## ANNEXES TO CONTRACTS—continued.

Item No.	Description of Articles.	Rate.	Contractors.
	<p>CONTRACTS NOS. 1907/327 TO 329.</p> <p>Schedule No. 7.</p> <p><b>CASTINGS (IRON, BRASS, GUN METAL, AND STEEL).</b></p> <p>Contract from 1st July, 1907, to 30th June, 1908.</p> <p>1907/327—Holden and Lewis ... Deposit £32</p> <p>1907/328—Edmund Carse ... „ £5</p> <p>1907/329—Davies and Baird ... „ £9</p> <p>Castings of a special character other than those provided for under this Schedule may be obtained locally without infringing this Contract.</p> <p><b>SPECIFICATION FOR CASTINGS.</b></p> <p>1. All castings are to be clean, sharp, free from surface scale, shell, cold shuts, blow holes, honey-comb, cinder, or any other imperfections, and are to be sound in every respect, and thoroughly close in grain. When specially ordered, the castings are to be run with heads or runners of such weight as may be ordered, such heads and runners to be cut off by the Contractor before delivery is made, and the charge for the casting must be at the net weight only, trimmed and clean.</p> <p>2. Whenever specially ordered, the iron castings shall be run from the very best "cold-blast iron" of such particular brand, quality, and mixture as may be described in the order; or of such other substituted mixture as may be approved or directed by the officer of the Department ordering, so as to produce a hard, close, soft, or other description of metal, at the option and to the satisfaction of the officer ordering.</p> <p>3. Whenever castings are required, and, in the opinion of the officer ordering, they can be moulded from the broken originals, the Contractor will be bound to mould from such broken originals without requiring the Government to supply a wooden or other pattern for same, and without being allowed any extra rate.</p> <p>4. All patterns lent by the Government will be delivered to the Contractor at his works, and all such patterns must be returned by and at the expense of the Contractor in good order and condition, and must be delivered together with the castings. In the event of the non-return of any of the patterns, or of their being damaged, the price, which will be fixed by the officer ordering, shall be paid by the Contractor, or may be deducted from any money due to the Contractor or from his security money.</p> <p><b>TESTS FOR CASTING—STEEL.</b></p> <p>5. The steel castings supplied under this schedule shall be annealed until a piece cut from them or a test piece made from the same cast will bend 1 inch in 6 inches, thus:  and stand being brought back to its original shape without showing signs of fracture.</p> <p>6. The Contractor shall, if called upon to do so, supply a test bar 6 inches long by 2 inches square, which will be drawn out under the hammer, and then subjected to a tensile test; the minimum breaking strain to be 25 tons per square inch, with elongation of ten per cent.</p> <p><b>TESTS FOR CASTINGS—IRON.</b></p> <p>7. When required, three iron test bars 3 ft. 6 in. long, 2 inches deep and 1 inch wide, shall be supplied, cast on edge in dry mould, and cast from the same metal as the casting; these bars to be tested as follows:—The lower side of the casting to be placed downwards upon rigid bearings with a 3 feet span, each bar to deflect not less than 3-10ths of an inch, with a load of 25 cwts. in centre, having a bearing not more than 1 inch wide upon the bar, to break with a minimum load of 28 cwts., and an average upon three bars of not less than 30 cwts.</p> <p>8. The Contractor shall, during the currency of this contract, furnish the officer ordering with the address or addresses of the place or places at which the steel castings are being manufactured by the Contractor, and the officer ordering, or any person appointed by him from time to time shall at all times during business hours have free access to such place or places, and shall be afforded every facility for inspecting the castings while in process of manufacture.</p> <p>9. No subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the Castings, &amp;c., tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of 8s. per day, or shall be paid such other wages and shall be employed subject to such conditions as are or may be determined by the Ironmoulders Board under the Factories and Shops Act; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.</p>	£ s. d.

## CONTRACT No. 1906/339.

## Schedule No. 5.

## CLOTHING FOR DEPARTMENTAL MESSENGERS.

(To be made up within the Commonwealth.)

Contract from 1st July, 1906, to 30th June, 1909.

1906/339—Alfred Bowley and Co.—Deposit £5.

