WEDNESDAY, SEPTEMBER 16.

[1908.]

TO THE HONORABLE
THE CHIEF SECRETARY.

I HEREBY give you notice that it is my intention, on Friday next, the eighteenth day of September, to issue a Writ for the Election of a Member to serve in the Legislative Assembly of Victoria for the Electoral District of Richmond.

Dated this fifteenth day of September, 1908.

FRANK MADDEN,

TRIENNIAL GENERAL RENEWAL OF ELECTORS' RIGHTS.—LEGISLATIVE ASSEMBLY.

IMPORTANT NOTICE TO ELECTORS.

IT is hereby notified that all persons who are holders of electors' rights issued before or on the 1st November, 1907, must, not later than 2nd November next, obtain renewed rights in lieu thereof, in order to have their names retained upon the new General Electoral Lists, which will be made up forthwith after that date.

Neglect of this precaution will result in the omission of the names of the persons so neglecting from such Lists.

The old right must in every case be delivered up to the Registrar or Deputy, but the renewed right will be equally available for any election that may take place before the coming into force of the new rolls in April, 1909.

Intending applicants for electors' rights are cautioned to apply early to the Registrar. If application be postponed until the last day allowed for the purpose, the Registrar or Deputy may be unable to issue rights to all applicants, and those to whom rights are not issued will not be enrolled, and will lose their title to vote.

No person whose name is already on the roll of rate-paying electors for any division of an electoral district may obtain an elector's right for such district.

Persons of foreign birth who desire to obtain electors' rights must, if not already naturalized, obtain letters of naturalization, without which they are not qualified.

Electors' rights for the Legislative Assembly can now be obtained free of charge, and "residential" rights for the Assembly may be applied for either in person or in writing through the post. Forms necessary for applications through the post are obtainable at the offices of the Registrars and Deputies, and at all Courts of Petty Sessions, Post Offices, and Police Stations.

[No. 25.]

USE OF RED BEACON, EASTERN PIER, LAKES ENTRANCE.

REFERRING to General Notice to Mariners, dated 1st August, 1907, pages 117 and 118, mariners and others are hereby warned that under present conditions and until further notice, navigation at the Entrance—except during slack water—requires great care, and that in order to clear the vicinity of the submerged Western Pier and stumps and stones referred to in the above pages, as well as the shallow water existing between such obstructions and the bar, they must keep to the eastward of the Flagstaff and Red Beacon in line, while approaching and leaving the Entrance between the piers. Masters are also cautioned against a strong set to the westward during the prevalence of easterly weather between the bar and Entrance piers. Navigation of the Entrance at night-time is attended with considerable risk.

TENDERS will be received up to One p.m. on Wednesday, 7th October, 1908, for the right to depasture stock for a term of three years, on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions. The licence will be renewable annually to 31st October, 1911, and in the event of any application for renewal for a further term being made, the manner in which the area has been protected from injury by fires during the term of the licence and the conditions thereof have been observed will be fully considered.

Every licence granted under section 187 of the Land Act 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the Land Act 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the Land Act 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

TENDERS FOR GRAZING LANDS.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box not later than One p.m. on Friday, 25th September, 1908.

NOTE.—No tender will be accepted unless the fee for the period from 1st October, 1908, to 30th September, 1909, and fee of Five shillings for licence, are forwarded.

TENDERS will be received up to One p.m. on Friday, 25th September, 1908, for the occupation, for grazing purposes only, of the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

Special Conditions.

1. The period of occupation will be for twelve months—from 1st October, 1908, to 30th September, 1909.

2. The fee, for the period from 1st October, 1908, to 30th September, 1909, for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. *Tenders to be addressed to the Secretary for Lands (Tender Box), Melbourne.*

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
