for the Commonwealth, and Treasurer of the State as regards supplies for the State.

21. Where specially indicated in the schedule, no subletting will be allowed; all work must be carried out in the factory of the contractor: the terms of employment of any person engaged in the preparation or manufacture of the articles tendered for in those schedules, and the wages paid to any such person shall be in accordance with and subject to the terms and conditions specified in the schedules concerned; and a copy of the labour clauses thus indorsed on the schedules affected shall be kept conspicuously and continually posted, in legible Roman characters, in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement, and in all other respects.