Sample Serge at Tender Board Offices.

All material must be Fox's No. 4 serge, indigo dyed, and must be provided by the contractor at his own expense.

The uniform is to be in strict accordance with samples, well-fitted, well made, and hand or machine sewn (but the machine sewing must be confined to the seams of garments only, no stitching, or felling, or pockets must be done except by hand), and in every respect subject to the approval of the officer ordering.

Any article not fitting or bad in workmanship will be rejected.

Should the contractor fail to furnish the articles when required, it will be competent for the officer ordering to obtain the same elsewhere at the contractor's risk, and any expense incurred over and above the contract price will be deducted from the contractor's account, or from the security money.

No subletting will be allowed: all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the articles tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid such wages and shall be employed subject to such conditions as are or may be determined by the Clothing Board under the Factories and Shops Acts; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

## For Departmental Messengers.

1	Tunics, with crowns on collar ...	} Any size, to measure {	each	1 12 6	} Alfred Bowley and Co.
2	Trousers ...		"	0 14 6	
3	Caps, with crown and two covers...		"	0 7 0

## ANNEXES TO CONTRACTS—continued.

Item No.	Description of Articles.	Rate.	Contractors.
	CONTRACTS NOS. 1905/373 TO 376.	£ s. d.	
	Schedule No. 7.		
	<b>CORDAGE, LINES, ROPE, TWINE, ETC.</b>		
	Contracts from 1st July, 1905, to 30th June, 1908. 1905/373—M. Donaghy and Sons Py. Ld. Deposit £94 1905/374—James Miller and Co. Py. Ld. " £28 1905/375—Briscoe and Co. Ld. " £5 1905/376—Edward Duckett and Sons " £5 All Items marked (*) to Samples at Tender Board Offices. Items Nos. 1, 2, 3, 10, 12, 13, 29, 30, 33, and 34 are new samples.		
	(Victorian Manufacture.)		
	Under Items 25, 26, and 27 the twine must not only be equal to sample as regards make, finish, and material, but must also bear an average breaking strain of not less than 40 lbs. under Item 25, 120 lbs. under Item 26, and 220 lbs. under Item 27. No subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the Cordage, Lines, Rope, Twine, &c., tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of 6s. 8d. per day for a man, and 2s. 8d. per day for a woman respectively; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of those conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

All Items to Sample at Tender Board Offices

**SPECIFICATIONS.**

All crates shall be strictly in accordance with the samples, constructed out of spruce pine, and must be iron bound where indicated by the samples. All supplies shall be subject to the approval of the Secretary for Agriculture, or any other officer authorized by him.

## ANNEXES TO CONTRACTS—continued.

Item No.	Description of Articles.	Rate.	Contractors.
		£ s. d.	
<b>CRATES FOR EXPORTATION PURPOSES—continued.</b>			
All crates are to be branded on both sides, as ordered, in black or red, with impressed brands as per sample crate, and the price quoted for the supply of the crates shall cover the cost of such branding.			
Under Item 14, a separate price per 100 crates must be quoted for branding, as ordered, in black or red, with impressed brand, merchant's names, trade or other marks, on both ends, as required.			
A sample of the branding required will be seen on Item 1, large rabbit crate.			
No subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the Crates tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid such wages and shall be employed subject to such conditions as are or may be determined by the Woodworkers Board under the Factories and Shops Act; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

## CONTRACTS NOS. 1905/385 TO 388.

## Schedule No. 11.

## DRUGS, MEDICINES, ETC.

Contract from 1st July, 1905, to 30th June, 1908.

1905/385—The Columbus, U.S.A., Mfg. Co. ...	Deposit £72
1905/386—Rocke, Tomsitt, and Co. ...	£27
1905/387—Felton, Grimwade and Co. ...	£29
1905/388—H. B. Silberberg and Co. ...	£5

Oils, tinctures, decoctions, infusions, and liquid preparations generally must be delivered in oval glass bottles. Fuming and other acids, spirits of ammonia, and deliquescent salts must be delivered in bottles having ground-glass stoppers when so ordered.

