THE allotments mentioned in the Schedule hereunder will be available for application until Friday, the 11th September, 1908.

Applications must be made in the prescribed form, and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the registration fee of 5s., and a deposit equal to the first half-yearly instalment for the most valuable allotment applied for, and the lease fee of £1.

All applications so lodged on or before the above-mentioned date will be deemed to have been simultaneously made.

The applications received will be dealt with on Wednesday, the 23rd September, 1908, at Ten a.m., in the Board Room, Crown Lands Office, Melbourne.

CONDITIONAL PURCHASE LEASE.

The leases issued to successful applicants will be dated the 1st day of October, 1908, and may be for such a term of years, not exceeding 31½, as may be agreed upon between the Lessee and the Board, and will contain the following conditions:—

1. Allotments in this Estate will be disposed of under Conditional Purchase Lease.

2. The amount to be paid for each allotment is shown in the schedule herewith.

3. Any person 21 years of age who is engaged in any form of manual, clerical, or other work for hire or reward, and is not possessed of real or personal property to a value exceeding £250, or whose salary does not exceed £200 per annum, may apply for one or more allotments, but no one can be granted more than one allotment.

4. No conditional purchase lease of an allotment can be granted to any person who is directly or indirectly the owner of any other land in the State, which if town or suburban land, exceeds ¼ of an acre, or if rural land, exceeds 50 acres in area.

5. Every application must be made on the prescribed form, and be accompanied by the registration fee of 5s., and by a deposit equal to the first instalment of the purchase money prescribed for the most valuable allotment applied for and the lease fee (£1).

6. The purchase money, with interest at 4½ per cent., must be paid by 63 or a less number of half-yearly instalments (including deposit), calculated according to any of the tables under Division 3 of Part I. of the *Savings Bank Act 1890 Amendment Act 1896*. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

7. Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

8. The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

9. A substantial residence to the value of at least £300 must be erected on each allotment, in accordance with plans and specifications approved by the Board's Architect, and advances up to £250 may be made on the £1 for £1 principle to assist lessees to build, repayable by monthly instalments extending over a period of twenty years, and bearing 5 per cent. interest. In special cases the Board may advance the maximum amount of £250, although the value of the improvements to be effected will not exceed the £300. All such improvements are to be insured in the name of the Board. All buildings must be erected under the supervision of the Board's Architect, and a charge of 2½ per cent. on the total value of the buildings will be made. This amount must be paid by the lessee on the completion of the contract, or, if so desired, it may be added to the value of the land. Advances will only be paid on the certificate of the Architect that the conditions of contract have been complied with in every particular.

10. The lessee must, within four months, enter into *bond fide* occupation of his allotment and reside there permanently. Substituted residence may be arranged in special cases with the approval of the Board.

11. The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

12. Not more than one residence or place of business shall be erected on any one allotment, and no building or verandah attached thereto shall be erected within 20 feet of the street boundary line.

TENDERS FOR GRAZING LANDS.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box not later than One p.m. on Friday, 25th September, 1908.

NOTE.—No tender will be accepted unless the fee for the period from 1st October, 1908, to 30th September, 1909, and fee of Five shillings for licence, are forwarded.

TENDERS will be received up to One p.m. on Friday, 25th September, 1908, for the occupation, for grazing purposes only, of the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the Land Act 1901 shall be subject to the conditions set forth in the

schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1800* in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

Special Conditions.

1. The period of occupation will be for twelve months—from 1st October, 1908, to 30th September, 1909.

2. The fee for the period from 1st October, 1908, to 30th September, 1909, for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. *Tenders to be addressed to the Secretary for Lands (Tender Box), Melbourne.*

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box not later than One p.m. on Wednesday, 7th October, 1908.

NOTE.—No tender will be accepted unless the fee for the period from 1st November, 1908, to 31st October, 1909, and fee of Five shillings for licence, are forwarded.

TENDERS will be received up to One p.m. on Wednesday, 7th October, 1908, for the right to depasture stock for a term of three years, on the following unappropriated portions of Land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions. The licence will be renewable annually to 31st October, 1911, and in the event of any application for renewal for a further term being made, the manner in which the area has been protected from injury by fires during the term of the licence and the conditions thereof have been observed will be fully considered.

Every licence granted under section 187 of the Land Act 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the Land Act 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will be for twelve months—from 1st November, 1908, to 31st October, 1909, with a licence renewable for two years therefrom.

2. The fee for the period from 1st November, 1908, to 31st October, 1909, for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. *Tenders to be addressed to the Secretary for Lands (Tender Box), Melbourne.*

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent

jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

Plans will be posted for inspection at Inquiry Room, Lands Department, Melbourne, at the principal Post Offices throughout the districts, and at the Land Offices at Bairnsdale Sale, Omeo, Beechworth, Benalla, Alexandra, Seymour, Bendigo, Geelong, Ballarat, Ararat, Stawell, Horsham, Hamilton, Warracknabeal, St. Arnaud.