In cases where special manufactures are mentioned in the schedule, the contractor will be bound to supply the goods in the original packages, having thereon the maker's label or other trade mark, as a guarantee of the genuineness of the goods so supplied.

All articles must be of the best quality of the several kinds, and all preparations and compounds are to be those of the new "British Pharmacopoeia," unless otherwise specially ordered.

CONTRACT No. 1905/391.

Schedule No. 13.

## FENDERS, FIRE-IRONS, GRATES, ETC.

Contract from 1st July, 1905, to 30th June, 1908.

1905/391—Edwin Jenkins—Deposit £8.

No subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the articles tendered for in this schedule shall not exceed 48 per week; and every such person shall be paid the rates fixed by the determination of any special Board under the Factories and Shops Acts which deals with any such articles, or where no such rates are fixed by a special Board, then a minimum wage of not less than 8s. per day shall be paid; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement, and in all other respects.

All Items to Samples at Tender Board Offices.

All Items to Sample at Tender Board Offices.

All supplies received under this schedule must be guaranteed fast colours and well shrunk.

No subletting will be allowed; all work must be carried out in the factory of the contractor; and the hours of employment of any person engaged in the manufacture of the Flannels, Serge, Tweeds, &c., tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid such wages and shall be employed subject to such conditions as are or may be determined by the Woollen Trade Wages Board under the Factories and Shops Acts; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

## HATS—MEN'S AND BOYS'.

(Manufactured within the Commonwealth.)

Contract from 1st July, 1907, to 30th June, 1910.

1907/352—Lincoln, Stuart, & Co. Py. Ld.—Deposit £36

**All Items to Sample at Tender Board Offices.**

Item No. 1 is a New Sample.

No subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the hats tendered for in the schedule shall not exceed 48 hours per week, and every such person shall be paid at a minimum wage for a man of £2 10s. per week, and for a woman £1 per week respectively; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use), in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement, and in all other respects, failing which they may be replaced at the contractor's expense, and the cost of same will be deducted as in Condition No. 7.

1907/354—The Dunlop Rubber Coy. of Australasia Ltd. ... £45

Items marked (\*) to Sample at Tender Board Offices.

Items 1 to 6 must be North British Hose, and of the qualities stated hereunder. Contractors will, in all cases, be bound to supply goods bearing the brand of the maker stated in their tenders.

As regards articles manufactured within the Commonwealth no subletting will be allowed: all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the Indiarubber Goods tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of not less than £2 5s. for a man and £1 for a woman per week respectively; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

LOCKS AND KEYS				
(Of Victorian Manufacture).				
No subletting will be allowed: all work must be carried out in the factory of the Contractor, the hours of employment of any person engaged in the manufacture of Locks, &c., tendered for in this Schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of not less than 10s. per day, and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the Contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

## CONTRACTS NOS. 1906/375 TO 382.

## Schedule No. 21.

## OILS AND OIL DRUMS.

Contract from 1st July, 1906, to 30th June, 1909.

1906/375—The Vacuum Oil Coy. Py. Ltd.	Deposit £28
1906/376—E. L. Yencken and Co. Py. Ltd.	" £5
1906/377—Briscoe and Co. Ltd.	" £30
1906/378—The Sydney Soap & Candle Co. Ltd.	" £5
1906/379—Wm. Adams and Co. Ltd.	" £5
1906/380—Brooks, Robinson, and Co. Ltd.	" £15
1906/381—The British Imperial Oil Co. Ltd.	" £72
1906/382—The Colonial Oil Co.	" £10

Articles marked Asterisk (\*) to sample at Tender Board Offices.

All oils must be of the best quality, perfectly free from sediment or other deleterious substances, and subject to the approval of the officer ordering. With the exception of items 3, 20, 27, 30, 31, 32, and 39, oils must be supplied, if so required, in 5 or 10 gallon drums, and no extra charge will be allowed for such drums. Kerosene drums or other receptacles, however, under this Schedule remain the property of the Contractor. Castor Oil must be supplied in tins containing 4½ gallons, or 4 tins containing 17 gallons to the case. Kerosene not in bulk must be supplied in cases at 8 or 8½ gallons to the case, each full tin containing 4 or 4½ gallons. When single tins are ordered, cases must also be provided. Kerosene for outlying districts may be purchased locally without infringing this contract.

A sample of the Batching Oil intended for supply must be submitted for the approval of the Inspector-General of Penal Establishments before delivery of each consignment is made.

In the case of Cylinder Oils the prices quoted are for various grades. Where practicable preference will be given to oils refined in the Commonwealth.

Kerosene for Light-houses is not included in this Schedule.

CONTRACT NO. 1907/374.

Schedule No. 24.

**OIL—KEROSENE.**

(For Light-houses only.)

Contract from 1st July, 1907, to 30th June, 1908.

1907/374—James Service and Co.—Deposit £16.

The Oil must be supplied in tinned iron drums, each to hold 10 gallons, or in cases and tins similar to those used for kerosene, or in casks, as the Department may elect.

## ANNEXES TO CONTRACTS—continued.

Item No.	Description of Articles.	Rate.	Contractors.
		£ s. d.	
	<b>OIL—KEROSENE—(continued).</b>		
	The Oil to be supplied under this schedule is to be of the best possible quality; the greatest care must be taken in its preparation, and it must be perfectly free from Sulphuric Acid.		
	The Oil must have a specific gravity of not less than 810 nor greater than 820 at 60° Fahrenheit, its flashing point not lower than 200° Fahrenheit.		
	The illuminating power of the Oil supplied must be equal to that of the best Colza Oil when consumed in a Trinity House Argand lamp.		
	The Oil supplied must be of a quality equal to that of the sample provided by the Ports and Harbors Department.		
	The Oil must be supplied and delivered in two or more shipments, but the Contractor must deliver not less than half the total quantity on or before the 30th November, 1907, and the balance on or before the 30th April, 1908.		
	The Oil must be delivered at the Dockyard, Williams-town, and shall be subject to the approval of the Engineer in Charge of Ports and Harbors, or any other officer whom he may authorize to accept delivery.		
	The Oil supplied must be strictly in accordance with the above Specification.		
1	Oil—Kerosene, High test ... per gallon in bond Maker's name—Standard Oil Coy. of N. Y. Thompson and Bedford Department.	0 0 10	James Service and Co.
	<b>CONTRACT No. 1907/375.</b>		
	<b>Schedule No. 25.</b>		
	<b>OVENS, FURNACES, AND COPPERS.</b>		
	(Manufactured within the Commonwealth.)		
	Contract from 1st July, 1907, to 30th June, 1910.		
	1907/375—Harnwell and Son—Deposit £5.		
	The copper boilers are to be of the capacity ordered, weighing not less than 1½ lbs. per gallon.		
	The Portable Washing Furnaces must be constructed of Wrought Iron, riveted and strapped at top and bottom edges with 1 in. x ½ in. circular bars, cast-iron fire-grate, furnace door, flue pipe, and cap complete.		
	The Ovens must be made of the best description of Wrought Iron, and strongly put together with ½ in. top and bottom plates; bodies of No. 20 gauge, and each to have approved fall-down door, fall-down bars, trivets, hob guards, and sheet-iron flues.		
	No subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the Ovens, Furnaces, and Coppens tendered for in this Schedule shall not exceed 48 per week, and every such person shall be paid such wages and shall be employed subject to such conditions as are or may be determined by the Ovensmakers Board under the Factories and Shops Acts; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared, or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulet, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

CONTRACTS NOS. 1907/376 TO 380.			
Schedule No. 26.			
PIPING (LEAD), PUMPS, SPOUTING, RIDGING, ETC.			
(Manufactured where practicable within the Commonwealth.)			
Contract from 1st July, 1907, to 30th June, 1910.			
1907/376—Edward Duckett and Sons—Deposit £5			
1907/377—Briscoe and Co. Limited " £5			
1907/378—John Danks and Son Pty. Ltd. " £5			
1907/379—James Moore and Son Pty. Ltd. " £5			
1907/380—W. Richardson and Co. " £5			
All sheet iron Spouting, Ridging, Down Pipes, &c., to be made of the best Galvanized Iron.			
Items marked (*) to sample at Tender Board Office.			
So far as articles manufactured within the Commonwealth are concerned no subletting will be allowed; all work must be carried out in the factory of the contractor, and the hours of employment of any person engaged in the manufacture of the Piping, Spouting, Ridging, &c., tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of not less than 8s. per day, except for articles provided for by special Boards appointed under the Factories Act when the wages paid and condition of employment shall be in accordance with the determination of such Boards; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

All Articles marked (\*) to Sample at Tender Board Offices.

Items 33 and 49 are to new samples.

As regards supplies for the Defence Department, an officer may be appointed to inspect any article in process of manufacture at the factory of the Contractor. Should any emergency arise which would necessitate the Defence Department ordering a larger supply of any articles in this Schedule than the Contractor can deliver within a given time, the Department may purchase them elsewhere without infringing this Contract.

All Leather work must be of the best quality of its kind, and all stitching must be done by hand.

## A.—Saddles, Bridles, &amp;c.

No subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the Saddlery, &c., tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid such wages and employed subject to such conditions as are or may be determined for the various articles by the Saddlery and Leather Goods Board respectively, under the Factories and Shops Act, and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon

## CONTRACTS NOS. 1904/381 AND 382.

## Schedule No. 30.

## SAFES (FIREPROOF).

(Manufactured within the Commonwealth).

Contract from 1st July, 1907, to 30th June, 1910.

1907/381—Thomas Pitt and Co. ... Deposit £12

1907/382—W. Willis and Co. ... " £24.

No subletting will be allowed: all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the Fireproof Safes, &c., tendered for in this Schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of 8s. per day; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

All Safes and Boxes must be of the best make, subject to test. Tenderers to insert maker's name of the safes and boxes, also the number of the maker's list they offer to supply. Safes must have 4-inch steel doors, No. 10-gauge steel for outside body, No. 14-gauge steel for inside lining, with bolts, Chubb's locks, and duplicate keys. The fireproof packing to be not less than 3 inches thick, irrespective of steel plates. Locks on doors of safes must be protected by chilled-steel armour plate.

The Boxes must be made with 14-gauge steel for outside body and 16-gauge steel for inside lining, with Chubb's locks and duplicate keys. Fireproof packing same thickness as in safes. The locks on doors of boxes must also be protected by chilled-steel armour plate, as in the case of safes.

## CONTRACTS Nos. 1906/386 TO 388.

## Schedule No. 23.

## TIMBER—GENERAL.

## (Sawn and Other.)

Contract from 1st July, 1906, to 30th June, 1909.

1906/386—James Moore and Sons Pty. Ltd. ... Deposit £192

1906/387—T. Anthony and Co. " £5

1906/388—H. Beecham and Co. " £5

All Timber to be free from large knots, shakes, heart sap, or any other imperfection; to be thoroughly sound, seasoned, and close-grained or free, as may be required.

When timber which is rated at per superficial foot of one inch thick is asked for and supplied of a greater or less thickness than one inch it shall be paid for proportionately.

Actual measurements only will be paid for.

So far as the work done in the Commonwealth is concerned, no subletting will be allowed; all work must be carried out by the contractor; the hours of employment of any person engaged therein shall not exceed 48 per week, and every such person shall be paid such wages and shall be employed subject to such conditions as are or may be determined by the Woodworkers Board, or where no such wage is provided at a minimum wage of £2 10s. for skilled workmen and for labourers £2 2s., per week respectively; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory, mill, or yard (and in each part of the factory or mill where several parts are in use) in which timber is prepared under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

(Sawn and Other.)

Contract from 1st July, 1906, to 30th June, 1909.

1906/389.—James Moore and Sons Ppy. Ltd. Déposit. £100

1906/390.—Millar's Karri and Jarrah Coy. 1902 Ltd. " £45

1906/391.—T. Anthony and Co. " £5

Items marked asterisk (\*) to sample at Tender Board office.  
 All timber to be free from large knots, shakes, heart sap, gum veins, or any other imperfection; and must be thoroughly sound.

When timber which is rated at per superficial foot of one inch thick is asked for and supplied of a greater or less thickness than one inch it shall be paid for proportionately.

Actual measurements only will be paid for.

This contract is not to be considered broken, infringed, or vitiated by the purchase locally of any of these items for country stations.

No subletting will be allowed; all work must be carried out by the contractor; the hours of employment of any person engaged therein shall not exceed 48 per week, and every such person shall be paid such wages and shall be employed subject to such conditions as are or may be determined by the Woodworkers Board, or where no such wage is provided at a minimum wage of not less than £2 10s. for skilled workmen, and for labourers £2 2s. per week respectively; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters, in the factory, mill, or yard (and in each part of the factory, mill, or yard where several parts are in use) in which Timber is prepared under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to

CONTRACTS Nos. 1906/392 to 395.

Schedule No. 25.

## TINWARE, ETC.

(Manufactured within the Commonwealth.)

Contract from 1st July, 1906, to 30th June, 1909.

1906/392—John Fisher, jun. ... Deposit £12  
 1906/393—Lanyon and Bryant ... " £10  
 1906/394—Watton and Kemp ... " £12  
 1906/395—A. P. Allan ... " £5

All Items to Sample at Tender Board Offices.

Items 20 and 38 are to New Samples.

For the Hospitals for the Insane the tinware goods are to be made of D xxxx best charcoal tin, and the galvanized-iron goods of Tenax steel, Orb brand, except for item 40, the supplies for which must be made of black iron galvanized. Brass wire is to be used for the brass and tin domestics, tinned wire for the remainder of the tinware, and galvanized wire for the galvanized goods. The joints of the wire in all cases must not be near the seams of the article, even though in this respect the samples may be faulty. All items, with the exception of Nos. 2, 3, 4, 33, 38, 40, 44, and 45, are to sample for Hospitals for the Insane.

## ANNEXES TO CONTRACTS—continued.

Item No.	Description of Articles.	Rate.	Contractors.
<b>TINWARE, ETC.—continued.</b>		£ s. d.	
Cash Boxes to be stamped "G.P.O." &c., as required.			
The contractor will be allowed a reasonable time, and, in the case of orders for the larger institutions, a period of one month from the receipt of each order to complete the delivery.			
No subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the tinware tendered for in this Schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of not less than £2 8s. per week or such rates as may be fixed by the determination of the Tinsmiths Board under the Factories and Shops Act; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

## SPECIFICATION FOR VENETIAN BLINDS.

## OUTSIDE VENETIAN BLINDS.

*Frames.*—The frames to be constructed of clear pine, wrought throughout, with 1-in. jambs and soffits, dove-tailed at joints, and  $\frac{3}{4}$ -in. front and back linings, securely put together. The outside linings to be finished all round with small clear pine moulding mitred at angles, and the frames to be accurately fitted to openings with any cutting to shape required, and to be securely screwed to plugs in reveals. The head linings to be made to form casings of sufficient depth to entirely cover the blinds when drawn up, and the fronts of same to be divided into ornamental panels of approved patterns by means of selected mouldings planted on; the lower edges of outside head linings to be escalloped to approved pattern.

*Blinds.*—The laths, pulley bearers, and top and bottom laths of clean clear pine wrought throughout, and all laths to be  $2\frac{1}{2}$  inches wide and spaced not more than 2 inches apart; pulley bearers to be  $1\frac{1}{2}$  inch thick, to be properly mortised to receive pulleys, and to be neatly grooved for cords; top and bottom laths to be  $\frac{3}{8}$  inch thick and intermediate laths  $\frac{5}{8}$  inch thick, and all edges to be neatly rounded.

Blinds to be hung with all necessary brass pulleys, lignum vitæ or other approved drums, approved linen web ladder tapes, and 4-lb. best patent white cords, and to be provided with Young's patent cord-holders, or, when ordered, 6-in. double brass plate hooks. Blinds to be provided with brass pulleys, so that they may be raised and regulated from inside the rooms. Blinds up to 3 ft. 6 in. in width to have two lines of tapes and cords, and over that width three lines.

*Painting.*—The whole of the woodwork of blinds and frames to be primed with red lead and raw linseed oil, and to be then painted three coats of the best oil colour, composed of white lead, raw linseed oil, colour, turpentine, and dryers; the painting to be rubbed down with glass paper between the coats, and to be finished in selected tints. The last coat but one to be slightly darker than the tint selected for the finishing coat, and the last coat to be a coat of flatting. The whole to be once varnished with the best English pale copal varnish.

*Repairing, &c., old blinds.*—Repairing old blinds is to include taking down, washing, painting two coats of oil colour as before described and once varnishing both blinds and frames, providing and fixing approved new linen web ladder tapes and 4-lb. best patent white cords, and securely refixing and putting in working order.

## INSIDE VENETIAN BLINDS.

Inside Venetian Blinds to be as above described for Outside Blinds, except that they are to be made of California red pine without frames.

*Repairing, &c., old blinds.*—Repairing old blinds is to include taking down, washing, painting two coats of oil colour as before described and once varnishing, providing and fixing approved new linen web ladder tapes and 4-lb. best patent cords, and securely refixing and putting in working order. Any old galvanized iron brackets to be made thoroughly secure, and new galvanized iron brackets to be supplied and fixed where required.

## MATERIALS FOR ABOVE.

*Materials.*—The clear pine and red California pine for all blinds are to be sound, dry, and well seasoned; and the whole of the materials are to be of the best of their respective kinds, free from all defects equal to samples to be seen at the Department of Public Works, and to be subject to the approval of the Superintending Officer. Blinds to be made generally to correspond with samples to be seen at the Public Offices.

*Fitting and fixing.*—Where the building for which the blinds are required is within a radius of 8 miles from the General Post Office the contractor will be required, when ordered to fix the blinds, to take his own dimensions, to properly fix the blinds either under soffits of windows or on approved galvanized-iron brackets, securely screwed, and to make good any damage done to the buildings.

*Packing for transit to country.*—Where the building for which the blinds are required is beyond a radius of 8 miles from the General Post Office the contractor will be required, when ordered to pack the blinds for transit to the country, to provide proper packing cases and to securely pack the blinds, and to deliver them complete and perfect and ready for fixing at such railway station or other forwarding agency in Melbourne as may be directed.

*Generally.*—All blinds must be examined and passed by an officer of the Public Works Department before they are paid for.

All blinds to be made and painted on the contractor's premises, which must be within a reasonable distance of the city of Melbourne; and every facility must be afforded the officers of the Public Works Department for examining the work at any time previous to its delivery.

The contract for repairing, &c., only applies to buildings within the radius above mentioned.

The Government reserves the right, when erecting new buildings or when making additions or repairs to buildings outside the radius above mentioned, of including any Venetian Blinds required in the general contract for such building, additions, or repairs.

Signature of Tenderer \_\_\_\_\_

	<b>CONTRACTS Nos. 1907/394 AND 395.</b>		
	Schedule No. 30.		
	<b>WRAPPERS AND BUTTER CLOTH FOR EXPORTATION PURPOSES.</b>		
	(Made up within the Commonwealth.)		
	Contract from 1st July, 1907, to 30th June, 1908.		
	1907/394—Jabez Gadsden ... Deposit £33		
	1907/395—Hicks, Atkinson, and Sons ... £5		
	All Items to Samples at Tender Board Offices.		
	All supplies for the Agriculture Department shall be subject to the approval of the Secretary for Agriculture, or any other officer authorized by him.		
	Sub-Schedule A.— <i>Wrappers—Branded.</i>		
	(Made up in Victoria).		
	The price quoted must cover cost of branding the Wrappers with port and grade marks, or any other brand, as may be required.		
	The Agriculture Department guarantees to take the quantity specified in the tender. The contractor will, however, be bound to supply an additional 25 per cent., if required, at schedule rates, and also have the option of supplying any further requirements during the period of the contract at contract rates. In the event, however, of the Contractor refusing to supply the extra requirements over and above the 25 per cent., fresh tenders may be invited.		
	No subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the making up of the wrappers tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of not less than £1 16s. for a man and 16s. for a woman per week respectively; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulet, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.
